We cheered wildly as we holstered our weapons and powered down and Caitlin Lusignan's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large pink planets orbiting around her legs, twenty-five smaller pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized pink planets orbiting around her wrists and ankles, and massive pink angel wings and eleven sets of large pink angel wings underneath her massive pink angel wings are permanent.

Caitlin Lusignan: This is the price that you must pay for all of your crimes, you insane she-demon! Thanks for helping me take down Marianne Midnight Moonslayer, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Caitlin.

Me and Nico: Our pleasure, Caitlin.

Suddenly, Caitlin Lusignan wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Caitlin Lusignan's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Daydream Moondancer flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Caitlin Lusignan sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Well, that's it for Marianne Midnight Moonslayer.

Me: And we've pissed off Morgana big time! So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Director appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Artemia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Director.

She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world, and she's the director of The Actors of Darkness, and she handles the directing the plays she and her sisters performed. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-

Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Artemia Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Artemia Balthazar really hates Flip with a blazing passion, and she also knew how to bring down the actions of that smelly mutant when he tried to kill Lincoln which was more than once along with scamming and ripping people off, and all it took was one planned out performance from Artemia, and not only was Flip done for, but he always wind up getting his clothes shredded off and left in his stained underwear in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he gets thrown back in prison with another life sentence added to his multiple life sentences.

Nico: Serves him right.

Me: We've seen what she and Lincoln had done in really humiliating that mutant.

Lincoln: And she directed the payback plays we'd done to my enemies including the five mean sisters. And now, tomorrow is the final showdown against Morgana Midnight Sparkle.

Catherine Fontaine: That's right.

Shade: That's the end of Ursula.

Krusty: Don't forget Galiel.

Whirlwind: Yeah. Him too.

Multiplex: There are still parts of Ursula left over.

Me: Yep.

We had her tentacles.

Batroc: Calamari, anyone?

Laney: Awesome!

Nico: Great job today everyone.

Princess Neri: It was really great helping you all out.

Me: We're glad you had fun.

Eli: And we avenged all those affected in Atlantica.

Camie: We sure did.

Ariel: (To the viewers) As long as we're around, Atlantica will never be hurt.

Me: That is for sure.

We returned home and had a great Calamari dinner. Then we went to prepare tomorrow for the final showdown against Morgana Midnight Sparkle, and many hours later, night fell on Gotham Royal York, and Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Cage Blunt, James Blunt, Captain Whitten, Carter Kenrick, Roxy Drake, Jack Howard, Jazz Jackson, Cuffs Lane, Casey Antonio, Buffy Blain, Vessie Harris, Abby Smith, Travis Tackett, Leela Salyers, Peace Salyers, Cronus Chase, and The Starfire Agency, and Thomas A.K.A. Panther, Carla Drake A.K.A. Carla Claw, Chester, Nick Price A.K.A. Crowe, Sarah Parker A.K.A. Hex, Chett A.K.A. Shroud, Sally Gamble, Jessie Jean A.K.A. Patch, Mad Cat Max, Nekome, Ichiro, and Claw Dane Drake of The Big Claw Gang looked out into the skies as the sun set and night fell on the city again.

Caleb Maxwell: And so, another day ends.

Cage Blunt: And we got rid of those two bastards, along with the next of The Midnight Princesses. And now, tomorrow's the final showdown against Morgana Midnight Sparkle.

Caleb Maxwell: She's gonna pay dearly.

We then got ready for bed because tomorrow's the final showdown against Morgana Midnight Sparkle, and she's going to pay.

THE END

NEATHIA VS ZENOHELD

This is where we battle Zenoheld and make him pay

In the early morning hours at 12:15 AM, Lincoln had a dream, and he saw seven figures hiding out and living in Water Park (Mario Kart 8). But, this was no ordinary six figures, they were Violet Star-Loud, daughter of Lincoln's future wife, Purple Star. Crimson Ruby-Loud, daughter of Lincoln's future wife, Red Ruby. Lime Leaf-Loud, daughter of Lincoln's future wife, Green Leaf. Daisy Amber-Loud, daughter of Lincoln's future wife, Orange Amber. Navy Sapphire-Loud, daughter of Lincoln's future wife, Blue Sapphire. Platinum Gold-Loud, daughter of Lincoln's future wife, Yellow Gold. and Iolite Keen-Loud, daughter of Lincoln's future wife, Indigo Keen. Lincoln woke up from the dream, but he wasn't the only one, The Seven Mermaid Princesses, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Purple Star: And it also means that we found out where our kids are at.

Me: They're at Water Park.

Nico: The second race track of the Mushroom Cup in Mario Kart 8 and Deluxe? Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, The Seven Mermaid Princesses, Black Alpha, Me, and Nico were heading to Water Park (Mario Kart 8). Then, Lincoln saw a 11 years old human-mermaid hybrid who has fair skin, purple eyes with purple star-like pupils, and wavy purple and white hair with light purplish-pink tiara. She also has a purple and white mermaid tail in the shape of a star. She wears a pink and orange t-shirt underneath light blue overalls with a pink star, white socks with orange outlines, and purple sneakers. A 11 years old human-mermaid hybrid who has fair skin, pinkish-red eyes with pinkish-red heart-like pupils, and long pinkish-red and white hair with gold tiara. She also has a pinkish-red and white mermaid tail in the shape of a heart. She wears a purplish-red dress with orange outline underneath pinkish-red vest, red heart choker, purplish-pink leggings, white socks, and purplish-red mary jane flats. A 11 years old human-mermaid hybrid who has light tan skin, brown eyes with green diamond-like pupils and yellow round glasses over them, and short green and white bobbed hair with green tiara. She also has a green and white mermaid tail in the shape of a diamond. She wears a white t-shirt underneath her orange sweater with blue diamonds and golden outlines, light blue skirt, white socks, and brown loafers. A 11 years old human-mermaid hybrid who has light tan skin, yellowish-green eyes with orange flower-like pupils, and bouncy orange and white hair with light orange tiara. She also has a orange and white mermaid tail in the shape of a flower. She wears white blouse underneath her yellowish orange dress with a white outline, orange leggings with reddish-orange stripes, and brown mary jane flats. A 11 years old human-mermaid hybrid who has tan skin, blue eyes with blue raindrop-like pupils, and long blue and white hair in a bubble ponytail with light blue tiara. She also wears a yellow circlet with a blue water drop shaped-jewel, yellow water drop-shaped earrings, and has a blue and white mermaid tail in the shape of a raindrop. She wears a light blue and orange jacket, dark blue pants with orange stripe, and white sports shoes with blue outlines. A 11 years old human-mermaid hybrid who has fair skin, bluish-green eyes with yellow ribbon-like pupils, and platinum blonde hair in two buns with light yellow tiara. She also has a platinum mermaid tail in the shape of a ribbon. She wears a yellow long-sleeved dress, orange bandana, and light brown boots. And a 11 years old human-mermaid hybrid who has dark skin, indigo eyes with indigo crescent moon-like pupils, and wavy indigo and white hair with light purplish-blue tiara. She also has a indigo and white mermaid tail in the shape of a crescent moon. She wears a light indigo hoodie with a crescent moon, orange skirt, indigo socks, and chunky dark brown boots. Lincoln saw who they were, they were The Young Mermaid Princess Crusaders.

Lincoln: Excuse me, are you girls The Young Mermaid Princess Crusaders?

Violet Star-Loud: Of course we are. Who are you?

Lincoln: Well, I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, The Seven Mermaid Princesses came out, and when The Young Mermaid Princess Crusaders saw them, they were stunned.

Crimson Ruby-Loud: Mother?

Red Ruby: I'm here, my little princess.

The Young Mermaid Princess Crusaders ran up to The Seven Mermaid Princesses, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Purple, Red, Green, Orange, Blue, Yellow, Indigo, your mothers are one of my many future wives.

The Young Mermaid Princess Crusaders: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled The Young Mermaid Princess Crusaders with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell

everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced The Young Mermaid Princess Crusaders to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting The Seven Mermaid Princesses with their kids, and The Young Mermaid Princess Crusaders now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to Neathia, but as he was flying, he saw a figure arising from the dead, it was another of Dan's old enemies, Coredegon, one of the former Mechtogan created by Fury under the guise of Wiseman, and leader of the four Mechtogan that combine to form Mechtavius Destroyer, along with Slycerak, Exostriker, and Mandibor, and he also heard the sound of deranged cackling, and he saw who it was that resurrected him, it was Morgana Midnight Sparkle, and she's now gone mad! Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh shit.

Fabia: This is not good, my sister's in danger along with all of Neathia. Morgana's now gone way too far.

Lincoln: That's for sure.

Lena Isis: Tomorrow, after we deal with Coredegon, we're going to free Mina's friends from Morgana.

Lincoln: Right, Lena.

Zenet Surrow: But, why do I get the feeling it's gonna be a tearjerker after you free them.

Lincoln: Well, we did see them cry and break down after they saw Mina alive and well. Once we get rid of the evil that's poisoned her friends, that's when the waterworks are really going to fly. We're telling everyone about this in the morning, and I know all Hell's gonna break loose.

Girl Jordan: The second that happens, everyone's going to be ready for war.

They went back to sleep, then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to Neathia, but as I was flying, I saw a figure arising from the dead, it was another of Dan's old enemies, Coredegon, one of the former Mechtogan created by Fury under the guise of Wiseman, and leader of the four Mechtogan that combine to form Mechtavius Destroyer, along with Slycerak, Exostriker, and Mandibor.

WE ALL GASPED!

Dan: Coredegon's back?! But how was that possible?!

Lincoln: It was Morgana Midnight Sparkle, she resurrected him. I heard her deranged cackling in the air and she's now gone mad!

Nico: That absolute demonic bitch!

Eli: I can't believe that she did this!

Dan: Lincoln's known that's she's capable of this along with many other tricks, so we'll get rid of our old enemy, Coredegon, once and for all. By the way, won't we have any trouble with Future Sebastian when we get to Neathia? I'm sure he won't stay away that easily.

Riley Misaki: Knowing him, there's no doubt. (Growls) That bastard's just as much a demonic and horrendous monster as Sebastian was.

Sebastian Mendez: What was that?! YOU LITTLE...!

POW!

Ashley McKenna punched Sebastian in his right eye!

Sebastian Mendez: (SCREAMS)

Sebastian covered his right eye with his right hand, and we saw blood seeping from his fingers.

Ashley McKenna: I can take dealing with the constant threats that you always spew out of your toxic mouth along with the fact that you've always been a blackhearted cold-blooded ruthless bastard even though we knew Dark Chase Young was the guilty culprit who turned you into that so many years ago, and I will not stand to see hurt Lincoln, his harem, or his kids get hurt by anyone, especially not by you, so if I ever catch wind of you attempting any harm or heartless actions against our man, his kids, and his loved ones, I will make you pay for everything that you've done. Grovel in despair and cower before the light of Heaven, you twisted psycho from the blackest depths of Hell!

Sebastian Mendez: (GROWLS)

Me: Sebastian calm down!

He listened to me.

Then, we saw his right eye heal, but the blood seeping out hasn't gone away: Ashley McKenna knew she made him angry, but she didn't care: he took her parents' lives away and tried to kill her all those years ago, along with committing so many other atrocities and horrors, and now, even after we freed him, he was still paying a pretty nasty price for his actions.

Lincoln hugged Ashley McKenna.

Ashley McKenna: I'm sorry I went out of line, but I reacted out of instinct. He was going to try and hurt Riley after what she said.

Lincoln: It's okay, Ashley.

Nico: He's right, and it's not your fault. We were told of how much you hated Sebastian especially due to the fact he murdered your parents so long ago, we knew he'd go too far many years ago after he'd descended into madness and darkness, and that was the result.

Trudy Lawrence: And none of us could ever forgive him for the fucked-up things he'd done in the past and he crossed so many lines from which he should've been killed and sent to Hell.

Lincoln: Now, now, we swore he's been through enough, right?

Trudy Lawrence: Damn it. (GROWLS) Fine.

Selene Arcangela: And we'll take that angry growl at Lincoln as an offense, Trudy.

Qin: Trudy, don't do anything to piss them off, you know what they'll do to you!

Lincoln: Uh, let's let's finish breakfast and head out to Neathia to destroy Coredegon.

Nico: Right.

Fabia awoke and saw Cresselia starring at her.

Cresselia: Morning Fabia.

Fabia: Oh morning Cresselia.

Cresselia: It's your big day. Time for breakfast.

Fabia: Oh right!

She went and got dressed and we gave her French Toast and pancakes and omelettes.

We then finished our breakfast, and we set out for Neathia to destroy Coredegon who's been brought back by Morgana Midnight Sparkle.

Nora Fries: I sure do. Lily saved my life.

Camie: What happened?

Me: Nora had a terminal disease and Victor put her in a cryogenic sleep till he could cure her.

Lily: I used my healing water and cured her.

Camie: Wow! That is amazing.

Nora Fries: Yeah. Lily saved my life back then.

Me: We then cured Victor too. But we had to keep him in our freezer till then. He needed extreme cold to survive.

Maria: That was after the day I joined

Me: Yep.

Carol: That's right. And we cured Victor on my birthday.

Nora Fries: I remember.

Nico: I wasn't there when it happened but I heard it was awesome.

Lola: Yeah it was.

Princess Neri: That must've been fun.

Me: It was.

Lola: And rid the entire universe of two great evils.

Me: It was bound to happen. They did say they were engaged.

Nico: Oh yeah they did.

Sakura Knudson: That is awesome! I heard you guys won the ACES tournament there in Holland.

Me: We sure did sis. That was awesome. Piloting World War I style Biplanes in a Dogfight Tournament was so fun.

Laney: It sure was! We had a lot of fun in that.

Lincoln: Yep. Okay, guys, we're in for a really brutal battle, we're here in Neathia, and just as my dream's foretold, we're here to destroy Coredegon, another of Dan's enemies who'd been resurrected by that deranged she-demon, Morgana Midnight Sparkle.

Me: We're already approaching the final battle against Morgana Midnight Sparkle, and now, she's trying to attempt one last gambit to get rid of us.

Nico: She's already now a cornered animal: the pawns she'd sent to destroy us are gone and we've also captured all of her younger sister's brainwashed friends. Now, all that's needed is for Lincoln and his Guardian Angels to free them from Morgana's poison, and then, we can finally destroy that bitch.

The rest of the team was with us.

Lori: I knew this day would come.

Me: Same here, soon, Morgana's finally going to pay for what she's

done.

Lincoln: She started this seven, no, eight years ago, and now, it's time to end this once and for all.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings: I'm gonna shatter that bird's eardrums by yelling in his ears with a stethoscope and rip up some tinfoil for him to hear.

Lincoln got out a stethoscope and tinfoil.

Eli: The yelling in his eardrums with a stethoscope I get, but why tinfoil?

Nicole: Have you ever tried ripping up tinfoil before? Sounds horrible.

Ed Cowart: It's enough to make anyone's ears bleed, and honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of

Coredegon.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Coredegon) AHA! There you are! I just spotted Coredegon, he's 20 yards away and he's approaching the royal palace! (Spotted Sergio's thugs) And I just spotted Sergio's thugs.

Nico: Let's tear them apart.

Camie: Who is Coredegon?

Dan Kuso: He was the final enemy I faced before we joined you all.

Me: What can you tell us about him?

Dan: Well he was horrible.

He went over his history

Coredegon, better known as Wiseman (Exodus in the Japanese version for Coredegon, Wise for Wiseman in the Japanese version) is the main antagonist of the second arc of Bakugan: Mechtanium Surge. He is a rogue Mechtogan that can shape-shift into human form. Out of all the villains in the Bakugan anime, Coredegon is by far the cruelest, as he killed many individuals, human and Bakugan alike (though most of these murders are undone towards the finale). He is the second archenemy of Dan Kuso. He is the leader of the four Rogue Mechtogans. When combined with his brethren Slycerak, Exostriker, and Mandibor, Coredego becomes the Mechtagan Destroyer known as Mechtavius Destroyer.

He was voiced by Tsuyoshi Koyama in Japanese and Tyrone Savage (who also voiced Lightning in the Total Drama franchise) in English.

At the start of the second arc, Coredegon is seen killing Fury, the Bakugan who created Coredegon, despite his creator's protests. After killing Fury, Coredegon states that he is a Mechtogan with his own free will as Slycerak (Tesela), Exostriker (Zalam), and Mandibor (Gira), 3 Mechtogan just like Coredegon that are later revealed to also have been created by Fury. Coredegon, Slycerak, Exostriker, and Mandibor are soon confronted by the Nonet Bakugan, a group of evil Bakugan that were banished to the Doom Dimension years ago that consist of Betadron, Kodokor, Mutabrid, Spatterix, Stronk, Balista, Worton, and Tremblar, where it is subsequently revealed by Mutabrid that Coredegon, Slycerak, Exostriker, and Mandibor are mutated Mechtogan, which is why they are able to survive without a Bakugan host.

Rather than kill the Nonets, Coredegon and his fellow rogue Mechtogan reveal that they intend to head to New Vestroia to kill all the Bakugan there so that they can begin a new age of Mechtogan.

However, Worton (the spiritualist of the Nonets) informs the rogue Mechtogan that the Bakugan have moved to Earth. Despite this new suprise information, Coredegon decides to go to Earth instead of New Vestroia with Slycerak, Exostriker, and Mandibor, but leaves before Worton could tell them about the Bakugan Battle Brawlers.

Coredegon and his allies quickly arrive on Earth, interrupting the match between Dan Kuso and Gunz Lazar. Upon arrival, Coredegon comments that he heard the Bakugan lived on Earth now, but didn't know that they were "letting themselves be stared at like circus animals", and blasts Reptak back into ball form after Reptak explains that battling involves rules and honor, and isn't a circus, which Coredegon could care less about. After Slycerak notices how a Bakugan goes into ball form after being defeated and Mandibor wonders what would happen if they were blasted while in ball form, Coredegon decides to test the theory, resulting in a battle with Dan, Marucho Marukura, and Shun Kazami. While his allies are quickly knocked down at first, Coredegon is much more resilient against Dan's partner Bakugan, Drago's attacks. However, Coredegon is overwhelmed after Drago increases his speed, prompting Coredegon to combine with Slycerak, Exostriker, and Mandibor to form Mechtavius Destroyer. Despite the massive power boost, Coredegon and his allies are defeated when Dan and Drago summon their own Mechtogan Destroyer, Dragonoid Destroyer.

Just before he is about to be sent between dimensions for eternity, Coredegon notices Gunz unconscious after Exostriker knocked him out, and senses Gunz's aura of hatred towards the Brawlers. Coredegon then gets the idea of taking that aura and repurposing it. As a result, Coredegon is able to stay on Earth in a new form based off Gunz's darkness called Wiseman. Coredegon then took Gunz to a volcano and returned to the Doom Dimension to enlist the help of the Nonets by promising them vengeance against Drago, the descendant of the original Dragonoid who banished them to the deepest depths of the Doom Dimension, since Coredegon's defeat at the hands of Dragonoid Destroyer somehow stripped him and the other evil Mechtogan of their independence.

Under his Wiseman persona, Coredegon would battle against Dan Shun and Marucho several times, only to lose despite using the

Nonets to access his true form and summon his allies. However, Coredegon grew stronger with each battle, acquiring the shielding system that regular Mechtogan have in the process, and even managed to beat the Brawlers once before his identity was revealed. During his quest to regain power, Coredegon, in Wiseman form, used his resemblance to Gunz to fool the Brawlers into thinking Gunz was Wiseman, and managed to steal three of the new Battle Suits that Mira Firmin developed.

Ultimately, Coredegon generated enough power to restore Slycerak, Exostriker, and Mandibor's independence, and later regained his own during a battle against the Brawlers on his own hideout of Volcano Island. Shortly before this, Coredegon killed Balista for discovering Gunz. After revealing the fact that he used the Nonets and the murder of Balista, Coredegon gave the Nonets a decision to return to the Doom Dimension or die. Coredegon then abandoned the Wiseman persona and transformed into his normal form, nearly killing Gunz and the Nonets in the process, and engaged the Battle Brawlers in another battle with Slycerak, Exostriker, and Mandibor.

Unlike most of his previous battles, Coredegon was able to win after combining into Mechtavius Destroyer, but felt unsatisfied with simply killing the Brawlers, instead banishing them to the Doom Dimension. Afterwards, Coredegon fought Gunz, who assumed the Wiseman persona himself, and the Nonets, killing and absorbing most of the Nonets except for Betadron, who fled with Gunz, and Worton, who returned to the Doom Dimension. However, Coredegon sending the Brawlers to the Doom Dimension would prove to be his undoing, as the Brawlers (including Gunz), would travel back in time after seeing what he would do if unopposed, which was go on a genocidal rampage, destroying Bakugan City, killing Runo, Julie, Mira, Kato, and many others, along with New Vestroia, killing Alpha Hydranoid, Tigrerra, Gorem, Preyas, Elfin, Skyress, and many other Bakugan, then turn his attention to Vestal, Neathia, and Gundalia, meaning Fabia, Nurzak, Ren, Ace, Baron, and the Brawlers' other allies would also be slaughtered without mercy by Coredegon and his fellow rogue Mechtogan. During the final battle, Gunz and Reptak created Chromopod, a new Mechtogan, which would signal the end of Coredegon and his allies, as Dragonoid Destroyer accessed his full power and obliterated Mechtavius Destroyer.

Had Coredegon not been defeated, he would have destroyed Bakugan City, New Vestroia, Neathia, Gundalia, and Vestal, killing many Bakugan and innocent people in the process.

When he was done we were SHOCKED AND HORRIFIED!

Qin: OH MAN!

Me: What a monster!

Lola: YEAH!

Nico: He is pure evil! We have to destroy him no matter what

Cornelia heard a Pokémon cry.

Cornelia: Hey look!

We saw a Geodude!

Me: Cool a Geodude!

Brock: That's one of the Pokemon I started out with.

Me: I remember that Brock.

Geodude: That is awesome.

Cornelia: Are you hungry?

Geodude: I sure am.

Cornelia gave him apples.

Geodude: Thank you.

He ate them.

Cornelia: Want to come with us?

Geodude: Sure.

Me: Awesome!

Cornelia: Cool!

Geodude went on top of Cornelia's head

Cornelia: This is cool and I am an Earth master too.

Geodude: Awesome.

Megan McCallister: Fitting for you Cornelia.

Me: Sure is.

Lola: That's not all. Look!

We saw an Espeon!

Me: Cool an Espeon!

Nico: How'd that get there?

Me: Good question.

J.D. 2: It's one of Dark Gale's work.

Windy (G5): Let me see here.

She used her Telepathy and gasped!

Windy (G5): It's my younger twin sister! Solar Wind!

Me: Whoa!

Zipp Storm: Oh wow! I've heard about her.

Me: Wow! Lets go help her out.

Me and Windy went to face her.

Windy (G5): Solar it's me Windy!

All she did was use Confusion

Me: WATCH OUT!

We blocked it and it hit Nico.

Nico: (FARTS OUT HIS MOUTH) (BURPS OUT HIS BUTT) WHOA! That is weird!

Qin: (LAUGHS) Funny!

Nico: (BLECH!) My mouth tastes like shit!

Wes (Pokemon Colosseum): Umbreon, come on out!

He came out!

Wes: SHADOW BALL!

Umbreon fired a Shadow Ball and blasted it.

Flurry Heart: Go Wes! Let me help too!

Flurry Heart fired light blasts and knocked the Espeon all over.

Me and Windy fired waves of lightning and wind and blasted her.

Then I snapped my fingers and she reverted back and was a girl with pink hair and pink eyes and had Espeon in the middle of her forehead and had pink angel wings and an orange version of Windy's cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: Wow! Awesome!

She woke up

Solar Wind: (Groans) What happened?

Windy (G5): Are you okay Solar?

Solar Wind: Windy? (GASP) Windy! You're here!

They hugged.

Solar Wind: Where am I?

Me: You're on Fabia's home planet of Neathia, Lightyears away from Earth. You were turned into an Espeon by Dark Gale.

Nico: And you made me fart out my mouth and belch out my butt.

WE LAUGHED!

Laney: (LAUGHS) That was funny!

Luan: GASSY PASSY! (LAUGHS) Get it?

We laughed hysterically!

Solar Wind: (LAUGHS) Okay that was funny but I remember!

FLASHBACK!

She was in a pink suit and was injected and then she turned into solar plasma and turned into an Espeon and busted out and blasted the Dark Gale Grunts and she busted out of the lair.

FLASHBACK ENDS

Solar Wind: It was awful.

Me: I know. But Dark Gale is destroyed. We killed them. Except for 2 of them. They are in jail.

Solar Wind: Good.

Nico: Your role in Sonya's team?

Solar Wind: I am the Auroramancer fo the team and use the Aurora Borealis and solar energy to blast our enemies.

Me: Oooh! That is amazing and fitting too because the Aurora is made by Solar Wind trapped in the Earth's magnetic field.

Solar Wind: That's right and outside the team I help my sister with the Trailtrotters.

Me: Trailtrotters?

Fluttershy: Oh it's like a Scout adevnture troop where we earn badges for deeds out in the wild.

Me: Like a Scouting Troop for a camp.

Fluttershy: Exactly.

Me: Neat.

Apple Bloom: We should try out for that sometime.

Solar Wind: You would love it.

Rarity: Lets get you some clothes darling.

The Fashion Brigade gave her purple and purple pink clothes and an Aurora Sword.

Solar Wind: I look awesome!

Nico: Now for Coredegon.

We then took off into the air to confront and destroy Coredegon and send him and Sergio's thugs to The Black Abyss.

We were flying in the air, and we saw our target: Coredegon, and he was fast approaching the royal palace and he had the mark of Morgana Midnight Sparkle on his forehead.

Lincoln: Oh no, you don't.

Lincoln fired waves of energy and elements from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings that hit Coredegon, and sent him flying away from the royal palace, and that pissed him off as we landed.

Dragonoid: You've got some nerve returning from the dead, Coredegon. I thought we were finally rid of you forever.

Coredegon: You can never get rid of me that easily, I will always come back!

Me: Says you and every other villain we've faced in the past. But, it always ends the same: they always bite the dust.

Lincoln: And you'll be no different, but to find out Morgana was the one who brought you back, it's clear she has no shame at all. And I know she also brought your other cohorts back as well, come out now, Slycerak, Exostriker, and Mandibor.

We then saw Coredegon's other cohorts, Slycerak, Exostriker, and Mandibor, come out.

Coredegon: (GROWLS) MINIONS, DESTROY THEM AND BRING ME THEIR HEADS!

Suddenly, an army of demons who bear the mark of Future Sebastian appeared and they came after us.

Dan: I was right, that lunatic just doesn't know when to stay out of this.

Dragonoid: Well, then, we better get rid of them at once.

Suddenly, Lincoln's deep sapphire blue eyes glowed, and then, they changed from deep sapphire blue to heavenly golden yellow as we felt a massive and powerful divine force coming from him, as we saw heavenly lights shining down from Heaven and the angels of Heaven descended and right in front of us.

Lincoln: (Divine Heavenly Echoing Godly Voice) Servants of Future Sebastian Mendez, I cast you out and condemn you back to Hell! DIVINE HEAVENLY JUDGEMENT STYLE: BLADES OF HEAVENLY LIGHT!

Lincoln swung his massive greatsword and fired waves of heavenly light that transformed into a very massive shower of blades made of light and they skewered Future Sebastian's army of demons and they all exploded into hellfire and they were all condemned back to Hell and the blades also slashed at Coredegon, Slycerak, Exostriker, and Mandibor, and they screamed in agonizing pain.

Me: Whoa!

Lincoln: (Divine Heavenly Echoing Godly Voice) Don't worry, I'm still in control, J.D. Too bad for you lot, I saw that coming.

Slycerak: That's it, now you're all dead!

Lincoln: (Divine Heavenly Echoing Godly Voice) Unfortunately, for you, you're the ones who are going to perish.

Lincoln swung his massive greatsword and he fired sharp blades of light that hit Coredegon, Slycerak, Exostriker, and Mandibor, and they scream in agonizing pain.

Fabia: That was Lumagrowl's ability, Arcadia Sword.

Then, he swung his massive greatsword again and fired massive blasts of dark indigo flames that hit Coredegon, Slycerak, Exostriker, and Mandibor, and they scream in agonizing pain.

Alice: And Hydranoid's ability, Indigo Nightmare, incredible.

Caleb Maxwell: How is he able to use the abilities and elemental attributes of all Bakugan in existence?!

Apollonia Apollonir: That was also part of our training, he mastered all six elemental attributes, and he also fed on our blood as well.

Caleb Maxwell: Right, I forgot about that.

We saw the extent of the damage Lincoln did to Coredegon, Slycerak, Exostriker, and Mandibor, and they were badly mangled up!

Nico: Damn...! That was brutal!

Lincoln: (Divine Heavenly Echoing Godly Voice) We're just getting started.

Me: YEAH!

Dan Kuso: You will pay for your crimes Coredegon!

Coredegon: Dan Kuso!? You're back!?

Drago: Don't forget about me!

Coredegon: Oh I haven't! You will pay for your crimes against me!

Me: Uh it's the other away around you son of a bitch! You did terrible crimes against all our planets and that's what lead to Dan taking your life! It was all because of you!

Coredegon: Well you will all be destroyed!

Lincoln: (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: (Divine Heavenly Echoing Godly Voice) I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

Sergio Thug: Bring it!

But then...

WHOOSH!

Sergio Thug: MY LOOT!

Thug 2: Same here!

There was a calling card on them!

Out came another of Sly's cousins!

Lincoln: Rhiannon Ann Cooper!

Rhiannon Ann Cooper: (Welsh accent) Good to see you again Lincoln lad.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Rhiannon Ann Cooper, The Triangle of The Welsh Storm of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Wales and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Wales and she helped him on lots of dangerous jobs. She's known for stealing the most amazing treasure of all from all the great enemies of Wales, The Diamond of The Welsh Luck, and she's also known as The Triangle of The Welsh Storm because of her powers of lightning and storms and has the power to blend in with the storms and sneak up on her enemies. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Rhiannon came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of lightning, storms, blending in with the storms, sneaking up on their enemies, and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Rhiannon Ann Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! You're the second member of the International Clan of The Coopers that we met.

Rhiannon Ann Cooper: That's right. Glad I could help lad.

Me: Nice job! Also it's a pleasure to meet one of our friends from Wales.

Rhiannon Ann Cooper: Pleasure is mine lad. Lets see you like this!

She fired blasts of lightning and electrocuted Coredegon and blasted him.

I fired waves of lightning and blasted Coredegon

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (Divine Heavenly Echoing Godly Voice) (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Lincoln: (Divine Heavenly Echoing Godly Voice) Allow me to administer Sergio's punishment.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us and as he snapped his fingers, he put the stethoscope's ear tips on Sergio's ears, and he grabbed the chest piece and put it to his mouth, and then...!

Lincoln: (Divine Heavenly Echoing Godly Voice) (SCREAMS EXTREMELY LOUDLY)

LINCOLN LET OUT A EXTREMELY LOUD SCREAM AND IT TRAVELLED THROUGH THE TUBING AND INTO THE EAR TIPS AND THAT REALLY SHATTERED SERGIO'S EARDRUMS AND HE SCREAMED IN PAIN!

THEN, LINCOLN RIPPED UP SOME TIN FOIL, AND IT SOUNDED SO AWFUL, IT REALLY DAMAGED THAT BIRD'S EARDRUMS EVEN MORE AS HE TOOK THE EAR TIPS OFF AND HE SCREAMED IN PAIN AS HE HELD HIS EARS!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE, LINCOLN! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

We were amazed by Riley Misaki's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Coredegon, Slycerak, Exostriker, and Mandibor saw it, they went ballistic and were about to attack her, but Riley Misaki fired a massive barrage of white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blades, light, tigers, phoenixes, and angels that hit Coredegon, Slycerak, Exostriker, and Mandibor and sent them flying into a wall, they got back out, and they were really enraged!

Coredegon: That's it! You pathetic humans and Bakugan will all pay!

Suddenly, Coredegon, Slycerak, Exostriker, and Mandibor merged together, and they formed into Mechtavius Destroyer.

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Riley Misaki, Nico, and I and all of us went after Mechtavius Destroyer, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, pink and ocean blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Mechtavius Destroyer and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Crash Bandicoot, Riley Misaki, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and it was making Mechtavius Destroyer even madder than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Mechtavius Destroyer, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Mechtavius Destroyer.

Then, Lincoln, Nico, and I charged and smashed our rainbow energy infused left fists into Mechtavius Destroyer's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, DIE AND GO TO HELL!

Lincoln, Nico, and I did one final powerful energy slash that hit Mechtavius Destroyer hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed as Mechtavius Destroyer deformed back into Coredegon, Slycerak, Exostriker, and Mandibor were on their last legs and they were really really mangled.

Suddenly, Lincoln fired four power draining blasts that hit Coredegon, Slycerak, Exostriker, and Mandibor, and he began sucking out Coredegon, Slycerak, Exostriker, and Mandibor's Swordsmanship, Shapeshifting, Ergokinesis, Flight, Teleportation, Ability to merge with other Mechtogan, and Superhuman durability, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and eleven sets of larger white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

Then, when Lincoln was done, Coredegon, Slycerak, Exostriker, and Mandibor were now completely weakened, and we fired massive energy beams that hit Coredegon, Slycerak, Exostriker, and Mandibor and sent them into deep space where they exploded and destroyed those four forever and sent them to The Black Abyss forever.

Lynn: WHOO! AND THEY'RE OUT!

We cheered as we holstered our weapons and we powered down, and Riley Misaki's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long golden yellow wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large golden yellow planets orbiting around her legs, twenty-five smaller golden yellow planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized golden yellow planets orbiting around her wrists and ankles, and massive golden yellow angel wings and eleven sets of large golden yellow angel wings underneath her massive golden yellow angel wings are permanent.

Nico: And that does it for Coredegon, and I didn't expect to also see Slycerak, Exostriker, and Mandibor here as well.

Me: Morgana went way too far with that stunt!

Dan: I agree completely. Lincoln, I hope you tear her apart.

Lincoln: Oh, I intend to do just that to her. I've had quite enough of that insane she-demon for the last time, her desire for death and destruction will end here today. But, right now, let's head to the palace and check in on Queen Serena, let's hope Morgana hasn't pulled anymore of her stunts.

Fabia: Good idea.

We went inside the palace, and we bowed before Queen Serena.

Lincoln: Queen Serena.

Queen Serena: Ah, Lincoln and Team Loud Phoenix Storm, and in case you were about to ask, I saw the fight you waged against Coredegon, Slycerak, Exostriker, and Mandibor, impressive work. The guards told me that Morgana was the one who brought Coredegon back from the dead, and I didn't expect her to bring back Slycerak, Exostriker, and Mandibor as well.

Catherine Fontaine: We expected this because of the amount of dirty tricks Morgana has pulled before we sealed her and the other Midnight Princesses away seven years ago in The Carpathian Mountains.

Fabia: Before the race began, we saw a nebula in the shape of The Star of Satan: that was the sign and the omen of The Coming of The Midnight Princesses.

Queen Serena: I knew of that sign all too well, and you all did great in capturing Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer.

Me: Thank you, Your Highness.

Lincoln: Now, there is one last thing to do. Our spell has already been completed, now it's time to free Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer from Morgana's poisonous evil.

Lincoln took out the bottles containing Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight

Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer and he placed them in the center.

Then, he opened the bottles and that freed Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer, but then, they were trapped in a magic circle made of golden yellow energy that appeared below their feet.

Then, Lincoln and his Guardian Angels surrounded the circle, and then, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer were surrounded by golden yellow energy auras: that was the sign that the ritual has begun.

Lincoln and his Guardian Angels: (Divine Heavenly Godly Voices) Pater noster, qui es in caelis, sanctificetur nomen tuum, adveniat regnum tuum, fiat voluntas tua sicut in terris, sicut in caelo, da nobis hodie panem nostrum quotidianum, et dimitte nobis debita nostra sicut et nos dimittimus debitoribus nostris. et ne nos inducas in tentationem, sed libera nos a malo, quia tuum est regnum, potestas et gloria in saecula.

Suddenly, the golden yellow energy auras surrounding Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer was getting stronger, and then, we saw the sixteen streams of darkness being purged out of them and they had the face of Morgana Midnight Sparkle on them: it was her poisonous evil.

Me: It's working.

Nico: Wow, and it works by saying The Lord's Prayer.

Eli: Incredible.

Lori: Now, for them to finish the spell and send those sixteen streams of darkness to The Black Abyss forever.

Then, as though Lori was psychic.

Lincoln and his Guardian Angels: (Divine Heavenly Godly Voices) Amen.

Finally, the sixteen streams of darkness with the face of Morgana Midnight Sparkle on them were then hit by beams of heavenly lights, and they were destroyed forever and sent to The Black Abyss. Then, as the magic circle faded, it was a realization that it was finally done: Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer have finally been freed from Morgana's poisonous evil.

Mina Midnight Sparkle: Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer, are you okay?

Sarah Solar Shimmer: (Groans) W-what happened?

Then, they suddenly saw Mina Midnight Sparkle, and then, the memories of the run-ins with Mina in The Ridonculous Race finally hit them, and then, tears welled up in their eyes and they ran to Mina and they cried heavily as tears came out like waterfalls.

Celine Crazy Gem: (Crying Hard) Mina, we're so sorry. Because of what your evil and insane sister did, we were forced into being her slaves!

Carly Crazy Apple: (Crying Hard) Morgana's ruined our lives, she's ruined everything that we really stand for and stand against!

Mina Midnight Sparkle: This wasn't your fault, none of you are to blame for it, the one who truly deserves the blame is Morgana, she poisoned all of you and turned you into those monsters, and I swore to one day save you.

Lincoln: Mina's right, Morgana was the one who poisoned all of you and turned you all into those very monsters from eight years ago. I knew the only way you were able to break free from her temporarily was due to Mina's presence, but Morgana's darkness was too strong and you reverted back into those monster. But, now you're all finally free from her influence.

Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer: We were such fools to fall victim to Morgana's evil? Can you all forgive us?

Selene Arcangela: We already have.

Relena Rainbow Dark: Thank you. But, this means Morgana's gambit has failed, and now, she's going to come after all of us.

Me: Let her try.

Marianne Midnight Moonslayer: She's going to pay for what she's done: she not only poisoned us eight years ago and turned us into monsters, but she made us want to destroy the world.

Natalie Nightmare Moon: But, there's still the matter of Morgana's other resurrected pawns.

Suddenly, Lincoln had a premonition as a vision orb formed, and we saw that the remaining villains whom he'd killed on his rescues years ago were freed from Morgana's influence, but now, they've fallen under the dark influence of Future Sebastian.

Eli: Oh God.

Felicia Fluttermad: So, now they're following Future Sebastian.

Future Me: He must've forced his poisonous darkness unto them and forced out Morgana's influence.

Future Lincoln: That poisonous toxic bastard, he's going to pay for this.

Lincoln: And he will one day.

Suddenly, Lincoln had another premonition as the vision orb formed another vision, and it's not good: it appears Future Sebastian has resurrected Fifi Dufus, Rufus Dufus, and Ham Hand. When Lincoln saw that, painful memories hit him as tears formed.

Me: Lincoln, what's wrong?!

Nico: Are you okay?!

Lincoln: No...! No..., it can't be...!

Selene Arcangela: Lincoln..., what we saw..., was that...?

Lincoln could only nod and he broke down as he cried.

Me: Selene, who were those individuals?

Selene Arcangela: That bitch you saw was Fifi Dufus, she's the wife of Myrtle's archenemy, Rufus Dufus, the bastard whom Myrtle faced 37 years ago, and the big muscle man was Ham Hand, Fifi's henchman. That bitch really gave Lincoln a fucking case of PTSD during a family vacation that turned bad. Fifi manipulated Lincoln and she tried to launch them into space and kill them, and Lincoln had to sacrifice himself to get them back to Earth.

WE GASPED IN HORROR AND WE ALSO HAD TEARS IN OUR EYES! INCLUDING LINCOLN'S HAREM AND KIDS!

Me: (Voice Breaking) My God...!

Nico: (Voice Breaking) How could someone else do that to Lincoln?! That's just pure fucking evil!

Me: Yeah! Wait, Fifi Dufus, I've heard of her! Her husband Rufus was a supervillain that tried to destroy the entire global satellite system to take over the world long ago!

Eli: YEAH!

Selene Arcangela: That's right.

We hugged Lincoln as he let his tears out like a waterfall!

Selene Emperyous: We managed to get Lincoln as he came crashing down to Earth, but we also made sure Fifi got killed along with Ham Hand. I thought we'd made sure they got sent to The Black Gates forever.

Michelle Emperyous: But, thanks to Anti-Monitor breaking the sacred seals and spells months ago before they were repaired, that must've allowed Sebastian from Neo Gotham City to pull them out and bring them back from the dead.

Nico: And he had the nerve to bring them back from the dead, that bloodthirsty, evil, blackhearted, cold-blooded, murderous, insane, psychopathic, sadistic, loathesome, monstrous, sick, twisted, deranged bastard! He's gonna fucking pay for what he did!

Lincoln: (Deathly Calm Voice) He will.

Suddenly, we felt Lincoln's rage building up: we knew that fucker crossed the line big time.

Lincoln: You crossed a severe line this time, Future Sebastian. It's bad enough you tried to kill us with sending your armies of demons after us, but now, I find out you brought back Fifi Dufus, Rufus Dufus, and Ham Hand and brought back those painful memories of mine from the past. You really did it now, you sick, twisted bastard!

SUDDENLY, LINCOLN LET OUT AN EXTREMELY LOUD ENRAGED SCREAM OF PURE FURY SO LOUD THAT IT SHOOK THE HEAVENS AND THE BOWELS OF HELL ITSELF AS LINCOLN'S RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EVEN MORE EXTREMELY AND HIS UPPER AND LOWER BODY MUSCLES BULGED OUT EVEN MORE!

Lincoln: (ENRAGED SCREAM OF PURE FURY) I'VE HAD IT UP TO HEAR WITH YOU FOR THE LAST TIME, FUTURE SEBASTIAN! YOU, FIFI, RUFUS, AND HAM HAND ARE ALL FUCKING FINISHED BY THE TIME I CATCH YOU HEARTLESS BASTARDS! YOU CAN RUN AND HIDE IN THE SHADOWS LIKE THE GODDAMN RATS THAT YOU ARE, BUT I SWEAR TO YOU, I WLL FIND YOU AND I WILL KILL YOU ALL! I WILL NOT STOP UNTIL I SEE YOUR LIFELESS CORPSES DEAD ON THE GROUND WITH YOUR BLOOD AND GUTS SPILLED OUT AND YOUR HEADS MOUNTED ON A WALL FOR ALL TO SEE!

WE GASPED AT THE SUDDEN FURY OF LINCOLN LOUD: HIS RIGHTEOUS RAGE HAS AWAKENED AND THE FURY OF THE HEAVENS HAS ALSO BEEN AWAKENED INSIDE HIM!

Me: WHAT THE?! WHAT THE FUCK JUST HAPPENED?!

Nico: I DON'T KNOW WHAT IT IS, BUT LINCOLN'S POWER HAS SKYROCKETED EVEN MORE THANKS TO WHAT WE JUST SAW!

Me: WHOA! INTENSE!

Lincoln's harem approached him along with his kids.

Lily the Mermaid: Linky?

Thunder Sparkle: Dad?

Suddenly, the gentle voices of Lily the Mermaid and Thunder Sparkle were more than enough to snap Lincoln out of his rage as he turned to them. Suddenly, Lincoln then wrapped his arms around Lily the Mermaid and hugged her tight and she then hugged him back, and his harem, Guardian Angels, and kids all hugged him, and so did we.

Nico: Lincoln, I had no idea that you had to sacrifice yourself to get your family back home after that bitch launched you all into space and leave you all to die.

Me: She's a dead woman when we do catch her, her husband, and her henchman, and what Future Sebastian did, he crossed a severe line.

Luna: Without a doubt, dude, he is so dead!

Lori: To do something like that and literally think he can get away with it, that absolute bastard's worse than dead, he not only underestimated us, but now, he's going to be killed in a pool of his own blood.

Lynn Sr.: And by our hands, Lori. He traumatized Lincoln by bringing those three back from the dead and brought back those memories that hurt him deeply, now he's going to get it big time.

Rita: For sure, he's a monster and a bastard and he deserves to die. (Growls) I'm so mad at him, I could just...!

THEN, RITA USED HER STRETCHING POWERS AND SHE EXTENDED HER LEFT FOOT AND...!

CLANG!

SHE KICKED SEBASTIAN REALLY HARD IN THE CROTCH AND SENT HIM FLYING OUT OF THE PALACE AND RIGHT BACK INTO THE WORLD TREE ESTATE!

Me: WHOA!

Lincoln: Mom!

Me: Ms. Rita!? WHOA!

Rita: (Sees what she did) Ooh! You think he's gonna be angry when he finds out?

Selene Emperyous: Oh, trust me, angry isn't going to compare to it, after what Ashley McKenna did to save Riley Misaki from his wrath, what you also did just pissed him off badly. (Smirks) But, just to make sure he doesn't do anything. (Radios Mascots) Guys, throw Sebastian in the dungeon and keep a close eye on him, don't let him out.

Back at home, The Mascots tied Sebastian up and threw him in the dungeons, and we saw it on a one-way viewing mirror.

Sebastian: (SQUEAKY VOICE) OKAY I DESERVE THAT!

Nico: Dang, you were prepared.

Lincoln: Sebastian may have been freed from the darkness, but he still has his nasty temper and his very murderous vengeful nature.

Nico: That was a big one!

Me: WHEW! Yeah no kidding!

Nico: Those swords you used against him were incredible!

Me: They sure were!

Touma: I'll say! Well done!

Me: Yeah!

Geodude: It was awesome!

Nico: Yep. Nice job Geodude!

Geodude: Thanks Nico. It was fun.

Me: It sure was.

Poromon: Want some beer?

Geodude: Oh I can't drink beer. As a rock Pokemon, any liquid will hurt.

Poromon: Oh good point

Poliwag: (Does Puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Bentley: Here are your invitations to the wedding.

He gave us invitations for them.

Me: Thanks Bentley. You know we wouldn't miss out on this amazing moment.

Rhiannon Ann Cooper: That's right Bentley. You and Penelope were made for each other from what I heard about.

Selene Sly Cooper: Yeah I told all the other members of the International Clan of the Coopers and they are really excited.

Me: Yep.

Penelope: Thanks guys.

Bentley: It's in Holland.

Me: Yep.

Camie: This will be awesome.

Bentley: I hope no one crashes it

Me: Don't worry we'll make sure no one does.

Camie: Yeah.

Qin: Besides this will be awesome.

Lola: I agree.

Nico: Now for the Anothers

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of them is Another Fabia.

Fabia: Another me?

Lincoln: This could be someone you knew long ago, Fabia.

Lena Isis: Who probably got lost during the conflict with Barodius.

Zenet Surrow: And wound up getting kidnapped by Swartz.

Nico: That could be it.

Me: Only one way to find out.

Eli: We got Another Flame Hyenard, Fabia, Eis Monstrum (Metal Slug), Polarbot, Makuu Prison Warden Ashurada, Pipershock, Darkness Ice Monster (Dragonball).

Me: WHOA!

Nico: This will be interesting. So Freeze Man, Nora Fries, Killer Frost (DCSHG), Ice (BTBATB), Ice Flame Heatblast and Big Chill.

Me: Yep.

Nico: There they are!

We saw Another Eis Monstrum (Metal Slug), Polarbot, Makuu Prison Warden Ashurada, Pipershock, Darkness Ice Monster (Dragonball)!

Nico: WHOA! Cold!

Qin: YEAH!

Another Eis Monstrum: It sure is.

They reverted back and were the gene-slammers of Great Dezard, Otohime, Cyber Falcon, The All Seeing White Tiger and Leogun!

Nico: (GASP) Delia Dezard, Olivia Otohime, Faria Falcon, Gina Tigra and Leona Leogun!

Me: WHOA! The gene-slammers of Great Dezard, Otohime, Cyber Falcon, The All Seeing White Tiger and Leogun!

Delia Dezard: That's right.

Olivia Otohime: Awesome to see you Nico.

Faria Falcon: We saw the battle here and that was awesome.

Me: Yeah it sure was!

Gina Tigra: I agree.

Me: By the way girls are the Another Flame Hyenard and Fabia friendly or hostile?

Leona Leogun: Friendly and they are amazing.

Me: Neat!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: Time for backup! (Turns dial) ROSERED FURY 6!

She summoned Spike Rosered, Birthday Robot, Gong-Oh, Caped Cod and Seal of Approval, Archadis (Beast Wars Neo) and Giant Piñata Monster!

Me: Yeah!

Nico: And now we wait.

Me: Yep. Oh we don't have to wait long!

We saw Another Flame Hyenard and Fabia!

Me: There they are.

Nico: Yep.

Another Flame Hyenard: (In a girls voice) Boy that was awesome!

She reverted back and it was the gene-slammer of Zera the Mant!

Nico: (GASP) Catherine Keith!

Catherine Keith: Awesome to see you again Nico!

Me: Wait your last name is Keith. Are you related to...

Catherine Keith: Yeah Bandit Keith is my father.

WE GASPED!

Nico: SAY WHAT!?

Nico opened his mouth so wide that his skeleton fell out!

Me: I didn't know Bandit Keith had a daughter and it's fitting for you because Zera the Mant is his signature monster.

Catherine Keith: That's right. But to be honest, I cut off all ties with my father.

Laney: Uh oh. How come?

Catherine Keith: After he was defeated by Pegasus we went down different paths. I wanted to go into law enforcement and dad went into a life of crime. I trained really hard under all that.

Sheila: We could use someone like you on the force.

Catherine Keith: I would be honored.

Nico put his skeleton back.

Nico: I hate it when that happens. But that is amazing!

Catherine Keith: It sure is. And the fire powers of Flame Hyenard are amazing for me too.

Flame Hyenard: Awesome!

Catherine Keith: It sure is. Also these are my targets.

She pulled out wanted posters and had me look at them.

Me: Marik Ishtar and the Rare Hunters? Whoa! They are going to appear on Tea's day to shine.

Tea: Yeah Yami Marik and his thugs all tried to kill me.

Me: Marik doesn't have Yami Marik in him anymore. Marik is in the Redemption Squad.

Catherine Keith: I'm glad he is.

Me: Yami Marik will be killed by us. Everyone except Odion who is with the M.O.E. Will be thrown in jail like you want. They are not worth killing.

Nico: Good judgement.

Me: Yeah.

Nico: And your friend?

Catherine Keith: Well I couldn't help but overhear what Lincoln said and...

Another Fabia: Been a while sis.

Fabia gasped!

Fabia: That voice!

She reverted back and was a blue hair younger version of her in her Neathia Form and she had purple eyes and white clothes.

Fabia: Daria!

She ran and hugged her!

Fabia: I'm so happy you're okay.

Nico: You know her?

Fabia: She's my sister. I was going to have her rule alongside me on the Throne of Neathia.

Dan Kuso: That is awesome!

Daria: It sure is! And J.D., Dan, it's an honor to meet you both. Thank you and all of you for killing Barodius.

Me: You're welcome there. Barodius put up one helluva fight.

Nico: He was in every way like Frieza.

Daria: He sure was.

Me: But Dan and all of us made sure that Barodius paid big time for his crimes.

Laney: That is for sure.

Nico: Yep.

Me: Dan banished Barodius to the Warp and I destroyed Barodius in an amazing Kamehameha Wave struggle with him and banished him to the Black Gates. But don't worry, Barodius is gone for good.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

They got weapons from said teams.

Catherine Keith: No I didn't get promised anything but Daria has.

Daria: I was promised the death of Barodius.

Me: Well we beat you to it back in 2021.

Nico: Yeah we did.

Daria: Darn. Oh well. I knew he was lying.

Me: He lied to everyone.

Nico: Yeah.

Me: We banished Barodius to the Black Abyss. Anti-Monitor didn't bring him back thank goodness.

Qin: Yeah.

Sougo: (gets out In Space Ridewatch) Barodius might be gone.

Geiz: (Gets out Lost Galaxy Ridewatch) But there are still other Bakugan villains out there.

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor

Me: Yep we still have Naga and Zenoheld to deal with. Coredegon we just wanted to get out of the way.

Dan: It's true.

Daria: I'm glad.

Lincoln: Lets separate you first.

We did so.

Me: Lets do it!

Nico: (gets out Flame Hyenard's Ridewatch) Feel the heat!

May: (Gets out Metal Eating Family's ridewatch) Time to eat some metal!

Maria: (Gets out Pipershock's ridewatch) Lets kick some ice!

Nora Fries: (Gets out Eis Monstrum's ridewatch) Hell Freezes over!

They used the powers of Flame Hyenard, Eis Monstrum (Metal Slug), Metal Eating Family's, Makuu Prison Warden Ashurada, Pipershock, Darkness Ice Monster (Dragonball) and blasted the Anothers.

Nico: YEAH!

Then Galand of Truth, Cyberverse Acid Storm, Oliphant & Rider, Universe 666 Professor Zündapp, Cave Troll and Grima Wormtongue came.

Me: WHOA!

Nico: Nice team Galand!

Galand: Thanks Nico!

Me: Whoa! The Oliphants and the Haradrim and the Cave Troll and Grima from Lord of The Rings!

Sakura Knudson: Wow! That was amazing! Also Grima you were Saruman's right hand man.

Grima: That's right. And J.D. that was brilliant how you used the same technique Gandalf used on Theoden.

Me: That was first time doing that. But yeah that was cool.

Princess Neri: It was amazing.

Me: Yep.

Magma Man: So my team is next! Awesome!

Me: Yeah!

Qin: Hot hot hot!

?: That is how I would have said it!

Then Tri-Horned Dragon appeared!

Me: WHOA! Tri-Horned Dragon!

Xenia: Whoa!

Tri-Horned Dragon: (In a girls voice) It sure is awesome.

Nico: Shayna Rameses!? Whoa!

She reverted back and was a girl with blue hair, blue eyes, blue clothes and had blue angel wings and Tri-Horned Dragon on her skirt, shirt, arm and in the middle of her forehead and had a light sword.

Shayna Rameses: Awesome to see you Nico. I got this.

She fired a wave of energy and blasted the Anothers and I caught the ridewatches and purified them!

Eli: OH YEAH!

Me: Yeah!

Qin: Awesome!

Me: Wait Shayna your last name is Rameses. Are you...

Shayna Rameses: Yeah I am the direct descendant of Pharaoh Rameses II of the Biblical times in Egypt

WE GASPED!

Me: Your Ancestors Stubbornness brought about the death of Egypt from the Divine Wrath of God with the power of the 10 Plagues.

Camie: Yeah.

Shayna Rameses: I know. And he had it coming for everything he did.

Nico: That was can agree on.

Me: Because of his stubbornness he paid the ultimate price. His family and his rule over Egypt.

Laney: Yeah.

Shayna Rameses: That is too true.

Nora Fries: Do you have any memories of Nico?

Shayna Rameses: I sure do. When me and Nico went to the Cairo Museum to learn all about my ancestral history and I was shocked about learning that I was descended from King Rameses II.

Me: That was back over 3,200 years ago.

Shayna Rameses: That's right. But it was amazing.

Me: Yep.

Nico and Shayna hugged.

Nico: I've missed you.

Shayna Rameses: Same here.

We went back home.

We're going to face Lust Woman, the hypothetical Akuma of Nemuri Kayama A.K.A. Midnight and she is a demon of lust and has the powers of Lust. She has intense lightning powers and is lust incarnate. She was made because of Chisaki killing her and she came back from the dead as Lust Demon to kill him and get revenge! We know all too well that Chisaki's a bastard, and we're gonna make him suffer, so after Lincoln takes down and also marks Lust Woman, he's going to fulfill the promise he's going to make to her and to Midnight herself: he's gonna kill Chisaki and make him drown in a pool of his own blood.

Lincoln: Ah, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the thirty-five girls here, but...!

Suddenly, Lincoln had a premonition, but as soon as he did, he had a massive nose bleed, but he didn't get sent flying into a tree this time.

Nico: What the?!

Me: Uh oh, Smoking Hot Akuma Alert?!

Lincoln: Yep, you guessed it. Her name is Lust Woman, the hypothetical Akuma of Nemuri Kayama A.K.A. Midnight and she is a demon of lust and has the powers of Lust. She has intense lightning powers and is lust incarnate. She was made because of Chisaki killing her and she came back from the dead as Lust Demon to kill him and get revenge!

Lincoln got out his sketchpad, and we saw her: she was a smoking hot voluptuous sexy and mega seductive Lust Demon with demon wings and angel wings on the bottom.

Shanan: Ooh boy. This means for you, things are about to get pretty hot and steamy, now that you've headed for Nosebleed City.

Me: But, you didn't get sent launching into a tree.

Nico: Yeah, that was weird.

Nicole: Same here. Unless...!

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Sarah Succubi: Oh crap.

Selene Arcangela: Oh shit, his Mark of The Incubi's glowing, and we felt it, Lincoln's gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects is out in full force!

We gasped.

Luna: Oh no. This is bad, dude!

Nico: What is...?

Becky Long: You remember the story we told you all a year ago in January. When Lincoln got into his teens, puberty hit him like a freight train in full force.

Me: Yes, why's that?

Ramona Long: Well, you know Lincoln gained an abnormally high sex drive, hyperpuberty, and genes he inherited from his parents. Well, all of those things have also affected the Vampire and Werewolf blood that was in his veins, and they came together as one and gave him a massive increase to his already abnormally high sex drive, hyperpuberty, and genes he inherited from his parents, and he also gained supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects.

Winter Werewolf: In the case of evil female vampires and werewolves, if they're caught in the area, they immediately fall under his control allowing him to feed on them. But, in the case of Lust Woman and us in Lincoln's harem, we immediately fall prey to it and wind up with a hunger to have sex with Lincoln.

Nico: Oh...!

May: Crap.

Freeze Man: But, wait, how were you all able to not keep yourselves from going crazy?

Girl Jordan: We worked on controlling ourselves through training. Now, we better find Lust Woman and fast.

Lincoln: And then, we go after our main target. Brace yourself because we're coming for you next..., Chisaki!

We got a move on to find and take down Lust Woman, and finally, we kill Chisaki.

We got a move on, but we saw many males being launched sky high with nose bleeds.

Lola: Whoa, looks like a certain lust demon's been busy.

Lori: Literally. Lincoln, you sure about this?

Lincoln: Yes, I am, Lori. Besides, you saw how I took down Stormbikini, right?

Me: Ooh, right.

Nico: True, but this is a demon of lust we're dealing with, and you know what happens with lust demons?

Lincoln: I know, but I'm more than ready. Alright, I'm going in.

Lincoln flew fast and hard, and Lust Demon kept firing lightning blasts at him, but that was a really huge mistake as Lincoln absorbed the lightning blasts and it made him even stronger and more supercharged than ever, and then, he flew even faster and grabbed and pinned Lust Woman to the ground with his arms.

Nico: Nice one, Lincoln.

Me: She should've known better than to do that, Lincoln has the powers of lightning along with the elemental forces of nature, the Heavens, the cosmos, and the universe.

Lincoln: Hah, got you.

Lust Woman: (Seductive Voice) (Smirks) Oh really?

Lincoln: (Seductive Voice) (Smirks) Really.

Suddenly, Lust Woman fell under a trance and she wrapped her legs around Lincoln's waist and her arms around his neck as her breasts and stomach pressed against his pecs and twelve-pack abs. But, he knew the pheromones he let off were working and he wrapped his massive muscular arms around her waist, and then, he kissed her deeply on the lips which made her hair fly into the air! He'd beaten her using his own seduction on her and he pinned her to the ground as they continued to kiss deeply and passionately.

Then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Lust Woman's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Lust Woman: (Swooning) (In Heaven) What...a...hunky and manly stud!

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Lust Demon with dark purple gems on the gold lightning bolts and dark purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

That of course led to Lust Woman making out with him even more as the lightning storms grew even stronger than ever.

Sarah Succubi: Holy shit, he seduced her using his supernaturally potent and powerful aphrodisiac pheromones.

May: And marked her as well. Damn, but man, those two are really going at it still making out like crazy!

Lily the Mermaid: He's always been like that with us too.

Then, he got up and he also helped her up as the storms vanished.

Midnight: Damn, I certainly didn't expect you to let that wild untamed beast inside you out yet again, especially on my own Akuma.

Lincoln: This sort of thing happens in the case of a Lust Demon showing up, and I also knew of the reason why you were created, Lust Demon: Chisaki. What did you do to the one in your world?

Lust Demon: I already killed him.

Lincoln: Then, you came here to kill the one in our world. Let me be the one to kill him, he deserves to pay for killing you, I will make him pay for what he did by making him choke on his own blood.

It was a promise Lincoln made, and Lust Woman and Midnight saw it for themselves.

Izuku: Is he serious? He's going to...!

Me: He is. Chisaki murdered Midnight, one of his future wives, and for that, he now wants the blood of that bastard spilled on the streets, and that's what he's going to do.

?: DIE, BITCH!

Suddenly, Lincoln saw a figure heading right for Midnight and he kicked him away, and we saw who it was that tried to kill Midnight: it was Chisaki.

Lincoln: Chisaki, right on time, you cold-blooded son of a bitch.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long brown hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Hyper Director, she has a darkness greatsword in her right hand, and with her are the thirty-five girls.

Lincoln: (GASPS) Artemia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Hyper Director.

Artemia Balthazar: That's right. Your cold-blooded attempt of the murder of Nemuri Kayama A.K.A. Midnight once again was doomed ever since Team Loud Phoenix Storm arrived here, Chisaki, and now, the curtain shall fall on your miserable life.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Chisaki, and he proceeded to brutally smash him into the ground with his massive superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON CHISAKI! HE WAS REALLY GOING APESHIT ON HIS MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SQUELCH!

LINCOLN SLASHED CHISAKI WITH HIS MASSIVE GREATSWORD AND HE EVEN GAVE HIM A BRUTAL CASTRATION AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIS SLASHED OFF CROTCH AND CAUTERIZED HIT CAUSING HIM TO SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

Me and Bakugo: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, LINCOLN SHOT HIM DOWN WITH THE FACT HE NEVER REPENTED FOR MURDERING MIDNGIHT AND TELLING HIM OF HIS FATE ALONG WITH SHOOTING HIM A DEATHLY GLARE AT HIM TOO!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to him.

Chisaki lay on the ground defeated by us. Then, Lincoln formed and fired a massive black energy ball with purple Eldritch writings around it and with purple eyes and writhing black tentacles around it, and it hits Chisaki and his mind snapped as soon as he hear The Eldritch Chants and his sanity is destroyed, and then, he began seeing horrific visions of the Servitors of Azathoth and he heard the maddening drums and flutes they play to keep Azathoth slumbering, and upon hearing them, his sanity which was already destroyed crumbled even further, and the final stage of the curse came when he finally lay eyes upon Azathoth, The Daemon Sultan and the most powerful of The Outer Gods, and then, he screamed as he immediately wiped out of existence forever upon seeing him awaken. We cheered as we holstered our weapons and powered down and we headed back home to The World Tree Estate with Lust Woman now joining Lincoln's harem.

Lincoln: Good riddance forever, Chisaki.

Nico: That's for sure.

Me: That son of a bitch got what he deserved.

Nicholette Torrington: And I didn't expect you to use AZATHOTH'S DARKNESS OF MURDEROUS RAGE!

Nico: I'm gonna hate hearing about it.

Nicholette Torrington: Well, you aren't gonna like it, this is one of the darkest Lovecraftian Curses ever! Lincoln fires a massive black energy ball with purple Eldritch writings around it and with eyes and writhing black tentacles around it, and when it hits those who kill Lincoln's Guardian Angels and their parents, their minds snap when they hear the Eldritch chants and their sanity is destroyed, and then, they began seeing horrific visions of the Servitors of Azathoth and they hear the maddening drums and flutes they play and upon hearing them, their sanity which was already destroyed crumbles even further, and the final stage of the curse is when they finally lay eyes upon Azathoth, The Daemon Sultan and the most powerful of The Outer Gods, and then, they are immediately wiped out of existence forever upon seeing him awaken as he has the power to wipe those out of existence upon awakening: think in regular terms of being wiped out of existence by either getting Hakaied, banished to The Black Gates, and The Black Abyss, and times that by infinity.

WE ALL GASPED IN TOTAL HORROR!

Me: Oh God! That kind of curse really is the darkest Lovecraftian Curse ever!

Lincoln: But, I only use it on those who kill my Guardian Angels and their parents, but in this case, I'd made an exception for Chisaki, he deserved it. (To Artemia Balthazar) And it's so good to see you again, Artemia.

Artemia Balthazar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Artemia Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Artemia Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Artemia Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Artemia Balthazar and hugged her, and Artemia Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Artemia Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Artemia Balthazar, Gene-Slammer and Avatar of Abyss Actor - Hyper Director, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who'd gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world, and she's the director of The Actors of Darkness, and she handles the directing the plays she and her sisters performed. She met Lincoln in Choir

Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Artemia Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Artemia Balthazar really hates Flip with a blazing passion, and she also knew how to bring down the actions of that smelly mutant when he tried to kill Lincoln which was more than once along with scamming and ripping people off, and all it took was one planned out performance from Artemia, and not only was Flip done for, but he always wind up getting his clothes shredded off and left in his stained underwear in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he gets thrown back in prison with another life sentence added to his multiple life sentences.

Nico: Lincoln told us what you did to that mutant, but we didn't want to see the flashback. Seeing him in his stained underwear would blind people.

Cordelia Balthazar: That's true, and I saw what that mutant had done in trying to get rid of him, and I despised them for that. But, they made a huge mistake, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to bring the curtain down on that mutant.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Artemia is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on that mutant and she and I both put an end to his rampage and got him in huge trouble and sent back to prison.

Luna: We were so impressed by what she did to pull one over on him.

Laney: It was about time someone pulled one over on him for everything he's done.

Lincoln: He deserved it along with his entire family, and now that you're here, Artemia.

Lincoln with his massive muscular arms still wrapped around Artemia Balthazar's waist leaned his head down to the right side of Artemia Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Artemia Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Artemia Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Artemia Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Artemia Balthazar.

Artemia Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Artemia Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Artemia Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Artemia Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Artemia Balthazar: (In Heaven) My God. Oh, Lincoln, the thirty-five girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the thirty-five girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. Lincoln: Oh whoa, it's Miya, Riana, Sabrina, Hana, Vera, Miwa Suzuki, Avila, Mulan, Hestia, Hinata Rin, Agraia, Chiyo Kinjo, Joan of Arc, Aoi Takemoto, Anna, Oda Hime, Hevas, Euphyris, Valkyrie, Rose, Irene, May, Jocasta, Hino Azusa, Sophia, Rin Matsuzaka, Shirley, Sakura Tachibana, Sela, Isis, Maiko Tono, Hamoniya, and Doris from Angel Legion and Inori Yuitsuka and Hikaru Kamisaki from Medalist.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really beautiful.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Miya: Yes, we're okay, thanks to you.

Then, when Miya and the other thirty-four girls saw who it was that saved them from Chisaki, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of

hand and rainbow Thunderbird wedding ring on the left pinkie and small planets orbiting around his fingers like rings, rainbow claws on his finger tips with gold armor on the finger joints and gold-armored dragon claws, he has twenty-five large colored planets orbiting around his legs and twenty-five smaller colored planets orbiting around his waist and medium sized colored planets orbiting around his wrists and ankles and immense rainbow protective aura with elements swirling around him.

Miya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirty-four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Miya: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, thirty-five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Miya, Riana, Sabrina, Hana, Vera, Miwa Suzuki, Avila, Mulan, Hestia, Hinata Rin, Agraia, Chiyo Kinjo, Joan of Arc, Aoi Takemoto, Anna, Oda Hime, Hevas, Euphyris, Valkyrie, Rose, Irene, May, Jocasta, Hino Azusa, Sophia, Rin Matsuzaka, Shirley, Sakura Tachibana, Sela, Isis, Maiko Tono, Hamoniya, Doris, Inori Yuitsuka, and Hikaru Kamisaki with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out, and we told everyone of what happened.

Maria: Whoa, that was one awesome rescue, and I didn't expect you to use your powers from The Mark of The Incubi along with your supernaturally potent and powerful aphrodisiac pheromones.

Lust Woman: I also didn't expect him to be so...dominant and also, use the powers of lust as well. (Seductive Voice and rubs Lincoln's massive pecs) Hope you can do that again later tonight.

Lincoln's cheeks and muzzle had an atomic red blush.

Maria: (Smirks) Uh oh, you got her in an aroused mood with what you did making out with her and using your supernaturally potent and powerful aphrodisiac pheromones to take her down.

Carmen: Looks like we won't be getting any sleep tonight with you going wild.

Lincoln: That's where you're wrong, I found out my Mark of The Incubi has also strengthened Nicole's barriers whenever I engage in an intense lovemaking session with my harem.

Nicole: I also had no idea that my barriers had gotten stronger thanks to the strong Incubi magic that you have, Lincoln. Nice one.

Nico: And we also didn't expect to see Chisaki there too.

Me: But, Lincoln made him pay.

Eli: And he used his darkest Lovecraftian Curse on him, AZATHOTH'S DARKNESS OF MURDEROUS RAGE!

EVERYONE GASPED!

William: Oh man!

Nicole: It was horrific, Chisaki was completely wiped out of existence forever upon seeing Azathoth awaken as he has the power to wipe those out of existence upon awakening: think in regular terms of being wiped out of existence by either getting Hakaied, banished to The Black Gates, and The Black Abyss, and times that by infinity.

EVERYONE GASPED IN TOTAL HORROR!

Maria: Holy shit! That really is the darkest Lovecraftian Curse ever!

Me: He only uses it on those who kill his Guardian Angels and their parents, but for Chisaki, he made an exception because of what he did in killing Midnight so long ago.

William: Damn...!

Maria: (GULPS) Thank goodness I didn't see it.

Carmen: You should be glad though. (SHUDDERS)

Luna: That's a lesson we know all too well: don't piss Lincoln off because it'll be the last thing anyone does.

Buster Bunny: That's for sure. Though I don't think Sebastian will learn that lesson.

Rita: He's still pissed at me for kicking him in the crotch?

Lincoln: Along with what Ashley McKenna did in attacking him before he could attack Riley in anger. Luckily, he's locked up in the dungeons and he won't be doing any sort of harm.

Me: And with the Mascots watching him, they won't let him out.

We saw on the screen the Mascots dressed as security guards and guarding Sebastian's cell and he was ranting like crazy spewing death threats and hatred towards us, but that made our rainbow, white, golden yellow, and blue energy auras flare up extremely as we really grew stronger.

Maria: Seriously? That lunatic has nothing but toxic venom in his veins.

Qin: For real, we asked what color is his blood, now we know: it's black just like his black heart. And if he so much as hurls any insults at us, I'm gonna rip his vocal chords out of his mouth!

Nico: Lincoln said he's been through enough, Qin, but we'll keep an eye on him since he still has a really nasty temper and is quick to spew hatred, death threats, and insults at us.

After Lincoln took down Lust Woman and he and all of us destroyed Chisaki and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Artemia Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Artemia Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and

he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Artemia, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Artemia Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Artemia Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, the alarm sounded, and when Lincoln checked the computer, he saw who it was that was triggered the alarm: it was Morgana Midnight Sparkle's army of Dark Magic Insanity Demons.

Sarah Solar Shimmer: Morgana's army of Dark Magic Insanity Demons!

Lincoln: Looks like she's finally lost it big time.

Von Lycaon: Please, allow me to take care of them. I'll wear them down enough for you to drain them of their dark magic and powers.

Me: Are you sure?

Von Lycaon: Of course. Do not worry, I will not be long.

Alexandrina: Lycaon is an expert with taking down those who are a threat to his employer's assets and have them tied up for Public Security to pick up.

Von Lycaon left and he confronted Morgana Midnight Sparkle's army of Dark Magic Insanity Demons and they roared in anger.

Von Lycaon: Disgusting creatures, you're just as bad as the Ethereals.

Suddenly, we saw Von Lycaon take off the leather eye patch covering his right eye and his muzzle and he revealed both red eyes glowing and ready to fight.

Von Lycaon: I cannot allow any of you to enter here and harm my family, I suggest you surrender now or I will be forced to take...more drastic measures.

Me: He's only said it once.

Alexandrina: Even in the face of danger, Lycaon remains calm and maintains his poise especially as he issued that warning.

Lincoln: But, with Morgana's army of Dark Magic Insanity demons, it's their first and last warning.

But, Morgana's army of Dark Magic Insanity demons roared in anger showing they're not going to back down.

Von Lycaon: I see you refuse to back down. Very well.

Suddenly, Von Lycaon's red eyes turned neon red and he was surrounded by a white and black, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels, and as he approached Morgana Midnight Sparkle's army of Dark Magic Insanity Demons, he left white and black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels with every step.

Von Lycaon: Master Lincoln already warned me of how dangerous your master is, but you need to be stopped here and now. This is where we part ways forever.

Me: Whoa!

Nico: Incredible!

Alexandrina: I knew there's going to be trouble, Lycaon may have a calm, gentle, and elegant nature, but that only hides the feral nature he has inside him, and now, you're about to see it.

Von Lycaon: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Well, since you refused to surrender, now you've left me no other choice.

Von Lycaon went after Morgana Midnight Sparkle's army of Dark Magic Insanity demons, and he fired extremely powerful blasts of white and black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, snow, ice, snowflakes, ice crystals, wolves, phoenixes, and angels at Morgana Midnight Sparkle's army of Dark Magic Insanity demons and they exploded with incredible power as they hit them. Then, he punched them hard with his gauntlets and kicked them with his graves and they got hit hard.

Ellen Joe: They're already doomed.

Corin Wickes: They now have nowhere left to run.

Then, Von Lycaon attacked the Dark Magic Insanity Demons with some swift kicks that knocked them down and they were defeated.

Von Lycaon: (Divine Heavenly Echoing Godly Voice of The True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Arctic Ice Snow Storm Boreas Wolf Thiren Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That should do it.

Then, Lincoln appeared fired magic draining blasts that hit Morgana Midnight Sparkle's Dark Magic Insanity Demons and he sucked out all their dark magic and made them his and he also sucked out their life force and killed them. Von Lycaon powered down, and his new body, clothes, weapons, jewelry, accessories, large gold halo with four large orbiting gold rings on each corner behind his head, larger and longer tail, large thirty-five white and black planets orbiting around his legs and twenty five smaller white and black planets orbiting around his waist, smaller planets orbiting around his fingers like rings, medium sized white and black planets orbiting around his wrists and ankles, and massive white angel wings and twenty sets of large white angel wings underneath his massive white angel wings are permanent.

They went back inside The World Tree Estate.

Nico: That was an impressive job you did, Lycaon.

Von Lycaon: Thank you, Master Nico.

Me: We at least got rid of Morgana's army of demons.

Lincoln: Unfortunately, that's only the beginning. We're bound to run into that insane she-demon when our mission starts, and she has more of her army of demons with her.

Von Lycaon: If that is true, we'll need to get rid of them once and for all.

Catherine Fontaine: That'll be for when we face that witch in the final battle.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Jack-O' Valentine, I-No, Faybelle Thorn, Lady Octavia Prime, Akemi Arcee, Dr. Rachel Ratchet, Bella Bee, Brenda Bulky, Wendee Wheeljack, Chloe Cliffjumper, Sadie Smokey, Lady Megan Tron, Scarlett Scream, Selena Soundwave, Kelly Knock Out, Beth Breakdown, Siva Shockwave, Diana Dreadwing, Skyla Quake, Mito Freecss, Kirigaya Suguha, Asada Shino, Alice Zuberg, Selka Zuberg, Alicia Klingerman, Alicia Rue, An Si-Eun, Angel, Ashley, Ayano Keiko, Azurica, Cardinal, Ceba, Dakira, Dorothy Isaiah Elisheva, Edith, Fanatio, Frenica Szeski, Griselda, Koharu Honda, Hosaka Carina Tomo, Midoriko Hoshiyama, Elsa Kanzaki, Nijika Karatachi, Hiyori Kashiwazaka, Mai Kirishima, Kizmel, Karen Kohiruimaki, Aiko Konno, Yuuki Konno, Rinko Koujiro, Lipia Zancale, Liten, Medina Orthinanoares, Merida, Musketeer X, Nori, Quinella, Premiere, Arabe Ronye, Rosalia, Sachi, Sakuya, Sasha, Scheta, Yuuma Shigemura, Rika Shinozaki, Skuld, Serlut Sortiliena, Momiji Takamine, Strea, Kotone Takemiya, Tia, Tiese Shtolienen, Misumi Tozawa, Urðr, Verðandi, yolko, Yui, Yulier, and Yuna got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Bloo Bay Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Jenna: You girls had no trouble at all.

Edith: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for Lincoln, Stacy and Octavia Melody's final mission.

Nico: Anyone else want to go with Lincoln, Stacy, and Octavia Melody? Besides Roy, Lyra, Sougo, and Taro?

Ash: I'll go.

See More: So will I

Twilight Sparkle: So will the same group from the 3rd mission.

Me: OOH! I have a feeling something big is coming.

Camie: Me too.

Me: We'll have to call for backup later on.

Nico: Okay. Keep that option available. Lets head out.

We were off.

We arrived.

Riku: Hey guys!

Lincoln: Guys, meet Roy, Lyra, Sougo, and Taro.

Roy: Awesome to meet you guys. I'm Roy Fitzgerald, Stacy's boyfriend.

Lyra: You already met me before.

Sougo: I'm Sougo Tokiwa, Leader of the Zi-O Riders.

Me: The Zi-O Riders are who we got the Ridewatches from.

Riku: WOW!

Me: I know.

Taro: And I'm Taro, Don Momotaro, Leader of the Donbrothers.

Me: The Donbrothers aired with you guys in Japan 2 years ago. They are really awesome.

Riku: That is amazing!

Ash: I'm Ash Ketchum, and this is Pikachu.

Pikachu: Hey there guys.

See-More: The name is Seymour Shaw, But everyone calls me See-More. See More. That's my name twisted.

Riku: Oh I get it! That is clever.

Me: Yep and you met everyone else here.

Riku: We sure did.

Nico: Yep. We just have this feeling that something big is coming.

Riku: So the same group came. I have a feeling it's for a really good reason.

Eli: Yeah I sense that it's big.

Riku: By the way guys congratulations on winning the Ridonculous Race.

Me: I think you already told us that but yeah we had a lot of fun.

Riku: Ash, did you enjoy the Ridonculous Race?

Ash: I sure did and it was fun reminiscing about the good times we had in those towns.

Me: It was cool learning about it all.

Riku: It sure was and Ash congratulations on getting engaged to Serena.

Ash: Thanks. It's awesome.

Me: I knew those two had a powerful love in them from day one.

Eli: Yeah.

Nico: So, any enemies of yours active right now?

Riku: Well so far everything has been quiet.

Lincoln: WHOA! Guys I know what's coming. I had a premonition! It's Greiger's Akuma, Whale King! The Hypothetical Akuma of Greiger and he is a HUGE ONE! He is a ginormous space whale as big as a small moon! He is a master of Indigo Fire and whales. He was made because of the atrocities of Ener-D. He vowed to destroy it all!

WE GASPED IN SHOCK!

Me: WHOA! That's number 2 of the M.O.E. Members akumatized.

He showed us a sketch of him and he was a GINORMOUS SPACE WHALE!

We were amazed!

Nico: WHOA!

Me: That is no moon, it's a SPACE WHALE!

Eli: No kidding!

Riku: That is amazing! How did Lincoln know about that?

Me: Lincoln is our chief psychc and clairvoyant of the team and he lets us know what our main missions and bad guys we're facing are.

Mallow: Yep. It's true.

Me: Yep

Nico: Anyone else?

Riku Asakura: Lincoln, we've got huge trouble, we saw a man with long spiky black hair, and he had brown reptilian eyes, and he's pure evil.

LINCOLN AND ALL OF US GASPED!

Me: OH SHIT ON MY TOMBSTONE AND FUCK ME SIDEWAYS!

Lincoln: Riku, the guy you saw, that was the Dark Side of Chase Young, he's the bastard responsible for the misfortunes that my family and I went through beginning in 1621 over 400 years ago!

THE ULTRAMAN GEED TEAM GASPED!

Riku Asakura: WHAT?!

Me: Dark Chase Young is responsible for everything that was happening to Lincoln and his family over the course of the last 4 centuries.

Lincoln: That's right, he knew we'd be his ultimate downfall, so he set about the events in motion to kill me before I could kill him. He enlisted the two demons, Torlok and Akuro, to create The Dragon Stone and The Dark Side Potion, he made all of our lives a nightmare for over 400 years.

Nico: That's right.

Riku Asakura: He's beyond a shadow of a doubt the ultimate personification of pure evil! This guy has got to go!

Me: Big time!

Nico: SO THAT'S what you meant with something big.

Me: Yep.

Lincoln: That's for sure, but he's not going to The Black Abyss not yet. I'm going to get some ultimate payback on that bastard and bring him down a HUGE NUMBER of pegs and banish him to The Warp for Kimiko's big day. He's also had his share of encounters with him, and he turned him to the side of evil by tricking him into entering The Yin-Yang World.

Me: Lincoln, make that son of a bitch pay for what he's done!

Lincoln: (Smirks) I will, J.D., he's about to get it big time.

Suddenly, the alarm sounded, it was Dark Chase Young.

Riku Asakura: There's that bastard now.

Lincoln: It's time. Let's go.

Me: Should we call for backup Nico?

Nico: Yes. We're going to need all the help we can get for this one.

Me: Right.

Sougo: HENSHIN!

He transformed!

Me: YEAH! Riku looks like you're going to meet the team early.

Riku: Awesome!

Eli: He's in the Asteroid Belt.

Me: All the way out there? Whoa! Looks like you're also going to see where we battled Thanos back in 2019.

Riku: Looking forward to it.

Nico: Lets roll!

Riku turned into Geed! WE WERE OFF! THE ENTIRE TEAM ARRIVED AS WE WERE FLYING!

Jared: We got the call dad!

Varie: Looks like Dark Chase Young is on the move!

Qin: We're not going to let him get away with this!

Anna Anyanova: That is for sure!

We were flying through space.

Taro: Avatar Change!

He transformed!

Taro: Born from a Peach! DON MOMOTARO! ドンモモタロウ

Me: Yeah!

Camie: This is gonna be awesome.

Me: Yep.

We flew passed Mars.

Me: There!

WE SAW A GINORMOUS SPACE WHALE!

Carly Atlas: So that's Greiger's Akuma!?

Misty Tredwell: WHOA! He's massive!

Me: I know!

Taro: Nobody make a sound.

We flew up to him and landed on his back.

Whale King: (Big Deep Booming Voice) Who is on my back?

Me: Greiger it's us!

Whale King: I feel you guys. But it's amazing seeing you out here.

Me: You look so cool as a space whale!

Whale King: I sure do.

Marinette: You have to be the largest ever akuma we've ever seen!

Whale King: No doubt about it!

Eddy: We're not playing games. Where is he?

Me: Yeah!

?: Right here!

We met the Dark Side of Chase Young.

Lincoln: DARK CHASE YOUNG!

Dark Chase Young: So, you've made it this far, despite all of my attempts to finally kill you.

Lincoln: I always knew you were nothing but evil, but I'd found out that you were on a whole other level of evil: you knew we'd lead you to your ultimate downfall, so you set about the events in motion to kill me before I could kill you back in 1621, you enlisted Torlok and Akuro to create The Dragon Stone and The Dark Side Potion, you made all of our lives a nightmare for over 400 years. You're the one responsible for all of my family's misfortunes from the very beginning, you disgust me in so many ways that I can't possibly imagine. You're nothing but a heartless bastard with no goddamn sense of honor at all and you got off on making me and my family suffer! Do you have any fucking idea of how much pain and suffering my family and I had to go through because of you?! DO YOU?!

Suddenly, Lincoln's Guardian Angels also appeared along with his harem.

Anna Anyanova: You caused Lincoln enough suffering for the last time, Dark Chase Young! All of your schemes to kill him have finally ended in failure, you knew that one day, Lincoln and his family would destroy you for good, that's why you set those events in motion back in 1621.

Selene Goldorado: And you also turned my great grandmother into one of your fallen warriors, but I kept the journal of all of your misdeeds. It's too late for you, your eternal damnation awaits you, you piece of shit!

Dark Chase Young: We shall see about that! I will finally destroy you and your family at long last, Lincoln Loud, and I will reign supreme!

Suddenly, we saw Dark Chase Young's army of fallen Ancient Warriors appear in their beast forms and they charged at us, but Lincoln unholstered his massive greatsword and fired massive beams of light that hit the army of fallen warriors and freed them from their eternal torment, but not before they gave Lincoln a powerful gift: in addition to the billions of years of experience he has gained, he'd also gained the strength and combat skills of all of the fallen warriors who'd been defeated by Dark Chase Young over the centuries, and he grew even stronger than ever!

Then, Lincoln's harem, his Guardian Angels, and his family and me also attacked him, and they were really, AND I MEAN, REALLY TEARING HIM APART AS THEY PUNCHED, KICKED, SLASHED, AND BLASTED HIM ALL OVER THE FUCKING PLACE!

Suddenly, Lincoln combined all of the curses he'd created over the years and the massive, wide, double-edged 9'6" gold blade glowed with rainbow light with black and red hellish flames and many other elemental forces associated with his curses, and he fired two beams of energy which hit Dark Chase Young, and he felt the massive brunt of all of the curses Lincoln's created over the years and that also included The Lovecraftian Curses, and he screamed in incredible pain from the curses' full force attacks on him.

Dark Chase Young: YOU! YOU! HOW DARE YOU HUMILIATE ME LIKE THIS!

Lori: You literally brought that on yourself! You poisoned me, Lynn, Lola, Lisa, Luan, Chandler, and Principal Huggins and turned us into ruthless fuckkicker monsters and we almost murdered our little brother.

Lynn: And when we've heard even more darker revelations about you, let me tell you, you make me sick to my stomach.

Lola: You're nothing more than an absolute heartless cold-blooded ruthless bastard who gets off on inflicting pain and misery on the innocent, you're nothing but a monster.

Lisa: We fell victim to your darkness for too long, we've since been finally freed from your toxic evil influence.

Luan: And now, you're getting 1,500 years of payback and retribution handed to you, you monster from Hell.

Lincoln's Guardian Angels: YOU DESERVE TO DIE FOR EVERYTHING YOU, MORAG, AND AGGIE HAVE DONE AGAINST OUR MAN AND HIS FAMILY, YOU HEARTLESS BASTARD!

But, I've been wanting to make a nice set of lizard skin boots. Come here!

Lincoln grabbed and proceeded to tear Dark Chase Young apart by skinning him alive and using his skin to turn it into sets of lizard skin boots, and the reason why is because Lincoln put on him a very nasty curse: a curse that makes him regrow his skin no matter how many times Lincoln skins him alive, and he gave them to his harem, Guardian Angels, and kids, along with all of us as well.

Then, Lincoln kicked that bastard away and he crashed into a tree, he got back out, but boy he was beyond pissed now as he roared in anger, but Lincoln still had a calm smirk on his face, and then, he did the one thing that would piss anyone off.

I kicked Dark Chase Young in his face and teleported and punched him in his back and teleported and punched him in his face and kicked him in his eyes and I kneed him in his mouth and knocked out some of his teeth!

He flew into space.

Nico then grabbed me.

Nico: J.D. stop! I know you're upset and want nothing more than to kill him right now. But Kimiko needs to have her shot too.

Me: But Nico, we can't let him get away with everything he did! LOOK WHAT HE DID! HE has to pay!

Horsea: Technically, banishing him to the Warp does count as killing him.

Me: I'm talking about banishing him to the Black Abyss! Not the Warp!

Dark Chase Young: [cackles] Gotta give the guy points. He loses his shit just to make this all happen. So who's got a camera? Ooh! Ooh! Get one of me and J.D. first. Then you guys and me, then all of us. And then -

Lincoln holstered his massive greatsword on his back and powered down.

Lincoln: I finally did it, at long last, I got ultimate payback on him for making my family and I go through 400 years of misfortune and Hell.

Suddenly, Lincoln had tears literally flooding out from his eyes: the pain and suffering that he had to go through due to the dark actions of Dark Chase Young along with what happened to his family 400 years ago was finally leaving him as he cried.

Anna Anyanova: Lincoln...

Suddenly, all of Lincoln's harem, Guardian Angels, family, and even, his kids went up to Lincoln and they hugged him as they too also had tears falling from their eyes: it was finally over: the pain and suffering they've had to go through due to the dark actions of Dark Chase Young along with what happened 400 years ago was finally over, and we saw it.

Me: That's so...beautiful.

Nico: It's finally over, isn't it?

Me: The pain and suffering they went through because of him is finally over, but it'll truly end when that bastard finally gets The Black Abyss on Kimiko's big day.

Nico: You're right. But, the misfortunes Lincoln and his family had to go through due to him are over, and they can finally move forward towards a brand-new future.

Whale King: Um...I'm still here, you know.

Me: I know. Sorry we just had a lot of pain for Lincoln to..

Whale King: Oh. Right. Sorry.

Nico: I know how much it hurts J.D. But give it time.

Camie: Yeah.

Me: (Sighs) Yeah.

Then a massive ice blast hit Whale King and froze him!

Me: WHOA!

We saw a girl with green hair and red eyes and black clothes and wings and a tiara with Eye Guy on it!

Me: (GASP) Ophelia Sightra!

Nico: WHOA! Eye Guy's Embodiment!

Ophelia Sightra: (Grunts) Thought you all could use some help!

Me: Thanks Ophelia!

Nico: Usually the next gene-slammer appears here.

Me: Not this time. We're out in space.

Ophelia lost control and fired an ice blast at See More

He dodged it and fired a laser blast.

Ash: Pikachu, Electro Ball!

Pikachu formed a ball of lightning and threw it and blasted her!

I fired the antidote ray and injected her!

Ash got out his Ridewatch for See-More and he activated it

Ash: Try this!

He fired laser blasts and blasted her.

Roy: Time to go Razorfist!

He went Razorfist and slashed her all over.

We fired lightning blasts and the Antidote took effect.

Ophelia Sightra: (Groans) What happened?

Me: Long story. Lets finish this!

We fired energy and element blasts and blasted Whale King and he was knocked out.

Me: There!

Nico: Lets head back to Earth.

We came back.

Me: Man that was crazy.

Nico: I know.

Riku: Lincoln, ever since I met you, Stacy, and Octavia Melody, I've seen you as siblings.

Lincoln: Really?

Stacy: Aww!

They hugged him!

Lincoln's siblings and parents hugged too.

We later went back home.

We later came back

Nico: Pipp, you, Derpy, and Anita Jóhannsson are next for Ambassador missions.

Pipp Petals: (GASP) Oh my glitter! This will be so fun!

Derpy Hooves: Yay!

FWOMP!

She fell back and crashed onto the floor.

Camie: Yep.

In Holland in the Netherlands, The wedding for Bentley and Penelope was underway. We were dressed in our special clothes for this.

Fabia: Here we are for the wedding!

Nico: Yep.

Me and Sly were on the alter with Bentley. Shining Armor was crying.

Cadance: It's alright. He always cries at weddings.

Me: I can see that Cadance. He gets choked up.

Cadance: Usually it's not until the wedding starts.

Me: I know.

Then the bridal march began and the cutie mark crusaders and pipsqueaks as flower girls came down and Penelope came and she was in an amazing and beautiful wedding dress.

Me: Wow!

Bentley: Penelope looks so gorgeous.

Me: She sure does.

Sly Cooper: You got this pal. You can do it.

Penelope came up to the alter and the vows and more were read and the rings were given.

Lady Tsunade: Then by the power invested in me under the love of Jesus and the grace of God, I now pronouce you husband and wife! You may kiss the bride.

They did so and we cheered wildly for them!

Me: Way to go guys!

Later at the hotel of the ACES tournament we were having a great reception.

Bentley: Thank you all so much guys.

Me: No problem Bentley. After everything you all went through you deserve a great wedding.

Dan: Congrats, man! Pretty soon, you'll be having kids in no time!

We laughed!

Penelope: You're right!

Bentley: Yep.

Murray: But you all earned this!

Guru: (Speaking in Aboriginal Tongue)

Bentley: Thank you Guru.

Me: (To Camie) He said that he is happy for Bentley and Penelope for getting married here.

Camie: Oh.

Bentley: I'm glad we're together.

Me: Yeah.

We had all kinds of awesome food and more.

Deadpool: Thank goodness it didn't end up with Penelope betraying you guys in Medieval England like in Sly Cooper: Thieves In Time.

Shockwave: Deadpool's logic is accurate

Jamesdean5842: I remember that as I played Sly Cooper: Thieves in Time. I did not see that coming. It was awful. Bentley found out about Penelope betraying him and hid in his shell and wouldn't come out.

Camie: That is awful.

Jamesdean5842: It was. Poor guys. Thank goodness that didn't happen here.

Nico: Yeah we dodged a huge bullet.

Penelope: No kidding.

Jamesdean5842: Cyrille LeParadox was responsible for that one there.

Camie: Soon we'll destroy him.

Nico: Yep.

Wheeljack: I wonder if Sly and Inspector Fox will get married next

Me: Well it's possible.

Camie: Yep.

Qin: Yep.

Sly Cooper: Still planning that.

Camie: Okay then.

Tussle Sprout: Who knows. Maybe Murray can get married too.

Me: That is possible.

Murray: AW YEAH!

Me: Plenty of fish in the sea.

Camie: Yep.

The concert was on.

Me: HIT IT GIRLS!

Pinkie Pie: 1! 2! 3! 4!

THE NIGHT BEGINS TO SHINE BY B.E.R. PLAYS!

A total Solar Eclipse formed above us and showed all the adventures we had with everyone in Equestria.

Me and the Rainbooms: (SINGING DIVINELY)

I saw you dance

From the corner

I caught your name

In a conversation

Playing hard-to-get

But I can understand

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

When we're dancing

The night begins to shine

Talk 'til dawn

My heart was racing

I took you home

In the driving rain

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

The night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

The night begins to shine

(Night begins to shine)

The night begins to shine

Had my mind made up

I wanna feel your touch

When I look at you

I see the story in your eyes

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

Night begins to shine

The night begins to shine

The night begins to shine

When we're dancing

The night begins to shine

Night begins to shine

The night begins to shine (the night begins to shine)

Night begins to shine

The night begins to shine (the night begins to shine)

When the song was done we cheered!

Me: YEAH!

MOVE ALONG BY ALL AMERICAN REJECTS PLAYS!

LIGHTNING STRUCK ALL OVER

Me and the Rainbooms: (SINGING DIVINELY)

Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day, and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold

Speak to me

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

Move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move along

Along, along, along

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know you do (Know you do)

And even when your hope is gone

Move along, move along just to make it through

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

(Go on, go on, go on, go on)

Right back what is wrong

We move along

When it was done everyone cheered!

We had a lot of fun doing all kinds of awesome songs.

We later went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the final showdown with Morgana Midnight Sparkle, , so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face

and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Ahh. That was a good wedding.

Camie: Yep.

Sly Cooper: Hey, Bentley. When's the Honeymoon?

Bentley: We haven't decided where to go for that.

Me: You'll think of something for that.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figures were in the vision: to our anger, it was none other than King Zenoheld, he's returned from the dead and he's out for revenge on The Brawlers. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than King Zenoheld, he's returned from the dead and he's out for revenge on The Brawlers.

EVERYONE GASPED!

Varie: That's not good.

Dan: Lincoln, was this Anti-Monitor's doing?

Lincoln sensed it, and it was Anti-Monitor's doing.

Lincoln: It is.

Me: If Barodius didn't work, he brought Zenoheld back.

Fabia: In a way, it makes sense, Barodius was too evil for Anti-Monitor to handle, but Zenoheld, he could handle him.

Mira: We're about to get the chance to finally get rid of him forever.

Dan: That's for sure. Lincoln, where's Zenoheld at?

Lincoln checked.

Lincoln: Aha, got him. He's on a huge space station far out in space.

Me: Whoa.

Nico: Then, we'll take the fight to him in outer space. Alright, team, let's deploy the TLPS Valorous Phoenix and head for the space station.

Lincoln: Time for us to put that so-called former king in his place.

Me: Yeah!

?: Allow me to help as well.

We saw Prince Hydron there too.

Me: Prince Hydron!?

Nico: Prince Hydron?! What are you doing here?!

Hydron: I'm here to help you against my so called father.

Eddy: How do we know this isn't a trap?

Hydron: Because all my life, I wanted my father's approval. And instead of thanking me for my service, he punishes me and calls me a weakling! I don't care if you all trust me or not. But I'll be damned if I miss out on destroying that man once and for all!

Dan: He DID help kill him the first time.

Nico was in deep thought.

Hydron: Maybe I'm not being clear right now. I'm not asking.

Nico: (sighs) But you WILL follow our lead.

Me: Yeah.

Hydron: Fair enough. Just please help me.

Cole put his hand on me.

Cole: He's telling the truth. He wants nothing to do with his father anymore.

Me: Okay Cole. If I believe you then we believe him.

Hydron: If it makes you feel better, you can have Eli over there sense if I'm lying.

Me: Okay.

Eli: He is telling the truth. I sensed no lies in him.

Drago: With Zenoheld back, we need all the help we can get. So, we can't afford to turn Hydron away.

Hydron: I'm standing right here, you know.

Drago: I know that.

Nico: Well lets get a move on then.

The previous group came.

Shade: Can me, Cargill, Vreedle Brothers, Kalin, Private HIVE, Moonstone, Krusty, Whirlwind, Multiplex and Batroc go with you guys?

Nico: You all sure can.

Cargill: Congratulations to you both Bentley and Penelope.

Bentley: Thank you

Camie: Awesome.

Nico: Cool!

Pain Yatta: Nico, which Gene Slammer do you think you'll meet next?

Nico: Seto will like this one. Blue-Eyes White Dragon next.

Seto Kaiba: Good choice there.

Me: Awesome!

Camie: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and

Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Morgana Midnight Sparkle, Midnight Princesses of Dark Magic Madness and Fiendish Bringer of Chaos, Death, and Destruction, she's completely lost it and is coming after us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Was that?

Lincoln: Yep, our final target, Morgana Midnight Sparkle, Midnight Princesses of Dark Magic Madness and Fiendish Bringer of Chaos, Death, and Destruction, and the source of all the trouble she's caused us.

Catherine Fontaine: I knew this day would come at long last. Now, we can finally get rid of her once and for all.

Nico: She's about to pay the final price for her crimes. Alright, team, let's deploy the TLPS Valorous Phoenix and head for the space station to put Zenoheld in his place.

Lincoln: And that is in The Black Abyss with Barodius, and once we finally get done with him, you're next, Morgana Midnight Sparkle.

Catherine Fontaine: The suffering you've caused all those years ago can never be forgiven, Morgana, and now, I will see to it that you die here and now! This is where your reign of terror ends here!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we deployed The TLPS Valorous Phoenix to head to the space station and destroy Zenoheld forever, and once we got done with him, Catherine Fontaine and Lincoln are going to destroy their big target, the source of all the trouble she's caused: Morgana Midnight Sparkle, Midnight Princesses of Dark Magic Madness and Fiendish Bringer of Chaos, Death, and Destruction.

We went to the ship and we were off

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's log, Stardate 12622.2: The U.S.S. Valorous Phoenix is en route to Zenoheld's ship to destroy that ruthless tyrant once and for all. No way are we going to let him get away with it.

Octagon: We should call Titania for this.

Me: Good idea

We did so.

Titania came.

Titania: I'm here guys.

Me: Awesome.

Circe: I was expecting us to fight Zenoheld in Vestal.

Rhomboid: Who cares? As long as he gets blown up real good!

Me: Oh he will get blown up good.

Camie: Big tiime.

Lola: And it will be awesome.

Hydron: I took the liberty of removing the Cybertronian modifications Barodius put in Dryoid.

Private HIVE: Really? I thought it was cool that he could turn into a tank.

Hydron: Nothin against Cybertronians but Dryoid is fine without the ability to turn into a vehicle

Me: That is true.

Optimus Prime: That is fitting too. Well done.

Hydron: Thank you

Mira Clay: It won't be easy to take down Farbros, Zenoheld's Bakugan. Being mechanical, it can't be reasoned with.

Emerald Sustrai: I'm sure we can find a workaround.

Ben: With Nanomech's help

Me: Good idea.

Qin: Yeah.

Princess Neri: This is gonna be awesome.

Bentley: It sure is.

Whirlwind: Are we getting close?

Nico: I don't see anything on Radar.

Me: Nico sorry I exploded back there. I was so upset with the atrocities that Dark Chase Young did.

Shego: It's understandable. But look at it this way. It'll be humiliating for him when Ssserpent kills him

Me: Too true. But that is good. Also we REALLY overpowered him.

Camie: We sure did.

Jared: Yeah.

Nico: True.

Lucy: Gasp! I'm picking up a huge radar signature ahead of us in front of the next planet ahead.

Nico: On screen.

We saw Zenoheld's huge space station! It was in front of a gas giant planet.

Nico: There's his space station!

Batroc: Let's find a safe place to land

Me: Uh our ship EASILY dwarves his ship.

Nico: Besides, our ship can't fit on it. But we can dock with it while cloaked.

Me: Good idea.

We engaged the cloaking device and extended the docking tube and it got to the entrance of the station.

Me: Okay it's locked on. Nathaniel you are in command of the ship.

Nathaniel Knudson: Okay grandpa.

We went inside.

Me: We've made it inside.

Nico: So, this is where Zenoheld is at, eh? Seems rather appropriate.

Eli: We got to keep our eyes open, Zenoheld's guards are here in the station.

Lincoln: You're right, we'll take them all down before we go after Zenoheld himself and put that so-called former king in his place.

Me: Yeah.

Guard: Freeze! You're surrounded! Get down on your knees and put your hands on your heads!

Me: Okay!

I fired waves of energy and blasted them and killed them.

Me: Nice try.

Nico: Bakugan Brawl! Let's go, Darkus Leonidas!

He summoned his Bakugan!

Darkus Leonidas: This is gonna be fun!

Nico: Yep.

?: Not before I destroy all of you! YOU RUINED MY PLANS TO DESTROY YOU ALL!

We then saw our final target: Morgana Midnight Sparkle, Midnight Princesses of Dark Magic Madness and Fiendish Bringer of Chaos, Death, and Destruction.

Catherine Fontaine: If it isn't Morgana Midnight Sparkle, Midnight Princesses of Dark Magic Madness and Fiendish Bringer of Chaos, Death, and Destruction.

Lincoln: Our hated archenemy from seven years ago.

Morgana Midnight Sparkle: You! YOU'VE HUMILIATED ME FOR THE VERY LAST TIME, YOU INSECTS!

Lincoln: You brought that on yourself, Morgana, you were extremely evil to the core, you sought to destroy the world, and we weren't going to let that happen.

Morgana Midnight Sparkle: (ENRAGED DEMONIC SCREAM) I HOPE THAT ZENOHELD DESTROY ALL OF YOU! We will triumph and you and the entire planet will be destroyed!

Mina Midnight Sparkle: That's it, I've had it up to hear with you, you psychotic she-demon!

Suddenly, Morgana Midnight Sparkle turned and she saw her sister!

Morgana Midnight Sparkle: Mina?! No, I thought you were dead!

Mina Midnight Sparkle: You tried to have me killed years ago, but you failed, Morgana, but I hadn't forgotten of what you did in poisoning my friends and turning them into you.

Sarah Solar Shimmer: And we absolutely hate you for what you did, you demonic bitch!

Then, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer came out, and that made Morgana Midnight Sparkle's blood run cold: they were freed from her poisonous evil influence and are back on the side of good.

Celine Crazy Gem: You have no goddamn idea of how much we despise you, Morgana, you chased out Mina, tried to kill her, turned us into absolute monsters when you poisoned us, and we had to spend seven years imprisoned with you within The Netherworld when Lincoln and The Daydream Princesses put that seal on The Carpathian Mountains eight years ago.

Gina Midnight Glimmer: You ruined our reputation as being the defenders of mankind and made us into you: a psychotic, destructive, monstrous she-demon bitch who wants to destroy mankind and the world, you made us into absolute monsters, Morgana! That's exactly why Mina cut all ties with you all those years ago!

Marianne Midnight Moonslayer: And that's exactly why we're also going to help Lincoln, Mina, and The Daydream Princesses destroy you once and for all, Morgana! We've had it with you running wild, and I hope you rot in Hell forever!

Morgana Midnight Sparkle: (MEGA ENRAGED DEMONIC SCREAM)

Morgana Midnight Sparkle disappeared in a tornado of dark purple darkness and dark magic.

Me and Nico: What a bitch.

Lincoln: You have no idea, and we'll see about that, Morgana!

Catherine Fontaine: I knew it, seven years of being trapped in The Netherworld had forever driven her even more insane than ever and Morgana's become even worse than ever. Alright, we need to get going and destroy Zenoheld forever and make him pay for his crimes.

Nico: Right.

Catherine Fontaine: And from what we saw, Morgana's also going to summon more of her army of demons as well: The Dark Magic Insanity Demons.

Nico: Figures.

Lincoln: Yep, they have their own personal armies of demons and each of them bear the same mark as The Midnight Princesses and have the powers of dark magic and the elements of their masters.

Me: That makes things even more dangerous than ever.

Lincoln: But, we're ready for them. (CRACKS KNUCKLES) Let's go hunt down and put a permanent end to Zenoheld for good, along with Morgana's army of Dark Moon Insanity Demons.

Nico: That's the kind of talk I like to hear!

But, the bold determination and talk also caused Lincoln's harem to blush even more.

Lily the Mermaid: (Swooning) My God.

Lynn: Hey, you guys, snap out of it.

They snapped out of it.

Girl Jordan: Sorry about that.

Nico: Alright, let's get going and hunt down Zenoheld!

Nicole: You got that right!

Nico: Let's tear him apart!

Me: First we got to find the Akuma.

Nico: Right. More guards incoming!

We then saw the guards all collapse and dissintegrate in front of us.

Lincoln: It's the dark magic of Morgana Midnight Sparkle.

Me: She wants to fight us herself. Lets find the Akuma.

Lincoln: And I just did. Her name is Princess Lasershine. The Hypothetical Akuma of Fabia Sheen and she is a light and energy master. She was made because of Barodius killing her people and she vowed to kill him no matter what.

We gasped!

Me: WHOA!

He showed us a sketch of her and she looked like a blond hair girl with a beautiful white dress and had 4 white angel wings.

Me: Whoa!

Rarity: Oh that dress on you is amazing darling.

Fabia: It sure is. But Blond hair is definitely not my color.

Juandissimo Magnifico: I don't know. It looks nice on you to me.

Fabia: I've never been one to worry about my looks. But if you like it I do too.

Camie: Cool.

Eli: She's down that hall.

We looked down a hall.

Nico: Lets go!

We flew down the hall and came across her! It was PRINCESS LASERSHINE!

Princess Lasershine: So you all are here.

Me: Wow! You look so beautiful Fabia.

Titania: Is that you Fabia?

Princess Lasershine: It is still me. Where ie Barodius?

Me: Well you're looking at his killers, me and Dan here. We gave him the Black Abyss.

Multiplex: Barodius is gone. Your Akumatization was for nothing. You can calm down or we can make you. Your choice!

Me: I agree.

Princess Lasershine: You're right. But you have my thanks for killing him.

Me: Sorry we took that away from you.

Princess Lasershine: It's okay.

Me: We can shift you to a better target if you want. Zenoheld.

Princess Lasershine: That works.

Me: Okay then. Looks like we both are after him. Lets dance.

I fired laser blasts and blasted her all over.

Titania charged at her and smashed her down.

Princess Lasershine: My turn!

She fired lasers and Eli deflected them with his lightsaber.

Me: Yeah!

But then a Shadow Ball hit her and smashed her down.

Me: What the!?

We saw an Umbreon.

Me: Cool! An Umbreon!

Ty Lee: What's that doing here?

Me: We missed the Umbreon gene-slammer because of us fighting in space remember?

Nico: Oh right.

Onyx (G5): Let me see who this is.

She used Telepathy and gasped!

Onyx (G5): That's my sister Epidote Tourmaline.

Me: Whoa! Lets go help her then.

We went to face her.

Onyx (G5): Epidote it's like me, Onyx.

All she did was use Bite.

Krusty: Incoming!

He pushed her out of the way and then...

CHOMP!

Krusty screamed in pain!

Krusty: OWWOWOWOWWOW! Hey!

Me: YIKES! That had to hurt!

Onyx (G5): Thanks Krusty. That would have been like really painful.

Krusty: No problem.

Me: Lets do it.

Me and Onyx fired waves of light and blasted her and then I snapped my fingers and she was a girl with purple hair and purple eyes and had black angel wings and had Umbreon in the middle of her forehead and had a dark purple version of Onyx's cutie mark on her arm. We wrapped her in a blanket.

Epidote Tourmaline: (Groans) (Muffled) Huh? (SPITS) YUCK! Oh sorry!

Krusty: Ouch! No worries.

Me: Are you okay?

Epidote Tourmaline: Yeah. What happened?

Me: You were turned into an Umbreon by dark gale.

Onyx (G5): It was crazy.

Epidote Tourmaline: Onyx!

They hugged.

Babs Seed: You okay?

Epidote Tourmaline: Yeah. But I remember!

She was in a blacksuit and injected and then she turned into darkness and became Umbreon! She blasted out of the lair.

FLASHBACK ENDS

Epidote Tourmaline: It was awful.

Me: Well we destroyed Dark Gale. So they are gone for good.

Rarity: Lets get you some new clothes darling.

Varie: And Krusty I'll heal you up.

Krusty: Thanks.

Rarity and the Fashion Brigade gave Epidote purple and blue clothes and a blue sword.

Onyx (G5): One last thing.

She gave her an awesome French Beret.

Onyx (G5): Me and Epidote where berets.

Nico: Nice.

Epidote Tourmaline: Like old times?

Onyx (G5): Like lets do it.

Epidote Tourmaline And Onyx: DARKNESS GEM BLAST STORM!

They fired waves of darkness and blasted Princess Lasershine down and knocked her out

Moonstone: Almost forgot about her

Me: Thank goodness we didn't.

May: Yeah.

Nico: What's your role in Sonya's team?

Epidote Tourmaline: I am a shadowmancer and use the darkness to destroy our enemies. Outside the team I am a jazz musician and saxophone player. I play with Onyx at the Crystal Teahouse.

Laney: That is cool! Me and Lisa here play the saxophone ourselves. Think you can use a couple more players?

Onyx (G5): I'm sure we can have a few more players.

Me: Cool.

Lisa Simpson: That is gonna be awesome.

Strut: Can we hear you play?

Nico: Later guys. Right now we have a mission to complete.

Me: Right that's top priority.

Strut: Okay. Maybe some other time.

Nico: Lets get him guys. Entrance time!

Eli: He's in the main control room.

Nico: Lets go!

WE PROCEEDED TOWARDS THE FINAL SHOWDOWN AGAINST ZENOHELD, AND THIS TIME, WE'RE GONNA MAKE SURE THAT HE STAYS DEAD AND GONE FOREVER!

Zenoheld: Soon, I will have my revenge on those pathetic Brawlers and the entire universe will bow before me!

Suddenly, Morgana Midnight Sparkle appeared, but now, she's gone completely mad with insanity.

Morgana Midnight Sparkle: Sadly, I'm going to end your reign and destroy every last living thing in existence! Those fools have made a fool out of me for the very last time!

Suddenly, The Six Elemental Attributes of Pyrus, Aquos, Subterra, Ventus, Haos, and Darkus formed and they attacked Zenoheld and Morgana Midnight Sparkle with blasts of fire, water, earth, wind, light, and darkness and they were absolutely hit hard, and the spirits of the Bakugan of the six attributes appeared and attacked them. Then, the spirits converged and a massive explosion of fire erupted out of nowhere and a phoenix cry and Thunderbird screech was heard, and we appeared.

Me: Not going to happen on our watch, Morgana!

Lincoln: You're done trying to interfere!

Mina Midnight Sparkle: We'll take care of that bitch. Girls, let's get her!

Mina Midnight Sparkle, Sarah Solar Shimmer, Celine Crazy Gem, Carly Creepy Apple, Relena Rainbow Dark, Felicia Fluttermad, Phoebe Pinkie Dark, Natalie Nightmare Moon, Caitlyn Midnight Celestia, Laura Midnight Lulamoon, Gina Midnight Glimmer, Selena Midnight Sunny Flare, Serena Midnight Sugarcoat, Irena Midnight Indigo Zap, Sarah Midnight Sour Sweet, Leanne Midnight Lemon Zest, and Marianne Midnight Moonslayer went after Morgana Midnight Sparkle, and they proceeded to attack her with ferocity and viciousness.

Dan: You've got some nerve showing up here once again, Zenoheld.

Me: We knew Anti-Monitor couldn't bring Barodius back because he was too evil to handle, so he settled for bringing you back.

Nico: But, that won't change a single thing, we're getting rid of you once and for all, along with that insane she-demon, Morgana Midnight Sparkle.

Zenoheld: We shall see about that. Guards!

Just then, guards appeared, but Morgana Midnight Sparkle broke out of the attack and fired blasts of dark energy that killed them and she sent their souls to Limbo as she was cackling insanely, and she summoned a massive army of Dark Magic Insanity Demons: an extremely massive legion of them far surpassing the armies of Hell.

Lincoln: So, you've sent an extremely massive army of your Dark Magic Insanity demons after us.

Lincoln fired orange magic draining blasts that hit the extremely massive legion of Morgana Midnight Sparkle's Dark Magic Insanity Demons and he sucked out all their dark magic and powers and made them his and he also sucked out their life force and killed them, and that extremely enraged Morgana to no end, but then, she got grabbed by Mina and dragged back into the massive fight cloud.

Fabia: Mina, you and your friends keep Morgana occupied. We won't be for much longer.

Me: Before we fight, there's someone here who wants to say hello.

Hydron came.

Zenoheld: YOU!

Hydron: Hello "Father!"

Kalin: Yeah. Your son that you mistreated!

Zenoheld: How can you team up with them!?

Hydron: Because I've had it with you! I did my best to make you like me, but you treated me like dirt!

Suddenly, Fabia's blue eyes turned neon blue and she was surrounded by a white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, light, phoenixes, and angels, and as she approached Zenoheld, she left white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, light, phoenixes, and angels with every step.

Fabia: I will never ever forgive you for any of the crimes that you've committed against not only the humans and Bakugan, but also, the entire world. I would've thought you'd remain dead for good, but thanks to Anti-Monitor bringing you back, you've decided to try and get revenge once more. You've lived for too long, Zenoheld, and now, it's time to put an end to your life once and for all.

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF FABIA WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE VERSION OF ARANAUT AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE ANGEL, AND RAINBOW FIRE VERSION OF ARANAUT WENT BACK TO FABIA GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Fabia was surrounded by a massive vortex of white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, and light surrounding the vortex, there are tigers, phoenixes, angels, and Aranaut flying around the vortex, and in the vortex is a white phoenix with blood red eyes glaring at Zenoheld: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining down on the vortex.

Suddenly, The Unity Crystals on my J.D. Caleb Maxwell: Shit! That's our cue to get out of here!

Nico: Let's go!

Mina Midnight Sparkle punched Morgana Midnight Sparkle hard in the face, and we all headed into the TLPS Valorous Phoenix, and we headed back to Earth in warp speed. Meanwhile, back on the space station, Morgana Midnight Sparkle awakened a few hours later, but as soon as she saw the timer reach zero...!

Morgana Midnight Sparkle: NNNNNOOOOOOOOOO!

A TREMENDOUS EXPLOSION TRIGGERED AND THE SPACE STATION WAS ENGULFED IN FLAMES AND WE SAW IT! Suddenly, Zenoheld's spirit appeared.

But, then, the bell of judgement rang in his ears meaning his time was finally up! Then, the spirits of all those he's killed appeared and grabbed him.

Spirits: Guilty!

The spirits found him guilty, and then, the kanji Black Abyss 黒深淵 appeared on his forehead, and Zenoheld was being consumed by the black flames of The Black Abyss and he began to fade away: he was finally being erased by The Black Abyss!

Zenoheld: NO! NO! THIS ISN'T HOW IT WAS SUPPOSED TO END! DAMN YOU! DAMN YOU ALL, TEAM LOUD PHOENIX STORM! (LETS OUT ONE LAST SCREAM BEFORE HE FINALLY FADES AWAY FOREVER)

Fabia: Goodbye forever, Zenoheld, and may you never return.

Nico: He deserved it, and that was one awesome kill you made, Lincoln.

Lincoln: He didn't see it coming, and Eli hit the self-destruct button.

Eli: I wonder if it also took Morgana with him as well?

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of dark magic blasts and the blasts were absorbed into us and made us even stronger than ever.

Lincoln: I think you spoke too soo, Eli. (Catches the scent of blood) There's no mistaking the scent of blood from anywhere, you better get out here, Morgana Midnight Sparkle, Midnight Princesses of Dark Magic Madness and Fiendish Bringer of Chaos, Death, and Destruction.

A tornado of dark purple darkness and dark magic appeared, and as soon as the tornado vanished, in its place stood Morgana Midnight Sparkle, Midnight Princesses of Dark Magic Madness and Fiendish Bringer of Chaos, Death, and Destruction.

Catherine Fontaine: Why am I not surprised? I knew you've survived worse than that, but it's too late, we've already taken care of and destroyed Zenoheld, and we also got rid of your Dark Magic Insanity Demons that you sent after us, so you failed to get rid of us with your minions and using that powerhungry so-called former king.

Morgana Midnight Sparkle: (ENRAGED DEMONIC VOICE) That arrogant fool was about to fail in his task and I was about to kill him until all of you showed up, and now, I have to do everything myself! Damn him!

Catherine Fontaine: Well, you better consider those your last and final words. This is where it all ends for you, Morgana.

Suddenly, Catherine Fontaine's purple eyes turned neon purple and she was surrounded by a purple and pink, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, elemental forces, magic, Alicorns, phoenixes, and angels, she unholstered her massive greatsword from her back, and as she approached Morgana Midnight Sparkle, she left purple and pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, stars, aura energy, white and blue heavenly flames, elemental forces, magic, Alicorns, phoenixes, and angels with every step.

Catherine Fontaine: From the very moment that we found out the seal was broken, we'd known you would return once again to get revenge on us for banishing you to The Netherworld seven years ago. But, that is never going to happen, Morgana Midnight Sparkle, Midnight Princess of Dark Magic Insanity and Fiendish Bringer of Chaos, Death, and Destruction, as The Daydream Princess of The Magic of Friendship and leader of The Daydream Princesses, I hereby sentence you to death for all of your crimes. Lincoln, Catherine Fontaine, Nico, and I went after Morgana Midnight Sparkle, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, purple and pink, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Morgana Midnight Sparkle, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at her as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Catherine Fontaine did the same by firing purple and pink, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and

Lincoln, Catherine Fontaine, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength, and this was making Marianne Midnight Moonslayer even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Morgana Midnight Sparkle, and we found ourselves in Heaven.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Morgana Midnight Sparkle's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

Then, Lincoln fired an orange energy blast that hit Morgana Midnight Sparkle and he began sucking out her dark magic and powers along with her life force, and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings and eleven sets of larger white angel wings underneath his massive white angel wings with aurora and orange tips spread out and his halo glowed and he began growing even more stronger.

We cheered wildly as we holstered our weapons and powered down and Catherine Fontaine's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long pink wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large purple and pink planets orbiting around her legs, twenty-five smaller purple and pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized purple and pink planets orbiting around her wrists and ankles, and massive purple angel wings and eleven sets of large purple angel wings underneath her massive purple angel wings are permanent.

Catherine Fontaine: This is where you die here and now, you insane she-demon! Our conflict ends here and now! Thanks for helping me take down Morgana Midnight Sparkle, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Catherine.

Me and Nico: Our pleasure, Catherine.

Suddenly, Catherine Fontaine wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Catherine Fontaine's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and Daydream Sparkle flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Catherine Fontaine sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Then, we returned home.

Lincoln: We finally did it! Morgana Midnight Sparkle is gone forever, and she's never coming back!

Suddenly, we saw a bluish purple flame in our fireplace appear, and we saw an ominous warning appear.

Me: What's this? After the fall of The Princess of Midnight, With one last bit of dark magic, On the big day of The Princess of Friendship, The Evil Fire Alicorn of The Past will return and she will exact her very vengeance upon the world and destroy everything she worked so hard to accomplish and kill all those she knows.

Lincoln deciphered the ominous warning.

Lincoln: Oh no, I know what this warning means: Queen Opaline Arcana from our world is going to return!

WE GASPED!

Opaline Arcana: But how? Didn't you banish her to The Black Abyss?

Lincoln: We did. (Recognizes the words) Oh crud, Morgana, she didn't...! She pulled her soul out of The Black Gates and had it ready for a contingency plan in case she winds up getting killed and sent to The Black Abyss, and she'd use the last bit of her dark magic to bring Opaline Arcana of our world back.

WE GASPED HORRIBLY!

Nico: Oh shit! Morgana, you went too fucking far this time!

Me: That she did!

Lincoln: But, Twilight sealed all of her power away in Sunny's world, and this means Queen Opaline of our world will be weakened by a serious degree. This means the search to find Twilight Sparkle and her friends is absolutely critical than ever, and so far, we've been undoing everything Opaline did, and when she finally returns, we're going to be ready for her.

Nico: You're right. This time, we're gonna make sure that powerhungry monster finally gets The Black Abyss forever, and her legacy of hatred and destruction will finally be forgotten!

Me: That's for sure. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Liberty Dramatist appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Michaela Balthazar, Gene-Slammer and Avatar of Abyss Actor - Liberty Dramatist.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Michaela Balthazar, Gene-Slammer and Avatar of Abyss Actor - Liberty Dramatist, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Michaela Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Michaela Balthazar really hates Lewis Travolta with a blazing passion, and she also knew how to bring down the actions of that stupid jerk, and all it took was one planned out performance from Cordelia, and not only was Lewis Travolta done for, but he always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he winds up going to jail.

Nico: Serves him right.

Me: We've seen what she and Lincoln had done in really humiliating that jerk.

Lincoln: And she directed the payback plays we'd done to my enemies including the five mean sisters.

Vypra: That's the end of Zenoheld.

Aqueduct: Good start on the other Bakugan villains.

Evil Seed: It sure is.

Me: And Morgana Midnight Sparkle is dead too.

Dixie: We should celebrate!

Wilbur: Let's eat dinner on Neathia.

Goof: No. On Vestal

Mirror Master: I'm fine with either one.

Nico: Okay Vesta it is. Great job everyone.

Fabia: (To the viewers) Now we've seen the last of Zenoheld and the Morgana Midnight Sparkle. This was eventful.

Me: It sure was.

We went to Vestos and had a great party.

Soon, night fell on the city, and Lincoln was heading to his room to sleep.

Lincoln: That was truly an epic day: I finally managed to get ultimate payback on Dark Chase Young and made him pay for everything he'd dealt unto me and my family since 1621, but I know it'll truly end when Kimiko's big day comes, and we finally managed to get rid of Morgana Midnight Sparkle for good. But, now, that she's gone, now I can move on to dealing with Future Sebastian and what he did in bringing back Fifi, Rufus, and Ham Hand was going way too far and he brought back that trauma I had of that day. I swear I'm going to make that monster pay for what he did tomorrow.

But, just as Lincoln approached the door to his room, he caught the scent of roses in the air, and as he opened the door to his room, he was met by Lust Woman in a sexy lingerie sitting on his really extra large expanding bed along with the rest of his harem in only bras and panties. The sight caused an atomic red blush to appear on his face and muzzle and his nose was gushing out blood.

Then, Lust Woman approached Lincoln.

Lust Woman: (Seductive Voice and rubs Lincoln's massive pecs) You didn't think you'd forget about what I said after we came back, right?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Then, Lincoln suddenly grabbed Lust Woman bridal style and placed her on the bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: (Smirks) Of course not, I haven't forgotten, and I never forget what I said.

Suddenly, Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alright, and now, for tomorrow, the match-up is for Yuria Sagiri, the T.G. Fusion Gene-Slammer, and she and Lincoln are going to destroy Absalom from Darksiders

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the west of Gotham Royal York, but to be more specific, the abandoned Royal Woods Recreations Center that closed down nearly 15 years ago, but this is going to be part of a trap Lincoln's going to set up, and our targets are none other than his old enemies, Fifi Dufus, Rufus Dufus, and Ham Hand, the villains from No Time To Spy and the ones responsible for Lincoln's PTSD attack from that very time when Fifi tried to send him and his family into space as revenge for the death of her husband 37 years ago. But, it's not just them we're luring into the place, we're also luring in the last remaining legion of Sergio's thugs, along with our main target, Future Sebastian, the psychotic bastard responsible for bringing those three back from the dead and causing Lincoln to suffer another PTSD attack and for all the times he's tried to kill us. Then, once they're lured in, we set the doors to close and lock up trapping them in, and then, Lincoln's voice will start booming throughout the center through loudspeakers Luna sets up declaring that this will be the final day of their pathetic existence as we play out the clips of all of Fifi's schemes along with Rufus Dufus' schemes, and finally, we'll also play a video clip for Sergio's thugs, but it'll show that Sergio played them, he wasn't going to pay them at all, he was gonna steal their money whether they succeed or fail, and that'll get them so pissed off, they'll cut off all contact with Sergio.

In the midst of the confusion, Lincoln will spot that Fifi Dufus' shadow is acting strangely, and then, he'll shine a light on it, and then, they'll hear demonic screams as we force Future Sebastian out of the shadows, and then, we kill every last one of them and send them all to The Black Abyss for good, and we're going to meet the next Abyss Actor Gene-Slammer and Avatar, her name is Michaela Balthazar, Gene-Slammer and Avatar of Abyss Actor - Liberty Dramatist, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. DECADE BATTLE 2: APOLLO GEIST

Apollo Geist Returns

In the early morning hours at 1:11 AM, I couldn't sleep. I decided to go down to the living room to read a book.

I sat all warm and cozy by the fire.

Me: Hmm.

But then suddenly the fire in the fireplace turned purple-blue! I saw it and t had an extremely ominous presense to it.

Me: This can't be a good sign.

Nico who was coming down to get some water.

Nico: Whoa that can't be good for the fireplace.

Me: I think this is a sign Nico.

Nico: What do you mean?

Me: It must be an omen. Quick, we must consult Nostradamus's book.

We went to the library and got the book.

Me: Lets see here Flowers, Flora, Fire! (Reading) "The fire in your fireplace turning bluish-purple means the return of an Evil Fire Alicorn!"

WE GASPED!

Nico: (GULPS) But that can't be!

Me: It's the second coming of Opaline! Oh man! (Continues

Reading) "After the fall of the Princess of Midnight with one last bit of Dark Magic, On the big day of the Princess of Friendship, The evil Fire Alicorn of the Past will return and she will exact her very vengeance upon the world and destroy everything she worked so hard to accomplish and kill all those she knows!"

WE GASPED AGAIN!

Me: Oh dear god!

Nico: That can't be! I thought Opaline was banished to the Black Abyss.

Me: Yeah!

King Kai: (Telepathically) Nico, J.D. can you hear me?

Me: Loud and clear King Kai.

King Kai: I'm afraid I have really bad news. Opaline Arcana was resurrected!

We gasped and everyone heard King Kai's talk with us!

Twilight Sparkle: That is impossible! We banished her to the Black Abyss!

King Kai: Yes you guys destroyed her but it was her body that was destroyed. Not her soul. When you guys destroyed Morgana Midnight Sparkle, she used the last of her dark magic to resurrect her from the Black Gates. But there is good news. When she was brought back, her magic was severely weakened to that of the level of a newborn unicorn. It'll take a while for her to regain her magic to her full power.

Me: That's good. It'll give us plenty of time to prepare so we can be ready for her. Now the Search to find the Remaining Guardians of Harmony is very critical. We got to find them and undo everything that Opaline did so we can destroy her forever.

King Kai: That's right. But she is in for a surprise. You guys have gotten more powerful than ever before since you fought last time. Be careful guys.

Me: We will.

Nico: Whoa! So now Opaline is back!

Me: Just fucking great!

Nico: We're going to need all the help we can get to take her down.

Me: I'll call everyone into the briefing room later on.

Nico: Okay. Lets get some sleep.

We went to sleep.

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to the west of Gotham Royal York, but to be more specific, the abandoned Royal Woods Recreations Center that closed down nearly 15 years ago, but as he was flying, he saw his old enemies, Fifi Dufus, Rufus Dufus, and Ham Hand, Fifi being the one responsible for Lincoln's PTSD attack from the time she tried to send him and his family into space as revenge for the death of her husband 37 years ago. But, it's not just them, he also spots the last remaining legion of Sergio's thugs, along with Future Sebastian, the psychotic bastard responsible for bringing those three back from the dead and causing Lincoln to suffer another PTSD attack and for all the times he's tried to kill us. Lincoln woke up, but so did his harem and kids.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh shit, so they're heading there!

Lincoln: They're no doubt planning to attack us to get revenge, and that psychotic bastard is hiding in the shadows. But, we're going to get the drop on them, we're going to use the abandoned Royal

Woods Recreations Center that closed down nearly 15 years ago as a means to lure them there, trap them, and kill them.

Michelle Emperyous: That's perfect!

Rachel Emperyous: After what that bitch tried to do and left you with PTSD from that day, she's going to die here and now along with her husband and Ham Hand.

Laney Emperyous: And we'll get rid of the last of that stupid bird's thugs.

Sandra Emperyous: Along with the psychotic bastard responsible for bringing those three back from the dead and causing you to suffer another PTSD attack and for all the times he's tried to kill us.

Nicholette Torrington: We got to plan this out perfectly, that way, we nail that fucked-up bastard and those other assholes.

Lincoln: That's for sure, Nicholette, I'm going to end that trauma once and for all.

Girl Jordan: And with us at your side as well, Linky, we know you'll do just that.

They went back to sleep, then, morning came, and Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you: last night, my dream took me to the west of Gotham Royal York, but to be more specific, the abandoned Royal Woods Recreations Center that closed down nearly 15 years ago, but as I was flying, I saw my old enemies, Fifi Dufus, Rufus Dufus, and Ham Hand, Fifi being the one responsible for my PTSD attack from the time she tried to send us into space as revenge for the death of her husband 37 years ago. But, it's not just them, I also spotted the last remaining legion of

Sergio's thugs, along with Future Sebastian, the psychotic bastard responsible for bringing those three back from the dead and causing me to suffer that PTSD attack yesterday and for all the times he's tried to kill us.

WE GASPED!

Nico: So, the bastards are finally on the move.

Lincoln: Yep, but we're gonna be ready for them on my rescue later on today, we're going to get the drop on them, we're going to use the abandoned Royal Woods Recreations Center that closed down nearly 15 years ago as a means to lure them there, trap them, and kill them.

Me: Perfect.

Von Lycaon: If you're to execute your trap, you're going to need the help of all of us as well, for there is no doubt Future Sebastian will have some unpleasant surprises in store.

Nico: You may be right, Lycaon, I knew Sebastian long ago and he had a thing for unpleasant tricks, such as summoning demons to attack me and my friends and many others.

Suddenly, The Magic Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel Justice started glowing.

Crash Bandicoot: It's time.

Spyro: That it is.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, after breakfast, we're going to The Sensei Realms in The Skylands to find The Swords of The

Skylanders Elements.

Nicole: The Swords of The Skylanders Elements? What are they?

Spyro: They are 10 magical swords that have all the powers of all the 10 Elements of the Skylanders.

Crash Bandicoot: And from what we saw, first up is Magic, so we're going to The Magic Sensei Realm first and we're going to find The Sword of The Magic Skylanders, but here's the kicker: only the ten Princesses of the Skylanders can pull out the swords.

Twilight Sparkle: In other words, me, Rainbow Dash, Pinkie Pie, Sunset Shimmer, Fluttershy, Rarity, Starlight Glimmer, Applejack, Princess Celestia, and Princess Luna can pull out the swords.

Me: This should be good.

Crash Bandicoot: It gets even better: we're also going to meet each of the Guardian Angels of Lincoln trapped in each sword, and each sword will be guarded by some of the Skylanders' major enemies, one for each element.

Lincoln: I'll be sure to introduce you guys to each of them after we release them, now let's finish breakfast and head out to The Sensei Magic Realm.

Nico: woke up and saw Celebi staring at her

Celebi: Morning Roxy!

Roxy: Morning Celebi.

Celebi: Time for breakfast!

Roxy: Oh boy!

She went and got dressed and went to the table.

We were having eggs and waffles.

We then finished our breakfast, and we set out to The Sensei Magic

Realm, so Twilight Sparkle can remove The Sword of The Magic Skylanders and battle the major enemy there.

Me: Whoa! The Magic Sensei Realm! This is amazing!

Spyro: It sure is.

Twilight Sparkle: This is amazing seeing this.

Me: It's overflowing with intense magic.

Gwen Tennyson: It's like Ledgerdomain.

Camie: And we can fly here without problems.

Me: Guess Adwaita didn't bother to use this place.

Nico: Magma Man, I want to thank you, Galand of Truth and your teams for coming

Magma Man: No problem Nico. This will be fun.

Spitfire (Skylanders): It sure will be awesome.

Nico: Spitfire, what do you like to do in your free time?

Spitfire: Oh gosh that's a tough one. I like working as a vehicle maintenence worker. I make vehicles better like how we Superchargers do.

Lola: Cool!

Lana: That is awesome!

Spitfire: Yeah it's good.

Nico: That's a good job to have

Me: It sure is.

Spitfire: It puts bread on the table.

Lily: Rye or Pumpernickel?

We laughed!

Spitfire: (LAUGHS) Good one!

Nico: Yeah!

Lola: Yeah that was funny.

Ka-Boom: It sure was.

Me: Yep. WHEW! Man now we've seen the last of another one of Dan's enemies.

Nico: That's the first time we've seen another Mechanical Bakugan

Me: It sure was.

Qin: No kidding.

Laney: Prince Hydron helping us was cool.

Lola: It sure was.

Nico: Especially after Zenoheld mistreated him

Me: Yeah. But I'm glad Zenoheld is gone forever.

Qin: Yep.

Me: So is the entire universe.

Qin: Now we have Naga to deal with.

Camie: Yeah no kidding.

Twilight Sparkle: We're doing great.

Nico: This realm is nice so far

Twilight Sparkle: It sure is. I like it. Lets see.

She held out her hand and then fired a powerful beam of magic and it hit a bunch of Kaos minions and exploded!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

The blast recoiled her back and we caught her!

Me: WHOA! Magic is intensely stronger here than anything in Ledgerdomain!

Nico: Except we can fly freely.

Me: That is true.

Spyro: Yeah here in the Magic Sensei Realm, Magic is enhanced 10,000 times more powerfully than in Ledgerdomain.

Me: WHOA!

Xenia: Incredible!

Lola: WOW!

Sunny Starscout: I wonder what would have happened if this kind of magic was in Equestria.

Me: Good question.

Nico: It would've been overwhelming

Me: Yeah. Oh guys you heard about what we found out right?

Lincoln: Yeah we heard King Kai! That is crazy that Opaline is back!

Camie: No kidding!

Nico: It's not the good version

Me: It's the one we faced on November 20th, 2022.

Nico: Yep.

Lola: We told Vypra and everyone everything and they were shocked.

Varie: Yeah.

Xenia: That monster just keeps coming back.

Me: And all because Morgana Midnight Sparkle used the last of her dark magic.

Eli: Yeah.

Me: But we were given a huge window of opportunity to prepare.

Twilight Sparkle: We just got to wait till my big day.

Nico: Whenever that is.

Me: Well we better kick it into high gear to find and bring back the Guardians of Harmony.

Lola: Yeah. So far we're doing good in undoing all of Opaline's damage.

Me: Yep. And her power is substantially weaker than she was before.

Camie: Yep.

Me: We took down a couple of her fuckbuddies she had on that day already.

Nico: We'll deal with her when the time comes.

Qin: Yeah.

Lincoln: Okay, guys, we're in for a really magical battle, we're here in The Sensei Magic Realm in The Skylands, and we're here to get The Sword of The Magic Skylanders for Twilight Sparkle, but here's the thing: it's being guarded by Spellslamzer.

The rest of the team is with us.

Nico: Figures.

Crash Bandicoot: So, he's guarding The Sword of The Magic Skylanders for Princess Twilight Sparkle. Well, he's gonna be in for one unpleasant surprise. You saw what happened when Lycaon transformed to take care of Morgana's Dark Magic Madness Demons yesterday, right?

Me: Yes. (Realizes) Wait, is that what's...?!

Lincoln covered my mouth.

Lincoln: Hey, don't spoil it, J.D.

Lincoln removed his hand.

Nico: He's right, I want to see the look of horror on that insane big-butted witch on his big day.

Crash Bandicoot: Anyways, that's what's going to happen to me, while I trash Spellslamzer, Princess Twilight Sparkle, you remove The Sword of The Magic Skylanders, and once that happens, that'll free Lincoln's Guardian Angel, The Avatar of The Magic Skylanders.

Twilight Sparkle: Got it.

Spyro: This seems like a straightforward plan though, this'll keep him distracted enough for Twilight to remove The Sword of The Magic Skylanders.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Sergio's sent out a gang of thugs to try and attack us.

Lincoln: Sergio, you little...!

Me: What's wrong, Lincoln?

Lincoln: It's not good, Sergio's sent out a gang of thugs to try and attack us.

WE GASPED!

Nico: That repulsive rat with wings! He and the gang he hired are going to pay for this!

Lincoln: I'll get the next torture ready for that rat with wings.

Crash Bandicoot: No, Lincoln. In fact, I have a more...painful punishment in store for him. But, first, let's get after Spellslamzer so I can transform and trash him, and Princess Twilight Sparkle can get The Sword of The Magic Skylanders.

Ed Cowart: Honestly, Sergio's going way too far with this.

Lori: I literally thought he'd learn his lesson, but I knew this won't be the last time he does something like this.

Lincoln: Well, he's gonna regret this after we take care of Spellslamzer.

Me: Yep.

Camie: Who is Spellslamzer?

Me: He's the leader of the Spell Punks and is regarded as the most powerful master of them.

I went over his history

Spellslamzer is a large Spell Punk, regarded to as the ultimate Spell Punk, and is an antagonist in the Skylanders series, being a minor antagonist in Skylanders: Superchargers and the main antagonist in the comic book Skylanders: Secret Agent Secrets. He was the champion of Battlebrawl Island before the Skylanders battled him for information on the Spell Punk Library. He is also playable in the game's racing modes after defeating him in the Mystic Vault boss pursuit. he was voiced by John Kassir

Spellslamzer was the crowned champion of the battle arena on BattleBrawl Island, often resorting to using trickery in attempts to win his battles. When the Skylanders sought him out for navigation around the Spell Punk Library, they had to defeat Spellslamzer in the ring in order for him to tell them the information they needed. During their battle, the devious Spell Punk cheated by teleporting the Skylander into his nightmare realm away from onlookers until he brought them back to BattleBrawl Island. The Skylander eventually defeated Spellslamzer, and true to his word, he told them how to navigate through the Spell Punk Library before disappearing.

Spellslamzer and his group of Spell Punks are responsible for the disappearance of Buzz's elite team of Skylanders, Boomer, Voodood, and Ghost Roaster. When SuperChargers, Spitfire, Stormblade, and Nightfall, were sent to find their lost comrades, they were promptly defeated by the three Skylanders who now work for Spellslamzer.

With the defeated SuperChargers in tow, Spellslamzer and his group returned to their hideout, the Spellhold, where he announced their plan to raid the Mabu Radiance mines of their rare and powerful minerals, controlling the crystal supply to become the supreme power in all of Skylands. In addition, he and his minions will ride out in the SuperChargers' own vehicles at dawn. When Spitfire, Nightfall, and Stormblade attempted to escape, Spellslamzer had them strapped to the front of their vehicles as the villains and the corrupt Elite Skylanders rode out towards the mines to begin their attack.

When it was done everyone was shocked.

Nico: WHOA! He is gonna give us a good challenge.

Me: Yep he sure is.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Spellslamzer) AHA! There you are, you spell punk varmint! I just spotted Spellslamzer, he's 20 yards away and he's guarding The Sword of The Magic Skylanders. (Spotted Sergio's thugs) And I just spotted Sergio's thugs.

Nico: Let's tear them apart.

May heard a Pokémon cry

May: Hey look!

We saw a Ribombee!

Me: Cool a Ribombee!

Manaphy: Oh wow! Looks like mama is gonna have a mascot friend with me and Glaceon and a sister for us too.

HIppowdon: That is awesome!

May: Yep. Oh you hungry?

Ribombee: I sure am.

She gave her apples.

Ribombee: Thank you.

She ate them.

Ribombee: Ahh awesome!

Manaphy hugged her

Me: Aw so cute.

Poromon: Yeah!

May: Wanna come with us?

Ribombee: I would like that.

Me: Awesome!

But then an ice beam blast hit May and froze her in a block of ice!

Me: WHOA!

Nico: WHAT THE!?

Lana: It came from that!

We saw a Glaceon!

Me: Whoa! Another Glaceon is here.

I fired a blast of fire and thawed her out.

Glaceon walked up to her

Glaceon: (Coos)

Glaceon 2: (Coos in sadness)

Glaceon: (GASP) May! This Glaceon is your friend Nautilus Silurian!

WE GASPED!

Petunia Paleo: My Sister Nautilus!?

May: Nautilus is here!? Whoa! And fitting she's a Glaceon.

Me: That is awesome! Lets go help her out.

Me, May and Petunia went to help her.

Petunia Paleo: Nautilus it's me Petunia!

May: And May! Lets talk!

All she did was use Ice Beam

We dodged it and it hit Nico and froze him in a block of ice!

Me: WHOA! That is cold!

Petunia Paleo: We got to warm her up!

Me: Yep.

I fired waves of fire and it hit her and thawed her.

May and Petunia fired waves of fire and light and blasted her.

I snapped my fingers and she reverted back and was a girl with blue hair and blue eyes and had blue angel wings and had Glaceon in the middle of her forehead and had a blue and aqua blue nautilus shell cutie mark on her arm.

We wrapped her in a blanket and brought her over.

Me: Whoa! Oh man! Nico turned into a popsicle.

I fired a blast of fire and thawed him out.

Nico: Ahh thanks J.D.

Me: At least she cooled down your hot head.

WE LAUGHED!

Nico: Very funny.

She woke up to see Manaphy

Nautilus Silurian: (Groans) Manaphy?

Manaphy: Hey Nautilus!

Nautilus Silurian: Wow you are still as cute as ever. And May, Petunia?

Petunia Paleo: Awesome to see you sis! How cool was that and you were turned into a Glaceon!

May: You sure were.

Glaceon: Just like me.

She hugged both May and Petunia.

Nautilus Silurian: Where am I?

Me: You're in the Magic Sensei Realm in Skylands.

Spyro: It's a crazy story.

Me: You we turned into a Glaceon by Dark Gale.

Nautilus Silurian: (GASP) I remember!

* * *

She was in an aqua blue suit and injected and in a swirl of ice and cold she flew out and turned into Glaceon! She froze the lair and busted out.

FLASHBACK ENDS

Nautilus Silurian: That was awful.

Me: Well we destroyed all of Dark Gale.

Nautilus Silurian: Thank goodness.

Nico: What's your role in Sonya's team?

Nautilus Silurian: Well I am the ice mage and cryomancer of the team. I freeze the enemies. Outside the team I'm a paleontologist and archaeologist.

Nicole: Cool! Awesome to meet a fellow scientist.

Camie: Awesome!

Manaphy hopped on her head

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her awesome aqua blue clothes and an ice sword.

Nautilus Silurian: Wow I look awesome!

Me: You sure do!

Varie: Awesome.

Me: Now to go after Spellslamzer.

We then took off into the air to help Twilight Sparkle get The Sword of The Magic Skylanders, take down Spellslamzer and send him to Vypra, and get rid of Sergio's thugs.

We were flying in the air, and we saw our target: Spellslamzer, and he's guarding The Sword of The Magic Skylanders, it's a purple and pink sword with the symbol of The Magic Skylanders embedded in the hilt and a star nebula blade.

Lincoln: There it is.

Crash Bandicoot: And there's Spellslamzer. Alright, you guys take your positions, I'm going in.

We took to the shadows, and then, Crash Bandicoot proceeded with his part.

Crash Bandicoot: SPELLSLAMZER!

Spellslamzer looked around, and then, he saw Crash Bandicoot in the air with his massive red angel wings and four sets of large red angel wings underneath spread out, and he lands on the ground in front of Spellslamzer.

Spellslamzer: So, you've come for The Sword of The Magic Skylanders, eh? Too bad, I ain't giving it to you or to Team Loud Phoenix Storm, my master gave me my orders long ago.

Crash Bandicoot: This wasn't Kaos' doing, I can already see that. In fact, the mastermind responsible for those orders you were given eight years ago at that time was Sebastian when he was still that murderous rampaging monster. Well, it won't matter anyways, we're getting The Sword of The Magic Skylanders and teaching you a lesson.

Me: That is for sure!

He summoned Fire Spell Punks!

Me: Uh oh!

They fired fireballs at us and we absorbed them.

He summoned Life, Magic, Water, Undead, Tech, Magic, Air, Earth and Time Spell Punks!

We absorbed all their power and made them our own.

Suddenly, Crash Bandicoot's emerald green eyes turned neon emerald green, and he was surrounded by a rainbow, white, golden yellow, and blue energy aura with stars, aura energy, white and blue flames, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, light, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels, he unholstered his massive Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Phoenix God Archangel Justice from his back, and as he approached Spellslamzer, he left rainbow, white, golden yellow, and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels with every step.

Crash Bandicoot: I knew you'd be back to causing trouble once again in The Sensei Magic Realm, Spellslamzer even after Kaos got sent to The M.O.E. and after we got rid of The Darkness years ago. (SUDDENLY, HIS RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE AURA WITH ELEMENTAL FORCES, BANDICOOTS, DRAGONS, PHOENIXES, AND ANGELS FLARES UP EXTREMELY AS HIS MASSIVE UPPER AND LOWER BODY MUSCLES BULGE) But, that won't matter anyways, I've been waiting a long time to kick your butt for all the trouble you've caused here in The Sensei Magic Realm. (Smirks) Hope you're ready to take your punishment like a man instead of running away like a coward.

Spellslamzer: What did you call me, a coward?!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF CRASH BANDICOOT WITH INCREDIBLY DEVESTATING AND UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE BANDICOOT, AND RAINBOW FIRE DRAGON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW

FIRE RAINBOW FIRE ANGEL, RAINBOW FIRE BANDICOOT, AND RAINBOW FIRE DRAGON WENT BACK TO EARTH AND CRASH BANDICOOT GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Crash Bandicoot was surrounded by a massive vortex of rainbow, white, golden yellow, and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, and fruit surrounding the vortex, there are dragons, bandicoots, phoenixes, and angels running and flying around the vortex with the symbols of The Ten Skylanders Elements orbiting around the vortex, and in the vortex is an orange phoenix with blood red eyes glaring at Spellslamzer: the blood red eyes of eternal judgement, and we saw heavenly lights shining down on the vortex.

Suddenly, The Unity Crystals on my J.D. Well, then, let's get it on!

Crash Bandicoot went after Spellslamzer, and he fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, white and blue flames, stars, fire, water, ice, gears, wind gusts, lightning bolts, sparkles, magic, lights, darkness, bones, rocks, lava, leaves, plants, fruit, dragons, bandicoots, phoenixes, and angels which hit Spellslamzer and exploded with such incredible power, and he slashed at him with his massive greatsword leaving scars on him, and that just made Spellslamzer even angrier.

Spellslamzer fired blasts of magic at Crash Bandicoot, but he absorbed them, and it made him even stronger than ever.

Spellslamzer: You can't keep this up forever!

Sucker!

Suddenly, we appeared near the pedestal where The Sword of The Magic Skylanders is at, and then, Twilight Sparkle removed it. Then, we saw a purple energy aura flare up around her, and then, we see a purple light be released from the sword, and as it faded, what stands in its place was a girl with purple hair, purple star angel wings, she has the Magic Skylanders symbol on her forehead, right arm, purple sleeveless crop top, and purple skirt, purple pants, purple legwarmers, purple sneakers, and she has on a Magic Elemental Necklace and Sword of The Magic Skylanders in her hand.

Spellslamzer: Agh! You...! You tricked me!

Lincoln: We're just getting started. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

But then...

WHOOSH!

A figure swooped in and swipped all their loot.

Sergio Thug: HEY MY LOOT!

We saw the next member of the International Clan of the Coopers!

Samantha Utah Cooper: Looks like your look is ours!

Lincoln: Samantha Utah Cooper! Wow!

Samantha Utah Cooper: Glad I could come.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Samantha Utah Cooper, The Shadow of Monument Valley of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Utah and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Utah and she helped him on lots of dangerous jobs. She's known as the great Shadow of Monument Valley and has been known for stealing from corrupt politicians and government workers all over the state and is a deadly force of speed. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Samantha came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of speed and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Samantha Utah Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WOW! Utah's Cooper! Awesome!

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of fire, water, earth, wind, light, darkness, nature, tech, and bones appeared surrounding Sergio, and then...!

CRASH BANDICOOT SENT THE ORBS RIGHT AT SERGIO, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Ribombee charged at him and blasted him with stun spore! She immobilized him!

Lincoln: Your little mischief ends here, Spellslamzer. Oh, and let me introduce you guys, everyone, this is Gaia Twilight, Avatar of The Magic Skylanders, she's my Guardian Angels from The Magic Sensei Realm and she's the Avatar and Embodiment of all the Magic Skylanders and a master of magic and the stars. She's the leader of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands. She came to Royal Woods long ago, and she taught me how to use the powers of magic and the stars, and she also knew I'm an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed me on the lips and made out many times and I came back home all covered in kisses and my tails were wagging like crazy, and it made her love for me grow even stronger, and she helped me bulk up even more in muscle. I made her that powerful magic greatsword in her hand and necklace, and to show her thanks, she kissed me passionately on the lips which I returned with intensity, and as a result, I promised that when I come of age, I'll marry her along with the rest of his harem, and she hates all of my enemies with a vengeance.

We were amazed by Twilight Sparkle's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Spellslamzer saw it, he was about to attack her, but Twilight Sparkle fired a massive barrage of violet and pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, elemental forces, magic, Alicorns, phoenixes, and angels that hit Spellslamzer and sent him flying into a wall, he got back out, and he was really enraged!

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Twilight Sparkle, Nico, and I and all of us went after Spellslamzer, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, violet and pink, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at Spellslamzer and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Twilight Sparkle, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength.

Spellslamzer: Ouch! That hurts!

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more and my massive rainbow angel wings and eleven sets of large rainbow angel wings under my massive rainbow angel wings spread out even more as two gold intricate halos made of gold light appeared above our head along with three sets of gold chains around the gold light halos and formed into a purifying field that hit Spellslamzer, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Spellslamzer.

Then, Lincoln, Nico, and I charged out and we smashed our rainbow energy infused left fists into Spellslamzer's stomach, and a cluster of rainbow, white and blue heavenly flames exploded out behind him, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, Nico formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword, and I formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of my massive greatsword.

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and Me: NOW, BEGONE!

Lincoln, Nico, and I did one final powerful energy slash that hit Spellslamzer hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed as Spellslamzer was on his last legs and he was really really mangled.

Then, Lincoln and Twilight Sparkle fired blasts of magic that hit Spellslamzer and tied him up in a straitjacket and sent him through a portal leading to The M.O.E.

Lynn: AND HE'S OUT!

We cheered as we holstered our weapons and we powered down, and Twilight Sparkle's new body, clothes, weapons, jewelry, Third Eye, longer light violet horn and longer dark purple tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large purple and pink planets orbiting around her legs, twenty-five smaller violet and pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized violet and pink planets orbiting around her wrists and ankles, and massive light violet angel wings and eleven sets of large light violet angel wings underneath her massive light violet angel wings are permanent and Crash Bandicoot's new body, clothes, weapons, jewelry, accessories, 28th Century backpack, large gold halo with four large orbiting gold rings on each corner behind his head, large thirty-five colored planets orbiting around his legs, thirty-five smaller colored planets orbiting around his waist, smaller planets orbiting his fingers, medium sized colored planets orbiting around his wrists and ankles, Third Eye, and massive red angel wings and twenty sets of large red angel wings underneath his massive red angel wings are permanent.

Nico: And that's Magic down.

Lincoln: And Fire, Water, Air, Tech, Earth, Life, Light, Dark, and Undead left to go.

Me: Yep. By the way, Gaia, how did you and your friends wind up trapped inside those swords? Crash said that...

Gaia Twilight: That it was Sebastian? No, it wasn't, the real person who did this was Kaos years ago, but I also saw Sebastian with him years ago, in truth, Sebastian was the mastermind behind trapping us inside those swords years ago.

Lori: That was mainly due to him turning into a fucked-up murderous lunatic by Dark Chase Young.

Lynn: Lincoln got ultimate payback on him yesterday, and sent him to The Warp. We're going to banish him to The Black Abyss on Omi's big day.

Luan: You should've seen that monster's face, he was absolutely horrified by what Lincoln did in really trashing him!

Gaia Twilight: And I missed out on it, damn that Sebastian!

Lincoln: He's clean now freed from the darkness.

Nico: But, yesterday, he got so freaking angry at Riley Misaki, he tried to attack her, but Ashley McKenna attacked him and we knew the story about her and her hatred towards him.

We then explained that Sebastian's Neo Gotham City self brought back Fifi, Rufus, and Ham Hand, and it caused Lincoln to get a PTSD attack yesterday, and that horrified Gaia Twilight.

Gaia Twilight: He did what?!

Gaia Twilight hugged Lincoln, and he hugged her back.

Von Lycaon: Rina and the others told me of what Master Lincoln had gone through, and that truly hurt all of us deeply in our hearts, especially what Dark Chase Young did to him and his family since 1621, it was truly unforgiveable.

Gaia Twilight: Oh God! Lincoln, I'm so sorry.

Lincoln: It's okay, Gaia, it'll all ends today, I'm ending those three along with that psychotic bastard and the last remaining legion of Sergio's thugs.

Nico: They're going to pay for what they did.

Me: That's for sure.

Suddenly, Lincoln pinned Gaia Twilight to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Gaia Twilight's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Gaia Twilight with dark purple gems on the gold lightning bolts and dark purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Gaia Twilight: Well, that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: That's one realm down.

Me: Yep and 9 more to go.

Gaia Twilight: That was so fun.

Camie: It sure was.

Twilight Sparkle: It sure was fun and awesome.

Me: I'll say!

Nico: Yep. Great job Ribombee!

Ribombee: Thanks Nico! Got any beer?

Poromon: Here you go!

Ribombee drank it down.

Nico: Okay. As long as one of us goes with.

Nico: Now for the Anothers.

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of them is Another Roxy.

Roxy: Another me?

Lincoln: That's right.

Me: Only one way to find out.

Eli: We got Another Galand of Truth, Cyberverse Acid Storm, Oliphant & Rider, Universe 666 Professor Zündapp, Cave Troll and Grima Wormtongue.

Me: Wow!

Lola: Nice.

Me: So Magma Man, Spitfire (Skylanders), Flare Wolf, Blast Zone, Ka-Boom and Molten Hot Dog are up.

Spitfire: Lets bring the heat! FUEL THE FIRE!

Flare Wolf: READY TO ROCKET!

Another Cyberverse Acid Storm: (In a girls voice) It sure will!

They reverted back and it was the gene-slammers of Warrior Lady of The Wasteland, Creeping Doom Manta, Blazewing Butterfly, Thunder King The Lightningstrike Kaiju and Ocean Dragon Lord - Neo Daedalus!

Nico: (GASP) Delia Daedalus, Gianna Ghidorah, Brittney Blazewing, Mandy Manta and Aria Deacon!

Me: Whoa! The gene-slammers of Warrior Lady of The Wasteland, Creeping Doom Manta, Blazewing Butterfly, Thunder King The Lightningstrike Kaiju and Ocean Dragon Lord - Neo Daedalus.

Delia Daedalus: That's right!

Shanan: WHOA! And Aria you're from the ruined world of Telkora. I read that it was hit by a terrible cataclysmic event that left it in ruins.

Aria Deacon: That's right. It was awful.

Me: I'm sorry.

Gianna Ghidorah: But we're here now.

Me: Yep. By the way girls are the Another Galand of Truth and Roxy friendly or hostile?

Mandy Manta: Friendly. But the Another Roxy is a prankster.

Brittney Blazewing: (British Accent) Yeah so be ready.

Me: Will do.

Nico: Sorry we have to do this.

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Now, we wait

But then...

KRASPLAT!

A pie hit May right in her face!

May: HEY!

She licked it.

May: Yummy! Chocolate Vanilla!

Nico: Ooh!

Nico licked it.

Me: Funny!

CLANG!

Me: EEEYOWCH!

I got a bear trap clamped on my butt!

Me: WHOA! OKAY WHO IS THE WISEASS!?

Nico: Any other pranks?!

SNAP!

A mousetrap snapped onto Nico's hand!

Nico: OUCH!

Then...

KRABLANG!

A bowling ball hit Nico right in his face!

It fell off him.

Nico: Okay. That answers that question.

Me: Okay that was funny.

Nico: Yeah.

They got the bear trap off by butt.

Me: Ouch.

Nico spit out some teeth.

Eli: Oh there they are.

We saw Another Galand of Truth and Roxy!

Nico: PULL PRANKS ON US WILL YOU!?

Another Galand: (In a girls voice) It was not my idea.

She reverted back and it was the Firebird Gene-slammer.

Nico: Firebird Corona!

Flare Corona: FIREBIRD!

She ran and hugged her!

Firebird Corona: Flare! I'm so happy I found you.

Flare Corona: Me too.

Firebird Corona: Flare is my twin sister and I was trying to help her get better. But you guys did that for me. She had mental problems.

Me: We didn't know that.

Firebird Corona: Yeah sorry. Also I am one of Nico's friends and a master of fire and also a master of Galand's powers.

Nico: And your friend?

Another Roxy: Someone who loves having fun.

She threw a bowling ball and it smashing into Ed's face!

KRASMASH!

Ed: RUN AWAY! FACESUCKING BOWLING BALL!

She reverted back and it was a younger version of Roxy.

Roxy: (GASP) Tammy!

She ran and huged her.

Roxy: Oh sis you sure are still funny.

Tammy: I sure am.

Nico: You know her?

Roxy: She's my little sister.

Me: She is funny though.

Roxy: Yeah she made me laugh every time with all kinds of funny pranks.

Me: They sure were funny.

Qin: Yeah!

Kaito: (Gets out W gear) Did Swartz promise you anything?

Zocks: (gets out Decade gear) Because we can grant it instead

They got said rider weapons.

Firebird Corona: No he didn't.

Tammy: Because I clamped bear traps all over him and we ran.

Sakura Knudson: That explains why I found NUMEROUS bear traps all over him.

Nico: Nice!

Me: Funny!

Sougo: (Gets out W Ridewatch) Those pranks were funny.

Armor Time! (Cyclone Memory-styled rock music) Cyclone! Joker! W! (Joker Memory orchestral hit)

Geiz: (gets out Diend Ridewatch) You'll get along great with Luan.

Armor Time! (Upbeat rock music) KamenRide! Diend!(Diend transformation noises)

Sougo got out WArmor while Geiz got DiendArmor

Tammy: I sure will!

Me: Yep.

Lincoln: Lets separate you first.

We did so.

Me: Lets rock and roll!

Nico: (gets out Galand of Truth's Ridewatch) Time to get fired up!

May: (Gets out Oliphant & Rider's ridewatch) (BLOWS HARADRIM CHARGE HORN)

Maria: (Gets out Cave Troll's ridewatch) This troll has some bite!

Spitfire: (Gets out Cyberverse Acid Storm's ridewatch) FUEL THE FLAMES!

They used the powers of Galand of Truth, Cyberverse Acid Storm, Oliphant & Rider, Universe 666 Professor Zündapp, Cave Troll and Grima Wormtongue and blasted them.

Then Eye Monster (Powerpuff Girls), Brobajell, King Boo, Gory Fangtell, General Monster and Hundred Eye Hag came

Me: WHOA! That Eye has PERFECT 360˚ Vision!

Nico: Nice team Eye Monster!

Eye Monster: Thanks Nico!

Me: And Brobajell, General Monster and Hundred Eye Hag! I remember you guys!

Nico: Wow!

Eye Guy: So my team is next!

Ben: EYE Guess so!

WE LAUGHED!

Me: Good one!

Luan: (LAUGHS) Yeah!

Then a familiar roar was heard and out came BLUE-EYES WHITE DRAGON!

Me: WHOA! Blue-Eyes White Dragon!

Seto Kaiba: I didn't summon him!

Blue-Eyes White Dragon: (In a girls voice) That's because it's someone who knows you Seto.

Nico: Callie Kaiba! Wow!

She reverted back and was a girl with blue hair, blue eyes, blue clothes, blue angel wings and had Blue-Eyes White Dragon on her arm, shirt, skirt and in the middle of her forehead and had a dragon sword.

Callie Kaiba: Awesome to see you bro and you too Nico. I got this. WHITE LIGHTNING!

She fired a powerful blast of energy and blasted the Anothers and I caught the ridewatches and purified them.

Me: OH YEAH!

Nico: Nice job!

Callie Kaiba: Thanks and I can't wait to bring that monster that was our stepfather down. I have some dirt on him that you guys are gonna want to see. I found out that he was responsible for murdering our REAL mother and father!

WE GASPED!

Mokuba: But mom died giving birth to me and dad died in a car crash.

Callie Kaiba: Yes a car crash that Gozuburo caused. He cut the break lines of his car and he crashed into a huge propane gas storage.

Maria: SAY WHAT?!

Callie Kaiba: You heard right. He did that because not only did he want sole custody of Seto and Mokuba but also to inherit the company Kaiba Corps as the ONLY living heir.

Me: Now we have good reason to want him dead and gone! But luckily I have a plan for later on.

Nico: Yep.

Spitfire: Do you have any good memories of Nico?

Callie Kaiba: I do. When me and Nico were in computer class and we hacked into Gozuburo's accounts and made him dirt poor. It was how I got my brothers to be the managers to the company.

Me: WHOA! So you gave Seto and Mokuba their fortune.

Callie Kaiba: Yep. As the ultimate act of Karma.

Nico: Nice.

They hugged.

Nico: I've missed you.

Callie Kaiba: Same here.

We went back home.

But, it's not just them we're luring into the place, we're also luring in the last remaining legion of Sergio's thugs, along with our main target, Future Sebastian, the psychotic bastard responsible for bringing those three back from the dead and causing Lincoln to suffer another PTSD attack and for all the times he's tried to kill us. Then, once they're lured in, we set the doors to close and lock up trapping them in, and then, Lincoln's voice will start booming throughout the center through loudspeakers Luna sets up declaring that this will be the final day of their pathetic existence as we play out the clips of all of Fifi's schemes along with Rufus Dufus' schemes, and finally, we'll also play a video clip for Sergio's thugs, but it'll show that Sergio played them, he wasn't going to pay them at all, he was gonna steal their money whether they succeed or fail, and that'll get them so pissed off, they'll cut off all contact with Sergio.

In the midst of the confusion, Lincoln will spot that Fifi Dufus' shadow is acting strangely, and then, he'll shine a light on it, and then, they'll hear demonic screams as we force Future Sebastian out of the shadows, and then, we kill every last one of them and send them all to The Black Abyss for good.

We also got the rest of the team with us as well as we were inside the abandoned center and were setting up.

Lincoln: Ah, we're here in west of Gotham Royal York, but to be more specific, the abandoned Royal Woods Recreations Center that closed down nearly 15 years ago, and I know what we're going to do here, not only am I going to rescue the the fourteen girls here, but this is going to be part of a trap we're setting up, and our targets are none other than his old enemies, Fifi Dufus, Rufus Dufus, and Ham Hand, the villains responsible for my PTSD attack from that very time when Fifi tried to send me and my family into space as revenge for the death of her husband 37 years ago.

Nico: Yep, but, it's not just them we're luring into the place, we're also luring in the last remaining legion of Sergio's thugs, along with our main target, Future Sebastian, the psychotic bastard responsible for bringing those three back from the dead and causing you to suffer that PTSD attack and for all the times he's tried to kill us. Eli: I still can't believe what that insane witch tried to do, and because of what happened 37 years ago.

Lincoln: It's because of it, I was left with PTSD because of her, and I despise her for it along with her henchman, and to an extension, her husband. I will never forgive any of them for it, I thought I didn't have to deal with those nightmares again, but, thanks to what Future Sebastian did...!

Suddenly, he felt Von Lycaon's hand on his shoulder.

Von Lycaon: What he did in bringing them back cannot be forgiven, and I understand that you want nothing more than to end this, Master Lincoln.

Magma Man: That's right, we're not forgiving her, her husband, nor her henchman, and the same goes with that lunatic, those jerks are going to meet their doom along with the last remaining legion of Sergio's thugs.

Ronnie Anne: I asked Syd, Casey, Sameer, Nikki, and Laird to set up the video camera, once the trap is sprung, it'll start filming and once completed, it'll send the video to Sergio.

Luna: This'll shut him up for good and teach him not to do something like this again.

Lincoln: Luna, you and I both know Sergio's too dumb and stupid to learn his lesson and he'll do this sort of thing again, so this won't be the last time he tries to cause us trouble again.

A few minutes later, we were finally done setting up along with cleaning up the place.

Me: It's done.

Eli: (Sensed them) And just in time too, let's hide, they're coming.

We hid in the shadows, and then, a few seconds later: in comes our prey, Fifi Dufus, Rufus Dufus, her henchman Ham Hand, the last remaining legion of Sergio's thugs, and we saw red eyes hiding inside Fifi's shadow: it was Future Sebastian. Now, it's showtime!

Fifi Dufus: Now, we can plan our attack and get revenge on those stupid Louds!

Then, we set the doors to close and lock up trapping them inside, and then, Lincoln's voice started booming throughout the center through loudspeakers Luna sets up.

Lincoln: Attention, bastards and clods, thank you all for joining us, for this shall be the final day of their pathetic existence!

Then, screens came down and we played all of the clips of Fifi's insane schemes along with Rufus Dufus' schemes, and finally, we also played a video clip for Sergio's thugs, but it showed that Sergio played them for idiots, he wasn't going to pay them at all, he was gonna steal their money whether they succeed or fail.

Thug: I can't believe it, that stupid bastard, he was gonna steal our money whether we succeeded or failed! That's it, we're cutting off all contact with Sergio!

Rufus Dufus: What the heck is going on here?!

Fifi Dufus: (GROWLS) Those Louds did this, I just know it! THEY'RE ALL DEAD, DEAD!

Suddenly, in the midst of the confusion, Lincoln spotted Fifi Dufus' shadow acting strangely, and then, he fired a beam of light on it, and then, they heard demonic screams and that suddenly forced Future Sebastian out of the shadows with burns on him.

Future Sebastian: (SCREAMS) It's a trap! They tricked us!

Then, a massive F5 tornado made of rainbow energy with elemental forces, mythical beasts, and animals will appear on the stage firing elemental forces at the gathered assholes, and then, a massive explosion will erupt as a Phoenix Cry and Thunderbird Screech is heard and we appeared, and that really pissed Fifi Dufus, Rufus Dufus, and Ham Hand along with Future Sebastian and the last remaining legion of Sergio's thugs off big time.

Fifi Dufus: WHAT THE?! IT WAS A TRAP! THAT MISERABLE LINCOLN LOUD, HE DID THIS!

Rufus Dufus: Impossible, our master said they wouldn't suspect anything!

Then, Fifi Dufus, Rufus Dufus, and Ham Hand along with the last remaining legion of Sergio's thugs turn angrily to Future Sebastian.

Sergio Thug: What's the meaning of this?! You said it would be easy to get in and kill Team Loud Phoenix Storm, but instead, they set this whole thing up!

Fifi Dufus: Instead, you lured us all out to die!

Future Sebastian: Screw you, bitch! I wanted to see you kill each other, so that way, I can continue on with killing all of mankind and all life in the universe with no interruptions from anyone! Be they hero or villain!

Lincoln: And that, right there, is the very reason why we're going to kill you here and now! Along with you, Fifi, Rufus, and Ham Hand! (To Fifi Dufus) You tricked me and because of you, my family and I almost got launched into space, because of your insane hatred towards Gran-Gran Myrtle for what happened to your husband 37 years ago. (To Rufus Dufus) But, if anything, you were a ruthless criminal mastermind and a threat to the world, and your wife tried to get revenge on her by sending us into space to die! Do you have any goddamn idea of the trauma your insane wife left me when I had to sacrifice myself to get my family back to Earth?! (ENRAGED SCREAM) DO YOU?!

Fifi Rufus: SCREW YOU, BRAT!

Selene Arcangela: YOU SHUT YOUR GODDAMN GARBAGE MOUTH UP, BITCH!

Selene Arcangela blasted her with a beam of light and it hurt like Hell!

Me: You traumatized Lincoln and because of it, we saw another bit of pain that he'd kept hidden from us, but that ends here, this is where you die!

Nico: You, your husband, and your musclebound henchman are heading straight for the grave once more!

Eli: Same with you musclebound thugs of Sergio!

Lincoln: And as for you, Future Sebastian, you're finally going to get your punishment, you've run free for too long and crossed one too many lines for the last time. We've played your twisted games for far too long and every time, you've fled back to the shadows like the fucking coward that you are instead of taking your punishment like a man, now you're trapped, and there's no way out for you now!

Future Sebastian: There's still hiding out in Hell!

Lily Malefic: As if! Not with us, The Keyblade Knights of Hell, The Malefic Sisters, and The Seven Queens of The Netherworld on Linky's side keeping an eye out in Hell for you. There's nowhere for you to run, bastard, it's time for you all to die!

A MASSIVE EXPLOSION ERUPTED BEHIND US: IT WAS ON NOW!

Future Sebastian: (DEMONIC ROAR) DAMN IT! KILL THEM!

THEY CHARGED AT US, BUT WE ALSO CHARGED AT THEM READY TO END THEM ONCE AND FOR ALL!

Qin: (To Future Sebastian) You're the only one who's going to die here, bitch!

Future Sebastian: WHAT THE FUCK DID YOU JUST SAY, YOU GODDAMN UGLY BITCH?!

Chris Taylor: What the Hell did you just call my beautiful wife, you scumbag from Hell!

Then...!

POW!

CHRIS TAYLOR PUNCHED FUTURE SEBASTIAN HARD IN THE FACE AND GAVE HIM A BLACK EYE AS HE SCREAMS IN PAIN!

Nico: Oh, now you've gone and done it, fuck face! You insulted my childhood friend and Chris' wife, and look what it got you: a black eye, you should be lucky you didn't get a fat lip!

Then, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss.

Michaela Balthazar: That's right. Your cold-blooded attempt at revenge on The Loud Family for what happened years ago was forever doomed from the very beginning, Fifi Dufus, Rufus Dufus, Ham Hand, and Future Sebastian, and now, the curtain shall fall on your miserable lives.

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Fifi, Rufus, and Ham Hand, and he proceeded to brutally smash them into the ground with his massive godly superhuman strength, slashed them with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at them, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON FIFI DUFUS, RUFUS DUFUS, AND HAM HAND! HE WAS REALLY GOING APESHIT ON THEIR MISERABLE HIDES!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED FIFI, RUFUS, AND HAM HAND WITH HIS MASSIVE GREATSWORD AND HE EVEN GAVE RUFUS AND HAM HAND A BRUTAL CASTRATION AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT THEIR SLASHED OFF CROTCHES AND CAUTERIZED THEM CAUSING THEM TO SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going apeshit on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

We saw that Fifi Dufus, Rufus Dufus, and Ham Hand were a mess: Lincoln left claw marks on their bodies and tears in their clothes.

LINCOLN SHOT FIFI DUFUS, RUFUS DUFUS, AND HAM HAND AN EXTREMELY DEATHLY GLARE AND THAT MADE THEM SO SCARED, THEY SCREAMED IN FRIGHT!

Me: HOLY...DAMN!

Nico: (GASPS) OH! OH GOD, LINCOLN SHOT HIM DOWN WITH WHAT THEY'D DONE AGAINST HIM AND HIS FAMILY SO LONG AGO AND TELLING THEM OF THEIR FATE ALONG WITH SHOOTING THEM A DEATHLY GLARE AT THEM TOO!

Eli: They're done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY FUCKOS, YOU MESSED WITH THE WRONG HEROES AND THE WRONG PLANET, YOU JUST GOT YOURSELVES A ONE-WAY TRAIN RIDE TO HELL!", "TAKE THAT, YOU SHITHEADS!", "YOU DESERVED TO GET BEATEN DOWN BY LINCOLN FOR WHAT YOU DID! HOPE YOU SUFFER FOR ETERNITY IN THE BLACK ABYSS!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to them.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to the assholes.

Luna: And what Lincoln said was true, they're doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

Skippy the Bush Kangaroo, Red Savarin, and Von Lycaon went after Fifi Dufus, Rufus Dufus, and Ham Hand, and they fired extremely powerful blasts of red, red and yellow, white and black, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, snow, ice, snowflakes, ice crystals, kangaroos, wolves, phoenixes, and angels at Fifi Dufus, Rufus Dufus, and Ham Hand and they exploded with incredible power as they hit them. Then, Von Lycaon and Skippy the Bush Kangaroo punched them hard with their gauntlets and kicked them with their greaves and they got hit hard, and Red Savarin slashed at them with his massive greatsword and shot them with bullets and stun blasts.

Then, Skippy balanced himself on his tail and delivered a hard kick to their stomachs and fell to the ground in pain.

Adrian Morrigan went after Fifi Dufus, Rufus Dufus, and Ham Hand, and he fired extremely powerful blasts of black and purple-pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, blue flames, darkness, dark lightning, dark fire, dark magic, black magic, Satanic Magic, spectral lightning, ghosts, Boos, phoenixes, and angels, and they exploded with incredible power as they hit them. Then, he also attacked them by flashing the Strobulb in their faces and blinded them, and the ring of

Boos around the flashlight's head fired purple energy beams at Fifi Dufus, Rufus Dufus, and Ham Hand which hit them hard.

Lincoln continued smashing them hard with his extremely massive godly superhuman strength and Fifi Dufus, Rufus Dufus, and Ham Hand didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes.

Me: UNREAL! His speed and reflexes are still even faster than ever!

Nico: I can't keep track of his movements and he's even more stronger than ever! Look at how he smashed those assholes all over the place!

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into Ham Hand's chest and he proceeded to absorb him and he grew stronger and assimilated his massive physical superhuman strength and muscle mass, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, when Lincoln was done and the stingers changed back, nothing was left of Ham Hand except for his clothes and he drained his souls of energy and sent him to The Black Abyss. That horrified Fifi Dufus and Rufus Dufus, and then, Lincoln grabbed them by the collars of their shirts with his left hand and he summoned two blade-studded columns and threw them right into them, and they got skewered by the blades. Then, Lincoln set the columns on fire and they burned to ashes and he sent their souls to The Black Abyss.

We then turned our attention to Future Sebastian who was trying to escape, but we also had a little extra something ready: Lincoln put up a field that prevented Future Sebastian from using his dark magic and his dark powers to escape, and that really pissed him off big time.

Future Sebastian lay on the ground defeated by us and he was bleeding like a stuck pig. Then, Lincoln formed and fired a massive black energy ball with the black flames of The Black Abyss around it, and it hit Future Sebastian and he let out one last demonic shriek as he burned to ashes and his demonic soul was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down and we headed back home to The World Tree Estate.

Lincoln: It's finally over, Fifi, Rufus, and Ham Hand are finally gone forever.

Luna: Along with that stupid bird's last remaining army of thugs and the psychotic monster who brought those three back from the dead.

Luan: But, I don't think this'll silence Sergio.

Me: I know, he's like a bad rash that doesn't go away.

Lincoln: Well, he's gonna get more humiliations from us if he keeps this up. (To Michaela Balthazar) And it's so good to see you again, Michaela.

Michaela Balthazar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Michaela Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Michaela Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Michaela Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Michaela Balthazar and hugged her, and Michaela Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Michaela Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Michaela Balthazar, Gene-Slammer and Avatar of Abyss Actor - Liberty Dramatist, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Michaela Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Michaela Balthazar really hates Lewis Travolta with a blazing passion, and she also knew how to bring down the actions of that stupid jerk, and all it took was one planned out performance from Michaela, and not only was Lewis Travolta done for, but he always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he winds up going to jail.

Nico: Lincoln told us what you did to that jerk, serves him right.

Michaela Balthazar: That's true, and I saw what that jerk had done in the past, and I despised him for that. But, they made a huge mistake, I'm an experienced actor with many years of experience on stage, I can easily see right through someone's act, so it was easy for me to bring the curtain down on that moron.

Nico: Still, I would've thought it to be impossible.

Me: I thought the same thing, but Lincoln's Guardian Angels always see right through the acts of Lori, Lynn, Lola, Lisa, Luan, Chandler, Killjoy Huggins, and the rest of Lincoln's enemies, and Artemia is indeed an expert and experienced actor who's able to read someone's act and bring the person down.

Lincoln: She really pulled one over on that mutant and she and I both put an end to his rampage and got him in huge trouble and sent back to prison.

Luna: We were so impressed by what she did to pull one over on him.

Laney: It was about time someone pulled one over on him for everything he's done.

Lincoln: He deserved it along with his entire family, and now that you're here, Michaela.

Lincoln with his massive muscular arms still wrapped around Michaela Balthazar's waist leaned his head down to the right side of Michaela Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Michaela Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Michaela Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Michaela Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michaela Balthazar.

Michaela Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Michaela Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Michaela Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Michaela Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Michaela Balthazar: (In Heaven) My God. Oh, Lincoln, the fourteen girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the fourteen girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The fourteen girls are Kana Higa and Hina Kyan from The Dialect of the Girl I Fell in Love With in Okinawa is too Difficult to Deal With, Grace Auvergne from Akuyaku Reijou Tensei Ojisan, Asuna and Jodi from I'm a Noble on the Brink of Ruin, So I Might as Well Try Mastering Magic, and Kimberly, Carlie, Schuyler, DVA, Monica, Scarlett, Violet, Sarah, and Elsa from Last

War: Survival.

Lincoln: Oh whoa, it's Kana Higa and Hina Kyan from The Dialect of the Girl I Fell in Love With in Okinawa is too Difficult to Deal With, Grace Auvergne from Akuyaku Reijou Tensei Ojisan, Asuna and Jodi from I'm a Noble on the Brink of Ruin, So I Might as Well Try Mastering Magic, and Kimberly, Carlie, Schuyler, DVA, Monica, Scarlett, Violet, Sarah, and Elsa from Last War: Survival.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really beautiful.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Kana Higa: Yes, we're okay, thanks to you.

Then, when Kana Higa and the other thirteen girls saw who it was that saved them from Fifi Dufus, Rufus Dufus, the last legion of Sergio's thugs, and Future Sebastian, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and Kana Higa: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made thirteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Asuna: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kana Higa, Hina Kyan, Grace Auvergne, Asuna, Jodi, Kimberly, Carlie, Schuyler, DVA, Monica, Scarlett, Violet, Sarah, and Elsa with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out.

Maria: That was really an awesome trap you set up, Lincoln.

Lincoln: They really thought they could come back to the city to get revenge on me and my family and not expect the consequences, they really are that stupid.

Nico: But, your trap worked, and we got rid of those malcontents for good.

Me: That's for sure.

Future Me: Especially Sebastian from my world, after all the horrendous things he's done in the past and all the people he'd murdered, he deserved to die like the piece of trash that he is.

Future Nico: Now, his victims can rest in peace at long last.

Future Buster Bunny: I'll be sure to pay a visit to the families of his victims and tell them the one responsible for their misery is finally dead.

Buster Bunny: How many families has that lunatic made suffer in his rampage?

Lincoln: If I had to guess, one too many.

Nico: Damn.

Future Nico: Did you and your friends along with Lincoln's Guardian Angels save those about to fall victim to Sebastian in the past?

Selene Arcangela: Many times in the past eight years, we stopped him from murdering any who cross his path, and we always sent him running back to the shadows.

Qin: It wasn't an easy task, he always came back for more like a bad rash.

Buster Bunny: Just be glad he didn't resurrect the Z-Fighters' old foes when you all faced them.

Nico: That's for sure, if he so much as brought Raditz or Nappa back then, I'd mop the floor with the two traitors and tie their tails around their necks and Sebastian's neck and strangle the three of them.

Babs Bunny: That is if they don't try to kill each other. Sebastian despised them as much as they despise him, and just one act of disobeying him, and he goes psycho.

Maria: What a psycho.

Nico, Qin, and their friends: Tell us about it.

After Lincoln destroyed Fifi Dufus, Rufus Dufus, Ham Hand, the last remaining legion of Sergio's hired thugs, and Future Sebastian and sent them to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Michaela Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Michaela Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Michaela, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Michaela Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Michaela Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing

900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Just then, Marcus Mackenzie got out a golden tape.

Marcus Mackenzie: Okay, now this tape that I have here, this actually shows the actual encounter of Caleb Maxwell, Cage Blunt, and Travis Tackett. It was back in 1984 when they first arrived in New York long before they drank Demon Blood. Caleb was 19 at the time, and at that time, he was already starting life at New York University, but the first encounter with the vampires would change the life he knew.

Marcus Mackenzie put the video tape in and it played on the big screen as we watched, and it showed New York in 1984, and there we saw a 19-year-old Caleb Maxwell and he was leaving to head back to his home after his first round of classes at New York University.

Past Caleb Maxwell: So ends the first day of college at New York University, at least, I got a look at what life is like in New York University. (Sighs) (Looks at his own disheveled appearance) Even if it's only just two more years and I wind up dying at 21. Drake, you realize that if I come back from the dead, I will haunt you for all eternity for what you did.

Caleb Maxwell was heading back home, but he saw the sun was setting.

Past Caleb Maxwell: Oh man, the sun's setting, I better hurry and quick.

Caleb Maxwell put the pedal to the metal and he began running as quick as he could, but by then, it was too late, the sun had gone down and night had fallen on the city.

Past Caleb Maxwell: Crud, I didn't make it. Why do we even live so far away from the campus?

Caleb Maxwell stopped to catch his breath right near the supermarket, but then, he spotted an object near the parking lot: it was a red Camaro Viper.

Past Caleb Maxwell: A Red Camaro Viper, eh? But, who owns the car?

Suddenly, Caleb Maxwell felt chills running down his spine, something was telling him to get out of there as he saw the car doors open.

Past Caleb Maxwell: Someone's coming.

Caleb Maxwell ran and hid behind the wall of the supermarket, and he saw two figures come out: it was Cage Blunt and Travis Tackett who just arrived in New York.

Past Cage Blunt: Ah, so this is New York, this is going to be a lot of fun.

Past Travis Tackett: For sure.

Past Caleb Maxwell: Wh-who are those two? They must be new here to the city, but yet, why do I feel a darkness from those two, it's as if they're not human. (Sees a black car heading this way) Shit, it's The Syndicate's thugs.

The black car parked, and several men in white suits came out and they had guns, and Cage Blunt and Travis Tackett saw them.

Past Cage Blunt: (Thinking)(To Travis Tackett) Gangsters, they're different from the robbers and criminals in Kentucky.

Past Travis Tackett: (Thinking)(To Cage Blunt) We can't kill them, Cage, not with a lot of people out.

Past Cage Blunt: (Thinking)(To Travis Tackett) No one's out here at this moment. You take the ones in front, I'll get the ones in the back.

Past Syndicate Thug: Out of our way, dickheads!

Suddenly, Cage Blunt and Travis Tackett's pale brown and green eyes turned red and their fangs grew.

Past Cage Blunt: Well, that was just rude. Now, you've left us no choice.

Cage Blunt and Travis Tackett went at two of the Syndicate thugs and they pounced on them and they bared their fangs and...!

CHOMP!

BLOODCURDLING SCREAMS!

Caleb Maxwell heard the screams and as he peaked out, he saw what'd happened, Cage Blunt and Travis Tackett sank their fangs into the two thugs and drained them dry of blood, and that also really horrified the other thugs as well. But, before they could do anything, the two vampires went right at the other Syndicate thugs and they too sank their fangs into their necks and drained them all dry of blood. When they were done, all of the Syndicate thugs were left drained dry of blood and they also had knives stabbed into their chests.

Past Cage Blunt: Now, that was a little refreshing.

Past Travis Tackett: And since this city's full of murderers and thugs, we can go after them.

Caleb Maxwell saw the whole thing happen as he reeled back in horror.

Past Caleb Maxwell: W-what the hell did I just witness? They...they took out the hired men of my dad and Drake like they were nothing...! Wait a minute, those red eyes, the claws, and the fangs? Are..., are they vampires? Shit, I've got to get out of here right now! But, how do I do that?! There's no sort of back alleys that lead back to home. Damn it. (Suddenly remembers) Wait, I remember in the back of the supermarket, there's a shortcut that leads to 5th Avenue and back home. Perfect! Okay, now I got to avoid those guys and head out back.

Caleb Maxwell got a move on and he went out the back of the supermarket, but that got the attention of Cage Blunt and Travis Tackett.

Past Cage Blunt: Hey, there's another one. But, this one's an innocent male, and I think those thugs were out to kill him.

Past Travis Tackett: Great, it looks like he caught us, now we're in. (Sniffs the scent of Caleb's blood) Whoa, Cage, this guy's blood, it's really powerful.

Cage Blunt picked up on the scent as well.

Past Cage Blunt: You're right, it is. This is rather interesting. (Smirks) Come on then, let's go meet with our new friend.

Cage Blunt and Travis Tackett flew off after Caleb Maxwell.

Nico: Uh oh...!

Caleb Maxwell: I remember that day all too well. Drake tried to kill me by sending thugs after me, and that was when Cage and Travis arrived in New York back in 1984, and the things I saw them do to them, that would be the moment where everything that I thought I knew about Mom's side of the family would change, and I'd be introduced to the world of the vampires: a world Mom's side of the family had been welcomed into since 1954.

Caleb Maxwell kept running through the shortcut and he arrived on 5th Avenue.

Past Caleb Maxwell: 5th Avenue, yes! I made it. (Sees his home) And it's not much further now, I need to keep going.

But, as he kept running, he spotted more of Drake's thugs out to kill him, and they're right near the police station.

Past Caleb Maxwell: What the Hell?! Ah, Drake, give me a break already, you stupid idiot bastard!

Suddenly, they got taken down by the cops and taken into the station.

Past Caleb Maxwell: (LAUGHS) Have fun spending the rest of the night in jail, losers!

Caleb Maxwell was already close to home, but, then, he felt a cold chill run through his bones.

Past Caleb Maxwell: What was that?! That cold chill running through my bones? Did...did they spot me already, but how?! I managed to get a good distance from them! Damn, I hope I didn't...!

Caleb Maxwell looked at his arms and no blood came out, and he didn't drop his wallet, and he kept on running, but then, he started to feel a little nauseous and turned a little pale.

Lincoln: Whoa, you were looking a little nauseous in this one.

Caleb Maxwell: What you guys saw were the first signs of my first encounter with vampires: the cold chill running through my bones and the feeling of nausea, you'd think I was getting sick, but no, they were the physical signs of my first encounter with vampires.

Me: Which led to you getting the mark the next morning.

Hunter: (German Accent) Und he had to keep it hidden from us.

Caleb Maxwell looked like he was about to faint.

?: So, you're the guy who caught our attention.

Suddenly, Caleb Maxwell recovered slightly and turned around only to be met by Cage Blunt, and right behind him was Travis Tackett.

Past Caleb Maxwell: Crap...! (Thinking) And I was that close to getting home! Damn it, now I'm in a lot of trouble, Drake's thugs I can dodge, but vampires are a different matter entirely! (Out Loud) I don't know how you were able to catch up to me that quickly, but I'm gonna pretend that I didn't see what I just saw near the supermarket and not spill any of this to anyone at all.

Suddenly, Cage Blunt walked up to the frightened Caleb Maxwell and placed his left hand on the left side of his face, but he felt no sudden hostility.

Past Cage Blunt: Relax, will you, we're not gonna kill you, you're just an innocent caught up in what could've been a messy situation.

Past Travis Tackett: We just got here, and already, things just got a lot more interesting here. So, are you gonna introduce yourself?

Past Caleb Maxwell: My name is Caleb Maxwell.

Suddenly, Cage Blunt remembered the name Maxwell: and the old legend of how the grandparents of his Mom had saved a vampire elder from the wrath of Marcus Maxwell's grandparents who tried to kill him back in 1954, and the night Marlene Maxwell's side of the family along with her two children she would give birth to in the future, her eldest son, Caleb Maxwell, and her youngest daughter, Allie Maxwell, also came into play.

Past Travis Tackett: Cage, what is...?

Past Cage Blunt: This kid, he's related to the mortals who'd joined the vampires back in 1954, they're the first mortals our kind has let into.

Past Travis Tackett: What?

Past Cage Blunt: It's a complicated story. Right now, let's get him back to his house.

Cage Blunt with Caleb Maxwell still in his arms got him back to Caleb's home and they managed to get in without getting the attention of his mom or Allie because they were out at the time, and Cage Blunt placed Caleb Maxwell in his bed.

Past Cage Blunt: See you..., Caleb Maxwell.

The two vampires left Caleb back at his home as the video ended.

Lincoln: Whoa, so this is how you guys truly first met.

Cage Blunt: That's right, and the next morning, Caleb awoke with his mark on his right forearm.

Marlene Maxwell: After that, Caleb told me about it and he showed me his mark, and I in turned had showed him my mark as well on my right forearm and I told him about it and of our connections to the vampires, and every day, he always went to his campus with a bandage wrapped around his right forearm, he couldn't let anyone know of it, but Hunter and the others got suspicious about it. But, when this whole Demon Blood Incident occurred, Caleb had no choice but to show them.

Allie Maxwell: Yet, despite that, Caleb kept coming back home and with a tired look on his face, it was as if something was haunting him.

Carla Claw: Well, you can count on the fact he'd been pursued many times by two vampires drunk on demon blood and wanted to drain him dry of blood.

Roxy Drake: And having to deal with a stupid dumbass for a brother out to kill him many times over.

Jack Howard: There's that too.

We got a shower, and then, Lincoln, Darling Charming, and Spitfire (Transformers EarthSpark) are heading to Lake Lamode.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Darling Charming and Spitfire (Transformers EarthSpark) are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Darling Charming and Spitfire (Transformers EarthSpark) all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Spitfire: Wow, we're here in Lake Lamode, it sure is beautiful.

Lincoln: It sure is, Spitfire, and it's perfect for our first date, shall we?

Lincoln, Darling Charming, and Spitfire (Transformers EarthSpark) dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Darling Charming, and Spitfire (Transformers EarthSpark) got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Darling Charming: (Swooning) Raven and the others were right about him. What a handsome and manly hunk!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made a clone of himself and he and his clone went up to Darling Charming and Spitfire (Transformers EarthSpark) and hugged them in their abnormally massive and powerful muscular arms, and Darling Charming and Spitfire (Transformers EarthSpark) placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and

Lincoln slowly sank his fangs into the right traps of Darling Charming and Spitfire (Transformers EarthSpark) and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Lake Lamode, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, two Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Darling Charming, and Spitfire (Transformers EarthSpark) on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Darling Charming, and Spitfire (Transformers EarthSpark) are now in your harem, Linky.

Darling Charming, and Spitfire (Transformers EarthSpark) showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Darling Charming: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive

900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing

900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan

into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

The Mascots and May were getting ready for patrol.

Poromon: We're heading out.

Erebus Raven: Have fun on patrol.

Poromon: We will.

May: Yeah!

They went down to the surface.

Walking through the city was May and the Mascots.

Manaphy: Such a great day.

Horsea: It sure is.

May: I'll say.

Then they heard gobbling.

May: Where's that Gobbling coming from.

Poromon: Over there!

They saw a family of Wild Turkeys!

May: Whoa a family of Wild Turkeys!

Poliwag: Wow!

Then they came back.

Me: Welcome back.

Gobbling was heard.

Roxy: What did you guys just bring home?

Me: I think them!

We saw a bunch of Turkeys!

Nico: Turkeys!? We've got a while before Thanksgiving!

Brawl: Do they have names?

Poromon: These are Gummer, Bummer and Lummer

Me: Funny.

Fluttershy: They sure are cute. What are you gonna have them here for?

Me: We're not gonna eat them are we?

Poromon: NO! This is for a project to save turkeys.

Prowl: What are you doing, Manaphy?

Manaphy: Getting DNA samples from them. With them, we can make turkeys without killing live ones.

Me: That's... That's brilliant!

Nico: I like it!

Eli: Looks like Turkey's are back on the menu just without blasting them.

Camie: Yeah!

Lola: I like it.

Nautilus Silurian: Manaphy, you being smart honestly scares me.

Lea: Well, that's what she gets for being around Kowalski.

Me: Yeah.

Dan Kuso: J.D. I need your help with something.

Me: What is it?

Dan Kuso: I need you to help me destroy this company.

He pulled out a file and I opened it and it was for Otes and the Goha Corporation.

Me: Otes and the Goha Corporation? They must be who we're going after in the future.

Dan Kuso: That's right.

Dan told us about him.

Otes is the central antagonist of Yu-Gi-Oh! SEVENS and the overarching antagonist of Yu-Gi-Oh! GO RUSH! He is a former employee of Goha Enterprises who became disillusioned with the strict rules the company had imposed upon the game of Duel Monsters, and begain inspiring kids to duel the way the wanted, namely Yuga Ohdo, who would go on to create Rush Dueling.

Little is known of Otes' past before and after he started working for Goha Enterprises, but at some point in his career, he became disillusioned with the strict rules Goha began imposing on the game of Duel Monsters and sought to return the enjoyment of dueling to the people, his most notable act of defiance of the company was when he entered into a Goha dueling tournament making it all the way to the finals before he was disqualified due to being a Goha employee as the tournament rules stated no Goha employees were allowed to participate. As Otes was being escorted off stage, he handed off his Sevens Road Magician card to a young Yuga Ohdo as he and the other kids, including Roa Kassidy, watched on, selecting Yuga to be the next King of Duels.

Otes continues to test Yuga throughout the series. During the Rush Duel Tournament, Otes makes his appearance and after a duel with Yuga, is taken into custody by Goha, however he is somehow able to escape and begins attempting to destroy Rush Duels for an unspecified reason during the final duel of the tournament, however his plan ultimately fails and when confronted refuses to state his reasoning. Eventually Otes is challenged by Yuga Goha and is defeated, with Yuga Goha seemingly erasing his memories, causing the dueling system, updated with Yuga Ohdo's new program of allowing people to make new ways to duel, to neglecting, bringing the server close to ruin, it's then that Otes reveals that he was unaffected by Yuga Goha's mind wipe and faked being affected by it because he sought to destroy all of dueling so he could rebuild it from the ground up, Yuga Ohdo and his friends band together and go into space to confront Otes and his minions, and during the duel Otes is brought to the brink of defeat however, while out of range of the server, Yuga, having given his ID card to Luke Kallister, was now without one, meaning the minute they reentered the server's range, Yuga would lose due to not having an ID Card, but using his super rush robot, sent both Otes and himself into lightspeed.

It is revealed that while Otes' fate is still unknown, his Earthdamar was born as "The Creator" and was sent millions of years in the past. Also, "The Creator" was responsible for the creation of the alien race, Velgearians, with Kuaidul Velgear being the first alien created and to lead the race to never ending conflicts, making Otes indirectly responsible anything his Earthdamar did.

When it was done we were shocked!

Nico: WHOA MAN!

Me: He wants to destroy Duel Monsters and rebuild it from the ground up!?

Nico: WHY THAT LITTLE!?

Me: And Goha Corps wants to make a world without free will?! No way are we letting that happen. But I do have a plan.

Dan Kuso: What is it?

I got to typing.

Me: I'm going to upload a computer virus that is untraceable into Goha's systems and short them all out and then I'm going to send a threatening message under an anonymous codename to them and tell everyone that their rules are a bunch of hobwash and bullshit and that they need to do the things they like doing even if Goha doesn't like them because what they are trying to do is a world without free will.

Dan Kuso: I like it.

Nico: I hope we can get it ready by then.

Me: I already have.

Nico: Wow! That is fast.

Me: Yep. Here we go.

I finished the virus and then started uploaded it.

Me: Upload commencing.

I put on my communication set.

Me: Almost there.

It was fully uploaded.

Me: Upload complete.

Nico: Now what?

Me: Now for this.

I established a communication link.

I had my eyes appear on their screens.

Me: Attention citizens of Goha City, my name is Phoenix Infinity and I am telling you this. Goha Corporation is lying to all of you. You have been cheated, lied too and forced into doing all these things against your will. I am officially declaring war on Goha Corps.

I told them that all their rules are all false and bogus and I told them all about Goha Corps. True intentions and more and how they want to destroy all Duel Monsters and rebuild it there way and how they want to make a world without free will. When the time comes, they will all pay.

Me: And to prove my point.

I pressed a button and fired a missile at one of the Goha Corps. Police buildings and it hit the building and destroyed it and reduced it to rubble!

Me: That was a warning shot. We're coming for you Goha. The phoenix is coming for you to burn you all to ashes.

Then the screen clicked off.

Nico: Whoa!

Horsea: YAY!

Me: We'll find out if my message got through to them later.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Apollo Geist, he's come back from the dead and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Please tell me that wasn't who I think we just saw!

Lincoln: Afraid so, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Apollo Geist, he's come back from the dead and he wants revenge on us.

EVERYONE GASPED!

Tsukasa: What?!

Dina Decade: I can't believe it, that piece of...!

Roxy: That's the last straw, this time, he's going to pay for this. Lincoln, did...?

Lincoln: Yep, this had Anti-Monitor all over it.

Nico: Son of a bitch.

Me: Yep.

Eli: That's it, this time, he dies here and...!

Lincoln: No, Eli, I have a better idea, we're going to send him to The M.O.E., but not before we get through beating him into the dirt and destroy The Monitor Orb embedded in him. Plus, I'd sensed a dark presence around Caleb, and I have a bad feeling it's Alessa Gillespie.

We all sensed it, and Lincoln was right: Alessa Gillespie's back and her dark presence is around Caleb.

Caleb Maxwell: I knew that part would come out, but I got a plan to lure her out and deal some damage to Apollo Geist's grunts.

Me: (GULPS) Okay...!

Nico: Well, whatever it takes to drive Alessa out of you and get her to Vypra.

Lincoln: And I can save you guys the trouble of asking this, Apollo Geist's in Japan.

Me: Where it all began two years ago.

Nico: And where it'll all end. Alright, team, let's go, this is the last time we ever have to deal with Apollo Geist.

Lincoln: He's going down big time, and he's gonna regret coming back.

The previous group came.

Technus: Can me, Kaos, Mr. Fizz, Dr. Viktor, Vypra, Dai Gui, Aqueduct, Evilseed, Six Gum Gang and Mirror Master go with you guys?

Goof: And what was that missile for?

Me: Oh you saw that. Sorry to bring cause for alarm. I fired a missile at one our future targets facility.

Dan Kuso: Let me explain.

Dan told them about it.

Vypra: Oh man! That is terrible! At least you had a plan for it.

Me: Yep. If there's one thing we never accept it's a World Without Free Will.

Nico: And someone trying to destroy one of the greatest card games ever. And also yes you guys can come with.

Dai Gui: All right!

Runabout: Boss, which Gene Slammer do you think you'll meet next.

Dixie: I hope it's powerful

Nico: Joey will like this one next. Flame Swordsman.

Joey Wheeler: All right! Dat will be a good one!

Me: It sure will.

Camie: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Absalom from Darksiders, and he's come here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: Oh no.

Me: Oh crap, Lincoln, who was that?!

Lincoln: Someone I hoped never to see again, the figure we just saw was Absalom from Darksiders, and he's coming here to destroy us.

Yuria Sagiri: Oh crud. That's not good, Absalom, The Avatar of Chaos, was the former leader of the now-late Nephilim from Darksiders and the first of their kind in existence.

Kali Timestream: Lincoln also fought against the enemies of Heaven whenever they arose thanks to a warning from Our Lord, and according to The Keyblade Knights of Hell, The Malefic Sisters, and The Seven Queens of The Netherworld, even Lucifer and the armies of Hell hated him.

Lincoln: I absolutely despised Absalom for what he'd done, same with Lucifer and the armies of Hell. I swore that once Lucifer is destroyed along with his legions, The Keyblade Knights of Hell, The Malefic Sisters, and The Seven Queens of The Netherworld would fulfill their true task, and that is to punish the truly guilty souls and send those who've been wrongfully judged to Heaven.

Me: Whoa.

Nico: So, you also fought against Lucifer and his legions of Fallen Angels and demons, incredible.

Kali Timestream: Yuria, Lincoln, Firaza, Jenny, and I are also going to join in as well. We're not going to let this Nephilim get away with whatever he wants, he must pay for his crimes.

Yuria Sagiri: Of course, Kali.

Lincoln: Sure, you, Firaza, and Jenny can also join in too.

Nico: That monster's gonna pay for what he's done eons ago. Alright, team, let's go, we've got one last final showdown with Apollo Geist.

Lincoln: Only this won't end with him dying once more, but condemned to eternal servitude in The M.O.E., and once we get done with him, you better be prepared for one final battle, Absalom, this shall be our final battle!

Yuria Sagiri: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, Absalom.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to take down Apollo Geist and send him to The Masters of Evil for forced servitude for eternity, and once we get done with him, Lincoln and Yuria Sagiri, along with Kali Timestream, Firaza Diamond, and Jenny Kuradoberi are going to destroy Absalom, the evil Nephilim from Darksiders and Lincoln's going to end his battles against the evil Nephilim once and for all.

We were off to Japan.

We arrived.

Kaos: We're here.

Wilbur: Let's call Zexion.

Me: Good idea.

Zexion came!

Zexion: I'm here.

Me: Cool.

We landed.

Me: (GASP) Whoa guys! Look at this!

We saw THE ENTIRE CITY OF TOKYO TURNED INTO A NATURE CITY PARADISE! There were flowers, everywhere and the entire city was turned into trees and flowers and grass!

Me: WOW!

Camie: Look at the city!

Laney: This is amazing!

Ring Man: What happened here?

Lunk: How should I know?

Me: Amazing! It's all completely one with nature!

Lincoln: And I know what it is. It's the work of Roxy's Akuma, Earth Angel. The Hypothetical Akuma of Roxy an she is an angel of nature and life, plants, flowers and animals. She loves all life and more. She was made because of Valtor destroying her fellow fairies of Earth and vowed to destroy him.

WE GASPED!

Lincoln showed us a sketch and she was an angel with green angel wings and a green dress and blond hair.

Me: Whoa she is beautiful.

Roxy: That is a beautiful Akuma.

Vypra: All because of Valtor?!

Me: Thank goodness we killed that monster.

Camie: No kidding.

Roxy: Yeah no kidding!

Lola: Yeah!

Nico: Lets worry about her later.

Papillon: We'll let her come to us.

Camie: Okay.

Nico: Good idea.

Mr. Fizz: Anyone want some soda?

Me: I am thirsty.

We agreed.

We had some soda.

Me: Ahh. (LOUD BELCH)

Nico: Excuse you.

Aqueduct: I can make a refill happen.

Me: Thanks.

Nico: Man we were here 2 years ago and we destroyed Apollo Geist the first time.

Chop Shop: Those were good times

Me: It sure was fun.

Camie: Yeah.

Lola: That was awesome.

Varie: I agree there.

Vypra: I just can't believe that Opaline came back.

Me: I know. Horrible. After everything she did, that monster just doesn't know how to quit.

Varie: Yeah!

Me: But this time we're ready for her. She won't have 24 bad guys to help her like she did last time.

Mirror Master: No, she won't

Me: Now getting the Guardians of Harmony back from Sunny's world is very critical.

Sunny Starscout: That is for sure.

Camie: I agree.

Lola: We're not going to let her get away with everything she did.

Fluttershy (G5): We defeated her once and we can do so again.

Pinkie Pie (G5): Yeah that party pooper won't get away with it!

Nico: That is for sure!

Me: Without a doubt she'll be back in her castle in the Kamchatka Peninsula.

Elec Man: Let's go after the Akuma

Me: I think she's already coming.

We saw a figure and it was Earth Angel!

Me: Wow!

Roxy: Wow! My Akuma is absolutely beautiful.

Earth Angel: I sure am.

Roxy went up to her.

Roxy: I turned into a force of beauty with the love of nature.

Earth Angel: I know.

Zexion: I agree.

Tammy: Roxy, sis is that you?

Earth Angel: It's still me.

Me: You know your Akuma name reminds me of one of my dad's favorite songs from the 1950's, Earth Angel.

Runt: Mind Calming down?

Earth Angel: I Would but not until Valtor is defeated.

Me: Sorry to disappoint you but I'm afraid that's impossible. Valtor was already killed by us.

Nico: Yeah we already did so.

Me: But I think we have a new target for you to vent on that. The Trix.

Earth Angel: That works. But I would never hurt all those I love in nature.

Fluttershy: You have a love of animals as big as how much I love them.

Me: Aww so adorable.

Nico: Yeah.

Zexion: I guess we have to fight then

Me: Oh I don't think I have it in my heart to hurt an Akuma that loves nature and life.

Earth Angel: I know. But you can fight these.

She made animal clones made of leaves and plants.

Me: That works!

I fired waves of fire and blasted them.

Zexion charged at the clones and blasted them all over.

Earth Angel: My turn.

She summoned wolf plants and they came at us and we blasted them.

Me: Those plant animals are cool.

But then a fairy blast hit the animals.

Me: WHOA!

We saw a Sylveon!

Me: Whoa a Sylveon!

Blot: What's that doing here?

J.D. 2: I think it's one of Dark Gale's work.

Ms. Cheerilee: Let me see here.

She used Telepathy and gasped!

Ms. Cheerilee: Great starflowers! That's my daughter Mana Lilly!

WE GASPED!

Sweetie Belle: Ms. Cheerilee we didn't know you had a daughter.

Apple Bloom: Yeah!

Me: Wow! We'll be right back.

Earth Angel: Okay.

Me and Ms. Cheerilee went to face her.

Ms. Cheerilee: Mana it's me! Mom!

All she did was use Moonblast.

We dodged it.

Me: Whoa! Guess we do this the hard way.

Cheerilee: I agree.

We fired waves of stars and blasted her all over.

I then snapped my fingers and she reverted back and was a girl with dark pink hair, green eyes, pink butterfly wings and had Sylveon on her forehead and had a star with a lilly flower as her cutie mark.

We wrapped her in a blanket.

Mana Lilly: (Groans) What hit me? (See's Cheerilee) Mom? (GASP) MOM!

She hugged her.

Cheerilee: Mana! Thank goodness.

Me: You were turned into a Sylveon by Dark Gale.

Mana Lilly: (GASP) I remember!

She was in a pink suit and was injected and then she turned into butterflies and became SYLVEON! She flew out of there.

FLASHBACK ENDS

Mana Lilly: It was awful. But I do love Sylveon.

Me: It's a pretty Pokemon.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade went and gave her pink clothes and a beautiful magical sword.

Mana Lilly: Wow I look great!

Cheerilee: You sure do honey.

Mana Lilly: I have a lot of catching up to do mom.

Cheerilee: I know. We can talk later

Evilseed: (to Earth Angel) Personally, I love what you've done with the place

Earth Angel: I have that big of a green thumb.

Me: You sure do.

Cheerilee: Lets do it.

Mana Lilly: Just like old times.

Cheerilee and Mana Lilly: NATURE MANA BLAST STORM!

They fired waves of magic and blasted down the rest of her clones.

Me: Yeah!

Earth Angel: Okay I give. I give.

Me: Wow.

Nico: Okay then.

Me: Also Mana we destroyed all of Dark Gale. So they are gone.

Mana Lilly: Thank goodness.

1h agoKevin Levin: Your role in Sonya's team?

1h agoKevin Levin: Your role in Sonya's team?

Mana Lilly: Well I am the mage and elemental fairy of the team. My butterfly wings turn a different color whenever I use a different element. Watch.

She had her wings turn red and fire swirled around her.

Me: WHOA!

Camie: That is an amazing power!

Mana Lilly: Yep.

She had them revert back.

Mana Lilly: Also outside the team I teach in the mystic arts and sometimes help my mom teach in her classes.

Ms. Cheerilee: And I would be honored if you would help me teach in my classes in Ponyville.

Mana Lilly: I would like that mom.

Apple Bloom: That is gonna be so cool Mana!

Scootaloo: It sure is!

Me: Looks like Ms. Cheerilee is gonna be a really fun school now.

Dai Gui: Funny. Usually, we'd have to fight the Akuma directly

Me: Not this time. This is one Akuma that just wants to spread the love of nature and animals with everyone.

Eli: And Earth Day is right around the corner so the timing for that couldn't be better.

Me: I agree! Not for 2 and a half weeks but yeah.

Nico: That is true.

Earth: That is true.

Earth Angel: Yeah. Sorry about not giving you guys a fight but I just don't have it in me to fight those I love as my friends. So I let nature help me on that.

Demolishor: To make up for it, you can help us fight Apollo Geist

Earth Angel: I would like that.

Eli: I sense that he is at the park.

Me: Okay then.

Eli: Lets bring him down!

Nico: Entrance time people!

We went to the park.

At the Park, Apollo Geist was infuriated. But then the Spirits of the Decade Riders came and swirled around him and then converged and then...

KRABBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and a phoenix cry was heard and we landed.

Me: Hello Apollo Geist! Long time no punch!

Apollo Geist: YOU!

Roxy: Remember me jerkface!?

Dr. Viktor: Haven't seen you for 2 years. How've you been?

Apollo Geist: INFURIATED! I WANT TO KILL YOU ALL! YOU HUMILIATED ME!

Nico: You brought that on yourself.

Me: You've got some goddamn nerve showing up once again, Apollo Geist.

Nico: Showing up again after we destroyed you two years ago, you just don't know when to quit, do you?!

Roxy: And Anti-Monitor has some nerve bringing you back from the dead to destroy us once more, and for that, we're taking you down once and for all.

Apollo Geist: We'll see about that!

Suddenly, the grunts and footsoldiers of the Showa and Heisei eras of Kamen Rider appeared and they all came after us.

Caleb Maxwell: Fools.

Suddenly, Caleb Maxwell loosened his grip on his twin guns and they dropped down and were left suspended almost touching the ground. Then, he clenched his hands real tight, and we thought we saw blood coming out, but no, what we saw was pure darkness coming out and forming an ink black pool behind him, and the rest of us flew into the air.

SILENT HILL 2006 MOVIE OST: EVIL AWAKENS

Apollo Geist: What is this?

Suddenly, the ink black pool of darkness began acting up as we felt a dark force awakening from within the pool of darkness.

Caleb Maxwell: Your fate is sealed, Apollo Geist, now you're about to face the manifestation of all your worst nightmares come to life.

Then, we saw strands of barbed wire emerge from the pool of darkness, and then, finally, a hospital bed suspended by a tornado of barbed wire emerged and the bed tilted and faced Apollo Geist, and he saw a girl with fourth-degree burns on her skin lying in it: that figure was the burned adult body of Alessa Gillespie.

Then, as Caleb Maxwell walked to the side, he then nodded to the burned Alessa Gillespie who then proceeded to lash out at the grunts and footsoldiers of the Showa and Heisei eras of Kamen Rider as the ropes of barbed wire wrapped around their necks and strangled many them, and then, more of them went at another grunt and restrained its arms and lifted him up into the air.

Nico: Oh crap, what did he just unleash?!

Suddenly, we saw someone climb up the ladder, it was Alessa Gillespie, the dark embodiment of the desire for revenge Alessa had harbored due to the abuse she suffered. Then, she only watched as the grunt was torn to shreds along with the others as she danced as their blood fell down unto her. Then, she vanished to The M.O.E. as the burned adult body of Alessa Gillespie finally vanished from this world and the portal to The Otherworld closed forever and we descended to spot a horrified Apollo Geist.

Apollo Geist: (To Caleb Maxwell) Y-you! Wh-What are you?!

Suddenly, Caleb Maxwell's twin guns returned to his hands as we landed.

Lincoln: I can't believe what Caleb did, he just scared the daylights out of Apollo Geist!

Nico: And he had a run-in with Alessa Gillespie too, damn.

Me: Talk about scary to the extreme.

Nico: (GULP) No kidding!

Qin: Yeah!

Me: But that aside, lets start kicking your ass!

Plug Man: Let's do it!

Kamen Ride: Den O!

Daiki summoned clones of the Den-O riders!

Tsukasa donned Den-O armor!

Me: YEAH!

I punched Apollo Geist in the face and slashed him with my sword.

Mr. Fizz: Have some soda. It's on me!

He fired soda and blasted him.

Apollo Geist then threw up!

Mr. Fizz: That is my Suction Eel flavor soda! And it is more disgusting in sound than taste. Or is that the other way around?

Nico: It'll come to you.

Me: YUCK! That must taste worse than puke!

Celebi charged at him and blasted him with energy and leaves.

Kaos, Mr. Fizz, Technus, Dr. Viktor, Vypra, Dai Gui, Aqueduct, Evilseed, Six Gum Gang and Mirror Master blasted and smashed and pulverized him all over.

Kaos and Witchmon: 10 ELEMENTS MAGIC BLAST!

Mr. Fizz and Galacticmon: GALAXY SODA BLAST!

Technus and Jazardmon: TECHNO CYBER BLAST!

Dr. Viktor and Blastmon: VIOLET LIGHTNING THUNDERSTRIKE!

Vypra and Jokermon: MISCHIEF DEMON BLAST!

Dai Gui and Groundramon: EARTH SMASHING BASHER!

Aqueduct and Kazuchimon: AQUA WATER STRIKE!

Evilseed and Toropiamon: TROPICAL MAYHEM BLAST!

Mirror Master and Quantumon: QUANTUM MIRROR BLAST!

They fired massive blasts of energy and elements and smashed Apollo Geist down.

A figure came out and it was Funjim the Dung Beetle Bugnarak from episode 3 of King Ohgers!

In an underground base, Funjim steps forwards and volunteers to ruin Earth with his filth, so the Bug Naraku decides to attack Ishabana next. Later, Funjim became a giant and launches dirty blasts over the kingdoms, while the Sanagims are attacking its people. Gira and Yanma process to transform and engage the enemies. When the disabled girl was about to be hit by Funjim's blast, Himeno steps in and protects her, causing her beautiful dress to be soiled. Himeno tells the girl that a dress can be replaced but a life cannot, encouraging her to believe in herself and stand up as she knows her treatment had fully healed the girl. She then transforms into Kamakiri Ohger and asks Gira to use God Kamakiri to protect her kingdom, which is the reason she wanted it in the first place. They combine the Shugods into King-Ohger and battle Funjim. However, the monster's armor is too hard to slash through, so Kamakiri Ohger asks for the help of a nearby Guardian Snail, which becomes a Gatling for Snail King-Ohger. Under the Yellow Ranger's control, King-Ohger sprays bullets at Funjim, carving its giant dung ball into a flower sculpture. The Kaijim jumps into the sky, but Kamakiri Ohger uses King-Ohger to perform a finisher kick and destroys it for good.

Me: Funjim! I remember you! You attacked Chikyu by covering all the world with your filth!

But, when all was said and done, what little did you achieve through your actions. You walk the path of a coward always creeping your way through the darkness. That's a path that all villains like you have taken, and it's one that'll follow you into death. Yuria Sagiri: It's over for you, Absalom, now rot in The Black Abyss forever.

Kali Timestream: Along with the rest of your fallen Nephilim brethren.

Firaza Diamond: This is for what you tried to do in corrupting all of Creation.

Jenny Kuradoberi: And for the suffering of many innocent souls over the eons. Lincoln, you already know where Abaddon is at?

Lincoln: Yes, and I know he's going to try and launch an attack against Heaven. Looks like I know what I'm doing on my rescue tomorrow: tomorrow is a battle to save Heaven and Earth from the wrath of the fallen Archangel, Abaddon.

Me: Oh man, this is really serious. We'll be ready for tomorrow. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Mellow Madonna appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Michelle Balthazar, Gene-Slammer and Avatar of Abyss Actor - Mellow Madonna.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Michelle Balthazar, Gene-Slammer and Avatar of Abyss Actor - Mellow Madonna, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Michelle Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Michelle Balthazar really hates that music hating jerk, Doug, with a blazing passion, and she also knew how to bring down the actions of that stupid jerk, and all it took was one planned out performance from Michelle, and not only was Doug done for, but he always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he winds up going back to jail.

Nico: Serves him right.

Me: We've seen what she and Lincoln had done in really humiliating that jerk.

Lincoln: And she directed the payback plays we'd done to my enemies including the five mean sisters.

Gearhead: Like Zexion said, Apollo Geist isn't worth killing anymore.

Molten Man: We'll make sure he behaves

Me: Great.

Trickster: There are a lot more dangerous enemies then him anyway.

Me: I agree.

Cad Bane: How should we celebrate?

Vortex: At a nearby resutaurant.

Nico: Good idea! Great job today everyone.

Lola: That was fun.

Roxy: It sure was. (To the viewers) That was a fun adventure.

We went to a good restaurant and it was fun. We later went back home.

Soon, night fell on the city, and Lincoln was looking out into the sky.

Lincoln: Abaddon, I swear I will never allow you to get away with trying to conquer Heaven, you were cast out of Heaven thanks to your reprehensible plan to trigger The End War early by breaking six of The Seven Seals of The Apocalypse not knowing that you were only being used as a pawn by Lilith in her own scheme to bring Earth to its knees and destroy humanity. Because of it, you've condemned yourself to eternal damnation and disgraced Heaven's honor. I will not show any mercy towards you any longer, Abaddon, tomorrow, you will be permanently destroyed forever, and I will make sure you never return, betrayer of Heaven.

Lincoln went to his room, but he made his declaration known: tomorrow on his rescue, the battle's on and Abaddon will pay for betraying Heaven.

We went to sleep

REIGN STORM 2

This Chapter is a sequel to the episode of Danny Phantom, Reign Storm

---

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him to Heaven.

Lincoln: I'm here in Heaven. But, why?

Suddenly, he saw something appear in front of him: it was a sword that had an incredible heavenly power surrounding it, and he saw the image of The Seven Seals above it, and Lincoln recognized the sword.

Lincoln: The Armageddon Blade. This is no doubt linked to what's about to happen on my rescue later on today.

?: That is correct.

Suddenly, Lincoln saw two figures appear to him, the first was Azrael from Darksiders and the second was the Horseman, War.

Lincoln: Azrael, Angel of Death, and War, Horseman of The Apocalypse.

Azrael: It has been a while, Lincoln Loud. Forgive us for the sudden arrival, I'm sure you're aware of Abaddon's return.

Lincoln: Yes, it was due to the fight we had yesterday against Absalom, and there is no doubt that he is planning to fulfill his original plan to storm The White Gates. If Uriel leads The Hellguard against him, she will no doubt fail.

War: Yes, she was made aware of his return and of what I told her about The Destroyer's true identity long ago. Azrael has given you

The Armageddon Blade for one reason: to end Abaddon forever, but first, there is something you must do.

War presented The Seventh Seal still unbroken to Lincoln who picks up The Armageddon Blade.

Azrael: Abaddon broke six of the Seven Seals, but he intended to guard The Seventh Seal, however, thanks to the interference by an unknown force, The Seventh Seal was given to me to protect and got myself and the Horseman to safety.

Lincoln: I cannot forgive Abaddon for what he did, he turned his back against Our Lord, broke six of The Seven Seals and triggered The End War too early, and it led to The Kingdom of Man being lost and Earth falling under Hell's grasp, and he was turned into The Enemy of All Creation, he must pay for his crimes.

Then, Lincoln thrusts The Armageddon Blade down upon The Seventh Seal, and that led to War regaining his full powers and strength and it also forced out The Watcher. But, before he could do anything, War crushed his skull.

War: You've done well, and because of what you did in breaking The Seventh Seal, not only have I regained my full powers and strength, but you've also summoned Strife, Fury, and Death as well, and there is something else that you should know: The Charred Council knew of Abaddon's conspiracy, and they sent me to Earth and framed me for the premature Apocalypse.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and then, his deep sapphire blue eyes and his Third Eye's iris changed from deep sapphire blue and rainbow colors to heavenly golden yellow as a massive and powerful divine force coming from him as heavenly lights shined down from Heaven and the angels and the Archangels of Heaven descended.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) I know, Horseman. The Charred Council has completely forgotten the original task they were bound to eons ago and they've used Abaddon's conspiracy to pursue their own goals by using this fix of disloyalty to The Pact as a means of pushing greater sources of intrigue against all whom they'd deemed a threat, such as Humanity, whom they knew would one day become the concept they've pretended to uphold. This is indeed inexcusable, I cannot forgive them for this act of betrayal.

Azrael: What do you intend to do, My Lord?

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) What should've been done eons ago.

Suddenly, the golden yellow iris of Lincoln's eyes and Third Eye glowed, and his fury had reached The Charred Council, and suddenly, The Charred Council screamed in pain as their Immense Power and Powerful Magic was sucked out of them and was given to Lincoln, and Lincoln even siphoned the energy of the souls of The Charred Council before God wiped them out forever.

War: The Council's gone, I no longer feel their presence.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) They can no longer abuse their authority as Balance Guardians, and there will no doubt be a restructuring in order to keep an eye on those such as Abaddon and The Council.

Azrael: I understand, My Lord.

Suddenly, the heavenly golden yellow iris of Lincoln's Third Eye and eyes changed back to deep sapphire blue and rainbow colors. Suddenly, Lincoln woke up, but so did his harem and kids, and he also saw he had The Armageddon Blade in hand.

Lily the Mermaid: Linky, what is it?

Lincoln explained everything, and his Guardian Angels gasped.

Selene Arcangela: Oh shit, Lincoln, so you now have The Armageddon Blade given to you by Azrael and you also broke The Seventh Seal which also gave War back his full powers and strength and also summoned the other Horsemen who also gained their full powers and strength back.

Lincoln: And what I also did in sucking out The Charred Council's immense power and powerful magic and siphoned the energy of their souls and banished them all to The Black Abyss. But, Our Lord had meant what he said, there's going to be a restructuring so that individuals like them and Abaddon never rise to disrupt the balance again.

Selene Emperyous: And that'll be for after we deal with Abaddon.

Lincoln: And end his plans to conquer Heaven.

Lincoln holstered The Armageddon Blade and he and his harem went back to sleep, but now, he knew what needed to be done: Abaddon will pay for what he's done, his conspiracy led to the destruction of The Kingdom of Man and Earth fell under Hell's hands, and he must pay the price for this betrayal.

Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You bet. Guys, there's something I need to tell you and it pertains to my rescue later on today: last night, my dream took me to Heaven.

Lincoln explained everything to us and when he was done and he showed us The Armageddon Blade, we were stunned.

Nicole: I can't believe it, The Charred Council knew of Abaddon's conspiracy, and yet, they chose to send War to Earth and frame him for the premature Apocalypse and they wanted to destroy Humanity because they viewed it as a threat too?! Those betrayers.

Lincoln: I know, and Our Lord decided on their punishment: I sucked out their Immense Power and Powerful Magic and made them my own along with draining the energy from them before God had destroyed them forever, and I also broke The Seventh Seal and War not only regained his full powers and strength, but that also summoned the other Horsemen, Fury, Strife, and Death who also regained their full powers and strength. They're going to take the fight to Hell's legions along with the armies of The Council and Abaddon's demon army.

Nico: That's some brutal punishment. But, well deserved, any who take advantage of their position of power like them and Abaddon deserve the worst kind of punishment.

Me: That's for sure.

Suddenly, The Fire Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Eruptor: Ooh, The Fire Symbol's glowing.

Crash Bandicoot: Yep.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Fire Realm to find The Fire Sword of The Skylanders.

Nico: Awesome.

Sunset Shimmer: This is gonna be good.

Just then, Sly Cooper came in.

Sly Cooper: And we just got some bad news, LeParadox has escaped from The Uranus Prison.

WE GASPED!

Me: That son of a bitch!

Lincoln: I can't believe it. How did LeParadox escape from The Uranus Prison?

Inspector Fox: Turns out he'd sprayed the guards, grabbed the keys, and escaped.

Nico: That disgusting repulsive jerk. Well, that's it for him!

Connor Cooper: For sure, I've had enough of LeParadox and his accursed family.

Marie Cooper: Same here.

Henriette "One-Eye" Cooper, Bob Cooper, Slytunkhamen Cooper I, Slytunkhamen Cooper II, Salim al-Kupar, Sir Galleth Cooper, Slaigh MacCooper, Rioichi Cooper, "Tennessee Kid" Cooper, Thaddeus Winslow Cooper III, and Otto van Cooper also agreed.

Rioichi Cooper: He deserves to die here and now, but I'm also concerned if Abaddon had also sent some of his men to help LeParadox.

Lincoln: (Sensed it) No, he didn't, but LeParadox has hired some thugs to help him get revenge on us and all of you as well, Rioichi.

Sly Cooper: Those thugs once had loyalties to Sergio, but after what you did showing them the clip of Sergio's double-cross, Lincoln.

Inspector Fox: They dropped him like a hot potato.

Bentley: And joined LeParadox.

Murray: He ain't getting away with this.

Neyla: That's for sure.

Arpeggio: This time, he will die.

Dimitri: This is gonna be one explosive finale for him, baby.

Contessa: That monster will pay for this.

Panda King: His dishonorable family shall pay for all of their crimes.

Penelope: And he made a bad move in going to The Sensei Fire Realm, it's gonna be his final resting place.

Rajan: The perfect place for someone like him.

Lincoln: You said a mouthful, now let's finish breakfast and head out to The Sensei Fire Realm.

Nico: Right.

Danny Phantom woke up and saw Gastly starring at him

Gastly: Morning Danny.

Danny Phantom: Morning Gastly.

Gastly: Time for breakfast.

He went and got dressed and went and piled on the steaks and protein as we were having, steak, sausages and more.

We then finished our breakfast, and we set out to The Sensei Fire Realm, so Sunset Shimmer can remove The Sword of The Fire Skylanders and there, we'll get rid of Cyrille LeParadox for good.

Later it was time for the next rescue and Nico, Princess Neri, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Tara Duncan, Cal, Sparrow, Woz, Bai Tza, Sabrina Lorelai the Despair from The Dark Gene-Slammer, Albedo, The 1983 D&D Gang, Donbrothers, Irina Krafla the Granity Gene-slammer, Kora Lexxington, Olivia Houou, Nataša Marečková, Nalanie Nanthavong The Vorash Gene-Slammer, Brynja, Sissi Delmas, Anna Anyanova the Destiny HERO Dark Angel Gene-slammer, Daring Do, Lizzie Strong the Great Blue Windrunner Gene-slammer, Emam Reynolds the Living Tsunami Gene-slammer, Wendy Sapphira, Reggie Hjorleifsstræti the Five Headed Dragon Gene-Slammer, Qin, Miku Yuuki, Princess Anita, Granity, Rei Miyamoto, Saya Tekagi, Saeko Busujima, Shizuka Marimoto, Kamen Rider (1971), Hibiki Riders, Agito Riders, Kabuto Riders, Den-O, Kiva, Decade, W, OOO, Fourze, Wizard Riders, Blade Riders, Faiz Riders, Gaim Riders, Drive Riders, Ghost Riders, Ex-Aid Riders, Build Riders, Zi-O Riders, Zero-One Riders, Saber Riders, Dragon Knight Riders, Granity, Samurai Jack, Ashi and her sisters, Changeman, Jetman, Dairangers, Zenkaigers, Chloe Bourgeois, Shanan, Rita Loud, The Goths of Darkness, Zarya Moonwolf, Applejack, Apple Bloom, Twilight Sparkle & Friends, Sunny Starscout, Izzy Moonbow, Hitch Trailblazer, Pipp Petals, Zipp Storm, Misty Brightdawn, Wallflower Blush, Alice Kingsleigh, Rachel Stavenport, Kate Lloyd, Carol Pusateri, Hailey Helios, Kia, Jenna, Lina, May, Maria, Danica Metrois, Kaalia of The Vast, Varie, Sakura Valencia, Xenia the Xerneas, Bhavna Radhakrishnan the Xerneas Gene-Slammer, Bridgette, Eli, me, Sakura Knudson, Arrietty, Aylene Carter, Gabrielle, Littlefoot and friends, Fu, Nicole Knudson, Spiderman and his counterparts, Kaina Tsutsumi, Nick Logan, Sh'Lainn Blaze, Camie, Kaoruku Awata, Himiko, Ibara, Toru, Sirius, Tsuyu, Ochaco, Luz, Amity, Gus, Willow, Hunter, Felicia Wittebane, Carly Atlas, Misty Tredwell, Zuria, Tony Jones, Edyn, Strag, Momo, Eowyn Rosato Wingfeather, Girl Jordan, Leeli, Sora Phaaze, Venus, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Janeen Aran, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily as well as Eye Monster (Powerpuff Girls), Brobajell, King Boo, Gory Fangtell, General Monster and Hundred Eye Hag as well as Eye Guy, Eye Brawl, Eye Scream, Eye Five, Eye Small and Breeze were in the Fire Sensei Realm. WHEW! And man was it hot!

Me: WHOA! The Fire Sensei Realm is VERY hot!

Xenia: It's a Volcano Realm. Really fitting for fire masters.

Camie: Yeah.

Sunburn: Yeah it's part of what we like as Fire Skylanders.

Princess Neri: It sure is awesome though.

Varie: I agree.

Maria: I got plenty of water for us.

Eli: Awesome!

Nico: Eye Guy, I want to thank you, Eye Monster and your teams coming with us.

Eye Guy: No problem Nico. This is gonna be really cool.

Me: Yeah.

Eye Brawl: (Transylvanian Accent) It will be fun and cool.

Me: I agree.

Nico: Eye Brawl, what do you like to do in your free time?

Eye Brawl: Oh I work on making sure graveyards are safe from graverobbers.

Camie: Interesting.

Lucy Loud: There have been reports of graverobbers in the area and Eye Brawl is working to stop them.

Nico: I see.

Juran: Who would rob graves?

Me: Pretty much anyone who wants to get their hands on some loot. And willing to defile graves to get it.

Camie: Yeah.

Eye Brawl: That is true. I am not going to let anyone defile the dead.

Qin: I agree there.

Nico: True. Wow! Yesterday was awesome.

Me: It sure was. Wow! Roxy did great.

Eli: She sure did.

Nico: Her Akuma was very friendly.

Me: No kidding. Earth Angel was really pretty too.

Camie: Just wanted to bring some nature and life to the city.

Tsukasa: She sure did. That was fun.

Lola: I agree there.

Qin: Yeah.

Me: At least Sam didn't sneeze up a storm.

Nico: Because of her allergies, right?

Me: Yeah.

Eli: That is not fun though.

Me: Yeah.

Nico: I agree.

Qin: Yeah.

Nico: It sure is hot here

Me: Whew! You're not kidding.

Lincoln: Okay, guys, we're in for a really magical battle, we're here in The Sensei Fire Realm in The Skylands, and we're here to get The Sword of The Fire Skylanders for Sunset Shimmer, but we're also here to destroy LeParadox.

The rest of the team is with us.

Nico: We're no doubt going to make LeParadox pay.

Crash Bandicoot: And he's not guarding The Sword of The Fire Skylanders, but the smelly fumes of his tail are causing him to be burned badly. Take a look.

Crash Bandicoot made a vision orb, and we saw it: LeParadox is getting burned badly thanks to the smelly fumes of his tail.

Me: Ouch.

Nico: Jeez, that's got to hurt. By the way, where's that monstrous terror, Sebastian, at? He better not be plotting anything, or I swear, he's going straight to the pigsty, cleansed of darkness or not!

Eli: Yikes!

May kissed Nico on the lips to cool him down.

May: It's okay, Nico. The Mascots created blood clones and they're keeping an eye on that lunatic.

May showed us that The Mascots created clones of themselves and they're keeping an eye on Sebastian who's still in the dungeon.

Caleb Maxwell: Good thinking on their part.

Poromon: It's better that we keep an eye on him than you, Caleb, because you still despise him for what he did to you.

Caleb Maxwell: Can't argue with that one.

Sly Cooper: Guys, let me, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, and Inspector Fox take on LeParadox first after Sunset gets The Sword of The Fire Skylanders, if you ask me, it's time for us to show him that what goes around comes around and actions have consequences.

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears LeParadox has sent some hired thugs to kill us.

Lincoln: Figures. Guys, LeParadox has sent some hired thugs to kill us.

Me: That moron.

Nico: Either that, or they're running away because they can't stand his unbearable stench.

Lincoln: Like they're any better, those thugs haven't heard of a shower and they're the same thugs Sergio always hired to kill us.

Sly Cooper: Either way, those guys have got to go now.

Crash Bandicoot: That's for sure.

Ed Cowart: LeParadox has lived for too long.

Lori: This time, there's no holding back.

Lincoln: Yep, today shall be the end of that bastard.

Camie: Yeah! Wait who is Cyrille LeParadox again?

Me: He's an anthropomorphic skunk and his stench is just as bad as his attitude.

I went over his history and it was HORRIBLE!

Cyrille Le Paradox (known in promotional materials as The Collector) is the main antagonist of Sly Cooper: Thieves in Time. He is an French striped skunk who despises the Cooper family and tries to exact vengeance upon them by traveling back to different periods in time in order to gather the canes of various Cooper ancestors.

He was voiced by Nolan North, who also voiced El Jefe in the same game, Penguin in the Batman Arkhamverse series and Brad Chiles as a teenager in Scooby-Doo! Mystery Incorporated.

Like Sly, Le Paradox descends from a family of thieves and also particularly tried to follow in his thieving father's footsteps. His father attempted to steal a massive diamond during a major heist, and frame Sly Cooper's father for the crime. However, Sly's father beat him to the punch and Le Paradox's father went to jail instead. In the meantime, Le Paradox attempted to engage in thieving himself, but with no one to teach him the family business, was immediately arrested after a string of failed jobs. Ironically, it was in prison where he developed the skills of manipulation and bribery that would lead to his rebuilding himself. After his release, he gradually influenced his way into becoming an art thief with his prison connections. Putting together a crime syndicate centered around the smuggling of priceless stolen treasures, and masterminding heists worldwide. All the while maintaining the image of a well-refined rich art collector.

In the beginning of Sly 4, Sly investigates into Le Paradox's art theft activities and arranges to pull a heist. When Bentley approaches Sly about the disappearing passages of the Thievius Raccoonus, the Gang arranges to steal a Feudal Japanese sword from Le Paradox's art museum to power the time machine.

Throughout the game, Le Paradox hires five individuals to steal the selected Cooper ancestor canes for his purposes while piloting his massive time-traveling blimp: Cuban Warlord El Jefe, European Gangster Toothpick, Famous Art Thief The Grizz, Bentley's girlfriend Penelope, and British hypnotist Ms. Decibel. Initially, he does not appear (aside from brief silhouettes) and instead has his gas mask-wearing rat minions attack and retrieve the respective items.

In the fifth chapter 40 Thieves, Le Paradox fully physically appears alongside Miss Decibel to check up on her process. He arranges for her to produce fake documentation from the Ancient Arabian era in order to create a faux royal lineage to further boost Le Paradox's image, wealth and status. He defeats Sly's ancestor of the era, Salim Al Kupar (who had grown old), and takes his cane for himself, while leaving Miss Decibel to be arrested. He declares he will return to Paris in the present day in order to establish his "lineage" with Carmelita as a hostage.

In the final level of present-day Paris, Le Paradox seems to have succeeded, as banners of him are seen all over town and a sculpture of his head adorns the Eiffel Tower. Sly and the Gang, now accompanied by Sly's five ancestors, make their way into Le Paradox's blimp and retrieve the ancestors' canes, thus repairing the time anomalies caused by Le Paradox's theft of their respective weapons and returning them to their time periods. Before returning to his time period, "Tennessee Kid" Cooper shoots Sly and Carmelita free from the glass chamber Le Paradox used to imprison them. However, Le Paradox opens a time portal in the process, causing the blimp to tear apart.

Sly moves to confront Le Paradox and the blimp breaks apart. During the fight, Le Paradox declares his intent was to triumph over the Coopers as the best thief in the world, believing he proved himself superior to the Cooper Clan by robbing them of their canes. Sly informs him that his egotistic actions have actually cost him everything, because by traveling back in time to rob the Cooper Clan, he also blew his own cover as an art dealer and exposed his black-market operation to the police. Moreover, Le Paradox can't truly take credit for the thefts because he never actually stole any of the canes himself, but he just paid other people to do the jobs for him. Realizing Sly was correct, he expressed anger at not thinking his plan out.

The two of them continue to fight until Sly triumphs, leaving Le Paradox to hang over the edge and beg Sly to help him. The skunk steals Sly's parachute and jumps overboard when he is hit by an airplane and falls into the River Seine. But Le Paradox survived, as he received a life sentence and was locked away in an odor-proof cell.

When it was done everyone that hadn't heard about it was shocked!

Nico: (GROWLS) Man what a jerk!

Qin: Yeah! We had to learn the hard way not to mess with time travel.

Camie: No kidding!

Lola: That is for sure.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for LeParadox) AHA! There you are, you varmint! I just spotted LeParadox, he's 25 yards away, but he's unaware of anything. Let's get to the pedestal where The Sword of The Fire Skylanders is at.

Sly Cooper: And tear LeParadox to shreds.

Julie heard a Pokemon cry

Julie: Look guys!

We saw an Exeggcute!

Me: Whoa an Exeggcute.

Nico: Eggs-citing

Exeggcute: (LAUGHS) That was funny.

Julie: You guys hungry?

She gave it food.

Exeggcute: Thank you.

Julie: You're welcome. Wanna come with us?

Exeggcute: Sure!

Me: Cool!

But then...

POP!

Nico's pants were pulled down and something gave him an atomic wedgie!

HOING! SNAP!

Me: WHOA!

Nico: HEY!

Ed drooled at the sight of Exeggcute

Edd: Ed?

Ed: Aww I love chickens Double D.

Me: Besides these are not chicken eggs Ed.

Nico got himself back together.

Nico: OKAY WHO'S THE WISEASS!?

Lucy Loud: GASP! I think that is.

We saw a Gengar! And it was laughing at Nico.

Me: Whoa a Gengar!

Eddy: Ed's probably wanting to eat the Exeggcute because they look like eggs

Eli: Maybe.

Me: Focus guys!

Eli: Oh right. But what is a Gengar doing here?

Nico: Pull my pants and give me a wedgie will ya!?

Maria: Calm down Nico. Who is this?

J.D. 2: It must be one of Dark Gale's work.

Wednesday Addams: I think I know.

She used telepathy.

Wednesday Addams: It's our defender Cora Will-O-The-Wisp Addams.

Lola: One of your cousins?

Wednesday Addams: It sure is and she is also the younger twin sister of Willa Wispral.

Hundred Eyes Hag: Oh yeah she joined the M.O.E. A while back. That is awesome.

Me: Wow! Lets go help her Wednesday.

We went over to her.

Wednesday Addams: Cora it's me Wednesday.

All she did was fire a Shadow Ball and I grabbed it and threw it back at her and it hit her.

Me: Okay then.

Me and Wednesday fired waves of darkness and smashed her.

Me: Time for some darkness.

I fired waves of darkness and blasted her. Then I snapped my fingers and she reverted back and was a girl with black hair, purple eyes and black angel wings and had Gengar in the middle of her forehead and had a black and blue version of Willa Wispral's moon and fire cutie mark on her arm. We wrapped her in a blanket and brought her over.

Me: There.

Nico: Nice.

She woke up

Cora Will-O-The-Wisp Addams: (Groans)

Wednesday Addams: Cora?

Cora Will-O-The-Wisp Addams: Wednesday? (GASP) Wednesday!

She hugged her

Cora Will-O-The-Wisp Addams: Wow why is it so hot?

Me: You are in the Fire Sensei Realm in Skylands. It's a Volcano zone..

Camie: Yeah.

Me: You were turned into a Gengar by Dark Gale.

Cora Will-O-The-Wisp Addams: (GASP) I remember!

She was dressed in a dark purple suit and was injected and turned into a Gengar! She busted out and blasted out of the lair and ran.

FLASHBACK ENDS

Cora Will-O-The-Wisp Addams: It was awful.

Me: Well you don't have to worry about Dark Gale anymore. We destroyed them.

Cora Will-O-The-Wisp Addams: I'm glad. Aunt Morticia, Uncle Gomez, I'm sorry I couldn't be there to protect you guys.

Gomez: It's all right Cora.

Morticia: We're okay though thanks to J.D.

Cora Will-O-The-Wisp Addams: Good. I protect my family from our enemies and those that want to kill us.

Me: You mean the angry mobs and all those after the Addams Family Fortune?

Cora Will-O-The-Wisp Addams: Yep.

Me: Yeah we know that feeling.

Nico: Your role in Sonya's team?

Cora Will-O-The-Wisp Addams: Well I am the shadow mage of the team and I use dark magic and shadows and darkness to bring down our enemies.

Me: Wow!

Brittney: That is amazing.

Cora Will-O-The-Wisp Addams: Yeah and outside the team I am as I said, the protector of my family.

Me: Wow.

Horsea: You don't have to worry about the angry mobs anymore

Me: That's right.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her awesome new black clothes and a darkness sword.

Cora Will-O-The-Wisp Addams: I look great!

Nico: Yeah you do.

Ed was still drooling over Exeggcute

Edd: Ed control yourself.

Eddy: Yeah lumpy.

Julie: I'm sorry about Ed

Exeggcute: No worries.

We then took off into the air to help Sunset Shimmer get The Sword of The Fire Skylanders and send LeParadox to The Black Abyss forever.

We were flying in the air, and we saw our target: The Sword of The Fire Skylanders, it's an orange sword with the symbol of The Fire Skylanders embedded in the hilt and a blade with reflecting fire inside it.

Lincoln: There it is.

We landed, and Sunset Shimmer removed The Sword of The Fire Skylanders from its pedestal, and a red and orange light shot out of the sword and it landed, and what stood in its place was a girl with red hair, red eyes, massive angel wings with fire reflecting off them, red and orange clothes, she has the Fire Skylander symbol on her forehead, right arm, and red skirt, a Fire Elemental Necklace and a Fire Elemental Sword with the symbol of The Fire Skylanders embedded in the hilt and a blade with reflecting fire inside it.

Lincoln: (GASPS) Pyra Sunset, Avatar of The Fire Skylanders.

Crash Bandicoot: The Second-In-Command of The Avatars of The

Skylander Elements and Governor of Fire, I knew that was her.

Nico: Whoa, fiery!

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Pyra Sunset, Avatar of The Fire Skylanders, she's Lincoln's Guardian Angels from The Fire Sensei Realm and she's the Avatar and Embodiment of all the Fire Skylanders and a master of fire, flames, and lava. She's the 2nd-In-Command of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of fire, flames, and lava, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful fire greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a fiery vengeance.

Crash Bandicoot: I'd seen her use the powers of fire, flames, and lava, and heck, her powers were a lot stronger than Lola's especially when she tried to burn Lincoln, big mistake since he absorbed the fires and it made him stronger. But, when we went after Revolta a few years ago, how did he get burned like that?

Anna Anyanova: This might be how.

Anna Anyanova showed us a chip.

Anna Anyanova: This is the last Power Weakening Chip Lisa put in him, and Lincoln's transformations in the past destroyed all of them, but not the last one because we couldn't find it.

Me: Where did you find it?

Lincoln had an embarrassed blush on his face.

Nico: Oh shit, Lincoln, don't tell me...!

Lincoln: Yep, she placed it on my crotch area.

Nico: Lisa, why you little...!

Eman Reynolds: But, Anna removed it a year ago, and now...!

Anna Anyanova: Yep, now all of Lincoln's powers that he'd learned and mastered in the past have all finally returned to absolute full strength.

Suddenly, Lincoln's rainbow, white, golden yellow, and blue energy aura flared up extremely and he was now even more stronger and more powerful than ever!

Me: HOLY SHIT!

Nico: Damn, now that's powerful!

Lincoln: Alright, now let's go tear that excuse for a thief to little tiny shreds!

Sly Cooper: That's what I want to hear. Time to give that bastard the beating of his life and send him straight to The Black Abyss forever.

Sunset Shimmer: What that excuse for a thief has done in his jealous hatred can never be forgiven, this is where he dies once and for all, and there's no doubt we'll be running into another of your cousins, Sly.

Selena Sly Cooper: Now, you're catching on, Sunset, whenever there are criminals, one of us will appear and swipe their loot. I wonder what the thugs will have this time.

Lincoln: Who knows, Selena.

Sly Cooper: I know my cousins all too well, and they always know what to find when robbing their targets. Now, let's go find LeParadox, so I can show him that I'm not the same as I was long ago.

We then took off to find LeParadox and bring an end to him forever.

We were flying in the air, and there we saw our main target: Cyrille LeParadox, the excuse for a thief and convicted criminal, and he was raging in anger.

LeParadox: Damn that Sly Cooper and his entire family. Well, once I have that sword in my hands, I will exact my revenge on them!

?: Oh, shut it already, you good-for-nothing excuse for a thief.

Suddenly, the spirits of The Cooper Clan through the ages appeared from nowhere and they attacked LeParadox with unbelievable fury, and then, the spirits converged, and then, a massive tornado of energy erupted with the Cooper Clan Insignia on it and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, Sly Cooper, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Neyla, Contessa, Rajan, and Jean Bison appeared along with us.

LeParadox: So, you're all here, now I can get my revenge on you all!

Sly Cooper: In your dreams, LeParadox. (Smirks) Oh, and I also have a few old friends who want to say hello to you.

Suddenly, LeParadox saw Connor Cooper and Marie Cooper, but then, he also saw Henriette "One-Eye" Cooper, Bob Cooper, Slytunkhamen Cooper I, Slytunkhamen Cooper II, Salim al-Kupar, Sir Galleth Cooper, Slaigh MacCooper, Rioichi Cooper, "Tennessee Kid" Cooper, Thaddeus Winslow Cooper III, and Otto van Cooper, and when he did, his blood really ran cold!

LeParadox: WHAT THE?! Connor and Marie Cooper?! Along with the ancestors of The Cooper Clan, but that's impossible!

Marie Cooper: No, it's not, and I was in an hibernation chamber years ago after Connor got killed.

Connor Cooper: And I was brought back by The Aparoids, same with our ancestors, but Sly saved us.

Sly Cooper: That's right, and there was no way you could use The Sword of The Fire Skylanders, only The Princess of Fire could use it, in your hands, you'd be turned to ashes. But, that would be too easy for you, and not any fun for us.

LeParadox: (Realizes what Sly's saying) Wait, are you saying?

Sly Cooper: Yes, if anyone's going to end you, it's going to be us, especially me. And I've got more than enough reason to kill you.

Me: That is for sure! And before we fight, we have a couple of things we need to clarify!

Nico: Time travel is a very dangerous thing!

Qin: Messing around in the past like you did can have disastrous effects!

Me: That's right and we had to learn about that the hard way! Like for example the 20 Days of Darkness.

Lori: We literally went back in time to try and stop all that from happening.

Lynn: But because of that we ended up destroying Earth by unleashing a more terrifying evil.

Me: It was HIM!

Blossom: One of our enemies! It was awful.

Me: That's why we swore NEVER to do that. Or else it would be disastrous not just for Earth but the entire universe!

LeParadox: Oh, please. You're just saying that because you're not willing to go far enough!

Me: Because you know we're right! Lex Luthor offered me time travel to wipe out all the evil. But even I am not a coward like you are! Using Time Travel to wipe out the entirety of the Coopers is something a coward would have done!

LeParadox: Well I will not stop Until I get my revenge!

Me: Well then you brought all this on yourself!

Suddenly, something within Sly Cooper's mind snapped as memories of LeParadox's crimes against France and his attempts to wipe his entire family from history rushed through his head, as he was surrounded by a sapphire blue, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, fire, flames, lightning, darkness, raccoons, phoenixes, and angels, he had his massive Cooper Clan's Ancestral Cane of Elemental Justice ready, and as he angrily approached his LeParadox, he left sapphire blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, lightning, darkness, raccoons, phoenixes, and angels with every step.

Sly Cooper: I have absolutely had it up to hear with you for the last time, LeParadox. No matter how many times we've beaten you down, no matter how many times we've humiliated you, you refuse to give up and you still continue to plot revenge against me and everyone I know in your insane jealous hatred.

SUDDENLY, SLY COOPER'S SAPPHIRE BLUE, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EVEN MORE EXTREMELY AS HIS MASSIVE UPPER AND LOWER BODY MUSCLES BULGE AND HE STARTED TO GET EXTREMELY PISSED OFF!

Sly Cooper: (SUDDENLY STARTING TO GET EXTREMELY PISSED OFF) But, now here I find out that you've broken out of prison to get your hands on The Sword of The Fire Skylanders and use it to still get revenge on me, my friends, and family and still try to declare yourself a great thief..., IN WHAT WORLD AM I GOING TO ALLOW A SELFISH REMORSELESS ABSOLUTE PIECE OF CRAP LIKE YOU DO THAT?! YOU AND YOUR FAMILY WILL ALWAYS BE NOTHING MORE THAN THE WORST THIEVES IN ALL OF PARIS AND THE WORLD DOOMED TO DIE AND BE

FORGOTTEN BY HISTORY! I HAVE HAD ENOUGH OF YOU TO LAST AN ETERNITY, CYRILLE LEPARADOX, THIS IS WHERE YOU ARE GOING TO DIE AND YOU WILL FOREVER BE NOTHING MORE THAN A FORGOTTEN MEMORY SAME WITH YOUR FAMILY, BUT YOU'LL BE ALSO REMEMBERED AS A TRULY SELFISH SHAMELESS REMORSELESS DESPICABLE EVIL MURDEROUS TWO-FACED BASTARD!

LeParadox: (EXTREMELY AFRAID NOW) WHAT THE?!

WE GASPED WITH PURE ABSOLUTE SHOCK AT THE SHEER MAGNITUDE AND FURY OF SLY COOPER'S RAGE: LEPARADOX HAS OFFICIALLY SHOT HIMSELF IN THE FOOT, AND HE'S ABOUT TO SUFFER THE 12,000 YEAR-OLD WRATH OF THE ENTIRE COOPER CLAN AS HE SAW THE WHITE, GOLDEN YELLOW, AND BLUE RAGING HEAVENLY FLAMES IN SLY COOPER'S EYES!

Me and Nico: WHAT IN THE HECK?!

Eli: OH MAN!

Bentley: What on Earth's happened?!

Murray: Hey, you remember what happened when we went after Dr. M two years ago?

We suddenly remembered.

Connor Cooper: Oh boy...! This is not good.

Marie Cooper: Apparently not. Sly's rage has been unleashed once again, and now, it's aimed right at LeParadox.

Inspector Fox: This is gonna get ugly! EVERYBODY, HIT THE DECK!

WE RAN FOR COVER!

SUDDENLY, AN EXTREMELY MASSIVE AND INCREDIBLY POWERFUL RAINBOW FIRE EXPLOSION BLASTED OUT OF SLY COOPER WITH INCREDIBLY DEVESTATING AND

UNBELIEVABLE FORCE! THE EXPLOSION WAS SO INTENSELY POWERFUL THAT EVERYONE IN 900,000,000,000,000,000,000 UNIVERSES FELT IT AND THEN, IT FORMED INTO A MASSIVE JET OF RAINBOW FIRE AND IT FLEW OUT OF THE INFINITELY VAST WEB OF GALAXIES AND FORMED INTO A POWERFUL RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE RACOON, AND THEY CRIED INTENSELY WITH AMAZING POWER, AND THEN, THE RAINBOW FIRE PHOENIX, RAINBOW FIRE RAINBOW FIRE ANGEL, AND RAINBOW FIRE RACOON WENT BACK TO EARTH AND SLY COOPER GAINED AN INTENSELY POWERFUL AND SUPERCHARGED ASTRONOMICAL POWER BOOST!

Suddenly, Sly Cooper screamed like an infinite-times Nth-Degree madman to the infinite-power and he was surrounded by a massive vortex of sapphire blue, white, golden yellow, and blue energy with stars, aura energy, white and blue heavenly flames, fire, flames, lightning, and darkness surrounding the vortex, there are raccoons, phoenixes, and angels flying around the vortex, and in the vortex is a grey phoenix with the symbol of The Cooper Clan on its stomach and blood red eyes glaring at LeParadox: the blood red eyes of eternal death, eternal damnation, and eternal judgement, and we saw heavenly lights shining on the vortex.

Me: WHOA!

Nico: HOLY SHIT! THAT'S POWERFUL!

Suddenly, we saw the volcanoes erupting in response to Sly Cooper's transformation!

Sunset Shimmer: Yikes! Now, LeParadox is seriously screwed if volcanoes are erupting!

We were really amazed at Sly Cooper's transformation.

Selena Sly Cooper: Oh man! Sly's transformed big time, and he's even taller and bigger in muscle like Slaigh MacCooper and Bob Cooper and he can easily give Muggshot a run for his money.

Murray: Now, that I'd like to see. But, since he's not here...!

LeParadox: DIE, COOPER!

LeParadox charged at Sly Cooper, but he clenched his left fist tightly, and...!

POW!

SLY COOPER PUNCHED LEPARADOX SO HARD IN THE STOMACH, THE SKUNK WOUND UP COUGHING LIKE CRAZY!

Me and Nico: (WHISTLES) Damn, that's gotta hurt!

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) Did that hurt? (Sarcastically) Sorry, I guess I don't know my own strength.

Then, Sly Cooper kicked LeParadox real hard and sent him flying into a volcanic rock formation, and we saw his silhouette as he crashed through it. Of course, that got the attention of Inspector Fox who was absolutely stunned.

Inspector Fox: (Spanish Accent) Dios Mio, he just smacked down LeParadox with one punch to the stomach and kick that sent him flying!

Lincoln: Being born with Scottish blood in his veins, that gave Sly superhuman strength and bravery.

Nicole: Along with the superhuman strength of his Caveman ancestor, Bob Cooper.

Suddenly, LeParadox exploded out of the formation, and boy, was he pissed!

LeParadox: Why, you freak!

Inspector Fox: (Spanish Accent) ¡Ey! ¿A quién llamas bicho raro a mi novio? ¡Tú eres quien para hablar, eres el verdadero bicho raro aquí, LeParadox! Intentaste borrar a todo el Clan Cooper de la historia cuando intentaste usar el viaje en el tiempo, ¡pero al final fallaste! (Translated: Hey! Who are you calling my boyfriend a freak! You're one to talk, you're the real freak here, LeParadox! You tried to wipe out the entire Cooper Clan from history when you tried to use time travel, but you failed in the end!)

Realizing that she was busted for what she said, Inspector Fox blushed madly.

Nicole: I think you're busted, Inspector.

Inspector Fox: (Spanish Accent) Tell me about.

Suddenly, Sly Cooper walked up to Inspector Fox, but then, he picked her up with both arms and he lifted her up so that she's face to face with him, and then, he kissed her on the lips, and she returns the kiss, and then, he puts her down.

Inspector Fox: (Spanish Accent) Hadn't expected you to have a wild side to you, Ringtail.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) (Smirks) Trust me, the kiss I gave you was just the beginning.

Lincoln: You've got no other choice, you clod. (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

Sergio's thugs came and then...

WHOOSH!

A figure swooped in and swiped their loot!

?: Looking for this?

We saw another member of the International Clan of the Coopers!

Lincoln: Widelene Vega Cooper!

Widelene Vega Cooper: (Haitian Accent) Awesome to see you Lincoln!

Me: Care to introduce us?

Anna Anyanova: Sure. This is Widelene Vega Cooper, The Undead of Haiti of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Haiti and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from Haiti and she helped him on lots of dangerous jobs. She's a very powerful and skilled master of Voodoo Magic and also has powers that no mere mortal can fathom and she's known as The Undead of Haiti and uses ghosts and the forces of the Undead to steal from corrupted officials, nobleman and gangsters and more all over Haiti.. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Widelene came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of voodoo magic, ghosts, and the forces of the undead and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Widelene Vega Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Awesome to meet you.

LeParadox: May be I'll just go back in time to wipe you all from existence!

Me: Uh you're forgetting one crucial factor. Sly destroyed your entire time machine.

Laney: That's right!

LeParadox knew we were right!

LeParadox: No matter! I'll just destroy all of you here now that you are all present!

Me: Come and try it!

He unsheathed his sword and me and LeParadox clashed.

CLASH CLASH CLASH CLASH CLASH!

Sparks flew all over!

Me: Sly is not to blame for your family's misfortunes, it was all you!

You brought all that all on yourselves!

Nico: That's right! Sly and his family isn't to blame! It was all YOU!

Bentley: And another thing! YOU TURNED THE WOMAN I LOVE INTO A MONSTER!

Penelope: YEAH! YOU RUINED ME!

Exeggcute charged at him And bashed him all over the place.

Penelope: I would never do all those things to Bentley!

Bentley: Because it would shatter my heart!

Me: That's right!

LeParadox: Why do you have a noseplug on?

Me: Uh isn't it obvious LeParadox? You're a Skunk! And Skunks are the STINKIEST animals in the world and they smell like shit!

POW!

I kicked him in the face and knocked him down.

Me: But it's ironic LeParadox. Your henchmen you hired are now our archenemies.

Keiichiro: I have El Jefe as my archenemy.

Haru: I have Toothpick as my archenemy.

Kayley: I have the Penelope who betrayed Bentley as my archenemy.

Me: Grizz and Ms. Decibel of don't have archenemies yet.

LeParadox: What is that!?

I pointed to his tail.

LeParadox: What about my tail?

Me: Uh your revolting stench? It could be smelled from a mile away! Hence why you got caught so easily.

Inspector Fox: That's right!

Kaz got out his Gashat.

Kaz: Why do you think they made our cell in the prison odor-proof? Because your stench can make people throw up!

He activated it.

Thaddeus Winslow Cooper III: (British Accent) Not to sound rude but yes that is most correct.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of fire appeared surrounding Sergio, and then...!

SLY COOPER SENT THE ORBS RIGHT AT SERGIO WITH ONE SWING OF HIS NEW STAFF, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Sly Cooper, Bentley, Murray, Penelope, Panda King, Dimitri, Neyla, Rajan, Jean Bison, Arpeggio, Contessa, Inspector Fox, and The Cooper Clan: And this is where we say our final farewell, Cyrille LeParadox.

Stella LeParadox: You are nothing more than a stain on this world, "Father", and now, this is where I cut my ties with you forever.

Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Caleb Maxwell, Allie Maxwell, Gabriel Maxwell, Cage Blunt, Travis Tackett, James Blunt, Sunset Shimmer, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us went after LeParadox, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, colored, white, golden yellow, and blue energy, colored energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Sylphs, Animals, and Mythological Animals at LeParadox and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving scars on him and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and we did the same by firing colored, white, golden yellow, and blue energy slashes from our gold-plated claws and greatswords, and Lincoln, Red Savarin, Robin Hood, Rayman, Skippy the Bush Kangaroo, Von Lycaon, Crash Bandicoot, Sunset Shimmer, Sly Cooper, The Cooper Clan, Bentley, Murray, Guru, Penelope, Panda King, Dimitri, Inspector Fox, Nico, and I and all of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive superhuman strength.

LeParadox: Ouch! That hurts!

Suddenly, Sly Cooper's massive grey angel wings and twenty other sets of large grey angel wings underneath his massive grey angel wings spread out even more as an intricate halo made of blue light with the Cooper Clan insignias around it appeared above his head along with three sets of blue chains around the blue light halo and formed into a purifying field that hit LeParadox, and we found ourselves in Paris under a full moon night.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is it, LeParadox, this is where we end this here and now.

Then, Sly Cooper's massive grey angel wings and twenty other sets of large grey angel wings underneath his massive grey angel wings fired chains of blue energy that bound LeParadox.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) After everything that you've done in trying to destroy my family and all because of your jealousy and hatred, that makes you no better than my old family's enemy, the ancient 12,000-Year-Old Eurasian Owl, Clockwerk.

Then, Sly Cooper charged out and he smashed his blue energy infused left fist into LeParadox's stomach, and a cluster of blue, white and blue heavenly flames exploded out behind him, then, Sly

Cooper formed a very massive glowing rainbow energy blade surrounding the large blue orb on his staff.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your miserable life ends here.

Sly Cooper attacked him with two powerful energy slashes from swings of his staff, and then...!

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) NOW, DIE AND GO TO HELL FOREVER!

Sly Cooper did one final powerful downward swing that hit LeParadox hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Sly Cooper landed as LeParadox was on his last legs and he was really really mangled.

Then, Sly Cooper fired blue energy blasts that formed into the canes of The Cooper Clan from 12,000 years to the present day and they beat and clobbered LeParadox real hard, and finally, Sly Cooper fired a blast of blue energy from his staff and it pierced LeParadox in the chest and he was sent to The Black Abyss forever.

Nico: And that's Fire down.

Lincoln: And Water, Air, Tech, Earth, Life, Light, Dark, and Undead left to go.

Me: Yep, and we finally got rid of LeParadox forever.

Sly Cooper: Good riddance. And I was so glad I used my superhuman strength to knock the wind out of him with a punch to the stomach.

Eli: I was surprised you hadn't ruptured his stomach with that punch.

Sly Cooper: Uh, actually, Eli, I did.

Sly Cooper pointed to the spot, and we saw it had blood on the ground: LeParadox's blood.

Nico: (WHISTLES)

Me: Damn.

Lincoln: That's a lot worse when I punched Flip in the stomach many times over and had him barfing up his lunch. It was a messy clean-up after that.

Samantha Utah Cooper: Oh, we've seen that many times over, and you've also done it to those big gorillas, Hawk and Hank, and that fat jerk, Lewis Travolta. But, I would've wanted to see you use that stomach punch on Chandler and make him explode all over the place same with Killjoy Huggins.

Sly Cooper: Unfortunately, you're too late for that, we gave Dark Chandler and Killjoy Huggins The Black Abyss, but let me tell you, I've never seen Lincoln get that pissed off and angry at that stupid toupee-wearing jerk.

Selena Sly Cooper: Oh crap, did Laney tell you...?

They nodded.

Rhiannon Ann Cooper: Oh man, the murder of Kaara Koaki Meiru.

Samantha Utah Cooper: I still remember that day all too well, but Lincoln got some payback on that bastard.

Sly Cooper: Without a doubt, he used a powerful pufferfish poison in a dart and when the toxin was injected into him, he swelled up like a balloon and explode like what'd happened with Deacon Frost.

Selena Sly Cooper: I knew it was gonna rain blood when Lincoln found out the truth about who was behind Kaara's murder. But, after everything that killjoy and sorry excuse for a principal did to Lincoln just to make him suffer and ruined Principal Huggins' life, death was the only thing he deserves.

Widelene Vega Cooper: Same here.

Bentley: You all knew what was about to happen.

Anna Anyanova: We all have a sense of knowing when all Hell was about to break loose when Lincoln gets really angry.

Eman Reynolds: And when Lincoln gets angry, you better steer clear of him, he's a lot more ferocious than Lynn on (GULPS) Packing Day!

LINCOLN'S GUARDIAN ANGELS SCREAMED AND RAN AROUND LIKE HEADLESS CHICKENS!

Luna: We've got to do a Simulator version of that day, I'm sure all of us are wanting payback on Dark Lynn for every last Packing Day nightmare she put us through every year.

The Louds raised their hands.

Sly Cooper: I'll also join in too, I'm also now physically stronger than Lynn on Packing Day and I can easily take that animal down.

Caleb Maxwell: Oh really? Then, I dare you to...!

Caleb Maxwell spots a massive boulder and a nearby volcano.

Caleb Maxwell: I dare you to lift that massive boulder with only one hand and throw it into the top of that nearby volcano.

Murray: Uh oh, I think you're gonna regret that challenge.

Suddenly, Sly Cooper went up to the boulder and he put his left hand below it and he lifted it up with ease and he tossed it into the nearby volcano, and we saw it on the binocucom.

Inspector Fox: (LAUGHS) (Spanish Accent) Looks like you lost, Caleb.

Caleb Maxwell: Ah, dang it, and I wouldn't be surprised if he also can wrestle with Murray.

Murray: He's been learning a lot of wrestling moves over the years, and I've seen him take down the biggest wrestlers ever.

Sly Cooper: And won many of them just like with Lincoln.

Sly Cooper showed the photos of the past wrestling matches with Lincoln as well.

Cage Blunt: Nice.

Suddenly, Lincoln pinned Pyra Sunset to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Pyra Sunset's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Pyra Sunset with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Pyra Sunset: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: That's one enemy of the Cooper Clan down.

Me: Yep.

Drakus: The Prime Universe version of LeParadox. The X-Squad version will be in the M.O.E.

Me: Good idea.

Lola: Yeah.

Nico: Yep. Nice job Exeggcute!

Exeggcute: Thanks! Got any beer?

Poromon: YAY! There you go!

They got 5 bottles of beer and drank them.

Exeggcute: Ahh. (LOUD BARNEY GUMBLE BELCHES)

Barney Gumble: Welcome to the drunk party! (BELCH)

They got drunk!

Poliwag: Sing the ABC's!

Exeggcute: (DRUNK SINGING, BELCHING AND FARTING) ABCHSJSJDKFJSNFTLCFCOBKNWIFOVIDJF!

IT WAS FUNNY!

We laughed!

Nico: Oh, Eye Guy, what do you like to do in your free time?

Eye Guy: I work as a security guard at a bank and watch out for bank robbers.

Me: Cool! With your 360˚ Vision, no bank robbers are getting by you.

Eye Guy: Nope.

Poromon: Lana, later, we want to talk to you about something

Lana: Sure thing guys.

Poromon: Great!

Lincoln: (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of them is Another Danny Phantom.

Danny Phantom: Another me?

Lincoln: That's right.

Me: Only one way to find out.

Nico: Who do we got?

Eli: Another Eye Monster (Powerpuff Girls), Brobajell, King Boo, Gory Fangtell, General Monster and Hundred Eye Hag.

Me: WHOA! So Eye Guy, Eye Brawl, Eye Scream, Eye Five, Eye Small and Breeze.

Nico: Yep.

Eli: This will be fun.

Nico: There they are!

We saw Another Brobajell, King Boo, Gory Fangtell, General Monster and Hundred Eye Hag!

Me: Whoa!

Another Brobajell: (In a girls voice) The future said we we would find you here.

They merged and split into 14 figures and it was the gene-slammers of THE ARCANA FORCE MONSTERS! Minus Dark Ruler!

We were introduced to the Clarrabell Sisters:

Cierra Clarrabell: Arcana Force 0 - The Fool

Claire Clarrabell: Arcana Force I - The Magician

Elma Clarrabell: Arcana Force IV - The Emperor

Nico: Awesome to see you guys again.

Gaia Clarrabell: Same here Nico.

Taiyou Clarrabell: We're glad we found you.

Lola Clarrabell: Same here.

Me: That is so cool that you all can predict the future like that.

Laney: Yeah!

Luna Clarrabell: Yep and the another Eye Monster and Danny are friendly.

Me: I was about to ask that. Cool!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Maria: (Turns Dial) TRUTH FORCE 6!

She summoned Galand of Truth, Cyberverse Acid Storm, Oliphant & Rider, Universe 666 Professor Zündapp, Cave Troll and Grima

Wormtongue.

Nico: And now we wait.

Me: Yep.

Brittany Clarrabell: Oh and we should tell you about what the Another Danny is like.

Me: What is it?

Brittany Clarrabell: She has ALL OF the powers of all of Danny Phantom's enemies.

Danny Phantom: WHOA!

Brittany Clarrabell: Yep. She was spliced with Ghost Powers and all that.

Camie: Amazing!

Me: Who would do that?

Taiyou Clarrabell: It was the Guys in White a while back before you all defeated them.

Camie: Geez!

Nico: Really?

Gaia Clarrabell: Yep.

Me: That is incredible!

Lola: Yeah.

Me: Lets find out more about her. Here they are!

We saw Another Eye Monster and Danny!

Me: WHOA!

Lola: This is gonna be awesome.

Another Eye Monster: (In a girls voice) The future showed me this.

She reverted back and it was the gene-slammer of Dark Ruler.

Nico: Kage Clarrabell.

Kage Clarrabell: Good to see You Nico. I foresaw this.

Eye Monster: That is so awesome that you and your sisters can see into the future. I have perfect 360˚ Vision. So I guess that counts for you.

Kage Clarrabell: It sure does.

Another Danny: (In a girls voice) I agree.

She reverted back and it was a girl with black hair, emerald green eyes and had black and purple clothes and black angel wings and had the Fright Knights Sword in her hand.

Danny Phantom: (GASP) Callie Fenton!

He and Jazz went and hugged her.

Jazz: Thank goodness you're safe!

Callie Fenton: Me too.

Me: You know her?

Jazz: We sure do. She is a girl we adopted and she also is part of the Phantom Team. She has all the powers of Danny's Enemies.

Me: WHOA! Lunch Lady Ghost's meats, Box Ghost's Boxes, Undergrowth's plants, Ember's rock and roll and fire, Kitty's kiss and Technus's technological powers just to name a few.

Callie Fenton: That's right! Good observations!

Me: Yep.

Kaito: (Gets out Drive gear) Did Swartz promise you anything?

Zocks: (Gets out Ghost gear) Because we can grant it instead.

Kaito and Zocks got said weapons.

Kage Clarrabell: No he didn't because I scared him by telling him how he was gonna die by your hands. I told him he was gonna die on August 12th, 2022 and Nico was gonna dismember him alive as Pain and make him eat his heart and also banish him to the Black Gates.

WE GASPED!

Me: That is completely accurate and we did all that just as you saw!

Nico: Yeah we sure did!

Callie Fenton: Yep and we ran out of there.

Sakura Knudson: That was scary and awesome.

Sougo (Gets out Drive Ridewatch): Do you also have Pariah Dark's powers?

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz (Gets out Specter gear):...we're just asking!

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor

Callie Fenton: I sure do. I absorbed the Crown of Fire and I'm wearing the Ring of Rage.

WE GASPED AGAIN!

Me: WHOA! So you now have omnipotent power like we do! That is incredible!

Nico: YEAH!

Me: Pariah Dark gave us one helluva fight back in 2018.

Nico: He sure did. We'll tell you all more about it later.

Twilight Sparkle: Looking forward to it.

Lincoln: Lets separate you first.

We did so.

Me: Lets get it on!

Nico: (Gets out Eye Monster's Ridewatch) EYE see you!

May: (Gets out King Boo's ridewatch) I'm going to put you in a painting.

Maria: (Gets out General Monster's ridewatch) HUP TWO THREE FOUR!

Eye Brawl: (Gets out Brobajell's ridewatch) I'VE GOT MY EYE ON YOU!

They used the powers of Eye Monster (Powerpuff Girls), Brobajell, King Boo, Gory Fangtell, General Monster and Hundred Eye Hag and blasted the Anothers all over!

Me: Yeah!

Then Bamboo Pandamonium, Yost Wonder Man, Sphinx Gates (Neverending Story), Shadow Gaorangers, Dr. Wily (X-Squad) and Dukat came.

Nico: WHOA! Nice team Bamboo Pandamonium!

Bamboo Pandamonium: Thanks Nico.

Shanan: Dukat!

Dukat: Hello Shanan. Nice to see you again.

Shanan: I would say the same thing. Especially after all the trouble you caused by trying to release the Pah-Wraiths.

Dukat: Well this is gonna be interesting for me.

Shanan: Just don't cause any trouble, or I'm putting you back in the prison of the Pah-Wraiths!

Nico: Hey, Simon. How are you feeling?

Yost Wonder Man: Better than ever thanks to all of you.

Me: Glad you are.

Yost Wonder Man: I now have full control of my powers and more.

Me: Cool.

?: That is awesome.

Out came a Flame Swordsman!

Me: COOL! Flame Swordsman!

Joey Wheeler: All right! That is great!

Flame Swordsman: (In a girls voice) It sure is!

Nico: Flamebird Valentine! Wow!

Mai: Flamebird! Wow!

She reverted back and was a girl with orange hair and blue eyes and had the Kanji for Flame in the middle of her forehead and had orange and red clothes and fire angel wings and had Flame Swordsman on her skirt and shirt and arm and had Flame Swordsman's sword in her hand.

Flamebird Valentine: Good to see you Nico and Mai I'm so glad you're all right sis. I got this! FLAMING SWORD SLASH!

She slashed the Anothers and blasted them and I caught the Ridewatches and purified them.

Me: Yeah!

Nico: Nice job!

Flamebird Valentine: Thanks! That was fun.

Me: It sure was.

Eye Brawl: Do you have any good memories of Nico?

Flamebird Valentine: I sure do. When me and Nico went and battled a bunch of Rare Hunters and swiped all their cards they took.

Nico: WHOA! You really showed them who's boss.

Lola: Yeah!

Tea: Yami Marik and his men are gonna try and kill you.

Flamebird Valentine: Let them try.

Nico: Yeah!

They hugged.

Nico: I've missed you.

Flamebird Valentine: Same here.

Me: That's Fire down.

Qin: 2 down 8 to go.

We went back home.

We destroyed him two years ago and sent him to The Black Gates, but now, two years later, Abaddon has returned once more and he seeks to fulfill his dark plan to conquer Heaven, but Lincoln's going to destroy him forever and send the fallen Archangel to The Black Abyss forever with the help of The Armageddon Blade, the sword used to break The Seven Seals when The End War is about to begin.

As soon as we arrived in the world of Darksiders, we saw the world was in ruins and mankind was wiped out.

Lincoln: Whoa, we're here in the world of Darksiders, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're in for one brutal and fierce battle: we're going to destroy the fallen Archangel, Abaddon.

Me: That's for sure.

Nico: You said it. But, can you give us a rundown on Abaddon once more, Lincoln?

Lincoln: Of course. Abaddon was once a powerful Archangel and the leader of The Hellguard and was devoted to Heaven and hated The Dark Kingdom and Hell itself, but in his self-righteous crusade to destroy The Dark Kingdom forever triggered The End War early by breaking six of The Seven Seals of The Apocalypse, he was betrayed and was transformed into The Destroyer, The Enemy of All Creation.

Eli: How awful.

Lincoln: And because of what Abaddon did, he caused The Kingdom of Man to be lost and the Earth of this world fell under The Destroyer's control. But, thanks to my dream last night, I not only broke The Seventh Seal and restored War's powers and strength and brought Fury, Strife, and Death here and that also restored their strength and powers, but I also now have The Armageddon Blade, the sword used to break The Seven Seals when The End War is about to begin, but now re-forged to end the fallen Archangel.

Eye Guy: Where is he located, Lincoln?

Lincoln: He's at The Black Throne, a massive spire located north of The Ashlands, but getting to it will not be easy, it's bound to the demon commander, Straga, one of The Chosen, five of The Destroyer's most trusted and powerful underlings. We need to slay them at once if we're to gain access to The Black Throne.

Nicole: I knew it wasn't going to be easy: The Chosen are none other than Tiamat, The Dusk Queen, The Griever, The Stygian, Silitha, and Straga.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and then, his deep sapphire blue eyes and his Third Eye's iris changed from deep sapphire blue and rainbow colors to heavenly golden yellow as a massive and powerful divine force coming from him as heavenly lights shined down from Heaven and the angels and the Archangels of Heaven descended.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) Yes, and War had slain Tiamat, The Griever, The Stygian, and Silitha and recovered their hearts as they contained a fraction of Samael's power, and Azrael opened the way to Abaddon after Straga was killed, but thanks to Morgana's dark magic, the way is blocked, and Abaddon had brought them back, and they have these in their chests.

Suddenly, five massive white and golden yellow hearts appeared before us.

Nico: What are they?

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) The hearts you see before you are The Hearts of The Archangels, these organs are very powerful items belonging to five powerful Archangels, and these are far more powerful than The Hearts of The Chosen as they are coursing with both Heaven's power and Hell's power, and I believe Lincoln should tell you the rest.

Then, Lincoln took back control as God left.

Lincoln: But here's the thing: only I can consume them and it's due to my connection to myself, the angels, Archangels, and Heaven itself.

Nico: If you consume them, you'll become even far more powerful than Abaddon himself and that'll open the way to him.

Brittney: It appeared Morgana found them and had them all sealed away within Tiamat, The Griever, The Stygian, Silitha, and Straga. We got to find them and fast.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) Allow me.

Lincoln fired beams of heavenly light and they headed for the locations of Tiamat, The Griever, The Stygian, Silitha, and Straga, and then, the beams of heavenly light transformed into hands that then plunged into the chests of Tiamat, The Griever, The Stygian, Silitha, and Straga, and they ripped out The Hearts of The Archangels, and they returned to Lincoln, and then, he proceeded to consume and devour them one by one.

SUDDENLY, LINCOLN LET OUT AN EXTREMELY LOUD ROAR SO LOUD THAT IT SHOOK THE HEAVENS AND THE BOWELS OF HELL ITSELF AS LINCOLN'S RAINBOW, WHITE, GOLDEN YELLOW, AND BLUE ENERGY AURA FLARES UP EVEN MORE EXTREMELY AND HIS UPPER AND LOWER BODY MUSCLES BULGED OUT EVEN MORE!

Nico: WHOA!

Me: Oh man!

Then, the aura settled down, and we felt it: the seal to The Black Throne placed by Morgana Midnight Sparkle broke.

Lincoln: It's time. Now, we must go after Abaddon and fast.

Suddenly, Azrael appeared along with War, Fury, Strife, and Death.

Lincoln: Azrael.

Azrael: You've arrived just in time, Lincoln. We must hurry, Abaddon is planning to launch his attack on Heaven, and your attack on The Chosen led to only The Griever, The Stygian, Silitha, and Straga being killed once more.

Me: Tiamat's escaped, hasn't she?

War: Yes, and she now desires revenge.

Lincoln: When the time comes, I'll end her for good.

Death: Uriel is already going to lead The Hellguard against The Destroyer whom you'd figured out was the fallen Abaddon.

Fury: I knew Abaddon was foolhardy, but to do something that violated The Treaty, that was indeed madness.

Suddenly, Uriel appeared.

Uriel: The situation has grown dire, The Destroyer's men are continuing to grow stronger.

Lincoln: The Well of Souls.

Azrael: Morgana used her dark magic to force The Well open to provide The Destroyer with souls to fuel his armies. We must close The Well immediately.

Azrael closed The Well of Souls and thus, shut off the supply of souls and the souls of those The Destroyer's armies had already devoured were freed and returned to The Well.

Strife: Now, we must stop The Destroyer.

We nodded, and we headed for The Black Throne, and there we were met by the demons who tried to attack us, only for Lincoln to slay them with The Armageddon Blade and they were destroyed.

Then, we confronted our main target: The Destroyer, the demonic dragon form of the fallen Archangel and former leader of The Hellguard, Abaddon. Suddenly, Lincoln's deep sapphire blue eyes and the rainbow iris of his Third Eye glowed, and then, his deep sapphire blue eyes and his Third Eye's iris changed from deep sapphire blue and rainbow colors to heavenly golden yellow as a massive and powerful divine force coming from him as heavenly lights shined down from Heaven and the angels and the Archangels of Heaven descended.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) Abaddon!

Then, The Destroyer faced us.

The Destroyer: Team Loud Phoenix Storm, and my old enemy, Lincoln Loud, along with The Four Horsemen. So, you've come at long last.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead) (Divine Heavenly Godly Voice) For one reason: to end you, my former leader of The Hellguard. I know you were the most devout of The Hellguard and the most dedicated of the armies of Heaven, but you knew that an open attack on The Dark Kingdom was not only a violation of The Treaty, but it was also madness itself. You were supposed to wait until The Kingdom of Man was strong enough, and then, The End War would begin, but your conspiracy to launch an open attack on The Dark Kingdom and destroy it early led to The Kingdom of Man being lost and Earth fell under the armies of Hell. This cannot go on any longer! Abaddon, for the crimes that you've committed against Heaven and Earth, I hereby sentence you here and now to death!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at The Destroyer, and he proceeded to brutally smash him into the ground with his massive godly superhuman strength, slashed him with his gold-armored dragon claws and greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at him, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON ABADDON! HE WAS REALLY GOING APESHIT ON HIS MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED ABADDON WITH HIS MASSIVE GREATSWORD AND THE ARMAGGEDON BLADE AND HE ALSO FIRED A BLAST OF HEAVENLY LIGHT THAT HIT HIM AND CAUSED HIM TO SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

LINCOLN SHOT THE DESTROYER WITH A JUDGEMENTAL

HEAVENLY GLARE THAT SHOWED THE FALLEN ARCHANGEL HIS FATE: ETERNAL DAMNATION, AND THAT ANGERED THE DESTROYER EVEN MORE!

Me: HOLY...DAMN!

Nico: (GASPS) He shot him the glare of eternal judgement, but that made Abaddon even angrier than ever.

Eli: There's no doubt that he's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! TRAITOR TO HEAVEN, YOU DESERVE TO PAY FOR ALL OF YOUR CRIMES! MAY YOU ROT IN THE BLACK ABYSS FOREVER!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to Abaddon.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to the fallen Archangel.

Luna: And what Eli said was true, the fallen Archangel's doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts.

Then, Skippy balanced himself on his tail and delivered a hard kick to the demon's stomach and he fell to the ground in pain.

Then, he also attacked him by flashing the Strobulb in his face and blinded him, and the ring of Boos around the flashlight's head fired purple energy beams at The Destroyer which hit him hard.

Lincoln continued smashing them hard with his extremely massive godly superhuman strength and The Destroyer didn't have time to fight back due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering his.

Suddenly, The Destroyer transformed from his demonic dragon form into a black-winged version of his former self, Abaddon.

Abaddon: You! None of you will get in my way, all of Creation will be destroyed and Heaven will soon be ours!

Lincoln and Abaddon engaged in a fierce and ferocious sword fight as they clashed with each other and their swords produced sparks as they clashed. Then, Lincoln overpowered Abaddon, and then, he proceeded to slash Abaddon all over the place with his massive greatsword and The Armageddon Blade and he left bleeding scars on Abaddon.

Me: This battle's starting to get completely fierce!

Nico: You have no idea, Lincoln's really letting Abaddon have it.

Eli: Lincoln's able to keep up with an experienced warrior like Abaddon, and he's already proven that he's far more powerful than the fallen Archangel himself.

Abaddon was defeated by us and he was bleeding. Then, as he got up, Lincoln ran at him and he stabbed Abaddon in the chest with The Armageddon Blade, and he began sucking out and absorbing Abaddon's Master Swordsmanship, Sword Magic, Light Blades, Light Rotation, Heaven Fall, Flash of speed, Immense Strength, Immense Speed, Immense Durability, Flight, Telekinesis, Avalanche of Flying Rocks, Immense Magic Power, Evil Summoning, Teleportation, Transformation, Fire Magic, Fireball, Fireball Storm, and Expert hand-to-hand combat, and he removed The Armageddon Blade from the chest of Abaddon as he fell to the ground and died, and he was sent to The Black Abyss forever. We cheered as we holstered our weapons and powered down.

Uriel: Reap what you have sown, betrayer.

Then, Uriel and the surviving Angels bowed in respect to us.

Uriel: You have our eternal thanks, Team Loud Phoenix Storm, you have saved The White City from the wrath of our former general, Abaddon. But, now with Abaddon and The Council gone, what will happen now?

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead)(Divine Heavenly Godly Voice) Allow me to handle this.

Lincoln approached the remaining demons.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead)(Divine Heavenly Godly Voice) Return back to Hell, The Destroyer is dead along with The Chosen, should you dare to come out to try and claim Earth once more, there shall be no mercy for any of you.

The remaining demons left and retreated back to Hell.

War: Hell's legions have finally retreated, but now, there is still the matter of the damage done to this world, I fear this world is no longer hospitable.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead)(Divine Heavenly Godly

Voice) I know, Horseman, which is why the souls of those who died here will be resurrected and be relocated to our Earth, where they will live in peace. (SNAPS FINGERS)

Lincoln snapped his fingers, and back on our Earth, heavenly lights shined down and the millions of souls killed in the premature Apocalypse were resurrected. But, he also made sure the Mad Queen, Lilith, Lucifer, and The Seven Deadly Sins except for Vulgrim and Samael were sent to The Black Abyss.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead)(Divine Heavenly Godly Voice) There, it is done.

Death: You've given the souls of this world a brand-new life in your world.

God: (Through Lincoln's body and the rainbow Thunderbird and animals emblazoned on Lincoln's forehead)(Divine Heavenly Godly Voice) They didn't deserve to die like this. Abaddon was to blame for everything with his conspiracy along with the unresponsive action of The Council and deciding to frame your brother, War, and there was also the actions of Lilith, The Prince of Lies, and The Seven Deadly Sins. Now, they are gone forever.

War: Along with Absalom.

We returned home to The World Tree Estate as we bid our farewells to The Four Horsemen, Azrael, and Uriel, and the heavenly golden yellow iris of Lincoln's Third Eye and eyes changed back to deep sapphire blue and rainbow colors.

Nico: That was one fierce battle we fought.

Lincoln: That's for sure, but I made sure Abaddon got what he deserved, along with The Griever, The Stygian, Silitha, and Straga, along with Lilith, Lucifer, and The Seven Deadly Sins of that world. All of his actions led to the destruction of The Kingdom of Man and Earth was claimed by the legions of Hell, but now, they have a new future in our world.

Me: You got that right. (Sensed something) Shit, Lincoln, look out!

Lincoln dodged an incoming dark energy blast, and he knew right then and there who the culprit was as he fired a blast of ghosts and darkness and it headed for the dungeons and we heard the sounds of a monstrous shriek.

Buster Bunny: You psychotic lunatic, how many times do I got to hit you in the head?!

Buster Bunny went down into the dungeons, and...!

WHACK! BANG!

Sebastian Mendez: YOWCH! BUSTER, I'M GONNA SKIN YOU ALIVE!

Buster Bunny ran out of there and back to us as he closed the door. Suddenly, the door burst open and we saw an angry Sebastian who was really, AND I MEAN, REALLY OUT FOR BLOOD!

Buster Bunny: (BLOWS RASPBERRY) Ha ha! You can't catch me if I'm in the safe zone!

Sebastian Mendez: Why, you little...! (DEMONIC ROAR)

THEN, BABS BUNNY, FIFI LA FUME, AND SHIRLEY THE LOON FLEW IN WEARING KARATE UNIFORMS AND DID THREE FLYING KICKS THAT HIT SEBASTIAN AND SENT HIM SCREAMING BACK INTO HIS NEW ROOM: A PRISON CELL IN THE WORLD TREE ESTATE'S DUNGEONS!

Then, the girls landed and did three kung-fu bows as a gong sounds.

Babs Bunny: Thank goodness those kung-fu lessons at the Acme Acres dojo came in handy.

Suddenly, our energy auras flared up as we gained an incredible boost from him as we heard tons of rants of absolute hatred he was spewing at us.

Sly Cooper: (Sighs) I swear, if he starts going Clockwerk on us, I'm gonna smash all of his teeth out of his mouth.

Bentley: Especially if he winds up getting a nasty look in his eyes and an even nastier grin on his face.

Nico: Sly, if that happens, you can do what you want to him. Even though he's now good once more, he's still absolutely insane and bloodthirsty. What if that psycho tries to hurt any of our wives who wind up getting pregnant by pushing them off the stairs and kills the unborn child in their wombs?

THE GIRLS IN MY HAREM, NICO'S, LINCOLN'S, NARUTO'S, AND CLYDE'S AND ALL THE GIRLS GASP IN HORROR!

May: Nico, that may be the worst thing he could ever do!

Qin: That's nothing, May, we've seen Sebastian do much worst and atrocious things in the past, and what Nico said hit the nail on the head! This one time, one of our friends who wound up pregnant, as we were helping her, Sebastian showed up and pushed her off the stairs and that killed her child, and we were absolutely pissed at him, but he didn't care, and like Bentley said, he had a nasty look in his eyes and an even nastier grin on his face.

Trudy Lawrence: I was so pissed, I punched him right in his stupid face and drove him out, what a goddamn sicko!

Me: HE DID WHAT?!

SUDDENLY, I OPENED MY MOUTH THAT WIDE, MY SKELETON CAME FLYING OUT!

Lincoln: Yeesh!

I put my skeleton back in me.

Me: I hate when that happens.

Nico: Now, you know how I feel. But, what Trudy and Qin said was true, and our friend was so upset and depressed, she committed suicide a week later. We were unable to get back at Sebastian because he always escaped.

Lincoln: Now, all that negative karma from all of his atrocities in the past have come back to bite him in the butt. (To Michelle Balthazar) And it's so good to see you again, Michelle.

Michelle Balthazar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Michelle Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Michelle Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Michelle Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Michelle Balthazar and hugged her, and Michelle Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Michelle Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and nine sets of larger white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Michelle Balthazar, Gene-Slammer and Avatar of Abyss Actor - Mellow Madonna, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Michelle Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Michelle Balthazar really hates that music hating jerk, Doug, with a blazing passion, and she also knew how to bring down the actions of that stupid jerk, and all it took was one planned out performance from Michelle, and not only was Doug done for, but he always winds up getting a nasty atomic wedgie along with a severe thrashing in front of an audience of imps, fiends, and demons she summons and they all laugh at him and he runs out of the auditorium humiliated to the extreme and into the hands of the police and he winds up going back to jail.

Nico: Oof! I can tell that jerk didn't like that.

Michelle Balthazar: No, he didn't and I always enjoyed giving him a nasty atomic wedgie, and now that he's a humiliation dummy at Lynn's Table, I ain't holding back any longer. Watch out, Doug, I'm coming for you, and you're gonna get an even nastier atomic wedgie!

Lincoln: I'll be sure to let you give that jerk a nasty atomic wedgie when we do a humiliation session on him, and now that you're here, Michelle.

Lincoln with his massive muscular arms still wrapped around Michelle Balthazar's waist leaned his head down to the right side of Michelle Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Michelle Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Michelle Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Michelle Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Michelle Balthazar.

Michelle Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Michelle Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Michelle Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Michelle Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Michelle Balthazar: (In Heaven) My God. Oh, Lincoln, the seven girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The seven girls are Mariko Snowbank, Helga Mittelmeier, Irene Sanders, Lin Ryu Hi, Delilah Kankkunen, Jessica Clearkin, and Colleen Anderson from Desert Rose Manga.

Lincoln: Oh whoa, it's Mariko Snowbank, Helga Mittelmeier, Irene Sanders, Lin Ryu Hi, Delilah Kankkunen, Jessica Clearkin, and

Colleen Anderson from Desert Rose Manga.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really beautiful.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Mariko Snowbank: Yes, we're okay, thanks to you.

Then, when Mariko Snowbank and the other six girls saw who it was that saved them from the armies of The Destroyer otherwise known as the fallen Archangel, Abaddon, in the world of Darksiders, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down to the upper part of his back with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks on the back of his hair and rainbow lightning bolt highlights in the bangs of his long rainbow hair and large brown wolf ears with rainbow markings on top of his head and a large gold halo with embedded Elements of Harmony-shaped gems with a ring of hands made of gold with colored gems in its palms around it and around the ring of hands made of gold is a ring of fire made of gold and gold angel wings on the bottom in the center and four large orbiting gold rings with four rings of hands made of gold with colored gems in its palms around them and around the rings of hands made of gold are four rings of fire made of gold and embedded colored gems on each corner behind his head and behind it is a gold version of Trinity Mirror with three rings of spikes made of gold, fine hair on his massive muscular forearms and beard stubble on his jawline, rainbow colored thunderbird with gold lightning bolt in its claws and the Ebonwu Squadron emblem on its chest and surrounded by rainbow animals emblazoned on his forehead and Third Eye with rainbow iris, rows of wolf teeth and straight teeth and vampire fangs, Crest of Miracles surrounded by an Angel, Phoenix, Thunderbird, and Buffalo on his massive right pec and golden lightning bolt cutie mark with the thunderbird and comic books surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a cross arrangement on his massive left pec, Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, Dragon, Tiger, Vampire Bat, Werewolf, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a rainbow kanji with nine magatama and the symbols of the elements in between the kanji that said, "Lincoln Landon Loud, Almighty Champion and Emissary of Hinon, Reincarnation of Amaterasu, Almighty Master of The Elemental Forces, The Storms, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Almighty Golden-Hearted Brother of Many Siblings, Almighty Golden-Hearted Lover and Father of Many Kids, Almighty Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud and Samuel Loud, Almighty Loving Nephew of Lance and Sharon Loud, Almighty Loving Cousin of Shane Loud, Shelby Loud, Shiloh Loud, and Dipper and Mabel Pines, True Immortal, God, and Powerful Omnipotent Warrior of The Universe, Almighty Golden-Hearted and Loving Future Husband, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin and Many Evil Monsters and Many Evil Villains, Archenemy of Max Dillon Also Known as Electro and Comic Book Guy, True Immortal and God, Destroyer and Slayer of Extremely Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic, Irredeemable Bastards and Tyrants, Talented Comic Book Writer and Video Gamer, Jack-Of-All-Trades, Brave Warrior of The Cosmos, Protector, Defender, and Savior of The Universe, Multiverse, and Beyond, Master of The Powers of Friendship and The Elements, Master of The Fury of Celestial Xelnaga, Master of The Black Gates and The Black Abyss, Ultimate Force of Ultimate Good, Great God of Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The

Mariko Snowbank: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Mariko Snowbank: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Mariko Snowbank, Helga Mittelmeier, Irene Sanders, Lin Ryu Hi, Delilah Kankkunen, Jessica Clearkin, and Colleen Anderson with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told everyone about what happened in the world of Darksiders.

Maria: Oh man. I can't believe what happened there.

Lincoln: We were horrified when we saw it. Abaddon's desire to destroy The Dark Kingdom led him to violate The Treaty and when he broke six of The Seven Seals, he triggered The End War too early and it led to The Kingdom of Man being lost and Earth was conquered by Hell.

Nico: And Abaddon was transformed into The Destroyer, the Enemy of All Creation.

Me: And he was also driven mad when he went to The Tree of Knowledge.

Maria: The Tree of Knowledge, but the only place that is located in was...!

Sly Cooper: The Garden of Eden. Lincoln told us that Azrael hid The Tree of Knowledge away among the ashes of Eden after the first humans were cast out and the garden fell to ruin and he couldn't let Heaven's first gift fall into ruin, or worse, fall to darkness.

Nico: And from what I knew from the game, War went to The Tree of Knowledge and it was there he received the gift of truth and found out that Abaddon was The Destroyer, and he received the hilt of The Armageddon Blade and had to find the remaining scattered pieces.

Me: That's right.

Nicole: And Abaddon plotted with others to storm The White Gates as he guarded The Seventh Seal.

Brittney: But, thanks to Lincoln's dream last night, he not only received the re-forged Armageddon Blade, but he also freed War from The Watcher and stripped The Charred Council of its immense power and powerful magic and drained their souls of energy and sent them to The Black Abyss along with breaking The Seventh Seal with it and giving War back his full powers and strength and he also summoned Fury, Strife, and Death who also had their full powers and strength back too.

Nico: And don't forget the fight he had with Abaddon after he devoured The Hearts of The Archangels that he snatched from The Chosen.

Me: Yep, but Tiamat the Bat Queen escaped before he could kill her.

Lincoln: That won't be a problem, if anything, she'll come after us when our main mission starts, and then, she'll be finished for good.

Brittney: That's for sure.

After Lincoln destroyed Abaddon in the world of Darksiders and sent him to The Black Abyss, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Michelle Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Michelle Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the

combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Michelle, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Michelle Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Michelle Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail

bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Suddenly, Lincoln got a call.

Lincoln: Hello?

Sheila: Lincoln, it's Sheila. Listen, is Sly there along with the rest of The Cooper Clan and gang?

Sly Cooper took the call.

Sly Cooper: Yeah, we're here, Sheila, what's up?

Sheila: You guys are in for a huge treat: we just got word a notorious gangster has been sighted here in the northern part of the city, and he's amassed quite a massive fortune in stolen jewelry and he's in charge of a massive lucrative operation that deals with the shipping of illegal goods and his gang are also in charge of a massive drug operation.

Sly Cooper: Now, this is interesting. So, who's the guy's name?

Bentley: I've already done the job, Sly, the guy's name is Brian Reynolds, he's a notorious crime lord in Royal Woods and he's a ruthless serial killer. This guy is incredibly dangerous, he's killed quite a lot of people in the past.

Murray: Hey, I remember this chump, didn't Lincoln bust him and threw him in prison five years ago?

Lincoln: I did.

Sheila: Well, I did some digging around, and it turns out that even after you threw him in prison, he'd found a way to escape from prison and was hiding out an underground bunker, and he continued his operation under the police's nose. Our intel shows his massive fortune in stolen jewels is inside one of his safe houses, but he's got a lot of guards there? You up for a little jewel heist and taking down this lowlife?

Sly Cooper: (Smirks) You got it. Thanks for the intel.

Sly Cooper hangs up.

Bentley: I checked everything, and her intel is completely solid. Looks like we got a huge heist to pull off.

Sly Cooper: You got that right, Bentley.

Selena Sly Cooper: Oh man, this is going to be so awesome!

Rhiannon Ann Cooper: Just like old times.

Widelene Vega Cooper: This should be good. Say, Lincoln, you want to join in too?

Lincoln: Of course, and I also want a crack at Brian one last time.

Nico: One last time? You don't mean...?

Sly Cooper: Yep, that's exactly what he means, Brian's going to die here, it's too dangerous to keep a notorious gangster like him around, he's far beyond irredeemable and he has no remorse for the lives of those he's killed. That filthy animal, we're coming for you, Brian Reynolds!

We got a shower and clean clothes, and we headed out to the north of Gotham Royal York to steal Brian Reynolds' massive fortune of stolen jewels inside one of his safe houses, and finally, we're going after the gangster himself and we're going to end him forever.

We arrived at the safehouse of Brian Reynolds in the north of Gotham Royal York, and we took a look through a one-way mirror, and we saw it: inside's a massive fortune of stolen jewels and gold, and we saw tons of guards all over the place.

Connor Cooper: Just like what Sheila said in the call.

Marie Cooper: And this safehouse's crawling with guards all over the place.

Rioichi Cooper: Now, how to get in without alerting the guards, that's the question.

Sly Cooper: The guards are equipped with machine guns stolen from some rival gangsters along with their own supply of guns as well, and all over the place, there are security cameras and searchlights. We can't risk getting spotted, so I think using some invisibility should work.

Henriette "One-Eye" Cooper: Aye, that should work, lad.

Selena Sly Cooper: Perfect.

Sly Cooper turned himself invisible and he snuck past the guards, and he disabled the security alarms with a whack of his new staff, and we saw outside the searchlights shut off and the cameras were all disabled.

Bentley: Nice one, Sly. Now, we still got the guards.

Sly Cooper: Time to do the one thing Lincoln's done to the thugs.

Suddenly, Sly Cooper morphed the tip of his tail into Cell's stinger, and he stabbed one of the thugs in into the back and he proceeded to absorb him and he grew stronger and assimilated his massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive grey angel wings and twenty sets of large grey angel wings with black tips on the large grey feathers underneath his massive grey angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed his tail into the backs of the other thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive grey angel wings and twenty sets of large grey angel wings with black tips on the large grey feathers underneath his massive grey angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Sly Cooper: (GROWLS)

Then, when Sly Cooper was done and the stinger changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss.

Nico: (WHISTLES) I'd expect that sort of thing from you, Lincoln.

Lincoln: Yeah, but Sly really did awesome in his first time absorbing thugs.

Then, Sly Cooper reappeared.

Sly Cooper: This was indeed my first time doing so, but I really grew a lot stronger doing that to the thugs. Alright, now let's get inside.

We got inside, and Sly Cooper, Connor Cooper, Marie Cooper, Henriette "One-Eye" Cooper, Bob Cooper, Slytunkhamen Cooper I, Slytunkhamen Cooper II, Salim al-Kupar, Sir Galleth Cooper, Slaigh MacCooper, Rioichi Cooper, "Tennessee Kid" Cooper, Thaddeus Winslow Cooper III, and Otto van Cooper along with the rest of The Cooper Gang grabbed the jewels and got them sent to our vault.

Slytunkamen Cooper I: (Egyptian Accent) I haven't forgotten how good it was stealing from corrupt officials and criminals.

Sir Galleth Cooper: (British Accent) Same here.

Rioichi Cooper: It's been centuries since we'd last stolen from criminals, but we haven't lost our touch at all.

Murray: Now, to get after that chump, Brian Reynolds.

Lincoln: He fled into his underground bunker after he escaped from prison not long after getting thrown in. (Sensed vibrations) Hmm, let's see if I can pick up any vibrations on the ground.

Lincoln got to work sensing for vibrations on the ground as he walked around, and then, his eleven massive and long brown wolf tails flared up and pointed to the spot he's at and marked it with an "X".

Eli: X Marks the Spot!

Me: Awesome!

Nico: Toph taught you how to sense vibrations on the ground, right?

Lincoln: Yep, and the flaring up of my tails and pointing at the spot, that wasn't new to me at all, but all the same, now we know where Brian Reynolds is at.

Murray: Alright! Now, we can get this chump and give him a full all-out beatdown.

Bentley: Hold on, Murray, he might have some extra help.

Sly Cooper sensed it, and Bentley's right: Brian Reynolds has the help of the remnants of Sergio's thugs who switched their loyalties to Brian Reynolds.

Sly Cooper: You're right, he's got the help of the remnants of Sergio's thugs who switched their loyalties to him.

Lincoln: Figures. Well, then, hope you're ready to start absorbing them.

Sly Cooper: Oh no, Lincoln, this time, I'm not going to do that. No, we're gonna rob them blind and crack their skulls open. (CRACKS KNUCKLES)

Murray: Aw yeah! Now, that's what I'm talking about!

Then, Lincoln punched the ground hard as the ground shook with incredible force and it forced out a massive underground bunker complex along with tons of elite bodyguards and hired thugs. Then, the bunker door opened and a man with brown hair and a prison jumpsuit came out, it was convicted criminal and Royal Woods' notorious crime lord, Brian Reynolds.

Brian Reynolds: YOU! (GROWLS) I thought my guards at the warehouse got rid of you!

Sly Cooper: They didn't after I took care of them, and we took your massive fortune of stolen gems and gold.

Sly Cooper had his Sly Cooper's True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel Cane of True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel Justice in hand and transformed into Super Seraphim Archangel-Master Raccoon Thief-God-Phoenix-Harmony United Friendship Universal Eternal Celestial Xelnaga True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel Justice and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel Compassion.

Brian Reynolds: You overgrown bastard! Boys, get him!

Brian Reynolds' bodyguards tried to beat Sly Cooper up, but he bashed all of them with his cane and punched them incredibly hard in the stomach and they fell to the ground due to how strong the blows to the stomach were and his family also pickpocketed the thugs of their money while Sly Cooper got the money from the knocked out bodyguards, and this shocked Brian Reynolds.

Brian Reynolds: What the?! Just a few bashes to the head and punches to the stomach?! How could that pipsqueak grow into a big strong bruiser?! This isn't good! My business, my empire!

Then, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of Brian Reynolds' bodyguards and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and nine sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the bodyguards and thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss leaving Brian Reynolds all alone.

Brian Reynolds: Th-this can't be happening, this can't be for real!

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True

Now, this is where it ends for you.

Sly Cooper blasted him with powerful blasts of blue, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, fire, flames, lightning, darkness, raccoons, phoenixes, and angels, and he also whacked him on the head many times with his new cane, and that left the gangster in a really pissed off mood. But, before he could do anything, Sly Cooper fired blue energy blasts that formed into the canes of The Cooper Clan from 12,000 years to the present day and they beat and clobbered Brian Reynolds real hard, and finally, Sly Cooper fired a blast of blue energy from his new cane and it pierced the gangster in the chest and he was sent to The Black Abyss forever.

Sly Cooper powered down, and he also pickpocketed some loot from Brian's dead body, and he had quite a massive amount of money in his pocket.

Sly Cooper: Looks like this is the end of Brian Reynolds' empire.

Me: That's for sure.

We went back home to The World Tree Estate and continued working out in the gym.

Lincoln: I couldn't believe that Brian was living underground the whole time after he escaped from prison five years ago, he was able to evade police that easily.

Selene Arcangela: Same with us! (GROWLS) What a piece of trash!

Bentley: Yikes, I've never Selene get this angry.

Penelope: Bentley's right. Why is that?

Selena Sly Cooper: As Lincoln's Guardian Angels, we never let any bastard who tries to hurt Lincoln get away from us, but to find out Brian Reynolds escaped from us and stayed hidden underground, that pretty much pissed us off big time.

Sly Cooper: I already knew that all too well, Selena. I still remembered what happened when one of Lincoln's enemies got away, and that angered The Dark World Goth Girls, so they got back at the jerk by cursing him, and the next day, he was found dead by committing suicide.

Me: I read about that. Dang, talk about vengeful.

Nico: Big time.

We got a shower, and then, Lincoln, Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda are heading to Sirena Beach.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his new large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Spectress of Heaven's Eternity: Wow, we're here in Sirena Beach, it sure is beautiful.

Lincoln: It sure is, Spectress of Heaven's Eternity, and it's perfect for our first date, shall we?

Lincoln, Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Spectress of Heaven's Eternity: (Swooning) What a handsome and manly hunk!

Then, they had some lunch, and then, as the sun was about to set,

Lincoln made clones of himself and he and his clones went up to Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda and hugged them in their abnormally massive and powerful muscular arms, and Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Sirena Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess

Styla, and Simulator Princess Zelda on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda are now in your harem, Linky.

Simulator Farore, Simulator Din, Simulator Nayru, Oleana, Amy Winston A.K.A.. Princess Amethyst, Spectress of Heaven's Eternity, Goodgoo, Star Cat Ace Nyanbustar, Princess Styla, and Simulator Princess Zelda showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Princess Styla: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad

Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for the first ever ambassador mission of Pipp, Derpy and Anita. We were going to meet the Ultraman R/B team.

Sunset Shimmer: You guys will love meeting Katsumi and Isami Minato. They are for the Ultraman R/B team.

Camie: Cool!

Sunset Shimmer: Yep. R/B is for 2 elements. R is red and that is for Fire and B is for Blue and that is for Water.

Me: Cool! This will be awesome and fun.

Nico: Anyone else want to go with Pipp, Derpy, and Anita Jóhannsson? Besides 2 Rabbids?

Onewa: I'll go.

Bane: (Spanish Accent) So will I?

Lincoln: I'll go with you too because of Derpy's condition.

Nico: Good idea. Anyone else?

No one raised their hands.

Me: Okay then.

Nico: Lets go.

We were off!

We arrived in Japan.

Me: Always fun to be in Japan.

Pipp Petals: Oh my glitter! This is gonna be totes fun!

Derpy Hooves: It sure is!

Eli: It sure is.

Katsumi Minato: Wow it's a pleasure!

Lincoln: And I'm Lincoln Loud.

Isami Minato: The famous Lincoln Loud! We heard a lot about you.

Lincoln: Yeah. I'm here with Derpy because of her eye condition.

Me: Derpy has an eye condition that affects her coordination and she crashes into stuff.

Isami Minato: Ouch.

Rabbid gibbering.

Pipp: (sighs) And this is a Rabbid

Katsumi: Oh they are cute.

Me: They sure are.

Eli: But they aren't the brightest lightbulbs in the closet if you know what I mean.

Katsumi: I think we do.

Isami: Lets talk at our base.

Me: Okay.

Katsumi: It's Aizentech.

Me: Okay then.

Pipp Petals: Oh thank you!

Katsumi: Wow that is cool!

Me: Yep. Pipp Petals is a hair and nail stylist and also she is a great pop singer too. It's awesome. And she is the legacy of Rarity, the element of Generosity.

Asahi: I can see how and why she does all that.

Me: Yep. Also she did my hair.

I showed my rainbow hair.

Asahi: Rainbow hair is awesome for you J.D.!

Me: Thanks.

Nico: I think on Pipp's big mission, it'll also be Sunset's time to shine

Sunset Shimmer: Wow! So we'll face one of my Ambassador Mission's enemies too.

Me: Yep. As well as find the version of you from Sunny's World.

Lincoln: Too cool!

Nico: Yep

A Rabbid tried licking an empty socket

ZZZZZZZAAAAAAAAAAAAAAAPPPPPPP!

He got electrocuted!

Me: See?

Isami: I see your point.

Eli grabbed the Rabbid.

Me: But they are funny.

Anita: Yep.

Katsumi: Oh Anita I sense something inhuman about you.

Anita Johannsson: Oh I am a Tetramand gene-slammer.

Asahi: Oh one of Fourarms kind!

Anita Johannsson: That's right.

Asahi: That reminds me, I saw a girl with black wings smashing cars into pancakes all over the city.

Me: That's one of the Blackwing Eatos 12 embodiments.

Derpy Hooves: One of the Embodiments of Ben's aliens.

Nico: Which main bad guy do we have to watch out for?

Katsumi: That would be Kirisaki A.K.A. Ultraman Tregear

Me: WHOA! I remember him! He was a nasty monster.

Nico: Yeah!

He went over his history

Ultraman Tregear (ウルトラマントレギア Urutoraman Toregia), also known by his human form Kirisaki, is one of the main antagonist in Ultra Series. Tregear is a sadistic and merciless Ultra who used to be a scientist for the Land of Light, but he suddenly turned to the dark side unknowingly and began to commit mass destruction on several planets. He is the former friend of Ultraman Taro and the archenemy of Tri-Squad.

He is the overarching antagonist of Ultraman R/B and Ultraman Orb The Movie: Let Me Borrow the Power of Bonds, the main antagonist in Ultraman R/B The Movie: Select! The Crystal of Bond and Ultraman Taiga, as well as the secondary antagonist of Ultraman Taiga The Movie: New Generation Climax and a supporting antagonist in Ultra Galaxy Fight: New Generation Heroes.

He was voiced by Yuma Uchida and suit acted by Shinnosuke Ichikawa, including his human host portrayed by Kou Nanase.

As told in Ultraman Taiga Novel: Tregear's Story/Blue Shadow, in his younger days, Tregear was once a student of Ultra Elementary School who befriended his classmate Taro. The two went through several adventures together, such as trespassing into a forbidden region that later revealed to be the tomb where those who fell during Great Ultra War buried at and got into troubles with the teachers in process and stopping the outbreak of DNA-assimilating organisms born from some sort of primordial soup of life within an ancient space ship that inadvertently released while dealing Gagoze threat at Planet Tika-Du. During that time, Tregear studied topics which Land of Light never bother to explore such as night, darkness, loneliness, and fear at the library just as he himself saw his best friend as a symbol of light. Tregear also wrote a poem of Taro to express it, though his said friend thought little of it beyond seeing his talent for poetry.

Tregear's days following his graduation were not kind to him. Not only he failed to follow Taro in joining Inter Galactic Defense force, but when he joined the Bureau of Space Science and Technology instead so he could continue assist his friend and brethren, Tregear's mentor, Hikari, got resigned and left to Planet Arb out of guilt over his Life-Force Solidification invention being the cause of many attacks on the Land of Light before they could complete the device that could transform an Ultraman's particles to be taken into other creatures for multiversal travel purposes. As dismayed as he was, Tregear chose to press on and made a significant progress thanks to Taro's advice to rely on bonds through the latter's experience with humans. Eventually, once they completed and miniaturized the machine together, the two named it Taiga Spark as per Taro's suggestion. Despite such success, Taro's departure and misfortunes that followed it dismayed Tregear further to the point of inspiring him to write a poem which about him wallowing in the darkness; throughout conflicts against forces of evil, enemies of Land of Light consistently matched his people's defenses despite improvements that had been made that battles only escalate. Further disillusioned by uneventful history of Land of Light, including Hikari's fall to vengeance that made him understood his sorrow, Tregear concluded that his people's ideals were nothing more than deception, and that they fight because they have power instead of upholding justice as they believed to be, making them and those they fight against as, effectively making their ideals and enemies being two sides of the same coin. And so, he denied the position of Deputy Director of the Bureau of Space Science and Technology before departed from Land of Light.

Arriving at Planet Tutuola, Tregear found a pool of organic matter among rubbish that was managed by the Intersellar Alliance there. To ease his loneliness and finding it similar with one he and Taro encountered at Planet Tika-Du long ago, Tregear used the matter to create a slug-like life form resembling Namegon which he named Snark, which translated into "Chibisuke" on the Land of Light. Unfortunately, the creature grew large and aggressive, forcing the Ultra to exploit a bug in its DNA to force it to transform into different kinds of creatures before putting Snark out of its misery by turning it into a dying flower. Sometime after leaving the planet out of guilt, Tregear was surprised by the news of Taro naming his son Taiga, proving that Taro still cared with him and indeed named Taiga Spark after his would-be future son. However, Tregear delved further into the darkness just as his best friend and his son went on the path of light.

Throughout his long journey, Tregear's belief of light and darkness being meaningless grew through ordeals he went through. At that point, he managed to decipher the ancient writings he had encountered on Planet Tika-Du long ago, and his discovery brought him to Planet Volhes at the Milky Way. Opening the abyss in the ruins at the planet, Tregear discovered primordial chaos gods the all-powerful kaiju Grimdo comprised of within, sealed to maintain the balance in the universe. Just as Belial allowed the spirit of Alien Reiblood to merge with him and became the infamous Ultra-Reionyx he is now, Tregear allowed Grimdo to merge with him through his color timer, transforming into a fallen Ultra like Belial himself. Abandoning his identity as an Ultra, Tregear began his quest to spread chaos and discord throughout universes. Notably, it was he who bestowed Mulnau her crystal-based powers and created Reugosite, a very deadly bioweapon Rosso, Blu, and Grigio fought in the past, from a harmless Space White Blood Cell.

Tregear learned that Riku Asakura had befriended an Alien Pegassa and found it bizarre. He decided to use Gan-Q to capture Pegassa and have Riku murder him and become like Belial. He threw them both into R/B's universe and summoned Gan-Q and Bemstar to destroy Ayaka City. After he learned about how Ultraman Rosso connected with the Taro Crystal, he made Katsumi Minato his next target. Then Tregear contacted Yukio Toi to help him grasp his dream of destroying the world that he loathed. He corrupted him with the kaiju, Snake Darkness and sent him to planet Hostar 21. Tregear then approached Katsumi and showed him a scene of Mecha Gomora rampaging before he sent him to planet Hostar 21, leaving him alone with Snake Darkness.

During the battle between Rosso, Geed, and Snake Darkness, Tregear arrived at the latter's side, gaining the upper hand against the good ultras. However, the Minato siblings merge into Ultraman Groob. After the battle, it appeared that Geed slew Tregear with his Wreaking Nova, but Tregear survived it and left earth.

Tregear reappeared in Ultra Galaxy Fight: New Generation Heroes. Where he approaches Ultra Dark-Killer and the rest of the villains, requesting Dark-Killer to create more Darkness Copies of the New Generation Heroes, for the purpose of "proving" a point where Light & Dark can be viewed as one.

It is now known if it's Prior to the Series of Ultraman Taiga. But Began with Tregear confronting Ultraman Taro & the New Generation Heroes near The Land of Light and finished them off with his Trera Ultigeyser but then Tri-Squad arrived and start to strike down Tregear successfully, but then he begins to reduce them into atoms, causing their premuse defeat. Taro, in enraged, charges at Tregear and it is unknown what happened next.

Twelve years later on, Tregear made his return and is now made to becoming Ultraman Taiga's arch-nemesis and began planning to hunt him down. While he was on earth, he gained a human form by the name of Kirisaki and began calling down a kaiju named Hellberus to attack Taiga and do his bidding.

As Tregear confronts Taiga again after years. Tregear plans to break what's left in Taiga by killing everything he loves, including his host Hiroyuki, it starts by killing his Pet Guesra, Chibisuke and remorselessly killed him while Chibisuke tried to protect Taiga. In despair, Taiga attempts to fight Tregear but only to leave him to easily escape, leaving Taiga left in sadness.

After his last defeat, his body was put back together since his powers prevented him from dying. However, a portion of the monster, Grimdo was freed from him because the battle with Taiga caused the seal contain Grimdo to loosen. Unfortunately for the kaiju, the New Generation Ultras managed to re-seal Grimdo. But it costed them their ability to transform into Ultras again. Meanwhile, Tregear sent an illusion to Planet Volhes to lure out Ultraman Taro. Taro wanted to help Tregear, but Tregear informed him that Grimdo was heading for earth where Taiga was. Fearing his son's safety, Taro bolted for earth to stop Grimdo.

In the disguise of Kirisaki, Tregear waited on earth for Taro to arrive while he battled EIGS members, Homare Soya, Hikaru Raido, and Sho. Tregear revealed his true plan to them when they met. After Grimdo possessed Taro, Kirisaki vanished to meet up with his fallen friend.

The EIGS members confronted Tregear, who summoned a few kaiju to battle the New Generation Ultras after they regained their powers. After they destroyed the kaiju, the ultras tried to help Taiga turn his father back to the light until Tregear stopped them. They managed to push through Tregear however, and the latter truly came to realize that he had lost everything. This caused him to succumb to madness and despair, offering himself to Grimdo. He sacrificed his physical form to restore the kaiju to full power. While his body was gone, his essence put him in full control over the monster.

Now called Tregear-Grimdo, he overpowered all of the ultras. But Taro came up with an idea. He advised the New Generation Heroes to fuse with Taiga's Ultra Horns while he would distract Tregear-Grimdo. This allowed them to fuse into Ultraman Reiga, giving him the power to deflect Tregear-Grimdo's attacks. Finally, Reiga shot Grimdo in the eye with his Reiga Ultimant Blaster. Tregear called out to Taro in sorrow. And with that, Tregear was truly destroyed

---

When it was done we were shocked!

Eli: He is a monster!

Me: Looks like he is getting a one way trip to the Black Abyss.

Sunset Shimmer: I told them about Anti-Monitor and what he did.

Me: Good.

Eli: Yeah.

Me: Well now we know who we are facing.

Eli: Yep.

Nico: Any of your enemies present right now?

Katsumi: Well...

Then the alarm went off and we saw GRIGIO RUNNING AROUND!

A long time ago, Grigio and her brothers climbed up the Crusader's Peak of Planet O-50 to escape from the Balsas Gang and their Margodon, who were chasing them. At the top, they were given the R/B Gyros and R/B Crystals. While her brothers became Ultramen, Grigio turned into the monster Grigio Bone, and they successfully defeated the Balsas Gang.

The three siblings traveled throughout space, and eventually, the brothers obtain the Wind and Earth crystals, while Grigio obtained the Weapon Crystal, which allowed her to evolve into Grigio King. However, while her brothers received endless thanks for their heroic deeds, Grigio was always left in their shadows due to her nature as a monster.

On Planet Gion, there was a legend of a red dragon, who looks like Grigio Bone, who would destroy the world. The Zarra Tribe was under attack by Alien Egon Ciel and his two robots Barrigator No.1 and 2, but the people refused to flee because they believe the desert god will protect them. Grigio decides to become Grigio Bone to scare them into fleeing. The fleeing Zarra people encounter a Barrigator who tries to kill them, but they take up arms after seeing the child Verte do so. The combined will of the people allowed Grigio to create the Attack crystal, and evolved into Grigio Regina, who destroyed the robot. Grigio ran out of energy and reverted back to her humanoid form, and she was cared for by the people and she received thanks for the first time.

The Ring of Light of Planet O-50 gave the siblings another mission, to stop the Space White Blood Cell Leugocyte. The plan to solidify it using the Gyros fails, so the three siblings have no choice but to attack it. Leugocyte displayed terrifying power, enough to turn Grigio Regina back into King and then Bone. The fierce battle between Leugocyte, the two Ultramen and Grigio created a wormhole that brought them just outside the Earth's atmosphere.

The three warriors fought Leugocyte in space, but were overcome by its power and they crash landed onto Earth. The two Ultramen disappeared and left behind was their sister. Ultraman R/B Novel: The Blue-Eyed Girl Whose Name is Gray

Landing on Earth, Grigio Bone became a mythical monster featured in legends of Ayaka City, crashing to the Earth in a meteorite known as the Ayaka Star, along with two giants of light, 1300 years ago. It is said that people attacked him, but Grigio Bone swallowed them whole. He was given the name Grigio-sama (偶龍爾王様, Gurujio-Sama) by the locals, and Ayaka City was named after the incident.

In the present, Grigio Bone was summoned by the power of a Kaiju Crystal by Makoto Aizen. First spotted by a couple taking photos, the footage of him was dismissed by Katsumi as CGI until Isami revealed his device had detected the monster's activity as well.

Grigio Bone then reappeared the next day when he emerged from a building and decided to go on a rampage after spotting Katsumi Minato and Isami Minato looking at him. The two brothers then went into a park where they decided to distract the Kaiju to save a young boy named Kiwamu and just as they were about to be burned to death, the two brothers were given the R/B Gyro and Crystals. Katsumi and Isami then transformed into Ultraman Rosso and Blu respectively, fighting for the first time as an Ultra.

A fierce battle began in Ayaka City, with Grigio Bone fighting against Rosso and Blu who were seemingly inexperienced in battle. Blu made the first move, but Grigio Bone dodged his Jumping Kick easily and threw him back at Rosso. The Kaiju then accelerated at the duo, but Rosso stopped him with his Flame Bullet and Blu used his Water Jet for the first time as well. As the two Ultramen and Kaiju fought on, Rosso pulled up a tree from the ground and used it against the Kaiju but the Kaiju then caught it in his mouth and used Rosso as a shield against Blu's kick. Grigio Bone then unleashed his Bone Breathter on the brothers.

After a discussion, Rosso and Blu decided to switch R/B Crystals and for the first time, switched forms as well. Rosso used his Aqua

Mirror Wall to block Grigio Bone's Bone Breathter and while they were fighting, Blu launched his Fire Bullets at the Kaiju and, inadvertently, his own brother, causing the two of them to argue leading to an awkward moment with Grigio Bone which lasted until the Kaiju scared them with his roar.

Afterwards, the two brothers worked together in combat, and even with their Color Timers flashing after attacking the Kaiju with their W Kick, they didn't let up as they grabbed Grigio Bone, knocked him down, then swung him around with their Ultra Swing. The two Ultramen then encased Grigio Bone in a Splash Bomb and sent him flying with the Flame Equilix. In the end, Rosso and Blu switched back to their original forms and struck down Grigio Bone with the brothers' Flame Sphere Shoot and Aqua Stream and the Kaiju exploded in the process and Makoto reclaimed the kaiju's Kaiju Crystal in the aftermath. Beginning of Ultraman

This wasn't the end of Grigio Bone, however, as Makoto transformed into Grigio once again and went on a rampage. Isami planned on taking on Grigio bone alone but for some reason, he couldn't transform into Blu. Even Grigio seemed confused by this revelation. Just as the Kaiju was about to fry Isami, Ultraman Rosso interfered with his Flying Kick. While the two brothers were fighting, Grigio tried to get Rosso to fight him again, but when Rosso pushed him away, Grigio slapped him so hard, it left a mark. Embarrassed, Makoto reverted back to his human form.

After finding out that Isami couldn't transform because he got scared of becoming Ultraman after almost killing Kaoru, Makoto got flustered by this revelation and, without hesitation, transformed into Grigio Bone once again and once again Katsumi transformed into Rosso to take care of the kaiju. During the fight, Rosso held the upper hand at first with his R/B Sluggers, but then he went on the defensive and shielded Isami and Kaoru from Grigio's numerous Bone Breathters which left him weakened. After thinking back to his childhood and hearing inspiring words from Kaoru, Isami finally gained enough courage to regain the power to transform into Ultraman Blu once again and similar to earlier, Blu saved Rosso from Grigio with his Jumping Kick.

After both of them dodged another Bone Breathter, Rosso and Blu transformed into their Aqua and Wind forms respectfully. Blu then trapped Grigio inside a tornado and Rosso the same with a giant Splash Bomb. Blu then summoned his R/B Slugger and used the power Ultraman X 's R/B Crystal to attack Grigio with his Spark Attacker, which left Grigio stunned. The two brothers then destroyed Grigio Bone once and for all with their Flame-Aqua Hybrid Shoot.

Me: Grigio! I remember that one!

Eli: He was deadly!

Eli: Yeah!

Asahi: Also this is the monster that I got the power of Ultrawoman Grigio from.

Me: I remember that! That was awesome!

Eli: It sure was!

Nico: Let's go after him.

Me: Lets go.

We were off.

We were flying and we arrived at Mount Fuji and saw GRIGIO!

Me: There he is!

Katsumi: ULTRAMAN RED POWER!

Isami: ULTRAMAN BLUE POWER!

Asahi: GRIGIO ULTRA POWER!

They transformed and turned into ULTRAMAN ROSSO, BLU AND GRIGIO!

Me: COOL!

Eli: Awesome! Better help too. GODZILLA!

Grigio roared. But then a familiar roar was hard!

GODZILLA THEME PLAYS

Godzilla came!

Godzilla: So Grigio next. Awesome.

Eli: Lets get him.

Godzilla fired an atomic ray and blasted Grigio and numerous fiery explosions blasted out all over!

Me: Time for this!

I got out my Lord Drakkon Agito Weapon and it was an Emerald Sword and slashed him with an emerald slash!

Nico: YEAH!

Pipp got out her Agito Weapon and it was a warhammer for Jasper.

She smashed Grigio all over.

Nico: YEAH!

Derpy Hooves: Nice one!

Katsumi fired a fire blast and Isami fired a water blast and Asahi fired a wave of lightning and blasted Grigio all over.

Me: YEAH!

Derpy got out her Agito Weapon and it was a Cheese Monster Bazooka!

She aimed it at Nico.

Lincoln directed her and She fired it and blasted Grigio all over!

Nico: CHEESE!

Anita got out her Agito weapon and it was a laser blaster of Allure! She fired laser blasts and blasted Grigio.

Godzilla fired more Atomic Ray blasts and blasted Grigio all over with numerous fiery explosions.

A Rabbid hugged Grigio

But it was too big to hug.

Lincoln grabbed the Rabbid and fired lightning blasts and blsted Grigio.

Me: Okay that was funny.

But then a MASSIVE HYPER BEAM BLAST hit Grigio and exploded!

MASSIVE AND INCREDIBLE FIERY EXPLOSION!

Me: WHOA!

Nico: What was that!?

We turned and saw Gyarados!

Me: WHOA! Gyarados!

The Rabbid tried hugging Grigio again

But Lincoln stopped it.

He bit Lincoln!

CHOMP!

Lincoln: OUCH! WHY YOU LITTLE?

Nico: What is that doing here?

Me: I think I know.

Katsumi: One of Dark Gale's Gene-slammers?

Me: Yep.

I used telepathy and gasped!

Me: That's Bridgette's sister Moonfall Tsunami!

Nico: Whoa!

Onewa: Didn't expect that

Me: I'll help her out.

Nico: Okay.

I went over.

Me: Moonfall! Calm down. Bridgette wouldn't want you to be like this.

All she did was use Hyper Beam and I fired a Kamehameha Wave and the blasts collided and exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: Whoa! YEAH! I remember how tough and strong Gyarados is. But lets see how she likes this.

I fired a powerful lightning blast and electrocuted her.

I then snapped my fingers and reverted her back. She had blue hair, purple eyes, Blue angel Wings and had Gyarados in the middle of her forehead and had a blue moon and stars and Ocean Wave on her arm. I caught her and wrapped her in a blanket.

Me: There.

She woke up.

Moonfall Tsunami: (Groans) What hit me?

Me: You okay Moonfall?

Moonfall Tsunami: Huh? J.D. What happened?

Me: Long story. You were turned into a Gyarados by Dark Gale.

Moonfall Tsunami: (GASP) I remember!

She was in an aqua blue suit and injected and then she was injected and turned into blue fire and turned into Gyarados! She busted out.

FLASHBACK ENDS

Moonfall Tsunami: That was awful.

Me: I know. We're in the middle of a battle though. So lets get you new clothes.

I snapped my fingers and she got blue and aqua blue clothes and a sea dragon sword.

Moonfall Tsunami: Awesome! I look great! And I have this too.

She popped out a Sea Dragon tail surging with intense lightning from her butt.

Moonfall Tsunami: Long story. Lets help out.

She fired waves of intense lightning and blasted Grigio all over.

Me: Also we destroyed Dark Gale. So they are gone forever.

Moonfall Tsunami: Good.

Nico punched Grigio!

But then a figure came and smashed Grigio in his stomach!

It was a girl with brown hair, red eyes and black clothes and wings and had a tiara with Humongousaur on it!

Me: (GASP) Harleen Humongousaur!

Nico: WHOA! Humongousaur's embodiment!

Harleen: (GRUNTS) Thank goodness I came.

Me: Yeah no kidding.

Harleen lost control and punched Bane

POW!

SMASH!

He smashed into a tree!

Bane: That one is strong. But so am I.

He pumped Venom into himself and buffed up.

He charged at her punched her down.

I fired the antidote ray and injected her.

Onewa fired waves of rock and smashed her.

Onewa got out his Agito Weapon for KGBeast and it was a warhammer and he smashed her.

Moonfall Tsunami: Time for some lightning.

She fired waves of lightning and blasted her and the antidote took effect and her brown eyes were back to normal.

Harleen Humongousaur: (Groans) What hit me and why do I feel so numb?

Nico: Lightning?

Onewa: That's accurate

Me: Yep. Lets finish it.

Katsumi, Isami and Asahi and me and Godzilla fired waves of fire, water, lightning and energy and blasted Grigio and he exploded!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: YEAH! Grigio you have failed this world!

Nico: That is for sure!

I caught an R/B Crystal for Lava.

Me: Lava. Cool.

Moonfall Tsunami: That was awesome!

Me: It sure was. What is your role in Sonya's team?

Moonfall Tsunami: I am the water and sea master of the team and use water, storms and lightning to destroy our enemies.

Nico: Nice!

Moonfall Tsunami: Also outside the team I am a surfer and love to hang with my sister. Also I want to make Billy McLean pay for torturing my sister and her friends.

Me: Well you're too late on that. We already killed him and banished him to the black abyss. But other evil enemies like him are at large.

Moonfall Tsunami: Okay then. Heather will be good.

Me: Okay.

We later went back home.

We arrived.

May: How did it go guys?

Me: Really awesome.

We told them all about it.

Camie: WHOA! That is awesome!

Lola: YEAH!

Seashell: Way to go Pipp!

Peach Fizz: That is so awesome!

Glory: It sure is!

Flare: I think that's amazing.

Nico: Next time, Cheese, Ed the Protector, and Carter should come with.

Me: Cool!

Carter: Looking forward to it.

Me: Yep.

Our stomachs growled.

Me: Whoa we're hungry.

Lincoln: Lets head to Lynn's Table then.

Me: Okay.

We arrived at Lynn's Table and we were eating.

Sam Manson: Okay, Poromon. What do you want to talk to Lana about?

Poromon: Okay here goes. Lana, me and the mascots...

Mascots: DARE YOU TO EAT A LIFETIME SUPPLY OF CHUM!

WE GASPED!

I did a spittake!

Nico: EAT CHUM!?

May: Have Lana Eat that much chum!?

Lana: I WILL DO IT!

Me: UH OH!

Danny Phantom:...it was nice knowing you, Lana

The mascots brought out a HUGE VAT FULL OF CHUM!

Plankton: I don't think I've ever seen ANYONE eat that much chum before.

Mr. Krabs: Other than me Plankton.

Lana then begans gobbling down on the lifetime supply of chum!

SHE WAS EATING AND EATING AND EATING AND EATING AND EATING AND EATING!

Me: GO LANA GO!

Armada Starscream:...I don't believe this!

SHE REALLY ATE IT ALL!

SHE ATE THE WHOLE VAT DRY AND CLEAN!

She was full and fat!

Lana: (LOUD BELCH!)

Me: She did it!

Then some of us HURLED OUR GUTS OUT ALL OVER THE JERKS AND THREW UP IN THEIR MOUTHS AND ALL OVER THEM!

Nico: YUCK! OH SICK!

Lana: AHHH! THAT WAS GREAT!

Mascots: HORRAY FOR THE CHUM EATING CHAMPION!

Plankton: That is one amazing girl that loves chum!

Mr. Krabs: (LAUGHS) You got that right Plankton!

Jetfire: That was a crazy dare!

Me: But for Lana it was no problem.

Lana: Yep.

Nico: I agree.

Qin: Yeah!

Me: Better than having her eat all that gross stuff with the Jeeves Weevil.

Jetfire: That is true.

Grave Clobber:...never do that dare again!

Poromon: No promises.

We later paid for the food and went back home.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before the next mission starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you,

Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Me: Yep.

But the Lincoln's Ghost sense and Danny's Ghost sense went off and we saw all the Ghosts of the Masters of Evil appear.

Me: UH OH! What are you guys doing here?/

Box Ghost: We got big trouble!

Undergrowth: It's not good!

Vortex: Yeah! We have huge trouble! We fled from the Ghost Zone because we're under attack!

Eddy: You guys are powerful ghosts. What's got you so spooked? (laughs) See what I did there?

Me: Okay that was a good one. But yeah.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: to our anger, it was none other than our old enemy, Pariah Dark, The King of Ghosts, he's come back from the dead and he wants revenge on us. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: YOU'VE GOT TO BE FUCKING KIDDING!

Eli: Who on Earth was that?!

Me: I think I know why all the Ghosts of the Ghost Zone are here!

Lincoln: An old enemy of ours and Danny's, and this was after Nico and his family first moved here.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Me: WE GOT HUGE TROUBLE! Hence why everyone in the Ghost Zone is here!

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: to our anger, it was none other than our old enemy, Pariah Dark, The King of Ghosts, he's come back from the dead and he wants revenge on us.

EVERYONE GASPED!

Danny Phantom: What?! Pariah Dark's back?!

Sam Manson: Anti-Monitor was no doubt behind that alright.

Tucker: That's for sure.

May: I thought we'd never have to deal with him again!

Maria: That's for sure. Damn, so now he's back for revenge.

Lincoln: That he is.

Nico: We're not going to let that happen, this time, we're destroying him once and for all.

Lincoln: Awesome, and I've actually got a little something to show you guys.

Twilight Sparkle: You all mentioned him before. Who is Pariah Dark?

Me: He's the King of Ghosts and we battled him in 2018.

I went over his history.

Pariah Dark is the overarching antagonist of the Nickelodeon TV series Danny Phantom, appearing as the main antagonist of the TV special Reign Storm. He is the king of all ghosts in the Ghost Zone and perhaps the most powerful Danny Phantom villain in the series (next to Dark Danny).

He was voiced by Brian Cox, who also played Hannibal Lecktor in Manhunter, Killearn in Rob Roy, Hermann Goering in Nuremberg, Ward Abbott in the Jason Bourne film series, Dark Yabu in Vexx, William Stryker in X2: X-Men United, Lionel Starkweather in Manhunt, Agamemnon in Troy, Scolar Visari in Killzone, General Hemmer in Battle for Terra, Mr. Kreeg in Trick 'r Treat, Jack Denham in Syndicate, Conrad in Bob the Builder, Logan Roy in Succession, Kostas Becker in The Simpsons and Niander Wallace, Sr. in Blade Runner: Black Lotus.

The king of the Ghost Zone, Pariah Dark ruled the dimension with an iron fist with the Fright Knight as his chief servant. None dared rise against him due to the seemingly limitless power granted to him by the two items in his possession, the Ring of Rage and the Crown of Fire. However, a group of ancient ghosts joined forces and led by a female ghost named Misery Vex, in a last ditch effort to defeat Pariah Dark and succeeded in sealing away the Fright Knight, before taking the Ring of Rage from him and sealed him away in the Sarcophagus of Forever Sleep. His kingdom was destroyed, with the exception of his castle so as to ensure Pariah Dark remained dormant.

However, Vlad Plasmius inadvertently freed Pariah Dark in an attempt to get his Crown of Fire and the ghost king drove him off. However, he soon learned that the half-ghost had his Ring of Rage and angrily ordered his army of skeletons and the Fright Knight to find it. His presence forced the entire Ghost Zone population to flee the Ghost Zone as he was beginning to destroy their homes forcing them to hide in Amity Park. Vlad gave Valerie Gray the ring to keep safe and soon enough, Pariah Dark's army descended upon Amity Park causing widespread chaos and panic forcing Jack and Maddie Fenton to activate a ghost shield to protect Amity Park from the ghost kings army rampage as they search for the Ring of Rage. Later, as Danny, Vlad and Valerie all team up to fight of the ghost king's army, the Fright Knight drove his sword into the ground, claiming the town for the ghost king and surrounding Amity Park in a ghostly shield. Its removal was a "signal of doom", a sign of surrender that would mean the people had given up the town to Pariah Dark.

Later during a fight between Danny and Vlad, Danny removed the sword, not knowing this, and Amity Park was sent to the Ghost Zone and also causing the ghost king's army to resume their rampage. After that Pariah Dark and the Fright Knight appear and the former forces the two to surrender by forcing them to change back into their human forms much to Pariah's shock who was surprised that Danny and Vlad were half-ghosts. Eventually the Fright Knight realized that Valerie had the Ring of Rage and ordered her to give it back to Pariah, but she manages to bought some time by firing it away on a missile forcing the ghost king to go retrieve it and Valerie escapes with the unconscious Danny and Vlad with the Fright Knight in pursuit although she manages to get into the ghost shield safely. Pariah Dark eventually got his ring back and began planning for further conquest, but Danny, aided by his ghostly enemies (who all help him fight off the ghost king's army) and his father's experimental ecto-skeleton armored suit, fought his way into the ghost king's castle. Pariah Dark and Danny faced off, but the half-ghost started running out of energy due to the suit's unstable qualities. However, he managed to knock off the ghost king's Crown of Fire and throw Pariah Dark back into the Sarcophagus of Forever Sleep. Vlad succeeded in locking the sarcophagus, imprisoning the ghost king once more, ending his reign of terror and returning everything back to normal.

Pariah Dark was mentioned and seen in a sketch depicting Danny defeating him in "Infinite Realms" where Frostbite and his people respect Danny as the "Savior of the Ghost Zone" for defeating Pariah Dark, implying the ghost king had threatened the Realm of the Far Frozen at one point.

Pariah Dark makes a cameo in the series finale "Phantom Planet" in which he is seen amongst the countless of ghosts ganging up on Danny despite supposedly still sealed away in the Sarcophagus of Forever Sleep. It can be implied that Danny freed him only to capture him in the ghost net as he needs them to help him save the planet (and the Ghost Zone) from the Disasteroid

---

When I was done EVERYONE was shocked and horrified!

Twilight Sparkle: HE'S THAT powerful!?

Camie: WHOA!

Nico: Yep. I was starting out as second in command of the team when we battled him the first time.

Me: We weren't nearly as powerful back then as we are now. We've gotten infinitely more powerful since then.

Sougo: Okay, confession time. That's kind of why me and Geiz asked about Pariah Dark's powers earlier

Me: I knew it was gonna happen one day.

Danny Phantom: Yeah.

I went to the computer and looked at where Amity Park is and saw that IT WAS GONE!

Me: WHOA! Amity Park is gone!

Nico: Its probably been pulled into the Ghost Zone.

I looked at the Ghost Zone probe and SURE ENOUGH, it was in the Ghost Zone.

They had the Ghost Shield at maximum power.

Me: I don't think that Ghost Shield is gonna hold off all of Pariah Dark's forces for long.

Nico: We better get in there and hold them off.

Vortex: We'll help you.

Camie: Great.

Vortex: Also it's my turn anyway.

Me: This will be just like it was back in 2018.

The previous group came.

Whiteout: Can me, Firefly, Plastique, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane and Vortex go with you guys?

Nico: Sure guys.

Me: We're going to need all the help we can get for this one.

Nico: Yeah.

Cheetah: Nico, which Gene Slammer do you think you'll meet next?

Nico: Judge Man next.

Me: Nice! Oh and Nico I invited some guests for this one.

In came the Gotchard Riders

Houtaro Ichinose: Awesome to meet you all.

Nico: Houtaro Ichinose and the Gotchard Riders. An honor to have you all with us.

Rinne Kudo: Same here.

Supana Kurogane: We'll gladly help you with this.

But, then, we saw the massive 9'6" massive, wide, double-edged gold blade glow with green light, but it didn't hurt Danny Phantom.

Danny Phantom: You had Ecto-Ranium infused into your greatsword.

Lincoln: Yep, and I also didn't say this, but I also have Ecto-Ranium Immunity long before I became Lincoln Phantom.

DANNY'S JAW DROPPED TO THE FLOOR!

CLANG!

I closed his jaw!

Sam Manson: Wait, you had Ecto-Ranium Immunity long before you became Lincoln Phantom? Oh, we have got to hear about this one day.

Sly Cooper: Same here. Anyways, where's Pariah Dark at, Lincoln?

Lincoln: He's in The Ghost Zone, and he's rebuilt his castle.

Me: Where it all began all those years ago.

Nico: And where it will all end. Alright, team, let's go, this is the last time we ever have to deal with Pariah Dark.

Lincoln: The King of Ghosts' reign ends here and now, and an eternity in The Black Abyss awaits him and his army.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye, his cutie mark tattoo on his back, the eyes on the shoulder blades of his massive angel wings and eleven sets of large white angel wings underneath his massive angel wings, and Thunderbolt cutie mark with circle of surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, as we sensed a massive dark energy signal with our eyes and the Force, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Tiamat the Dusk Queen from Darksiders, and she's come here to destroy us. When we saw it, we knew it meant trouble.

Lincoln: So, you're finally on the move.

Me: Lincoln, was that?!

Lincoln: Yep, just as I thought, it's Tiamat the Dusk Queen from Darksiders, and she's come here to destroy us.

Janna Shannon: Now, we can finally get rid of her forever.

Lincoln: That's right.

Eli: I can't believe she cheated death after you tore one of the Five Hearts of The Archangels out of her.

Lincoln: She should've never cheated death, but now, she's about to experience absolute pain when we fight her after we get rid of Pariah Dark once and for all.

Me: We've also got tons of Ecto-Ranium weapons ready for battle as well.

Nico: Especially since he has his army with him as well and they're going to put up a fierce fight. Alright, team, let's go, we're heading to Pariah's Keep in The Ghost Zone for one last showdown with The King of Ghosts.

Lincoln: Pariah Dark's time is done, his tyranny shall end here and now, but this time for good, and once we get done with Pariah Dark forever, you better be prepared for one final battle, Tiamat, this shall be our final battle!

Janna Shannon: The suffering you've caused to so many innocent souls can never be forgiven, you will be erased from history and reality forever, Tiamat.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to The Ghost Zone to attack Pariah's Keep in one final showdown with Pariah Dark, The King of Ghosts, and once we get done with him forever, Lincoln and Janna Shannon are going to destroy Tiamat, The Dusk Queen and one of The Chosen from Darksiders and Lincoln's going to end her once and for all and send her to join The Destroyer and the rest of The Chosen in The

Black Abyss.

We were off to the Ghost Zone!

We flew around the Ghost Zone.

Me: Been a long time since we were here in the Ghost Zone.

Nico: I know.

Gearhead: Which vehicles can I use around here?

Me: I don't think there are any vehicles here.

Johnny 13: We mostly fly.

Gearhead: You're right.

Me: Better call Roxy Rocket for this.

Nico: Good idea.

We did so.

Roxy came.

Roxy Rocket arrived.

Roxy Rocket: I'm here.

Houtaro Ichinose: It's truly an honor to help you all.

Me: We're glad you can come with to help us Houtaro. Sorry we had to pull you away in the middle of your adventures but this was important.

Houtaro Ichinose: I heard because of the riders Hitotsuki.

Nico: Yeah.

Bruiser Cruiser: I can't believe this happened again!

Me: Well at least it wasn't Dark Danny.

Bruiser Cruiser: That is true.

Camie: I agree.

Houtaro Ichinose: That is amazing that you guys battled him before.

Me: Well while we're flying we might as well tell you all what happened back then.

Nico: Right you guys need to hear it.

Camie: Sure.

I went over what happened in chapter 474 of Loud House Revamped.

When it was done everyone was shocked!

Twilight Sparkle: WOW!

Rainbow Dash: That is awesome!

Me: It sure is.

Trickster: How'd he pull this off again?

Me: Anti-Monitor must've released him from the Sarcophagus of Forever Sleep.

Danny Phantom: That could be it.

Camie: Oh boy.

Me: There!

We saw Amity Park in the Ghost Zone protected by a Ghost Shield Dome.

Danny: Long as that shield's up, no hostiles can get in. But...

Jindrax: Lemme guess, we can't get out, right?

Me: That's right. But we'll be safe as long as we stick together.

Eli: We got to destroy Pariah Dark to get them back to Earth.

Camie: Yep.

Me: And I know where his castle is.

Firefly: I hope the population isn't panicking

Danny Phantom: Mom and dad are doing a good job of keeping everyone calm.

Me: That's good. Because it's up to us to make sure they get back.

Houtaro Ichinose: That is for sure.

Roxy Rocket: Yeah. And the Akuma can't be far behind.

Me: Look!

We saw on an island that a BUNCH OF GHOSTS were frozen solid in ice!

Me: WHOA! These ghosts are frozen solid!

Qin: GEEZ!

Lincoln: I know what did this! It's Danny Phantom's Akuma, Cryoghost! The Hypothetical Akuma of Danny Phantom and he is a master of ghosts and extreme cold at -459.67˚ Fahrenheit. He has all of Danny Phantom's powers and all the powers of extreme cold. He was made because of Dark Danny killing all his friends and family and vowed to kill him and make that monster pay for his crimes

WE GASPED!

Lincoln showed us a sketch and it was a ghost enveloped in a blue aura of extreme cold!

Nico: WHOA! He is REALLY Cold!

Nicole: No kidding!

Qin: Lets take care of him first.

Ashi: We could fight Pariah Dark with a Ghost Blade

Me: That works.

Eli: Cryoghost is there!

We saw a figure ahead and it was CRYOGHOST!

Me: WHOA! You are INTENSELY cold!

Cryoghost: I know. I get that a lot.

Cad Bane: Danny? IS that you?

Cryoghost: Yes it's me.

Me: I've heard of ghosts sending shivers down your spine but this is too much Danny. Even for you.

Cryoghost: I know. Where is Dark Danny?

Nico: Dead. We killed him.

Me: Long story.

Nico: He loved being bad and it made him happy.

Me: (GROWLS) I HATE THAT LINE!

Cryoghost: I can see why..

Scrap Shooter: You gotta calm down, see!

Cryoghost: Then thaw me out.

Me: Gladly.

I fired waves of fire and blasted him and steam came off him.

Roxy Rocket bashed and smashed him all over.

Vortex: Like old times.

He fired waves of lightning at Cryoghost and blasted him all over.

Nico: YEAH!

Cryoghost: My turn.

He fired a wave of ice and I fired a massive blast of fire and the blasts collided and huge clouds of steam came off. Then I fired more fire and blasted him down and knocked him down.

Me: The heat is on.

Vortex: Oh, just like old times!

Me: Yep it sure is.

Nico: Now lets go after Pariah.

Camie: Yeah!

Vice: (to Vortex) I bet you enjoyed that

Vortex: Yep I sure did.

Qin: Yeah!

Eli: Lets go after Pariah now guys.

Nico: Right.

Danny: His castle is over there.

We saw the castle of Pariah Dark and it was on a far away island.

Me: There it is. Just like old times.

Nico: If any hostiles get in our way, we blast them.

Loki: Guys?

We saw some of Pariah's minions looking at us from up ahead!

Me: We got company.

I fired waves of energy and blasted them all over.

Qin: Take that!

Nico: Lets go. Entrance time.

We went at them.

Pariah Dark and his minions were getting ready! THERE WERE THOUSANDS AND THOUSANDS OF MINIONS!

Then the spirits of darkness appeared and swirled around them and then converged and then...

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and we went out!

Nico: CHARGE!

Lily sounded the charge horn and we flew in and fired energy blasts, lasers, and elemental blasts at the soldiers. We drew our weapons and a major clash and fight began. Massive explosions of different elements and powers blew apart the land. Dora fired a fire blast and burned them in her dragon form. Carol fired atomic rays and gravity lightning and micro-oxygen rays at them and blew them apart in fiery explosions that turned part of the land into a huge sea of fire. Ember fired energy blasts from her guitar and threw blue fire hair blasts. Ben turned into Big Chill!

Ben: BIG CHILL!

He and Chione went intangible and phased through the soldiers and froze them in ice. Chione fired a huge blast of endothermic ice fire and froze them. Xion and Sora fired light blasts from their Keyblades and blew some of them apart. Aqua, Terra and Ventus fired a huge blast of lightning and blew them apart. Cyclops fired laser visor blasts, storm fired lightning and tornado blasts, Beast and Wolverine slashed them, Jubilee and Ronnie Anne fired fireworks streams, Angel flew in and bashed some of their heads off, The Skylanders fired all their attacks and fought them, It was a massive and brutal assault that shook the entirety of the Ghost Zone to the core.

Skulker and Technus then fused together. They became SKULLTECH!

Technus: Now we as Skulltech will destroy you!

They fired energy lasers and missiles at the soldiers.

Nico fired a powerful blast of fire at the soldiers and burned them real bad and they disintegrated into ashes.

It was an extremely savage and brutal onslaught and the kill count was continuing to rise at an accelerated rate. Laney wrapped up the soldiers in her plant powers and slammed them into the ground. Rachel fired sound blasts at the soldiers and blew them away. The Lantern Corps fired Yellow, Green, Blue and Indigo light blasts at the soldiers and blew them apart. The Kids Next Door and the Teens Next Door fired laser blasts and blew them apart.

We landed and we faced PARIAH DARK!

Me: Long time no punch Pariah Dark!

Pariah Dark: J.D. Knudson. Been a while child. How long has it been?

Me: 6 years.

Pariah Dark: You and everyone have grown.

Me: Not just in appearance but power as well!

Nico: That's right!

Killer Frost: I thought Callie drained your powers!

Pariah Dark: Thanks to Master Anti Monitor, I was able to regain my full strength!

Me: I knew it was his handiwork!

Qin: Yeah!

Me: I always knew you'd one day return here, Pariah Dark.

Nico: Showing up again after we destroyed you 6 years ago, you just don't know when to quit, do you?!

Danny Phantom: And Anti-Monitor has some nerve bringing you back from the dead to destroy us once more, and for that, we're taking you down once and for all.

Pariah Dark: We shall see about that, child.

Suddenly, Pariah Dark's skeleton army appeared and came after us, but Lincoln fired powerful blasts of ecto-energy and ecto-fire, ecto-lightning, and ecto-ice at them and knocked them down and they shattered into pieces. But, then, more of them appeared and came after us once more.

Me: There's more of them coming.

But, then, we saw the massive 9'6" massive, wide, double-edged gold blade glow with green light as the Ecto-Ranium compounds reacted, and he slashed wildly at the ghosts and they were really hurt bad, and the Ecto-Ranium was that powerful, the ghosts dissolved into ectoplasm and was absorbed into Lincoln as he holstered his massive greatsword on his back.

Pariah Dark: It seems you've gotten more powerful than last time. (Smirks) But that shall not stop me, and I still have more men to spare.

Suddenly, more of Pariah Dark's army appeared out of nowhere and they went at us.

Caleb Maxwell: Then, the last of your army better be ready to spend an eternity in The Netherworld.

Suddenly, Caleb Maxwell loosened his grip on his twin guns and they dropped down and were left suspended almost touching the ground. Then, he clenched his hands real tight, and we saw blood coming out of his palms and fingers, and it formed a pool of blood behind him, and the rest of us flew into the air.

SILENT HILL 2006 MOVIE OST: EVIL AWAKENS

Suddenly, the pool of blood began acting up as we felt a dark force awakening from within the pool of blood as Caleb Maxwell rose up into the air.

Caleb Maxwell: Your fate is sealed, Pariah Dark (ECHOING VOICE) Gods and Goddesses of Darkness, heed my prayer, I offer to you the souls of the armies of Pariah Dark as sacrifices for you to enslave and make into your loyal servants for all eternity!

Then, we saw a multitude of demonic hands made of pure darkness emerge from the pool of blood as a massive geyser of blood erupted and it started raining blood.

Then, as Caleb Maxwell landed back onto the ground, he then nodded to the great demon hands as they proceeded to attack and grab the armies of Pariah Dark.

Nico: Oh crap, what did he just unleash?!

Suddenly, we saw red energy being pulled out of the armies of Pariah Dark and it went right into the pool of blood: we then saw the faces in the balls of red energy and found out they were the souls of the armies of Pariah Dark. The demonic hands were pulling out the souls of Pariah Dark's army and sending it to The Underworld to be enslaved by The Gods and Goddesses of Darkness, and the ghost army turned to ectoplasm as the portal closed forever and we descended.

Pariah Dark: (To Caleb Maxwell) Y-you, what kind of human, no, what kind of unholy demon are you?

Suddenly, Caleb Maxwell's twin guns returned to his hands as we landed.

Lincoln: I can't believe what Caleb did, he just scared the daylights out of Pariah Dark.

Nico: And he sacrificed the souls of Pariah Dark's army to The Gods and Goddesses of Darkness.

Me: Talk about scary to the extreme.

Lola: Yeah!

I teleported and punched Pariah Dark all over and kicked him in his face!

I knocked him down.

Molten Man: Feel the heat, asshole!

He fired waves of lava and drenched him.

I fired energy blasts and Pariah fired red energy blasts and the blasts collided and my blasts overtook is and blasted him down.

Lincoln fired waves of lightning and Linka fired waves of lightning and blasted him.

Camie fired waves of aurora energy and blasted him.

Swift Foot: Have of this!

She blasted him all over.

I fired waves of lightning and Nico fired fire blasts and blasted him.

Pariah Dark: YOU ALL HAVE Gotten stronger! How?

Me: The wonders of training and battling NUMEROUS enemies out to destroy us!

More soldiers came at us.

Lincoln and Static fired lightning at them. Permafrost froze them in ice and shattered them. Francis fired fire blasts, Teresa fired sonic blasts, Venom and Clayface pulverized them into dust. Breach used her portals and beamed them into the Sun. Rex built a powerful sword and slashed them. Cricket jumped onto the soldiers and pounded them. Sonia, Rocky and Kathy helped beat the soldiers in their monster forms and the Were-Shark girls were chomping them. It was all an extremely fierce, savage and relentless onslaught.

Ghost: I may not be a traditional ghost. But I can still make this work!

Ghost flew and smashed and pulverized Pariah Dark all over.

I fired waves of energy and blasted him.

Lola: Taste fire!

She fired waves of fire and blasted him.

Vlad Plasmius fired waves of energy and blasted him all over.

Fright Knight blasted him with energy.

Thorax: What to turn into?

He turned into Dormammu from Spiderman the Animated Series and blasted him all over.

Nico: Nice one!

Me: Yeah!

Plastique: Time to blow you up!

She fired waves of explosive blasts and blasted him all over.

Nico fired massive energy blasts and blasted him all over.

More soldiers came and Lana belched and her CHUM STENCH BREATH DISINTEGRATED THEM!

Lana: Awesome!

Gastly charged at him and blasted him with Nightshade.

Nico: YEAH!

Moonfall Tsunami: Like old times sis?

Bridgette: Lets do it!

Moonfall Tsunami and Bridgette: SURFING TSUNAMI BLAST!

They fired waves of energy and water and blasted him all over.

Then Firefly, Plastique, Whiteout, Ghost, Gearhead, Molten Man, Trickster, Loki, Cad Bane and Vortex charged and bashed and pulverized him.

Lincoln, Danny Phantom, Crash Bandicoot, Red Savarin, Von Lycaon, Nico, and I and the rest of us went after Pariah Dark, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, colored energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Animals, and Mythological Animals at Pariah Dark and they exploded with incredible power as they hit him.

Lori: (Spots The Monitor Orb in Pariah Dark's forehead) There's the Monitor Orb. If you would, Lincoln.

Lincoln fired rainbow, white, golden yellow, and blue energy blasts from his left hand and the smaller planets orbiting around his fingers like rings, and they hit the Monitor Orb embedded in Pariah Dark's forehead, and not only did we gain a massive power boost, but he screamed in agonizing pain as he clutched his head in pain.

Eli: That'll teach you, bastard.

Lincoln and the girls fired waves of Ecto energy and elemental forces that turned into said ghost weapons and ghost elemental attacks that hit Pariah Dark and exploded with incredible power!

Roxy Rocket: Time for us to kill you permanently!

Roxy blasted and smashed him.

Lincoln and his harem: Now, for the grand finale, we've had it up to hear with you, Pariah Dark! This is where your life ends here and now! GHOST FINAL SMASH: ECTO BLAST!

Lincoln and his harem fire a massive barrage of Ecto Ki blasts that hit Pariah Dark and exploded with incredible power!

Then, Lincoln ran at Pariah Dark with superhuman speed and raised his massive greatsword, and...!

SHEEN!

Lincoln ran Pariah Dark through the chest with his massive greatsword and he began sucking out and absorbing Pariah Dark's powers of Intangibility, Invisibility, Flight, and Overshadowing, Ghost Ray, Supernatural Speed, Supernatural Strength, Supernatural Endurance, Immortality, Supernatural Stamina, Teleportation, Conjuration, Voice Projection, Spectral Body Manipulation, Size Alteration, Telekinesis, and Pyrokinesis.

Then, the Ecto-Ranium infused into Lincoln's massive greatsword began taking effect as Pariah Dark screamed in agonizing pain as he also began absorbing the ectoplasm from Pariah Dark, but there's also another effect: Lincoln also added his poisonous blood to his blade as well, and it caused Pariah Dark to scream in more pain as he began turning to dust, and he was sent to The Black Abyss forever.

ALL OF AMITY PARK AND US WERE BACK ON EARTH!

We cheered as we holstered our weapons and we powered down and we returned back home.

Nico: Your reign ends here and now, Pariah Dark.

Me: You will never hurt anyone ever again.

Lincoln: You've lived for too long, and now, this is where your life ends forever. Now, there's one last thing to do and one last loose end to tie up: Tiamat The Dusk Queen.

Lincoln formed a massive and indestructible diamond barrier infused with absorption energy that protected all of us from a sudden barrage of fireballs and the fireballs were absorbed into us and it made us even stronger than ever.

Lincoln: Blasts of fire, I should've known. (Caught the scent of blood) And there's no mistaking the scent of blood from anywhere, you better get out here right now, Tiamat.

A demonic figure appeared, it was Tiamat the Dusk Queen from Darksiders.

Lincoln: I knew you'd show up here once more, but to find out you cheated death after I tore out the Heart of The Archangel placed inside your flesh by Morgana, you really don't know when to give up.

Tiamat: I will destroy you for what you did to my fellow Chosen and to The Destroyer! Heaven would have finally fallen under Hell's control if you hadn't arrived!

Janna Shannon: You still think you had a chance at victory? Afraid that wasn't going to happen at all, now it's time we end this.

Suddenly, Janna Shannon's blue eyes turned neon blue and she was surrounded by a red and pink, white, golden yellow, and blue energy aura with stars, aura energy, white and blue heavenly flames, wind, reality, phoenixes, and angels, she unholstered her massive greatsword, and as she approached Tiamat, she left red and pink, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, wind, reality, phoenixes, and angels with every step.

Janna Shannon: We made sure Abaddon paid for what he did in breaking the seals, triggering the premature Apocalypse, and causing the death of The Kingdom of Man, and we also got rid of your fellow Chosen along with your master and his loyal cohorts except for Samael and we also took care of The Charred Council for letting humanity be destroyed and framing War. Now, it's your turn to pay, Tiamat.

Lincoln, Janna Shannon, Nico, and I went after Tiamat, and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, red and pink, ice blue, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Tiamat, and they exploded with incredible power as they hit her.

Then, we attacked her with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his two massive greatswords and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Janna Shannon did the same by firing red and pink, white, golden yellow, and blue energy slashes from her gold-armored dragon claws and her massive greatsword, and Lincoln, Janna Shannon, Nico, and I attacked her hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and this was making Tiamat even more angrier than ever.

Suddenly, Lincoln's massive white angel wings and eleven other sets of large white angel wings underneath his massive angel wings spread out even more as a gold intricate halo made of gold light appeared above his head along with three sets of gold chains around the gold light halo and formed into a purifying field that hit Tiamat, and we found ourselves in Heaven.

Then, Lincoln's massive white angel wings and eleven sets of large white angel wings underneath his massive angel wings fired chains of gold energy that bound Tiamat.

Then, Lincoln charged and smashed his rainbow energy infused left fist into Tiamat's stomach and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind her, then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 9'6" massive, wide, double-edged gold blade of his massive greatsword.

We cheered wildly as we holstered our weapons and powered down and Janna Shannon's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long red wolf tails, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large red and pink planets orbiting around her legs, twenty-five smaller red and pink planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized red and pink planets orbiting around her wrists and ankles, and massive red angel wings and eleven sets of large red angel wings underneath her massive purple angel wings are permanent.

Janna Shannon: It's over for you, Tiamat, now rot in The Black Abyss forever, along with the rest of your fallen brethren. Thanks for helping me get rid of Tiamat, Lincoln, you too, J.D. and Nico.

Lincoln: (Smiles Warmly) You're welcome, Janna

Me and Nico: Our pleasure, Janna.

Suddenly, Janna Shannon wrapped her arms around Lincoln's waist, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Janna Shannon's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, and The Battlewasp Fusion Duel Monsters flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Janna Shannon sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Lincoln: Abaddon is finally gone along with the demon army that he gathered along with The Demon Lords he brought into his world.

Me: What he did can never ever be forgiven, and he paid the price for his betrayal. So, Lincoln, who's the next Abyss Actor Gene-Slammer and Avatar we're meeting on your rescue tomorrow?

Suddenly, we saw a wave of darkness appear before us, and a theater stage appeared out of nowhere and a miniature version of Abyss Actor - Sassy Rookie appeared as the spotlight shined on it.

Lincoln: I know just the person whom we're meeting tomorrow for my rescue: Aurora Balthazar, Gene-Slammer and Avatar of Abyss Actor - Sassy Rookie.

Selene Arcangela: I knew that was her, and you guys are going to love meeting her, Aurora Balthazar, Gene-Slammer and Avatar of Abyss Actor - Sassy Rookie, is Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Aurora Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Aurora Balthazar really hates Lola with a blazing passion, and she also knew how to bring down the actions of that rampaging pageant monster, and all it took was one really planned out performance from Aurora, and not only was Lola done for, but she always winds up getting a severe telling off in front of an audience of imps, fiends, and demons she summons and they all laugh and she runs out of the auditorium humiliated to the extreme and into the hands of her really angry siblings and she winds up in big trouble.

Nico: Oof.

Me: Lola really went way too far in trying to hurt Lincoln, and she got a taste of her own medicine thanks to her

Lincoln: Yep, and she directed the payback plays we'd done to my enemies including the five mean sisters.

Billy Numerous: That ends the reign of Pariah Dark.

Me: And his reign of terror.

Deker: And Amity Park is back where it belongs.

Vexen: It sure is.

Nico: Good riddance.

Mummy: Where should we celebrate?

Diabolico: Nasty Burger anyone?

Nico: I'm in. Good job today everyone.

Danny Phantom: (To the viewers) This was an awesome adventure.

Me: No kidding!

Qin: Yep.

We went to the Nasty Burger and had a great meal.

We later went home.

Soon, night fell on the city, and Lincoln was in his room as he looked out into the city.

Lincoln: It's finally over, Abaddon is gone along with The Chosen and the Dark Lord and Lilith and The Seven Deadly Sins except Samael, but the world of Darksiders has completely fallen into ruin, and not even the passage of time would heal the wounds Abaddon inflicted. His desire to destroy The Dark Kingdom destroyed every last bit of reason in him, he betrayed Heaven, destroyed six of The Seven Seals which triggered the premature End War, and that led to Hell conquering Earth and The Kingdom of Man was destroyed and being driven mad when he went to The Tree of Knowledge after he was reborn as The Destroyer made him even worse, he deserved to be put down.

Then, Lily the Mermaid and his harem appeared on his really extra large expanding bed in only bras and panties. Lily the Mermaid went to Lincoln as he turned to her.

Lily the Mermaid: (Rubs Lincoln's massive pecs) You did what had to be done, Linky. What that fallen Archangel did could not be forgiven, and he had to be stopped, and you were right to stop him and end him and the demons that he gathered together.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and we felt Lincoln gain another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force.

Then, Lincoln suddenly grabbed Lily the Mermaid bridal style and placed her on the bed with him on top of her, but she also saw his eyes turn from deep sapphire blue to deep blood red: the effects of The Mark of The Incubi have taken hold of him.

Lincoln: I know, and tomorrow's the day of yours, Lightning Dust, and Lena Mack's big day, Zipp Storm.

Zipp Storm: You said it, but of course, this also means we're not only dealing with Giga Basark, but there's also...!

Lincoln: The Storm King. Those two are going straight to The Black Abyss, that's for sure, and we'll make sure he dies here and now. (Smirks) Now, then.

Lincoln used one of his eleven massive and long brown wolf tails to push the door shut and the barrier activated, but it also turned a deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

We went to sleep

Meanwhile, in Japan was the Ultraman Max team, and they were getting ready for our arrival.

Kaito Touma: I'm ready for this. This will be so awesome to see Zipp, Lightning Dust and Lena. I am ready for some fun. Lets do it! ULTRAMAN MAX!

He turned into Ultraman Max and went at the screen and it froze.

For Lincoln's rescue tomorrow, Lincoln and his group are heading to Prague, but we are in for one very dangerous battle, we're going to face an extremely dangerous enemy of Lincoln's past and she was one of the most extremely dangerous and evil monsters ever to live, her name is Malaria Nikolai, she's a real nasty piece of work: she was an extremely dangerous and evil monster bitch who terrorized a lot of people who got in her way, and even worse, she'd murdered hundreds of thousands of her victims and even bathed in their blood. That disgusted Lincoln really badly and he took her down six years ago and sent her to prison, and after she was convicted for her crimes, that monster was sentenced to death.

But, now two years later, we got word Malaria Nikolai has escaped from prison, and she really wants revenge on Lincoln and she's on another murderous rampage killing more people in Prague. But, that ends here, we're going to kill her and Lincoln's going to tear her apart by ripping her arms and legs off and tearing her head off and impaling her arms, legs, torso, and head on stakes and send her evil spirit to The Black Abyss, and we're going to meet the next Abyss Actor Gene-Slammer and Avatar, her name is Aurora Balthazar, Gene-Slammer and Avatar of Abyss Actor - Sassy Rookie, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. See you all next time.

ULTRAMAN MAX POWER

BUCKLE YOUR SEATBELTS EVERYONE!

This chapter is for Ultraman Max!

In the early morning hours of 3:24 AM, Lincoln was asleep with his harem and he had an interesting dream: apparently, his dream took him back to home.

Lincoln: Huh? My dream's here back at home? What's going on?

But, then, Lincoln felt an unholy darkness in the air, and as he flew, he saw that there had been a jailbreak, and he saw someone break out of prison: that person was an extremely dangerous enemy of his past and one of the most extremely dangerous and evil monsters ever to live, her name is Malaria Nikolai, she's a real nasty piece of work: she was an extremely dangerous and evil monster bitch who terrorized a lot of people who got in her way, and even worse, she'd murdered hundreds of thousands of her victims and even bathed in their blood. Lincoln was horrified, and he woke up in fright, but so did his harem and kids.

Lily the Mermaid: Linky, what's wrong?! What is it?

Nico and I came into the room along with the rest of us.

Nico: Lincoln, what happened?

Lincoln: Guys...!

Lincoln told his harem, kids, Nico, and I along with the rest of us what happened, and when he was done, we were horrified!

Me: Holy shit!

Trudy Lawrence: Oh man! I've heard about Malaria Nikolai, she was an absolute monster just like that deranged psycho, Sebastian!

Nico: And you dealt with her before, Lincoln?

Lincoln: Yes, I have.

Mata Hari Henningway, Anita Bathory, Gina Matta Hari, and Cindy Storm also got out audio tapes they placed in Malaria Nikolai's cell, and as the tapes played, it showed every last bit of her malicious and completely evil desire for revenge on Lincoln, and we were disgusted.

Lincoln: (WOLF GROWLS) That's it, that's the last straw. After we get done with the next villain that we're facing on Nico's rescue, we are going after that extremely dangerous and evil monster bitch, and I am going to rip her face off, tear her eyeballs out of her head, and rip her organs out after I skin her alive!

OUR JAWS DROPPED TO THE FLOOR!

CLANG!

Lincoln used his tails to close our jaws.

Maria: YIKES! I never realized she pissed you off that bad!

Nico: For sure, and like Trudy said, she's just like Sebastian. That bitch is getting put down when we go after her on your rescue, Lincoln.

Selene Arcangela: And we're also going to do worse than that, we're gonna put out an APB all over the world and warn them of Malaria Nikolai and tell them of how dangerous she really is.

Becky Long also proceeded to post Malaria Nikolai's disgusting crime file and the audiotapes detailing her malicious and extremely evil desire for revenge on Lincoln on the internet and of what she and the other Guardian Angels along with us are going to do to her, and immediately, we heard a horrible roar of anger from far away in Prague.

Lincoln: So, she's hiding out in Prague, eh? (Smirks) Perfect.

Eli: No, not perfect...! What if she tries to raise an army of evil spirits and demons?!

Lincoln: There's no doubt she'll try to use black magic like in the case of those evil Succubi that Lila Rossi summoned years ago, and as a professional demon slayer who killed a lot of demons and driven evil spirits back to The Underworld, if that happens, I'm gonna slay every last one of them before I slay her.

Nico: Awesome.

We went back to sleep, but now we know what's happening tomorrow. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

Then, as Buster Bunny was reading the newspaper, he did a spit take.

Buster Bunny: (Screams) Oh man, guys, take a look!

We took a look, and on the front page, we saw it: Convicted Murderer and Death Row Inmate Malaria Nikolai Murdered Hundreds of Innocent People in Prague and Plans to Raise Army of Evil Incubi and Succubi to Destroy The World!

WE GASPED!

Me: That monstrous bitch! I can't believe she could be that evil!

Nico: What a bitch!

Lincoln: So, she's trying to do the same thing Lila Rossi did and right here in Prague, one of the most haunted cities in the world, she really crossed the line this time.

Suddenly, The Water Symbol on Crash Bandicoot's True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Greatsword of True Cosmic Eternal Harmony Heaven Cosmos Planetary Savior Skylands Guardian Ten Elemental Skylanders Knight Life Skylanders Brawler Sensei Draconic Bandicoot Seraphim Phoenix God Archangel Justice started glowing.

Crash Bandicoot: Yep.

Me: Hey, what's up?

Crash Bandicoot: J.D., everyone, listen up, after breakfast, we're going to The Sensei Water Realm to find The Sword of The Water Skylanders.

Nico: Awesome.

Sunset Shimmer: This is gonna be good.

Sly Cooper: I wonder who we're gonna face there.

Lincoln: Whoever it is, we'll be ready for them and the thugs, and we'll run into another one of your cousins, Sly.

Connor Cooper, Marie Cooper, Henriette "One-Eye" Cooper, Bob Cooper, Slytunkhamen Cooper I, Slytunkhamen Cooper II, Salim al-Kupar, Sir Galleth Cooper, Slaigh MacCooper, Rioichi Cooper, "Tennessee Kid" Cooper, Thaddeus Winslow Cooper III, and Otto van Cooper also agreed.

Connor Cooper: Marie and I hadn't seen Selena and the girls in so many years, and we've got a lot of catching up to do.

Lincoln: You said it, Mr. Cooper, now let's finish breakfast and head out to The Sensei Water Realm.

Nico: Right.

As we were having breakfast, Zipp Storm came in.

Zipp Storm: Hey guys look at this!

We ran to the TV and saw MASSIVE riots and anarchy in Goha City.

Me: WHOA! Look at that.

We saw cars being destroyed and police forces were destroyed too. Many Goha Corps buildings were destroyed too.

Me: WHOA! Looks like my message got through to them.

Reporter: The citizens are demanding total destruction of Goha Corps and they will not stop till they got it.

Nico: They are REALLY taking your message seriously.

Camie: No kidding.

Lightning Dust woke up and saw Ponyta starring at her.

Ponyta: Morning Lightning Dust.

Lightning Dust: Oh morning Ponyta.

Ponyta: Time for breakfast!

Lightning Dust: Oh boy!

She went and got dressed and went to the table and was eating meats and carbs. She loved piling on the carbs and protein.

We then finished our breakfast, and we set out to The Sensei Water Realm, so Rarity can remove The Sword of The Water Skylanders and there, we take down the next villain there.

Later it was time for the next rescue and Nico, Princess Neri, The Ripping Friends, Ellie Singh, Evelyn Burmingham, Jen Tennyson, Eddy, Yugi, Tea, Jaden, Jesse Anderson, Allenby Beardsley Knudson, The Hernandez Sisters, Yost Magma, Rin Nohara, Tara

Nico: It sure is. This is perfect for you all.

Me: Wow this is really cool.

Lola: It sure us.

Camie: It sure is awesome.

Princess Neri: I agree there as well.

Nico: Astro Man, I want to thank you, Bamboo Pandamonium and your teams for coming

Astro Man: No problem Nico. this is gonna be so fun.

Hokuto (Naruto): I agree there too. This will be awesome.

Me: Yep

Nico: Hokuto, what do you like to do in your free time?

Hokuto: I like to teach people how to do a safer version of the Star Training in the Star Village.

Me: After Akahoshi was defeated and the meteor that was poisoning the Star Village with the Alien Chakra was locked away, we came up with a way to use the Star Chakra in a safer way without poisoning people.

Camie: Wow!

Nico: That's amazing!

Brittney: I used my magic to alter the effects of the Star Chakra so that it wouldn't poison people with the Alien Chakra.

Hokuto: It was proven to be very amazing.

Nico: Good thinking.

Me: Yep. It was awesome. But if Akahoshi ever comes back he is gonna be so screwed.

Varie: That is for sure.

Nico: Yep.

Lola: Yeah. Wow! Yesterday was INTENSE!

Camie: It sure was! And that was so awesome how you all destroyed Pariah Dark once before.

Princess Neri: That was so fun and amazing.

Me: Yep. Wow! That was epic.

Nico: Amity Park was sent to the Ghost Zone.

Me: Wasn't the first time that happened.

Nico: You're right.

Lola: But that was awesome though.

Nico: Yeah we haven't been to the Ghost Zone in a while.

Me: Pariah Dark really had no idea what he was up against.

Nico: We've gotten stronger.

Lana: But Danny's Akuma was cool too.

Me: He was a ghost made of pure ice!

Nico: Danny DOES have ice powers

Me: Yes he sure does.

Lincoln: So do I.

Qin: Yep.

Nico: Yeah.

Me: But all in all that was fun.

Lana: And I got to eat a lifetime supply of chum.

Nico: That was gross.

Sakura Knudson: (LAUGHS) That was fun to see though.

Nico: True.

Me: But I definitely know where Lana got that from.

Nico: Their dad.

Lincoln: Yep,

Lana: I think it's awesome.

Camie: Yep.

We walked around.

Varie: Boy this entire realm is perfect for training the Neptune Crusaders.

Horsea dove into the water. Same with Manaphy and Poliwag.

Camie: The mascots sure are having fun.

Me: They sure are.

Lincoln: Okay, guys, we're in for a really awesome battle, we're here in The Sensei Water Realm in The Skylands, and we're here to get The Sword of The Water Skylanders for Rarity, but we got news: it appears the villain we're facing is Penelope from Sly 4 and we're going to prevent her from doing a terrible mistake!

WE GASPED! AND BENTLEY HID HIS HEAD IN HIS SHELL!

And the rest of the team got here when Lincoln said that!

Penelope: That version of me who turned bad and betrayed Bentley?! Oh man!

Murray: Yeesh!

Sly Cooper: Now, before anyone goes and tries to hurt her bad, we got to think real quick. Why did she turn out like this is the real question.

Lincoln: Maybe something bad happened in her childhood and that might be the reason why she did the unthinkable.

Me: Hmm. You know, that could be the reason, Lincoln.

Nico: That's right, and that trauma caused her to turn evil and did the unthinkable.

Eli: If that's true, we could get her to explain it before Lincoln separates her Dark Side from her and that we can get rid of.

Rarity: Good idea.

I poked my head into Bentley's shell.

Me: Come on out Bentley. It'll be all right.

But then...

CRUNCH!

HE BIT ME ON MY NOSE!

Me: (IN PAIN) OOOOOOOOWWWWWW!

I pulled my head out.

Me: OUCH! Jeez! That hurt!

Suddenly, Lincoln had a premonition as the gold versions of The Trinity Mirror behind his large gold halo with four large orbiting gold rings behind his head fired beams of light and they formed into a one-way mirror: it appears Evil Penelope has sent some hired thugs to kill us, but if that wasn't bad enough, it appears Marcus and Melanie Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches, Pyros, Hydros, Umbras, Aeros, and Lucius' Bringers of Chaos, have come back from the dead and they want revenge on Lincoln for killing them.

Lincoln: What the?!

Me: What's up, Lincoln?

Lincoln: Evil Penelope's sent some hired thugs to kill us, but if that wasn't bad enough, it appears Marcus and Melanie Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches, Pyros, Hydros, Umbras, Aeros, and Lucius' Bringers of Chaos, have come back from the dead and they want revenge on me for killing them.

Selina Almenara: What the?! (Growls) Those piece of shit Bringers of Chaos!

Lincoln: Selina, don't worry, I'm going to absorb them in the same way I'm going to absorb the thugs after our special guest arrives and snatches their loot.

Ed Cowart: Right.

Lori: I thought we didn't have to worry about them again, but it looks like I was wrong.

Lincoln: No sweat, Lori, I'll take care of them before we find that version of Penelope.

Suddenly, Lincoln's large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings and the gold version of the Trinity Mirror behind his large gold halo fired beams of light that formed into a viewing window and we see Hawk and Hank dressed only in shorts and shirtless and they're hiding out somewhere, and they'd fully regained their abnormally massive and powerful upper and lower body muscles and eight-pack abs along with their massive physical upper and lower body strength, massive levels of virility, and massive levels of testosterone, but they were even more larger in muscle

mass than ever. Then, we saw the barbell tattoos on their backs glow red. Suddenly, Hawk and Hank were glowing with red energy, but then, their arms were raised and it looked like their wrists were bound with metal cuffs same with their feet.

Me: Uh oh, here we go!

Lincoln: Yep.

Suddenly, Lincoln made red portals appear in front of Hawk and Hank, and then, out of nowhere, Lincoln sprouted tentacles with suctions from his chest and all of the males on the team did the same and they went through the portals and they came out of the portals and latched themselves onto the massive pecs, necks, arms, and legs of Hawk and Hank. Then, the tentacles began sucking Hawk and Hank dry of their massive muscle mass, virility, testosterone, and massive physical strength and they were groaning in pain as they began shrinking in muscle mass and height.

Then, all of the massive muscle mass, virility, testosterone, and massive physical strength of Hawk and Hank began being pumped into Lincoln and his abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on his body, and his massive white angel wings with aurora and orange tips and four larger white angel wings underneath his massive white angel wings spread out and his halo glowed and he began growing even more stronger.

The same thing happened to me, Nico, and all the males on the team and our abnormally massive and powerful upper and lower body muscles bulged even more and veins formed on our bodies, and our massive angel wings spread out and our halos glowed and we also began growing even more stronger.

Lincoln: (Growls) Oh man, I haven't forgotten how potent this curse really is.

Me: (Growls) Yeah, this is really potent, but this still feels incredible.

Then, when Lincoln and all the males were done, the tentacles detached themselves from the pecs, arms, legs, and necks of the buttfaces from Hazeltucky and they went back into us as the portals closed, and we saw that Hawk and Hank were thin as a rake and sucked bone dry of their muscle mass, virility, testosterone, and massive physical strength again, and the glowing barbells on their back stopped glowing.

Hawk and Hank: NOT AGAIN! (ENRAGED SCREAMING)

The viewing window closed as the four large orbiting gold rings stopped glowing and the light beams disappeared. Suddenly, we saw that we were even more ripped thanks to Lincoln's curse.

Me: Whoa. Lincoln, that Min's Egyptian Virility Drain Curse you put on those buttfaces is still really potent. But, look at us, now we're even more ripped than ever. (Flexes my massive muscles) But, wait, I felt that it's even more potent and more stronger than ever! Lincoln, what did you...?

Lincoln: I increased the strength and potency of my Min's Egyptian Virility Drain Curse on those two yesterday. (Flexes his massive muscles) And this curse will be on them until we finally kill them. (Sensed for Evil Penelope) AHA! There she is! I found Evil Penelope, she's 20 yards away, but she's not guarding The Sword of The Water Skylanders. (Sensed Marcus and Melanie Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches and Evil Penelope's thugs) And I just found her thugs along with Pyros, Hydros, Umbras, Aeros, and Lucius' Bringers of Chaos. Let's get to the pedestal where The Sword of The Water Skylanders is at.

Sly Cooper: And tear those toxic siblings and thugs to pieces.

We then took off into the air to help Rarity get The Sword of The Water Skylanders and take down Evil Penelope and send her Dark Side along with Marcus and Melanie Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches to The Black Abyss.

We were flying in the air, and we saw our target: The Sword of The

Water Skylanders, it's a blue sword with the symbol of The Water Skylanders embedded in the crossguard and a blade with reflecting water inside it.

Lincoln: There it is.

We landed, and Rarity removed The Sword of The Water Skylanders from its pedestal, and an aqua blue light shot out of the sword and it landed, and what stood in its place was a girl with aqua blue hair, aqua blue eyes, massive angel wings with water reflecting off them, aqua blue clothes, she has the Water Skylander symbol on her forehead, right arm, and aqua blue skirt, a Water Elemental Necklace and a Water Elemental Sword with the symbol of The Water Skylanders embedded in the crossguard and a blade with reflecting ocean waves inside it.

Lincoln: (GASPS) Aqua Rarity, Avatar of The Water Skylanders.

Crash Bandicoot: The Water Master of The Avatars of The Skylander Elements and Governor of Water, I knew that was her.

Me: Awesome! Care to introduce us?

Anna Anyanova: Sure. This is Aqua Rarity, Avatar of The Water Skylanders, she's Lincoln's Guardian Angels from The Water Sensei Realm and she's the Avatar and Embodiment of all the Water Skylanders and a master of water and the sea. She's the Water Master of The Avatars of The Skylander Elements, they are the masters of each of the 10 Elements of The Skylanders and they defend all of Skylands and the universe from the evils that threaten Skylands. She came to Royal Woods long ago, and she taught Lincoln how to use the powers of water and the sea, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful water greatsword and necklace, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a vengeance and vowed to drown them all.

Crash Bandicoot: I've seen her use the powers of water and the sea, and she even trained Luna a lot in mastering her water powers.

Luna: She even used her water powers on Lola and washed her make-up off completely, and sent her running back to her room, but not before shrieking like a banshee.

?: YOU WHITE-HAIRED FREAK! YOU'RE GONNA PAY FOR KILLING US!

Lincoln: Speaking of shrieking like a banshee, you better get out here right now, Marcus and Melanie Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches.

We then saw our secondary targets: Marcus and Melanie Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches.

Lincoln: Pyros, Hydros, Umbras, Aeros, and Lucius' Bringers of Chaos, so you toxic rampaging losers have come back for Round 2.

Melanie Almenara: You miserable goddamn weakling, if you hadn't gotten in our way, our useless sisters would've still remained as our punching bags! I HATE YOU!

Lincoln's energy aura flared up extremely as he gained a massive power boost due to her hatred, and then, he kicked Melanie Almenara hard and into Marcus Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches.

Nico: Nice! That'll teach you, bitch.

Then, Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of Marcus and Melanie Almenara, Cordelia and Kai Kaimana, Ciana and Bodhi Wicherek, Aabinus and Abanus Metrodora, Lucio and Lucian Lucius, and Ajax and Acker Desroches and he proceeded to absorb them and he grew stronger and assimilated the massive physical strength, massive muscle mass, virility, testosterone, immortality, cosmic powers of fire, water, earth, wind, light, and darkness of the male aliens and the immortality and cosmic powers of fire, water, earth, wind, light, and darkness of the female aliens, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of Pyros, Hydros, Umbras, Aeros, and Lucius' Bringers of Chaos except for their clothes and he drained their souls of energy and sent them to The Black Abyss.

Selina Almenara: I can't believe those bastards and bitches came back to get revenge, they've got some nerve!

Me: Same here.

Lincoln: But, at least, those rampaging monsters are gone forever. Now, let's go find Evil Penelope and take down the darkness inside her.

Suddenly, we heard a demonic roar of rage.

Nico: Oh, for fuck's sake! We better take care of the darkness inside Evil Penelope and fast. Sebastian has broken out of the dungeon and is on the rampage!

Qin: You've got to be fucking kidding! That's it, we're sending him flying right back to The World Tree Estate if he shows his cruel face here!

Buster Bunny and the other Tiny Toons got out tons of clubs, mallets, and explosives, and they were out to make him pay.

Me: Nico, your old friend's a nasty piece of work!

Nico: Yeah, and with a nasty look in his eyes and an nastier grin on his face.

We then took off to find Evil Penelope, remove the darkness in her and destroy it, and send Sebastian flying back to The TLPS World Tree Estate dungeons.

Noah heard a Pokemon cry.

Noah: Look here.

We saw a Magikarp.

Me: Cool a Magikarp!

Qin: Awesome.

Magikarp: I am so hungry.

Noah: Here you go.

Noah gave him apples and food.

Magikarp: Thank you.

He ate them.

Noah: You're welcome. Wanna come with us?

Magikarp: I would like that.

Me: Cool.

But then...

BASH BASH BASH BASH BASH BASH BASH!

I GOT BASHED ON MY HEAD WITH 7 COCONUTS!

Patrick: DAHAHAHA! THAT GUY GOT HIT ON THE HEAD WITH SEVEN COCONUTS!

Me: (Dazed and stupid) Which way did he go George? Which way did he go?

I had 7 lumps on my head.

I blubbered and snapped out of it.

Me: OW! That hurt!

Nico: You okay?

Me: Yeah. And Patrick that guy was me!

Patrick: Oh sorry.

Me: OKAY WHO IS THE WISEASS!?

Nico: Your Magikarp has a friend now

Me: (LAUGHS) Yeah he sure does. But still, WHO IS THE WISEASS!?

Laney: I think that is!

We saw an Exeggutor!

Me: Whoa an Exeggutor!

Nico: How'd that get here?

Me: Good question. Hit me on the head with coconuts will you!?

J.D. 2: I think this one is from Dark Gale.

Donkey Kong: Let me see here.

He used Telepathy and gasped!

Donkey Kong: That's Coconut Palm! She helped me and the DK Crew out many times.

Me: Cool! Lets go help her.

We went over.

Donkey Kong: Coconut it's me Donkey Kong!

All she did was charge at him

We dodged her.

Me: Looks like we're going to have to fight coconuts with coconuts.

Donkey Kong: You got it. Here comes Donkey Kong!

We fired coconuts and bashed her all over!

Me: Yeah!

Then I fired a blast of lightning and fire and blasted her. I snapped my fingers and she reverted back and was a girl with green hair, green eyes, green angel wings and had Exeggutor and a Piña Colada Cutie Mark on her arm.

I wrapped her in a blanket and brought her over.

Me: Yeah!

She woke up.

Coconut Palm: (Groans)

Donkey Kong: Coconut?

She saw him.

Coconut Palm: Donkey Kong? (GASP) Donkey Kong! You're here.

She hugged him.

Donkey Kong: Thank goodness you're okay.

Coconut Palm: Yeah. Where am I?

Me: You're in the Water Sensei Realm in Skylands and you were turned into an Exeggutor by Dark Gale. You hit me on the head with 7 coconuts.

I showed my lumps on my head.

Coconut Palm: Oh man! Sorry! But I remember!

She was in an green suit and was injected and then turned into EXEGGUTOR! She busted out and ran.

FLASHBACK ENDS

Coconut Palm: That was awful.

Me: I know. But we destroyed all of Dark Gale. They are gone for good.

Nico: Your role in Sonya's team?

Coconut Palm: Oh I'm the Coconut and Plant master of the team and use coconuts to bash my enemies. I use a coconut gun to blast them from long distances.

Me: Deadly and painful.

Camie: Yeah.

Coconut Palm: Yep. And also outside the team I work on coconut weapons and fruit weapons for all of us.

Donkey Kong: She learned the skills from Funky Kong when he makes weapons for us.

Me: That is cool!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her green and brown clothes and a Coconut Gun and a Cuckoo Nut Magisword.

Coconut Palm: Awesome! I look great!

Poromon: You sure do!

Me: Yep.

Nico: Lets go find Evil Penelope.

We were flying in the air, and there we saw our main target: Evil Penelope.

Evil Penelope: (GROWLS) That accursed Cooper Gang and the entire Cooper Clan. Well, once I have that sword in my hands, I will exact my revenge on them!

?: Oh, shut it already!

Suddenly, the spirits of The Cooper Clan through the ages appeared from nowhere and they attacked LeParadox with unbelievable fury, and then, the spirits converged, and then, a massive tornado of energy erupted with the Cooper Clan Insignia on it and a Thunderbird Screech and Phoenix Cry was heard, and as it faded, we all appeared.

Evil Penelope: So, you're all here, now I can get my revenge on you all!

Sly Cooper: That will not happen. And what you did to Bentley in a different time by breaking his heart, yeah, I'm still pissed off with what you did.

Connor Cooper: But, we're not gonna kill you, no. However, I think it's because of something inside you that made you like this.

Marie Cooper: That's right.

Qin: I agree!

Xenia: That is for sure!

Qin: We need to go into her mind and find out what is troubling it.

Penelope: And I think I know what that is. Guys, you should brace yourselves.

Penelope then explained her childhood to us. Apparently, she came from a good family and she was a really smart genius and an expert with robotics, and as she grew up, she always succeeded in school and had a bright future. But, then, tragedy struck, one day, she came back home and found that her parents were murdered.

WE GASPED!

Henriette "One-Eye" Cooper: That's awful! What kind of rotten scoundrel would do this?

Bob Cooper nodded.

Slytunkhamen Cooper I: (Egyptian Accent) There had to have been evidence of who did this, can you remember what you saw the day you saw your parents murdered, Penelope?

Penelope: (Recognizes something) Wait, I remembered something. After I saw my parents murdered, I heard a noise coming from outside and ran into a nearby closet. As I looked out, I saw a man with black hair and...reptilian brown eyes?! (Remembers) Oh, you've got to be kidding me!

IT WASN'T JUST HER, BUT ALL OF THE COOPER CLAN, GANG, AND ALL OF US AS WELL! WE WERE ALL SHOCKED AS WELL!

Slytunkhamen Cooper II: (Egyptian Accent) The culprit was none other than Chase Young!

Slytunkhamen Cooper III: (Egyptian Accent) The immortal monster responsible for 1,500 years of pain and suffering he's inflicted on so many people.

Salim al-Kupar: (Indian Accent) This was before Dark Chase Young was removed!

Sir Galleth Cooper: (British Accent) As if what he did to Lincoln and his family 400 years ago wasn't bad enough!

Slaigh MacCooper: (Scottish Accent) Aye, he proved to be even worse than ever.

Rioichi Cooper: (Japanese Accent) That dishonorable monster!

Tennessee Kid Cooper: That fiend!

Thaddeus Winslow Cooper III: (British Accent) He really is a monster!

Otto van Cooper: (German Accent) Ze worst kind of monster!

Caveman Cooper: How horrific!

Me: THAT FUCKING PIECE OF SHIT!

Nico: UNBELIEVABLE! HE REALLY IS THE ABSOLUTE SCUM OF THE FUCKING EARTH! THE ULTIMATE EMBODIMENT OF EVIL!

Me: HE JUST CONTINUES TO PISS ME OFF EVERY DAY!

Lincoln: This is exactly why we're going to destroy him when Kimiko's big day comes.

Penelope: That's for sure. But, luckily, I didn't get infected by his evil. But, she did.

When Evil Penelope heard the truth about who murdered her parents from our Penelope, she finally broke down and cried.

Evil Penelope: (Sobbing) So..., all this time..., the person who did this to my parents...was...!

Penelope: Was Chase Young's Dark Side. That immortal monster wanted nothing more than to see people suffer and die and watch the entire world burn, and when you were infected by his darkness, that made it easy for LeParadox to make you do the unthinkable and betray Bentley.

Sly Cooper: Okay, now the more we hear about Dark Chase Young's numerous crimes, the more this guy's really starting to piss me off.

Suddenly, Evil Penelope screamed in pain: we saw the darkness was about to take over again.

Lincoln: Stand back!

Lincoln fired a powerful beam of heavenly light at Evil Penelope and it separated the darkness from her thus restoring her to normal, but then, the darkness inside her took on a dark clothed version of her and her eyes were full of evil and hatred.

Dark Penelope: Finally! I'M FREE!

We brought Penelope 2 over.

Magikarp charged at her and blasted her with water.

Varie: Take that and you are fighting on our turf! The Neptune Crusaders turf!

Dark Penelope: I WILL DESTROY ALL OF YOU!

Lincoln: That's not happening, you're just a monster created by my family's hated enemy: the one responsible for our misfortune 400 years ago! (Sensed Sergio's thugs) And it appears we have some uninvited guests.

Suddenly, Lincoln fired massive waves of light from his massive white angel wings and eleven sets of large white angel wings underneath his massive white angel wings and they forced out Sergio's hired thugs and they're screaming because they got blinded, and Lincoln made a one-way viewing window for Sergio to see.

Nico: Whoa, what the?!

Selene Arcangela: Lincoln exposed them in the blink of an eye with that attack, incredible.

Kali Timestream: Just like when Our Lord takes control, that attack happens before you can blink your eyes.

Sergio Thug: Damn it! The boss isn't going to like this!

Lincoln: I wouldn't worry, you won't be able to report back to your boss. Nor will the rest of your boss' hired thugs.

Lincoln turned the tips of his tails into Cell's stingers and he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, he did the same to the remaining thugs hiding out as he stabbed them into the chests of the thugs and he proceeded to absorb them and he grew stronger and assimilated their massive physical strength, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Lincoln: (GROWLS)

Then, when Lincoln was done and the stingers changed back, nothing was left of the thugs except for their clothes and he drained their souls of energy and sent them to The Black Abyss, and when Sergio saw it through the one-way viewing window Lincoln made, he screeched in anger at us.

Sergio: NO! NO! (GROWLS) This ain't over, losers!

Even though it was a one-way viewing window Lincoln made, we saw Sergio mouth the words, "This ain't over, losers!" Then, Nico and I gave that stupid bird both middle fingers and made all kinds of faces at him, and it really pissed Sergio off big time as the window closed.

Eli: Yeah, up yours, you walking feather duster!

Me: You deserved it, you stupid party animal.

Nico: (Smirks) And it's about to get a lot worse for you, Sergio.

Then, Lincoln's gold version of The Trinity Mirror and his large gold halo with four large orbiting gold rings orbiting the corners behind his head glowed and the four large orbiting gold rings fired beams of light that formed into a one-way viewing window for us, and as he snapped his fingers, orbs of fire appeared surrounding Sergio, and then...!

SLY COOPER SENT THE ORBS AT SERGIO WITH ONE SWING OF HIS CANE, AND THEY EXPLODED WITH INCREDIBLE POWER AS THEY HIT THAT STUPID BIRD, AND WHEN IT WAS DONE, SERGIO WAS AN ABSOLUTE WRECK!

Sergio: (Groans) Ouch!

We were on our butts laughing like hyenas!

Me and Nico: (LAUGHING HYSTERICALLY) THIS IS WAY MORE HILARIOUS THAN WHEN YOU STUFFED HIS BIG FAT BEAK WITH HOT PEPPERS AND HOT SAUCE! OH MAN, YOU'RE GONNA MAKE US BUST A GUT!

Maria Garcia: (Spanish Accent) Serves you right, you stupid bird!

Sergio Thug: Lets get them!

But then...

WHOOSH!

A figure swooped in and stole all their loot!

Thug 1: All my loot!

?: Looking for all this boys?

We saw the next member of the International Clan of The Coopers!

Lincoln: Ling Xi Cooper! Awesome to see you.

Me: Care to introduce us?

Anna Anyanova: Sure. This is Ling Xi Cooper, The Fireworks

Firestorm of Beijing of The International Clan of The Coopers, she's Lincoln's Guardian Angel from Beijing in Western China and one of the descendants and cousins of The Coopers and she's also a thief too and she's the cousin of Sly Cooper from China and she helped him on lots of dangerous jobs. She's a very powerful and skilled master of Flame Fu, fireworks, and the arts of all martial arts, and she's known as The Fireworks Firestorm of Beijing and is known for always distracting the people with a most amazing fireworks show before swooping in and stealing the valuables from corrupted nobleman and government workers of China completely unseen and unnoticed. She's the member of a new group of Lincoln's Guardian Angels called The International Clan of The Coopers, a group of notorious thieves from all over the world and they're also the descendants and cousins of the Coopers, meaning they are thieves too, and like Sly and his family, they steal from Criminals, and they've also stolen from Lincoln's Enemies too. They're the most notorious thieves in the world and are equal and skilled and more powerful than the Coopers. They did NUMEROUS Dangerous jobs all over the world and have done it all and stole from DANGEROUS ENEMIES and organizations EVERYWHERE! They also stole from many of Lincoln's enemies and made them dirt poor and even made Flip Dirt Poor. Like Sly said, there's no honor, no challenge and no fun stealing from ordinary people. Ling Xi came to Royal Woods where she met Lincoln and she taught him a lot in mastering the powers of Flame Fu, fireworks, and the arts of all martial arts and their powers as well, and she was also reunited with Sly, his gang, and his entire family after they became officially part of the team. Lincoln made her an awesome light greatsword, and to show thanks, she kissed Lincoln on the lips, and as a result, when Lincoln comes of age, he'll marry her and the rest of The International Clan of The Coopers thus tying Lincoln and his family to Sly Cooper and The Cooper Clan and The Cooper Clan will also become members of The Loud Family through marriage, and Ling Xi Cooper hates Lincoln's enemies with a vengeance and vowed to steal from all of them and make them dirt poor.

Me: WHOA! Awesome!

Lincoln, Red Savarin, Robin Hood, Skippy the Bush Kangaroo, Von Lycaon, and Rayman went after Dark Penelope, and they fired extremely powerful blasts of rainbow, green, purple and red, red and yellow, red, white and black, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit her, and they slashed and punched at her with their massive greatswords and gauntlets and greaves leaving scars on her.

Roxy Drake: Whoa, that was brutal.

Suddenly, Dark Penelope screamed in pure rage, and then, we saw her transform into a lioness and she roared in anger at us!

Me: Dark Chase Young's presence! I knew it!

Nico: So, when the Dark Sides start to experience pure rage, they transform into the beast forms that their creator gave them! How fucking twisted of him!

Lincoln: I didn't even see it in Dark Lynn when we fought her, and she was just nothing but angry and aggressive all the time!

Roxy Drake: This is really going to get ugly! Alright, boys, get her!

Poromon pecked her.

POINK POINK POINK POINK!

Poliwag slapped her with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Manaphy hopped over and bashed her with a headbutt.

Horsea Squirted ink and blinded her.

Mevya hopped over to her and belched in her face.

LOUD NASTY BELCH!

Jirachi summoned NUMEROUS GIANT ROTTEN CHEESE WHEELS and bashed her all over.

SMASH SMASH SMASH SMASH SMASH!

Nico: CHEESE!

Me: Nico that cheese is rotten!

Nico: Oh. Right.

Tentacool fired laser blasts at her.

Jirachi: But here is some good cheese!

He summoned numerous giant Smoked Gouda cheese wheels and they smashed her all over.

Nico: GOOD CHEESE!

Nico ate some.

We were amazed by Rarity's transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was really gushing out blood. But, when Dark Penelope saw it, she went mad and was about to attack her, but Rarity fired a massive barrage of purple and white, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, water, ocean waves, gems, magic, Alicorns, phoenixes, and angels that hit Dark Penelope and sent her flying into a wall, she got back out, and she was really enraged!

Lincoln: Let's do it, Rarity, this monster needs to be taken down.

Lincoln: You said a mouthful, dealing with another of Dark Chase Young's creations is bad enough, now we have to deal the psycho who clearly lied saying he won't get angry and has always been insane, vengeful, and psychotic.

Sebastian Mendez: YOU! You think you're so fucking smart, huh, you freak?! Well, let's see how smart you are when your whores, your useless kids, and everyone you know are drowning and sinking in...(DEMONIC VOICE) QUICKSAND!

Suddenly, Sebastian made quicksand appear underneath us, and we were sinking!

I was flying above it.

Me: Nice try!

Lori: (SHRIEKS) YOU PSYCHOTIC BASTARD!

Lincoln suddenly began having a panic attack!

Lincoln: No...! No...!

Sebastian Mendez: THAT'S RIGHT, YOU CAN'T DO ANYTHING TO SAVE THEM! YOU CAN WATCH AS ALL YOUR FRIENDS, FAMILY, WHORES, AND USELESS KIDS DIE IN QUICKSAND! (LAUGHING INSANELY AND EVILLY)

Suddenly, a deathly calm surrounded Lincoln and he snapped right at Sebastian! HE'S HAD ENOUGH OF HIS CRUELTY AND MADNESS AND WANTING TO BREAK LINCOLN AND ALL OF US!

Lincoln: YOU PSYCHOTIC SON OF A BITCH! I'VE HAD IT UP TO HEAR WITH YOUR EXCESSIVE AND COMPLETELY OUT OF CONTROL CRUELTY AND UNHINGED MADNESS AND WANTING TO BREAK ME BY KILLING EVERYONE I LOVE!

THEN, LINCOLN CHARGED OUT AND HE SAVED ALL OF US FROM THE QUICKSAND SEBASTIAN HAD USED ON US, AND THEN, HE FIRED AN ENERGY BLAST AT SEBASTIAN WHICH HIT HIM AND IT SENT HIM FLYING INTO THE AIR!

Sebastian Mendez: GODDAMN IT! DAMN IT! DAAAAAMMMMMMNNNN IIIIIIITTTTTTTT!

SEBASTIAN FADED AWAY, AND THEN, HE REAPPEARED AND CRASHED BACK IN THE WORLD TREE ESTATE, BUT AS HE GOT UP IN ANGER, HE SAW THE MASCOTS WITH CROWBARS AND WEAPONS, AND THEY WERE PISSED AT HIM!

THEN...!

POW! BANG! CRACK! WHACK! BLANG!

THEY BEAT HIM REAL BAD AND TOSSED HIM RIGHT BACK IN THE DUNGEON BUT NOT BEFORE THEY TIED HIM UP IN A STRAITJACKET!

Back in The Sensei Water Realm, Lincoln cleaned all of us up from the quicksand with blasts of water.

Then, Sly Cooper's massive grey angel wings and twenty other sets of large grey angel wings underneath his massive grey angel wings fired chains of blue energy that bound Dark Penelope.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope,

Then, Sly Cooper charged out and he smashed his blue energy infused left fist into Dark Penelope's stomach, and a cluster of blue, white and blue heavenly flames exploded out behind her, then, Sly Cooper formed a very massive glowing blue aura surrounding the large blue orb on his cane.

Sly Cooper: (Divine Echoing Heavenly Godly Voice of The True Cosmic Eternal Harmony Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust and Divine True Cosmic Eternal Harmony Universal Eternal Heaven Cosmos Ancestral Elemental Darkness Lightning Inferno Firestorm Cooper Clan Master Raccoon Thief Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is where your life ends here.

AND GO TO HELL, CONSTRUCT OF DARK CHASE YOUNG!

Sly Cooper did one final powerful downward swing that hit Dark Penelope hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Sly Cooper landed as Dark Penelope was on her last legs and she was really really mangled.

Then, Sly Cooper fired blue energy blasts that formed into the canes of The Cooper Clan from 12,000 years to the present day and they beat and clobbered Dark Penelope real hard, and Sly Cooper fired a blast of blue energy from his staff and it pierced Dark Penelope in the chest and she was sent to The Black Abyss forever.

Lynn: AND SHE'S OUT!

We cheered as we holstered our weapons and we powered down, and Rarity's new body, clothes, weapons, jewelry, Third Eye, longer white horn and longer purple tail, large gold halo with four large orbiting gold rings on each corner behind her head, twenty-five large purple planets orbiting around her legs, twenty-five smaller purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized purple planets orbiting around her wrists and ankles, and massive purple angel wings and eleven sets of large purple angel wings underneath her massive purple angel wings are permanent.

Nico: And that's Water down.

Lincoln: And Air, Tech, Earth, Life, Light, Dark, and Undead left to go.

Me: Yep, and we finally got rid of Dark Penelope forever.

Sly Cooper: Good riddance. Plus, I can't believe the person responsible for what happened to that version of Penelope our world's Penelope was Chase Young's Dark Side. As if what he did to your family 400 years ago wasn't bad enough, now we found out that he murdered her parents in cold blood, he really is a bastard.

Me: (GROWLS) The more we dig into his history and find more of his victims, the deeper and blacker his sins truly are! CHASE

YOUNG'S DARK SIDE IS JUST PISSING US OFF EVEN MORE!

Nico: Same here! The bastard's sins are even deeper and blacker than ever!

Qin: When Kimiko's big day comes, oh, we are so going to let loose on that son of a bitch!

Lincoln: Yeah! We're gonna unleash 1,500 years of payback, retribution, and judgement on him!

Lori: And we're also literally going to unleash years of payback, retribution, and judgement on Sebastian! I can't believe what he did, that was just fucking low of him!

Luna: He used our bro's fear like that to break him and kill us all! That psycho!

Nico: Lincoln, we're so sorry about this! I thought Sebastian truly had changed, but I was...!

But, then, Lincoln hugged Nico tightly.

Nico: Lincoln...

Nico returned the hug.

Me: So, what do we do with the Sebastian situation?

Nico: It's clear now, it's clear no matter what happens, we cannot trust him again. Sebastian's a total danger to everyone in the world including us, and that stunt he pulled, that's the straw that broke the camel's back.

Suddenly, Nyx appeared.

Nyx: Allow me, Nicholas.

Nyx fired a blast of darkness that brought Sebastian to us.

Sebastian Mendez: You're gonna regret this, Nico! You and your pathetic team are nothing without me!

Lincoln: Oh, we were actually doing just fine before you joined the team a year ago.

Nico: Yes, but what you've been doing, this wasn't trying to help the team, you were trying to destroy it by plotting to kill us. You were a real lowlife back then, and even after we freed you, you still acted out on your toxic desire to destroy us, and I know you were trying to kill me so that you could usurp the role as leader of the team: something I earned through hard work, but you, you resorted to your cruelty and poisonous madness, and that is something I cannot forgive.

Sebastian Mendez: Shut the fuck up, you filthy monkey!

Elly Chromington then punched Sebastian hard in the face.

Elly Chromington: I knew it, you're still the same as the day you descended into madness, and let me tell you this: you're still even worse than Frieza, you're excessively cruel, excessively evil, excessively sadistic, excessively loathesome, excessively monstrous, excessively insane, excessively unhinged, and excessively insidious, you pathetic excuse for a human being.

Me: WHOA!

Nico: Well said, Elly.

May: Hah, suck on that, bitch!

Sebastian Mendez: I HOPE THE STORM KING DESTROYS YOU ALONG WITH HIS MIND-CONTROLLED PUPPET, GIGA BASARK! You already feel it, don't you?! The Storm King has returned and is controlling Giga Basark! Once you all arrive in Japan, your fates are all sealed! YOU WILL ALL BE DESTROYED BY GIGA BASARK AND THE STORM KING AND THE ENTIRE WORLD WILL MOURN YOUR DEATHS BEFORE MANKIND JOINS YOU ALL IN DEATH AS WELL! (LAUGHING MALEVOLENTLY AND INSANELY)

Lincoln: I've had enough of you to last an eternity, you pile of garbage.

Lincoln unholstered his massive greatsword and with one swing, he fired a massive blast of darkness that hit Sebastian and he was imprisoned inside a black and purple crystal prison and had the crystal prison shrunk into a crystal necklace that he gave to Melanie Nyx, and his Super Book was also given to her as well.

Melanie Nyx: Thank you, Linky, and thanks for bringing that lunatic here, Mother, so that he could be imprisoned.

Nyx: You're welcome.

Nyx vanished.

Suddenly, Lincoln pinned Aqua Rarity to the ground, and he kissed her deeply on the lips which she returned, then, with his massive muscular arms still wrapped around her waist, Lincoln leaned his head down to the right side of Aqua Rarity's trapezius, and he slowly bit her and then fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aqua Rarity with aqua blue gems on the gold lightning bolts and aqua blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up.

Aqua Rarity: Well, I got to say that was one way of saying it's good to see you again.

Lily: That's one of his ways of conveying that message.

Lincoln: Lily.

Nico: It's not time to take Dark Chase out yet. But I DO promise we'll take out Killjoy Huggins next rescue

Lincoln: I agree there!

Qin: This time it's personal.

Camie: Yeah!

Nico: Nice job Magikarp.

Magikarp: Thanks Nico. It was fun.

Poromon: Want some beer?

Magikarp: Oh no thanks. I can't drink. Gives me explosive diarrhea.

Me: Okay we did not need to hear that.

Poromon: Sorry I asked.

Poliwag: (Does Puppy Eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Astro Man: That was fun though. Awful what happened to Penelope.

Nico: Oh, Astro Man. What do you like to do in your free time?

Astro Man: I'm a Planetarium Astro Robot. I make sure the planetarium is in perfect condition and maintained.

Me: Good idea.

Camie: Yeah.

Lisa Loud: Indeed. That is a good job.

Poromon: Can we play hide and seek later?

Me: Sure guys.

Nico: Okay.

Me: Looks like we're going to see another member of the M.O.E.'s rooms.

Nico: Yep.

Lincoln: That will be fun. (Sensed Anothers) Uh oh, guys, heads up, there are Anothers heading our way.

Eli: (Sensed Anothers) Lincoln's right, we got Anothers heading our way, and one of them is Another Lightning Dust.

Lightning Dust: Another me?

Lincoln: That's right.

Me: Only one way to find out.

Nico: Yep.

Me: So we got Another Bamboo Pandamonium, Lightning Dust, Yost Wonder Man, Sphinx Gates (Neverending Story), Shadow Gaorangers, Dr. Wily (X-Squad) and Dukat.

Nico: Nice! So Astro Man, Hokuto (Naruto), Zeiram Zodiarts, Comet Magic the Beautiful, Gina Midnight Glimmer and Star Kyuranger.

Me: Yep.

Nico: There they are!

We saw Another Yost Wonder Man, Sphinx Gates (Neverending Story), Shadow Gaorangers, Dr. Wily (X-Squad) and Dukat!

Nico: WHOA!

Qin: Awesome!

Another Yost Wonder Man: (In a girls voice) It sure wil be.

They merged and split into two and they were the gene-slammers of Archlord Zerato and Archlord Kristya!

Nico: Zera Zinnia Zerato and Krysta Kristya!

Zera Zinnia Zerato: Awesome to see you Nico.

Krysta Kristya: Same here.

Nico: More of my church buddies and they are masters of light.

Me: Cool! Awesome to meet you girls.

Krysta Kristya: Same here.

Me: By the way, are the Another Bamboo Pandamonium and Lightning Dust friendly or hostile?

Zera Zinnia Zerato: Friendly and the Another Lightning Dust is fast and powerful.

Me: Nice!

Nico: Sorry we have to do this.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

We blasted the Anothers and I caught the Wonder Ride Books and purified them.

Me: YEAH!

Nico: Now we wait.

Horsea: Fast and powerful, eh?

Me: This will be fun.

But then we smelled a VERY FAMILIAR smell and Raj loved that smell and knew what it was.

Rai: (India Accent) (Dreamy) Marshmallows!

Nico: Marshmallows?

Me: I have a feeling that this is gonna be a good one.

Raj was drooling.

Me: Raj sure loves his Marshmallows.

Lazlo: He can't get enough of them.

Me: I can see that. That barfbrain Lumpus REALLY hated fun. There they are.

We saw Another Bamboo Pandamonium and Lightning Dust.

Nico: Here they are.

Another Bamboo Pandamonium: (In a girls voice) Like the smell?

Me: (GASP) That voice!

She reverted back and was the Embodiment of Marshmallow!

Me: Marsha Marshmallow! I had a very strong feeling.

Raj: MARSHMALLOWS!

Marsha Marshmallow: That's right. Here Raj.

She swung her burning marshmallow staff and fired NUMEROUS MARSHMALLOWS BY THE TRUCKLOAD INTO RAJ'S MOUTH! He was buried under a massive pile of them and he ate them all.

Me: WOW! He sure loves his Marshmallows. But Marsha is the Embodiment of the Marshmallow Dopant and she is known as the awesome queen of camping. She makes camping fun.

Marsha Marshmallow: That's right and I also have plant powers because of Bamboo Pandamonium's powers.

Bamboo Pandamonium: That is awesome and cool!

Nico: And your friend?

Another Lightning Dust: Someone that will always be proud of her sis.

Lightning Dust: (GASP) Nocturnal Thunder!

She reverted back and it was a black hair version of her and her cutie mark was a thunderbolt that was purple.

Nocturnal Thunder: Hey sis.

Lightning Dust and Shadow Lightning went over to her and hugged her.

Lightning Dust: Sis thank goodness.

Shadow Lightning: We were worried.

Nico: You know her?

Lightning Dust: Yes we do. This is Nocturnal Thunder. She's a member of Princess Luna's Shadowbolts.

Shadow Lightning: Yeah and she is also a master of black and purple lightning like me.

Nico: Wow that is cool!

Qin: It sure is.

Camie: Yep

Kaito: (Gets out Drive gear) Did Swartz promise you anything?

Zocks: (Gets out Ghost gear) Because we can grant it instead.

They got weapons from said teams.

Marsha Marshmallow: No he didn't because I stuck him to the wall in molten marshmallows and we ran.

Sakura Knudson: That explains why I found him stuck like that. Marshmallows are as strong as super glue. I had to use water and melt them off.

Laney: Wow.

Lola: Yeah no kidding.

Nico: Yep.

Sougo (Gets out Drive Ridewatch): Do you want to join the Shadowbolts or Wonderbolts?

Armor Time! (Type Speed transformation music) Drive! Drive!

Geiz (Gets out Specter gear): Either one is fine

Armor Time! (Low-pitched electronic music) Kaigan! Specter!

Sougo got DriveArmor while Geiz got SpecterArmor

Nocturnal Thunder: I'm already part of the Shadowbolts. I'm a night girl and it's fun.

Me: Cool cool.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets dance.

Nico: (gets out Bamboo Pandamonium's Ridewatch) Time for panda power!

May: (Gets out Sphinx Gates ridewatch) These gates can see straight into your heart!

Maria: (Gets out Dr. Wily (X-Squad's) Ridewatch) I am going to bring robots to destroy you!

Hokuto: (Gets out Yost Wonder Man's ridewatch) I will poison Stark!

They used the powers of Bamboo Pandamonium, Yost Wonder Man, Sphinx Gates (Neverending Story), Shadow Gaorangers, Dr. Wily (X-Squad) and Dukat and blasted the anothers.

Then Earthrock Trilobyte, Warthog Fangire. Bakeen, Ooblar, Sodam Insane and Ringbah came.

Nico: WHOA! Nice team Earthrock Trilobyte!

Earthrock Trilobyte: Thanks Nico.

Hunter: COOL! This is gonna be a good one.

Search Man: Yep because my team is next.

Nico: It sure is.

?: That is awesome!

Judge Man came!

Me: WHOA! Judge Man!

Nico: Nice!

Judge Man: (In a girls voice) I'm ready for some fun.

Nico: Colleen Judge!

She reverted back and was a girl with blond hair, pink eyes and had pink and dark blue clothes and had pink angel wings and had Judge Man in the middle of her forehead and on her arm and shirt and skirt and had an iron mace club in her hand.

Colleen Judge: Good to see you Nico. I got this. IRON MACE SMASH!

She smashed the Anothers and bashed them into pulp! I caught the ridewatches and purified them.

Me: YEAH!

Nico: Nice job!

Colleen Judge: That was awesome and fun.

Hokuto: It sure is! What's your favorite memory of Nico?

Colleen Judge: When me and Nico brought a dangerous criminal to court with my father as the judge and he was sentenced to death for numerous murders.

Me: Good fucking riddance. He had it coming.

Lola: Yeah.

Nico: That was fun.

They hugged.

Nico: I've missed you.

Colleen: Same here.

We went back home.

That disgusted Lincoln really badly and he took her down six years ago and sent her to prison, and after she was convicted for her crimes, that monster was sentenced to death.

But, now two years later, we got word Malaria Nikolai has escaped from prison, and she really wants revenge on Lincoln and she's on another murderous rampage killing more people in Prague. But, that ends here, we're going to kill her and Lincoln's going to tear her apart by ripping her arms and legs off and tearing her head off and impaling her arms, legs, torso, and head on stakes and send her evil spirit to The Black Abyss.

Lincoln: Ah, we're here in Prague, and I know what we're going to do here, not only am I going to rescue the five girls here, but we are in for one very dangerous battle, we're going to face Malaria Nikolai and destroy her.

Me: Just like what we saw in your dream last night.

Nico: If she's as dangerous as you say she is, we got to keep an eye out for that monster bitch.

Selene Arcangela: We've seen how dangerous that bitch really is, she's a bloodthirsty monster just as bad as Sebastian.

Eli: She needs to be stopped now.

Astro Man: But, where can we find her? Prague's a pretty big place.

Suddenly, May stepped in something: it was blood, but as she opened a nearby door, she saw a body come out bloodied and slashed all over and stabbed in the heart.

May: (SCREAMS) DEAD BODY!

Lincoln also spotted pools of blood along with dead bodies along with bloody footprints.

Lincoln: Bloody footprints, she's leading us to her.

Suddenly, we saw a beautiful girl who was tall at 7'0" in height, she has the body of a goddess and large breasts, long dark indigo hair, red eyes, massive black angel wings, black short-sleeved blouse, short frilly black shirt, white gloves, black skirt, gothic lace stockings, black knee-high high-heeled boots with butterfly buckles, long white long-sleeved trenchcoat with stars, darkness, fiends, theatre masks, phoenixes, and angels on the coattails, and on the back is Abyss Actor - Sassy Rookie, she has a darkness greatsword in her right hand, and with her are the five girls.

Lincoln: (GASPS) Aurora Balthazar, Gene-Slammer and Avatar of Abyss Actor - Sassy Rookie.

Aurora Balthazar: Thank goodness I made it. I also managed to get the five girls to safety, it's a mess here, Malaria Nikolai is killing people left and right, and she's in the town square preparing the ritual to raise an evil army of Incubi and Succubi from Hell to destroy the world.

Lincoln: Right. Let's go.

We immediately got a move on to the town square and we knew the reason behind what we read on the paper: Malaria Nikolai's murderous rampage in killing the hundreds of innocent people was for one reason: to raise an army of Incubi and Succubi from Hell to destroy the world. Not on our watch, bitch!

We arrived at the town square, and we saw a girl with long crazy black hair and blood red eyes full of absolute madness, hatred, and evil, and she was wearing a red prison jumpsuit and she was covered in blood, it was Malaria Nikolai, an extremely dangerous enemy of Lincoln's past and one of the most extremely dangerous and evil monsters ever to live, a real nasty piece of work and an extremely evil and dangerous monster bitch who terrorized a lot of people who got in her way and murdered hundreds of thousands of her victims and even bathed in their blood.

Lincoln: There she is.

We landed on a nearby rooftop, and we saw that the town square has a pentagram painted in the blood of those she's killed.

Malaria Nikolai: The time has finally arrived.

Then, she slit her left hand and added her own blood in, and she began the ritual.

Malaria Nikolai: Great Lords of Hell, Bringers of Pain and Suffering to Mankind, I pray to thee on this night. I ask thee to make your presence known to the world, open The Gates and allow your glorious army to spill out into the world of man and destroy every last one of God's children and drench the world with their blood!

Suddenly, we saw the pool of blood in the center react and we felt a malevolent force coming from it, and then, it formed into a portal! Then, we saw armies of Incubi and Succubi about to head for the portal and come out into our world.

Nicholette Torrington: She's opened the portal, we got to stop her now!

Lincoln: First, we got to close the portal.

Lincoln got out his Demon Destroyer whip in and he lashed at the portal and it fired needles of holy light that went into the portal and hits the armies of Incubi and Succubi, and they all screamed in agonizing pain and they were destroyed and sent to The Black Abyss.

Malaria Nikolai: NO! The army!

Then, Lincoln tossed a holy water flask that broke and it sprayed onto the portal and closed for good and the portal changed back into blood that splashed onto the ground. Malaria Nikolai saw her dream of summoning the armies of Hell destroyed.

Malaria Nikolai: No! No! NOOOOOOOOO!

Then, Lincoln fired blades of light that hit Malaria Nikolai, and that really, AND I MEAN, REALLY MADE HER ANGRY AND FURIOUS!

Then, we joined in and that really pissed Malaria Nikolai off big time!

Malaria Nikolai: DIE!

Malaria Nikolai charged at us completely blinded with fucked-up rage, but Lincoln kicked the bitch into a wall, she got back out, but that made the bitch even more angrier than ever!

Nicholette Torrington: You sick twisted insane bitch, I can't believe you tried to destroy the world by summoning an army of Incubi and Succubi from Hell!

Jackie Wren: You messed with the powers of Satanic magic for your desire for revenge against Lincoln for throwing you in prison and death row. You were a real lowlife back then, Malaria, and even now, you're still a lowlife.

Bertha Sellington: The worst kind of lowlife ever to live. You caused us enough trouble for the final and last time, Malaria, this is where we end your life here and now.

Malaria Nikolai: YOU GODDAMN ASSHOLES! How dare you get in my way again! If only Sebastian had killed you all in The Sensei Water Realm, I would've been freed to continue to cause havoc once again and destroy this pathetic world!

WOLF BLOOD - ADRIAN VON ZEIGLER PLAYS

Lincoln let out a loud wolf howl as a white and golden yellow energy vortex flared up behind him, and he charged at Malaria Nikolai, and he proceeded to brutally smash her into the ground with his massive godly superhuman strength, slashed her with his gold-armored dragon claws and massive greatsword, and fired blasts of white and golden yellow wolf fire, light, golden moonlight, and ice at her, and it was brutal.

WE SAW THE WHOLE THING, AND WE WERE FLINCHING AT THE SHEER BRUTALITY AND VIOLENCE OF LINCOLN'S ASSAULT ON MALARIA NIKOLAI! HE WAS REALLY GOING APESHIT ON HER MISERABLE HIDE!

Me: OH MAN! NOW, THAT'S JUST BRUTAL!

Nico: WAY TOO BRUTAL!

Eli: YIKES!

Qin: OH MAN!

SLASH! SLASH! SLASH!

LINCOLN SLASHED MALARIA NIKOLAI WITH HIS MASSIVE GREATSWORD AND HE ALSO FIRED A BLAST OF HEAVENLY

LIGHT THAT HIT HER AND CAUSED HER TO SCREAM EVEN MORE IN PAIN!

May: OH! AND HE ALSO RESORTED TO THAT!

Roxy Drake, Cuffs Lane, Abby Smith, Vessie Harris, and Jazz Jackson: JEEZ! AW MAN, NOW THAT'S JUST BRUTAL!

Cage Blunt: See what you went and done?

Travis Tackett: You went too far, I don't blame him for going wild on you!

James Blunt: That's only a fraction of what's going to be awaiting you when we kill you.

We saw that Malaria Nikolai was a mess: Lincoln left claw marks on her body and jumpsuit, and that was brutal.

LINCOLN SHOT THE BITCH WITH A JUDGEMENTAL HEAVENLY GLARE THAT SHOWED MALARIA NIKOLAI HER FATE: ETERNAL DAMNATION, AND THAT ANGERED HER EVEN MORE!

Me: HOLY...DAMN!

Nico: (GASPS) He shot her the glare of eternal judgement, but that made Malaria Nikolai even angrier than ever.

Eli: There's no doubt that she's done for!

Lori: And it's already going viral!

We saw on Lori's phone that the video of the fight was going viral and it was getting tons of likes from everyone, and comments such as, "YOU SHOW EM, LINCOLN! OY, BITCH, YOU MESSED WITH THE WRONG HEROES ONCE AGAIN! YOU REALLY CROSSED THE LINE BIG TIME, YOU INSANE PSYCHO, AND YOU TRIED TO DESTROY THE WORLD! MAY YOU ROT IN THE BLACK ABYSS FOREVER!"

Alya: Oh man, it's gone viral in a huge way!

Luan: Oh man, and everyone is also sending explicit condemnation and threats to Malaria Nikolai.

We saw the public condemnation, and it was really explicit!

Me: Wow.

Nico: Man, they really are going all out to say those kinds of explicit threats to the bitch.

Luna: And what Eli said was true, the bitch is doomed.

Me: When eternal damnation is proclaimed to those facing judgement for their sins, there's no escape from judgement.

Malaria Nikolai was defeated by us and she was bleeding. Then, as she got up, Lincoln ran at her and he stabbed Malaria Nikolai in the chest with his massive greatsword and he began to tear her apart: he ripped her arms and legs off and tore her head off and impaled her arms, legs, torso, and head on stakes and she was sent to The Black Abyss. We cheered as we holstered our weapons and powered down.

Lincoln: We did it, Malaria Nikolai's gone forever. But, look at what she did, what a monster.

Me: She really made a fucking mess.

Nico: There's no telling how many people she killed.

Lincoln put the dead bodies into coffins and sent them to the morgue.

Lincoln: And I've contacted the dead victims' families, they're going to claim the bodies and bury them in the cemetery, but before we go home.

Suddenly, Lincoln started pulling the oceans of blood to him and he began absorbing the oceans of blood into his body, and when he was done, the streets were clean. Then, we returned home to The World Tree Estate.

Nicholette Torrington: And I'm so glad we got rid of Malaria Nikolai, she was an absolute fucked-up monster!

Jackie Wren: The worst kind! She murdered so many innocent people for the last time.

Lincoln: And she tried to summon an army of Incubi and Succubi from Hell, but we stopped that and ended her forever. (To Aurora Balthazar) And it's so good to see you again, Aurora.

Aurora Balthazar: You too, Lincoln, it's been eight years since we last met.

Suddenly, Aurora Balthazar had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Aurora Balthazar was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent) (Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Aurora Balthazar: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Aurora Balthazar and hugged her, and Aurora Balthazar is very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her faces, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and wolf teeth and even more massive white angel wings and eleven other sets of larger sized angel wings underneath with orange and aurora tips underneath his massive white angel wings and large gold halo with four large orbiting gold rings on each corner behind his head, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, eleven massive and longer brown wolf tails with rainbow markings and rainbow tips and white rabbit tail with rainbow markings on top of the massive and long brown wolf tails, thick hair on his massive forearms, stubble on his jawline, and chest

hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Aurora Balthazar: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute eleven-year-old little boy into a 18-year-old 9'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf and man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and massive white angel wings and eleven sets of large white angel wings underneath your massive white angel wings, that's so awesome, and the large brown wolf ears on your head and the eleven massive and long brown wolf tails with markings and white rabbit tail on top of the massive and long brown wolf tails, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo with four large gold rings orbiting behind your head and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new, along with getting He-Man's chest harness (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Eli: And he'd also been hit with massive amounts of cosmic radiation and he'd been imbued with the same powers as J.D. and all of us, and he's become truly immortal and invincible.

Nico: And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Selene Arcangela: And so do we, this is Aurora Balthazar, Gene-Slammer and Avatar of Abyss Actor - Sassy Rookie, she's Lincoln's Guardian Angel from Michigan, and she's a talented actor who's gotten the role of many protagonists in the plays she and her sisters have put on, and she's a master of darkness, dark magic, black magic, and Satanic Magic, and she really knew how to put on a show when she steps onto the stage. She's the member of The Actors of The Darkness, a renowned theater group of girls who are the Gene-Slammers and Avatars of the Abyss Actors Duel Monsters, and they are theater actors who've put on the most amazing plays all over the world and have gotten praise and applause from the audiences all over the world. She met Lincoln in Choir Class and she heard him sing divinely, and it really brought tears to her eyes when she heard him have the voice of an angel, and she and Lincoln have participated in many school plays and they really put on a show that ended with a success, and she also helped him master the powers of darkness, dark magic, black magic, and Satanic Magic, and she also taught him a lot in the theatrical arts, and she also knew Lincoln is an Alpha Vampire-Werewolf hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him bulk up even more in muscle. Lincoln made her a powerful darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. Aurora Balthazar's also a good friend of Lucy and The Young Morticians' Club and she also went to Lucy's Poetry Club and listened to her poems, and Aurora Balthazar really hates Lola with a blazing passion, and she also knew how to bring down the actions of that rampaging pageant monster, and all it took was one really planned out performance from Aurora, and not only was Lola done for, but she always winds up getting a severe telling off in front of an audience of imps, fiends, and demons she summons and they all laugh and she runs out of the auditorium humiliated to the extreme and into the hands of her really angry siblings and she winds up in big trouble.

Sly Cooper: So, you basically tore Lola down when something gets on her bad side.

Lincoln: Yep, when that happens, the rampaging monster's always put down and humiliated.

Melanie Nyx: It always ended badly for Lola when she goes on her little rampages.

Nicholette Torrington: And it was always worth seeing her get her just desserts.

Lincoln: And our family was so glad to see Lola get her just desserts, and now that you're here, Aurora.

Lincoln with his massive muscular arms still wrapped around Aurora Balthazar's waist leaned his head down to the right side of Aurora Balthazar's trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as veins formed, and his massive white angel wings and eleven sets of larger white angel wings with orange and aurora tips on the large white feathers underneath his massive white angel wings spread out and his large gold halo and four orbiting large gold rings on each corner of the halo behind his head glowed. Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Aurora Balthazar: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Aurora Balthazar with red gems on the gold lightning bolts and red crystal links and jade beads from her merged

Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Aurora Balthazar: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Aurora Balthazar.

Aurora Balthazar had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Aurora Balthazar's waist, and he leaned down to her face and kissed her on the lips, and with Aurora Balthazar's hands still on his massive pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Aurora Balthazar had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Aurora Balthazar: (In Heaven) My God. Oh, Lincoln, the five girls I rescued are...!

Travis Tackett: Boys, in your rooms now, and no questions asked!

We obeyed Travis Tackett and fled to our rooms leaving Lincoln, Nicole, and his harem, and when Lincoln saw the seven girls, his wolf nose was gushing out blood and he had an atomic red blush on his cheeks and muzzle. The five girls are Swan White, Reiko Komori, and Alouette Pommier from The King of Braves GaoGaiGar and Abby and Shelly from Crush Crush.

Nicole: So, those were the girls that caused Travis to issue that order, and I can see why, these girls are really beautiful.

Lincoln: And easy targets for perverts. If I see one of them, I'm gonna smash their teeth out of their mouths. Are you girls okay?

Swan White: Yes, we're okay, thanks to you.

Then, when Swan White and the other four girls saw who it was that saved them from Malaria Nikolai, their faces turned atomic red upon seeing the 9'11" tall, handsome heartthrob hulking wolf hunk with abnormally massive and powerful upper and lower body muscles covered in brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle, long wild rainbow hair going down Swan White: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and he slowly bit them and he fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and eleven sets of large white angel wings with orange and aurora tips underneath his massive white angel wings spread out and his large gold halo with four large orbiting gold rings on each corner of the halo behind his head glowed. He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Reiko Komori: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Swan White, Reiko Komori, Alouette Pommier, Abby, and Shelly with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Alright, guys, come on out.

We then came out and we told everyone about what happened in Prague.

Maria: Oh man. I can't believe what happened there.

Lincoln: We were horrified when we saw it. Malaria Nikolai really caused a bloody massacre when she broke out of prison.

Nico: And she tried to destroy the world with the same ritual Lila Rossi did, but Lincoln prevented it.

Me: And we made Malaria pay the price big time.

Maria: I can't believe how much of a bloodthirsty murderous monster that fucking bitch is.

Trudy Lawrence: She's just like Sebastian in every way. By the way, you guys need to hear this, we also bugged his dungeon cell before he busted out.

We heard the recordings, and we heard all of the horrible things he said about us and he called us all pigs, idiots, imbeciles, bastards, and monsters who always ruin evil's glorious reign at every single fucking turn, but what he said about the girls, IT WAS SO FUCKING HORRIFIC WE COULDN'T EVEN REPEAT THEM, AND THE GIRLS TURNED EXTREMELY RED IN THE FACE WITH ANGER! THAT BASTARD SHOT HIMSELF IN THE FOOT! And we heard all of the death threats he made at us along with what he was going to do in murdering us all and destroying the world and Gotham Royal York!

WHAT A PIG!

Nico: Thank goodness you and Lady Nyx trapped that animal inside that crystal prison and crystal necklace and gave it to Melanie, Lincoln. I was that close to blowing his head off!

Lincoln: He'll regrow his head in a split second. Well, he'll be confined in the necklace so that way, he won't cause us any trouble again.

Me: Same here. Ugh, that guy is such a cruel heartless remorseless freak!

Qin: Tell us about it. Now, you saw his heartless nature for yourself, J.D., we may have cleansed him of the darkness, but the toxicity in his heart was never going to end, he became an endless reservoir of hatred.

Nico: That kind of hatred and toxicity was absolutely dangerous, that's what we've been trying to keep away from our friends.

Me: And that kind of hatred also made us even stronger than ever, he should've known that, but he doesn't.

Lincoln: Well, he'll remain inside the crystal prison until he learns his lesson, but knowing him, that's basically not going to happen any time soon.

After Lincoln destroyed Malaria Nikolai and sent her to The Black Abyss, we were training intensely in the gym doing

900,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our eleven massive and long brown wolf tails even more stronger than ever as well, and when Aurora Balthazar saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long brown wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Aurora Balthazar: My God, I was right that Lincoln's really grown into an 18-year-old 9'11" tall, really big, handsome, sexy, and extremely super strong manly man, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work, and really working out with those 900,000,000,000,000,000,000,000,000-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with

Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Aurora, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Aurora Balthazar: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really big, really strong, and really powerful man we know today.

Aurora Balthazar: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my eleven massive and long brown wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sly Cooper: Say, Caleb, I hate to ask this, but in 1985, did you get caught up in an incident that took place in Chinatown?

The NYPD Nightshift gasped in shock, and when Cage Blunt, Travis

Tackett, and Caleb Maxwell heard it, their faces froze with shock.

Caleb Maxwell: (Thinking) How did he know about the incident in Chinatown in 1985?

Roxy Drake: The 1985 Chinatown incident, that was an old case the captain had worked along with a few officers investigating it. We thought it was a typical gang war.

Caleb Maxwell: That's where you're wrong. The officers thought it was a gang war, but I knew the real truth of that incident, and I was lucky to get out alive.

Caleb Maxwell got out the tape of that incident in Chinatown and he put it in and it played on the big screen and it showed Chinatown in 1985, and Caleb Maxwell was heading into Chinatown, but that's a bad move as the sun was setting, but it was urgent.

Past Caleb Maxwell: I wonder what's up in Chinatown, and who would call me out like this?

Caleb Maxwell was suspicious at first, and he had his special guns his uncle's friend had made for him.

Von Lycaon: You were well prepared in case of trouble.

Caleb Maxwell: Especially with the Chinese Triads in Chinatown, they are really dangerous.

On the screen, we saw Caleb still walking the streets of Chinatown, and eventually, he came across the building he was told to head to, it looked like a Chinese restaurant as he went inside, it was rather pleasant, but it was about to get bad.

Past Caleb Maxwell: Okay, I've made it to the restaurant, now the person who contacted me should be coming.

Suddenly, Caleb Maxwell heard a noise, and the doors opened, but when he saw who it was that called him there, his blood ran cold, it was Panther, Carla Claw, and Sally Gamble of The Big Claw Gang, but they were wearing street clothes.

Past Caleb Maxwell: Are you kidding me, the ones who called me to meet here were the members of The Big Claw Gang. I've been had! That's it, I've got to get out of here and fast!

Caleb Maxwell got up and ran for the exit, but that would go unnoticed by The Big Claw Gang's three members.

Past Panther: Looks like he found out, Carla.

Past Carla Claw: Seems like it. Sorry, Sally.

Past Sally Gamble: (British Accent) Actually, I was expecting that, I knew he'd find out if it was a trap by Drake or if we were coming. (Smirks) Let's follow him outside and give him a scare.

They left the restaurant, and we saw Caleb Maxwell running away.

Past Caleb Maxwell: I can't believe it, I was such an idiot! Wait until The NYPD hears of this, you guys are done for!

Suddenly, Caleb Maxwell saw something that caused him to stop in his tracks: a group of thugs and soldiers from The Big Claw Gang.

Past Caleb Maxwell: Shit!

Just then, Panther, Carla Claw, and Sally Gamble arrived.

Past Carla Claw: We figured the whole restaurant thing in Chinatown was a bad idea since you'd find out it was a trick.

Past Sally Gamble: (British Accent) And you wouldn't come to Chinatown not without weapons.

Caleb Maxwell had his hands on the handles of his guns.

Past Caleb Maxwell: I suspected it was a trap, but I hadn't realized it was you three that did this.

Past Panther: (Smirks) You seem pissed off.

Past Caleb Maxwell: Oh, you're about to find out, smart ass!

Caleb Maxwell unholstered his guns and was about to fire in anger, but then, he felt a pain in his right arm as it started bleeding.

Past Caleb Maxwell: (Thinking) Damn it!

Past Carla Claw: Hey, you alright, your arm's bleeding.

Past Caleb Maxwell: (Growls)

Caleb Maxwell fired, but Carla Claw dodged as she ducked down, but one of the thugs got hit in the head and died. That of course horrified Caleb Maxwell: he just made his first kill.

Past Caleb Maxwell: No...! No, no, no! This wasn't how it was...!

Big Claw Gang Thug: Hey, he took out one of our own!

Past Caleb Maxwell: It was an accident.

Big Claw Gang Thug: DIE!

The thug raised his gun at Caleb Maxwell!

Past Caleb Maxwell: No!

Then, the thug fired at Caleb Maxwell, but he dodged it. Then, the thug was about to fire another bullet at him, but it didn't hit him. But, as he opened his eyes, he saw who it was that took the hit meant for him: it was Cage Blunt and Travis Tackett and they turned to face the gangsters, they opened their eyes and showed the black sclera and blood red eyes and sharp fangs.

Past Cage Blunt: You've got some nerve shooting a kid like that.

Past Panther: That bastard shot one of the boss' men, he may have deserved to get shot.

Past Caleb Maxwell: You...!

Panther charged in and was about to punch Caleb Maxwell right in the stomach, but Cage Blunt and Travis Tackett grabbed Panther by the shirt collar and tossed him right at Sally Gamble and Carla Claw.

Past Cage Blunt: Okay, now you did it! (HISSES)

Past Travis Tackett: You guys are so dead! (To Caleb Maxwell) Hurry, run!

Caleb Maxwell did what he was told and ran.

Past Panther: Oh no, you don't.

Panther, Carla Claw, and Sally Gamble went after Caleb Maxwell, but then, the bloodbath began as Cage Blunt and Travis Tackett went at the thugs and they tore some of their throats out and bit more of them on the neck and sucked them completely dry of blood and that horrified Carla Claw and Sally Gamble as they heard the screams of the gang!

Past Carla Claw: What in the?! Shit, Panther, let's get out of here!

Past Panther: No way, I ain't running! Not after what those two did to me!

Past Sally Gamble: (British Accent) You've got no other choice, those guys are monsters.

Carla Claw, Panther, and Sally Gamble decided to give up and head back to the hideout while the other thugs were being slaughtered by the two vampire cats and their screams echoed throughout Chinatown. Then, as soon as they were done, the thugs of The Big Claw Gang were all dead and drained of blood.

Past Travis Tackett: Now, that was so good.

Past Cage Blunt: That's for sure.

Meanwhile, Caleb Maxwell was hiding in a nearby alley as he holstered his guns, and he also heard the screams of the thugs as well.

Past Caleb Maxwell: It's quiet now. Now, I have to get out of here!

Caleb Maxwell got out of the alley and began running, but as he did, he saw the mess Cage and Travis left behind, and he tried so hard not to barf.

Past Caleb Maxwell: Oh God, I can't believe what I'm seeing. This is just horrific.

Caleb Maxwell continued running, but he was being watched by Cage Blunt and Travis Tackett.

Past Travis Tackett: I wasn't expecting that kid to make his first kill even if it was in pure anger.

Past Cage Blunt: True, but once you make your first kill, to vampires, it's nothing especially if the kill you made is a guilty bastard. But, for a human like him, that'll leave a dark stain on him, and it's one that'll never leave him.

Cage Blunt and Travis Tackett left as the video ended.

Nico: Damn, that was really horrific.

Travis Tackett: We know, and Caleb said it himself, he was lucky he managed to survive thanks to us interfering, and after Caleb left Chinatown, he ran back home.

Cage Blunt: But, after he told his mom, she was pissed at Carla, Panther, and Sally for setting that meeting up as a trap for him. Seriously, you three!

Mad Cat Max: I remembered hearing about that. So, I guess Caleb's first kill was actually back when he was still alive.

Captain Whitten: We thought it was a mob hit, but no gangster could kill that many men and not get shot at and survive.

Jack Howard: Still, the cleanup was a mess back then, and Caleb ran off without getting blood on his boots, but he was pretty traumatized.

Casey Antonio: As Travis said, killing someone left a mark on him and it would never leave him.

We got a shower, and then, Lincoln, Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura are heading to Emerald Coast.

Lincoln snapped his fingers, and the 9'11", handsome and extremely muscular wolf man had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura are dressed in two-piece colored bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura all had feelings for Lincoln, and he also had feelings for them, and he also saved them all from an ambush by a group of musclebound criminals, Lincoln sucked out their muscle mass, virility, strength, blood, and life energy and he killed them all.

Shiki: Wow, we're here in Emerald Coast, it sure is beautiful.

Lincoln: It sure is, Shiki, and it's perfect for our first date, shall we?

Lincoln, Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura dived into the waters and had an awesome time swimming, and there, they also saw the sea life that live there, then, the girls took turns in giving Lincoln a deep tissue massage which not only relaxed their muscles and entire body, but they also released some tension he'd been carrying.

Then, he made clones of himself and he did the same thing giving the girls deep tissue massages, and when they were done, they were literally relaxed. Then, they went back to the beach and they had an awesome volleyball game, and they went into a workout area Lincoln created, and Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift thirteen massive 900,000,000,000,000,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and eleven massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Luche: (Swooning) What a handsome and manly hunk!

Then, they had some lunch, and then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura and hugged them in their abnormally massive and powerful muscular arms, and Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura placed their hands on the massive hairy pecs of Lincoln and his clones.

And then, they all shared a passionate and romantic kiss and Lincoln slowly sank his fangs into the right traps of Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura and fed on their blood, and his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more, and his massive white angel wings and medium-sized white angel wings and small sized white angel wings underneath with aurora and orange tips spread out and his large gold halo and four large orbiting gold rings on each corner of the halo behind his head glowed.

He slowly unlatched his fangs from their traps as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura on the gold lightning bolts and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: Wow, now Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura are now in your harem, Linky.

Shiki, Himari Oofuchi, Luche, Akiho Rindou, and Mirei Mikagura showed the marks Lincoln made on the right sides of their necks.

Jenna: You girls had no trouble at all.

Mirei Mikagura: Not at all, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted thirteen massive 900,000,000,000,000,000,000,000,000,000,000-lb barbells he summoned in his large and strong hands and eleven massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know we made a clone of that mutant.

Lincoln: He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Mandy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mandy, Mindy, Schnozmo, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000,000,000,000,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000 reps of tail bicep curls to get his eleven massive and long wolf tails even more stronger than ever and he was sweating like crazy.

Lincoln: We don't have long before our battle with Giga Basark and The Storm King starts, so I still got to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift a massive thirty-five-ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Gates and they'd since healed and repaired things with Lincoln.

Lightning Dust: Do I even want to know where the mascots are?

Me: We did say they were going to be in M.O.E. HQ.

Nico: Yep.

Firefly was heading to his room.

He went in and it was a room FULL OF stuff for fire! He had a MASSIVE ARSENAL of Road Flares, flare guns, fireworks, flamethrowers, blasting caps, napalm, blasting caps, fire bombs. Enough of the stuff to burn down every single major city in the world.

Firefly went to play games.

Firefly: Lets have some fun.

He went and played games.

He leaned up against his bed and felt something and saw the mascots!

Firefly: Hey guys what are you doing here.

Poromon: Hiding from Poliwag and Horsea.

Manaphy: You got a lot of stuff in here.

Firefly: Yeah I've always been sort of a Firebug. Literally.

Zipp Storm: Might as well go find them

Me: Lets go.

We were off and we were flying.

Firefly: A lot of stuff here huh?

Manaphy: It sure is.

Poliwag and Horsea came in.

Poliwag: WOW! Look at all this! Oh found you guys!

Horsea: Yeah!

Manaphy: Yep you sure did.

We were flying.

Zipp Storm: I wonder whose room we'll get to see.

Me: We'll find out when we get there.

We arrived. Vypra was working in the garden.

Vypra: Hey guys.

Me: Hey Vypra. Sorry to come in like this.

Vypra: Mascots in one of the rooms?

Me: Yep.

Vypra: They are in Firefly's room.

Me: Ooh!

Vypra: Go on in.

We went in and went to Firefly's room and opened the door.

Firefly: Hey guys.

Me: Hey Garfield. WHOA!

Swindle: Look at all this stuff!

Nico: Wow! This is a massive fire arsenal.

Me: There's enough fire weapons here to burn down everything 10 fold.

Firefly: I know.

Poromon: It sure is a lot.

Me: Awesome room you have here though.

Camie: Wow! Yeah.

Me: Garfield used to be a pyrotechnics master and technician and provided fire effects for concerts and everything. Also when we first battled him he was gonna burn down the entire city of Gotham City.

Firefly: I remember that.

Nico: Really?

Me: Oh right you weren't with us when we first battled Firefly. it was intense and we were starting out as Team Loud Phoenix Storm back then.

I went over what happened in chapter 387 in Loud House Revamped.

When it was done everyone that hadn't heard it was shocked.

Twilight Sparkle: Wow! That was amazing!

Nico: Wow! I didn't know you guys did that back then.

Me: Yep it was back in 2018 and it was awesome.

Horsea picked up a flamethrower.

Sunstreaker: Horsea, you sure you wanna do that?

Horsea: Just in case.

Me: Just be careful and don't play with fire.

Horsea: I know.

Firefly: Help yourselves guys.

I decided to use a German LP34 Flare Pistol.

Me: An LP34 Flare Pistol. Nice quality.

Firefly: Thanks. It's awesome.

We later went back home.

We arrived back home.

Napalm Man: I got one for myself!

Me: You sure did.

Nico: That was fun.

Poromon: Wow! That was awesome seeing all that.

Me: Just be careful with all that.

Manaphy: We will.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his

Third Eye and the eyes on the shoulder blades of his massive white angel wings and nine sets of large white angel wings under his massive white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a vision orb formed in our left hands, and we saw who the figure was in the vision: it was Giga Basark, and he's causing havoc.

Lincoln, Me, and Nico: So, you're finally on the move, Giga Basark.

Eli: It's time.

Lincoln: That it is, Eli.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Giga Basark, and he's causing havoc.

EVERYONE GASPED!

Zipp Storm: I knew it was him.

Lightning Dust: Now, we can stop him for good.

Lena Mack: And destroy him for good.

Me: Yep.

The previous group came.

Shiva: Can me, Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Billy Numerous, Deker, Vexen, Mummy and Diabolico go with you guys?

Nico: Yes you all can go with us.

Me: This will be awesome.

Shiva: How did you guys like Firefly's room?

Me: Wow he was fully loaded.

Wolf: I know.

Nico: Yep.

Gabriel: Nico, which Gene Slammer do you think you'll meet next?

Nico: Dark Magician next.

Eli: COOL!

Yugi: Awesome!

Me: Yep.

Lincoln: (Sensed something) Wait a second, I sensed something, Giga Basark is causing havoc, but his brainwaves aren't his own, it's like something else is controlling him. (Sensed the presence) Oh crud, now I know why his brainwaves aren't his own, he's being controlled by The Storm King.

Me: The omen I saw has come true: The Storm King has returned for revenge.

Tempest Shadow: And against me.

Nico: And all of us, Tempest Shadow. But, this time, he dies here and now.

Lincoln: Giga Basark's in Japan and The Storm King's hiding in the shadows.

Nico: Looks like we need to force him out. Alright, team, let's go meet up with Kaito and the others.

Lincoln: And hunt down Giga Basark and The Storm King. It's not going to be easy, The Storm King has his Staff of Sacanas back, thanks to Anti-Monitor.

Tempest Shadow: That must be what he used on Giga Basark to put him under his control. If I destroy it, that'll free Giga Basark.

Zipp Storm: And set him loose on The Storm King, that's perfect. Now, let's get going. Kaito, you and the team hang in there, we're coming.

Lincoln: (Deep Sapphire Eyes turn blood red) Get ready, Storm King, we're coming for you and Giga Basark, this will be the last time you ever come back to terrorize Equestria.

Lincoln put up a rainbow energy field around The World Tree Estate and all of us headed out to Japan to help Kaito and the team take down and destroy Giga Basark along with our old enemy, The Storm King, who has returned once again for revenge against Tempest Shadow and all of us as well by putting Giga Basark under his control.

We were off.

We arrived in Japan.

Me: Always love coming to Japan.

Killer Shrike: Let's call Leap Frog.

Me: Good idea.

Leap Frog then came.

Leap Frog: Hey guys!

Me: Awesome!

Nico: This will be fun.

Kaito Touma then came out.

Kaito Touma: Hey guys! You all made it!

Nico: Like we wouldn't miss this.

Tara Duncan: Yeah no kidding! Also thanks for helping us last time.

Kaito Touma: It was no problem.

Strike Man: You did good against a Vladat like Lord Transyl

Kaito Touma: Ah it was no problem. Lets talk more at base.

Me: Okay.

We went to the base.

We arrived.

Nico: Good to see this place again.

Kaito Touma: I know

Crimson Dynamo: Is Max Punch your favorite attack?

Kaito Touma: It sure is.

Camie: That is cool.

Princess Neri: That is so awesome.

Kaito Touma: Oh I don't believe we met.

Princess Neri: Princess Neri of Oceana.

J.D. 2: My sister. She was on the planet Oceana and we went there 4 days ago.

Eli: To kill Ursula and avenge Atlantica.

Me: Yep. We succeeded.

Kaito Touma: Awesome to meet you.

Me: Yep and we battled Ursula on Oceana.

Kaito Touma: I get it. Because Ursula was one of the villains who helped Super Warumono World.

Ruckus: Oh, it's beyond that!

Me: Ursula hired Davy Jones to murder Athena.

We told him everything and it was horrible.

Kaito Touma: Oh man! That's horrible! I'm sorry.

Eli: It's okay.

Ariel: But Ursula and her sister Morgana are now forgotten memories.

Me: Lots of things have been happening to us these last few days.

Kaito Touma: I can see that. Oh congratulations on destroying Dark Gale and winning the Ridonculous Race. Oh I saw what happened with you and Nico with the Fear Gas. Are you okay?

Me: We're okay.

Nico: Just got a tremendous headache from breaking out of the hallucination.

Deker: Wanna know what they saw?

Kaito Touma: What did they see?

Me: Well you're going to have nightmares.

We told him everything and it was horrible. When it was done he turned TOEPICK SCARED!

Totally Spies Timmy: The scary part was when Crocker and Burns pulled their triggers

Kaito Touma: (GULP) That was horrible!

Me: We knew it wasn't real. But it was scary.

Xenia: Yeah.

Me: We broke out of it with willpower. But we had huge headaches as a result. But we are now immune to fear gas.

Camie: That was awful.

Lola: It sure was.

Mummy: And Scarecrow was huge.

Me: Yep.

Natilee: This is what Scarecrow and us saw.

She showed sketches of them and they were well made.

Kaito Touma: WHOA! These are amazing.

Nico: Yep we were amazed too.

Camie: Yeah.

DANCE OF THE SUGAR PLUM FAIRY PLAYS

Poromon came out in a fairy costume with 1 bottle of beer.

Poromon: (to the Ultraman Max team): Hello there! I'm the beer fairy! Come to give you guys 1 bottle of beer!

Itasis: You get one under your pillow if you're good!

Mizuki Koishikawa: Oh Poromon looks so cute in that costume.

Princess Neri: He sure does.

Kaito Touma: I could use a beer.

Poromon: YAY!

He popped it open and drank it.

Kaito Touma: Ahh. (BARNEY GUMBLE BELCH)

Barney Gumble: Welcome to the drunk club. (BELCH!)

We laughed!

Me: Yeah.

Mizuki Koishikawa: The mascots sure love beer don't they?

Me: Oh yeah.

Nico: You guys want some too?

They shook their heads for no.

Me: Okay then.

Poliwag: (Does Puppy Eyes) Aww pwetty pwease?

Nico: Poliwag that's enough.

Mizuki Koishikawa: So what is Gotham Royal York like?

Me: It's an amazing city. And it has it's ups and downs. Especially with a movie the mascot hate. And us too.

Kaito Touma: What movie is that?

Me: And cue mascots craziness in 3... 2... 1...

Poromon: WE'RE TALKING ABOUT THIS MOVIE! (shows trailer close to Kaito Touma's face) HERE! LOOK AT IT! IT'S UGLY, ISN'T IT?!

Kaito touma: WAIT IS THAT BLOOD AND HONEY!? OH DEAR GOD!

Manaphy: (shows trailer close to Mizuki Koishikawa's face) YOU LOOK AT IT!

Mizuki Koishikawa: THAT IS HORRIBLE THAT HAPPENED TO POOH!

Poliwag: (shows trailer close to Kenjiro Koba's face) YOU LOOK AT IT!

Kenjiro Koba: (VOMITS ALL OVER THE FLOOR!)

Horsea: (shows trailer close to Kenzo Tomioka's face) LOOK AT IT!

Kenzo Tomioka: WHAT KIND OF MONSTERS WOULD MAKE POOH LIKE THIS!?

Jirachi: (shows trailer close to Yukari Yoshinaga's face) LOOK AT IT!

Yukari Yoshinaga: (SCREAMS) MAKE IT STOP!

Tentacool: (shows trailer close to Dr. Date's face) LOOK AT IT!

Dr. Date: THAT IS HORRIBLE!

Mascots: LOOK AT IT! LOOK AT IT! LOOK AT IT! WE WANT ALL OF YOU... TO FUCKING LOOK AT IT!

Diabolico: We apologize for this

THEY SCREAMED IN HORROR AND FRIGHT!

Mizuki was crying!

Me: What you saw was the trailer for the infamous Winnie the Pooh: Blood and Honey movie.

Dirt Boss: It's what happens when Christopher Robin goes to college!

Me: Yeah. They turned into savage, bloodthirsty feral killing machines.

Kenjiro Koba: Why didn't you give the creators the black gates!?

Me: Because they are innocent people and our code strictly forbids us from killing the innocent. Our job as superheroes is to PROTECT the innocent. What you said is the opposite. So we went with Blu's idea and filed a MASSIVE lawsuit against them.

Maria: Yeah we sure did.

Vexen: And we ended up killing the abominations recently

Me: On the King Ohger's home planet of Chikyu.

Poromon: That was the best day for us as the mascots.

Poliwag: It sure was.

Himiko: It was awesome.

Yukari Yoshinaga: That is amazing!

Luan: I even got it on video for us.

Luan showed a video of the Mascots using sheer teamwork and what they are good at to destroy them.

Kaito Touma: WHOA! You guys did great!

Poliwag: Yeah that was fun.

Me: And Kenjiro, sorry you had to lose your lunch over that.

Kenjiro: It's okay.

Me: Good.

But then the lights got brighter and then...

SMASHES AND EXPLOSIONS!

Me: WHOA!

They overloaded and exploded!

Me: WHOA MAN!

Nico: What in the world caused that!?

Me: Some kind of electrical overload!

Lincoln: And I know what caused it. It was Lightning Dust's Akuma, Catatumbo Comet. The Hypothetical Akuma of Lightning Dust and she is a living comet made entirely out of pure lightning and has incredible lightning fast speed and lightning powers. She was made when she was kicked out of the Wonderbolts and as a result she was turned into this and vowed to get revenge on the Wonderbolts.

WE GASPED!

I formed a ball of light to use as an alternate light source and Lincoln showed us a sketch of it. It was a COMET MADE ENTIRELY OF INTENSELY POWERFUL PURE LIGHTNING!

Me: WHOA! That is one intensely strong electrifying comet!

Clown Man: We need to find her!

Me: First, Kaito does this place have a backup generator?

Kaito Touma: Yes it does.

It turned on.

Me: There we go. Now we can find her.

Eli: She's in over by Roppongi Hills.

Me: We were there before. Lets go.

We headed out and we were walking we saw NUMEROUS STREET LIGHTS AND MORE EXPLODING FROM OVERLOAD!

Me: WHOA! This one has intensely powerful electricity!

Lincoln: LOOK!

We saw CATATUMBO COMET!

Me: WHOA!

Qin: That is one INTENSELY POWERFUL COMET!

Catatumbo Comet: You all made it.

Me: WOW! You look awesome as a lightning comet.

Lincoln: WHOA! You have more intense high voltage than Starfire's Akuma. She had 420,000,000,000 Yottawatts of electricity. You have 999,000,000,000 Yottawatts of electricity!

Me: WHOA! That is intense!

Camie: No kidding!

Billy Numerous: Lightning Dust? Is that you?

Catatumbo Comet: Yes it's still me. Now I will get my revenge on the Wonderbolts!

Camie: What did the Wonderbolts do to her?

Me: Well she was kicked out of the Wonderbolts for being too reckless. Like what we went through because of Dark Orb Contamination.

Kaito Touma: I remember being told about that. That was crazy.

Nico: It was.

Me: She formed a tornado and it put all of Rainbow Dash's friends and the Wonderbolts all in danger.

Nico: Yeah.

Me: It's why Rainbow Dash had a terrible history with her.

Rainbow Dash: Yeah it's something I didn't like talking about.

Leap Frog: You need to calm down!

Me: Yeah you're destroying all of Tokyo's street lights and electrical lighting!

Catatumbo Comet: Sorry about that. But not until the Wonderbolts have been dealt with!

Me: Then you leave us no choice! WIND STYLE NINJA ART: DIVINE WIND!

I fired a massive wall of tornadoes and wind and blew her around and neutralized some of her lightning!

Qin: Clever!

Nico: Lightning is weak against wind.

Me: Guess I should have thought of that when we battled Starfire's Akuma.

Nico: Yeah.

Leap Frog charged at her.

Me: Vincent wait!

He stopped!

Me: We can't get near her. She's made entirely out of pure intense lightning. She'll electrocute you into charcoal briquettes if you touch her. We had to learn that the hard way with Starfire's Akuma.

Leap Frog: Oh man.

Me: Yeah.

Leap Frog: So what I do then?

Me: Use the power of wind and also let the lightning users absorb her lightning.

Leap Frog: Okay. WIND STYLE NINJA ART: FROGS OF CYCLONIC MAYHEM!

He fired waves of wind and it formed into frogs and blasted her all over and weakened her.

Catatumbo Comet: My turn!

She fired a massive blast of intense lightning and it hit May and electrocuted her with EXTREMELY INTENSE LIGHTNING!

SHE SCREAMED IN POWERFUL PAIN FROM IT!

May was burned to a crisp!

Ed: Zappity Zap Zap.

May: (In pain)...Ow!

Manaphy: Mama! Are you okay?

Me: See?

Leap Frog: Okay I see your point.

Lincoln: I got this!

Lincoln, Linka, Paula, Fiona and the Lightning users grabbed her and sucked out all of her lightning and she was reduced to a small glowing neon blue rock.

Me: WHOA!

I picked her up.

Catatumbo Comet: (Weak) This is my true form.

Me: Wow You were a real comet. But made of pure lightning.

Nicole: Nice.

Lincoln: WOW! We feel supercharged from all that.

Me: No kidding!

But then...

BASH!

Lincoln got hit on the head with a bone.

Lincoln: OUCH!

Me: Okay who is the wiseass!?

Lola: LOOK!

We saw a Marowak.

Me: Whoa a Marowak!

Nico: How'd that get here?

Me: It must be one of Dark Gale's work.

Lynn: Let me see here.

She used telepathy and gasped!

Lynn: That's my teacher Ying-Xing-Wu!

Nico: WHOA! You know her?

Lynn: Yep. She taught me everything in all kinds of forms of Martial Arts. She taught me a lot of techniques in Brazillian Jiujitsu, Shaolin and Kung Fu and she taught me everything she knew.

Me: WHOA! That explains how you won all those awesome martial arts trophies and tournaments.

Nico: That is cool!

Goku: Yeah she is that awesome in that.

Nico: You could teach her a lot of your techniques Kakarot.

Goku: I sure could.

Me: Lets go help her Lynn.

Lynn and I went to face her.

Lynn: Ying-Sensei! It's me Lynn!

All she did was throw her bone and I caught it.

Me: Looks like we do this the hard way.

MORTAL KOMBAT THEME PLAYS!

We went at her and punched and kicked her and bashed her down.

MORTAL KOMBAT!

Lynn snapped her fingers and she reverted back and was a girl with orange hair and orange eyes and had orange angel wings and Marowak in the middle of her forehead and had a Yin-Yang Cutie Mark on her arm.

We wrapped her in a blanket and brought her over.

Lynn: Flawless victory.

Johnny Cage: I like how you said that! Shame you never participated in the Mortal Kombat tournaments back in the old days

Lynn: Yeah that would have been awesome!

Me: Yeah that would have been awesome.

Lynn: And I learned a lot from you guys too.

Liu Kang: We're honored.

Me: Well done Lynn. And your powers have evolved too. You snapped her back to normal.

Lynn: Yep.

She woke up

Ying-Xing-Wu: (Groans) (Chinese Accent) What hit me?

Lynn: Ying-Sensei? Are you okay?

Ying-Xing-Wu: Lynn? Lynn it is you!

She hugged her.

Lynn: We had to fight you because you were turned into a Marowak by Dark Gale.

Me: I didn't turn you back this time. It was Lynn.

Ying-Xing-Wu: Wow. You have gotten amazingly stronger over the years. And I remember!

She was in an orange suit and injected and she was turned into MAROWAK!

She bashed all the grunts skulls in and killed them and busted out.

FLASHBACK ENDS

Ying-Xing-Wu: It was awful.

Me: Well we destroyed all of Dark Gale.

Lynn: Yeah. But I'm glad you're okay sensei. (BOWS)

GONG RING!

Ying-Xing-Wu: Me too Lynn. (BOWS)

GONG RING!

Bad Juju: Do you have a role in Sonya's team?

Ying-Xing-Wu: I sure do. I am the martial artist of the team and battle our enemies that come at us.

Me: Wow! That is awesome.

Ying-Xing-Wu: It is. Outside the team I train students in my styles and techniques. And Lynn is the best student I had in my dojo. She came a long way.

Lynn: I'm a 9th Degree Black Belt in her Techniques. I've even challenged her and won.

Me: Wow! The student has surpsassed the master.

Nico: Yeah.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her orange clothes and a mace staff.

Ying-Xing-Wu: I look amazing.

Me: You sure do.

Lola: Now for the fun part.

Nico: The usual battles.

Me: Yep.

Captain Boomerang: (Australian Accent) That battle was shocking!

Me: Yeah no kidding! That was intensely electrifying!

Qin: I agree.

May: Ouch! No kidding. I'm really numb from that.

Lincoln: Here May.

Lincoln helped her out.

May: Thanks Lincoln.

Kaito Touma: I heard the Storm King is back. Before the usual battles begin, can you tell us about him?

Me: I sure can. We battled him on the April 12th, 2022 War. Man that's coming up soon.

I went over his history.

In the lands south of Equestria, the Storm King ruled over his realm with an iron fist with an army of Storm Creatures at his command and a cloud-creature known as Strife as his assistant. Over the years, the Storm King would travel to other lands, conquering some and destroying others as he pleased in a quest for power and control over the world, two values he saw fit over all else.

During one of his invasions in the Abyssinian capital of Panthera, the Storm King robbed the riches from the land's rulers, including the Misfortune Malachite, an object said to be cursed with bad luck. Departing the broken kingdom, the Storm King plotted to use the malachite's power to help him take over the world but he was betrayed by Strife, who teamed up with the Storm King's rivals, Captain Celaeno and her crew. Strife sabotaged the ship, stole the malachite and the other ships, and left. Enraged, the Storm King appointee a menial worker known as Grubber to be his 2nd-in-command and fix the ship.

The King eventually hunted down Strife and captured him. After throwing him overboard and killing him, he enslaved Captain Celaeno and her crew to become cargo-holders for him. He soon followed one of his loose airships, steered by Capper and Chummer from Abyssinia to retrieve the Misfortune Malachite.

The Storm King's search for the malachite became harder when a unicorn with a broken horn stole the malachite, sending the Storm Guards on a chase for her. The Storm King himself caught the unicorn in the act, though he was impressed by her avoidance of his forces. The unicorn reveals her name as "Tempest" and tells him about his broken horn. The King agreed to help fix Tempest's horn should she pay him with the malachite. However, the Storm King crushed the malachite, not needing any bad luck. Tempest struck up a deal of her own with him where she would help the Storm King take over Equestria and he would be granted enough power to rule the world and restore her horn. The Storm King agreed to this, making Tempest the commander of his army, but secretly planning on betraying her when he has the chance.

The Storm King first appears when he contacts Tempest via magic potion after she has successfully conquered Canterlot and captured

Princesses Celestia, Luna, and Cadance by petrifying them with obsidian orbs while Princess Twilight is able to escape with her friends. After some trouble with the image chat, Storm King expresses his frustration at how useless the Staff of Sarcanas is, but Tempest assures her master that he will become all-powerful once he uses the staff to take the princesses' magic. He then asks about Tempest's progress in her mission, and the unicorn asks for three days to have everything ready by his arrival. The Storm King threatens Tempest that he is the only one who can restore her horn if she accomplishes her mission and that there will be dire consequences should she fail him. Tempest promises that she will not fail, and the Storm King begins expressing his excitement at becoming all-powerful right before the communication spell wears out.

Even though not a physical appearance, a bobblehead of the King is held by Murdock when Tempest interrogates the pirates on the Mane Six's whereabouts.

The Storm King finally arrives at Canterlot and enters the throne room just as Tempest arrives as well with an encaged Princess Twilight, who she managed to capture after her friends abandoned her after her selfish actions botched their chance of getting help from the Hippogriffs as well as hurting their feelings afterward. After expressing his contempt for the "cuteness" of the environment he was in, the Storm King uses the Staff of Sacanas to absorb the magic of all four princesses, much to his glee. Afterward, he begins experimenting with his new powers by taking a shot at a de-powered Twilight, which she manages to survive thanks to the toughness of her cage, which was destroyed. As he starts playing with the sun and moon Tempest attempts to remind his master of his promise to repair her horn, only to be set aside so he can continue toying with the cosmos.

Then Twilight's friends all came back to save her, accompanied by the con-cat Capper, the Parrot Pirates, and Princess Skystar. After seeing them managing to fend off his troops, the Storm King uses his staff to create a massive hurricane, blowing away the rest of his army and shielding the castle to keep the heroes from getting closer. As the Storm King marvels at his own power, Tempest tries one last time to persuade him to fulfill their bargain. However, the Storm King scoffs and betrays her, revealing that he had only been using her from the start and that she has outlived her usefulness. He attempts to kill Tempest with lightning bolts but is blown back when she blasts him back with her magic. Twilight sees an opportunity to get the staff away from the Storm King but chooses to save Tempest instead. The Storm King laughs at this gesture and then prepares to murder them both as they are no longer of use to him anymore.

Just as he is about to kill Tempest and Twilight, Twilight's friends launch themselves out of a massive cannon, ramming the Storm King out of the way and lodging the Staff of Sacanas into the mosaic above the throne room. Twilight and her friends make up as they apologize for what they never should've done to each other at a terrible time. As Twilight and her friends work together again, they fight against the raging winds of the hurricane and the falling debris of the collapsing throne room in an attempt to retrieve the staff. Right behind them, The Storm King emerges from underneath some of the fallen rubble and desperately climbs in pursuit of the staff. Fighting against the Mane 6 in the race for the staff, he hurls himself at the staff in a fit of desperate rage, just as Twilight grabs it first just in time, but the strong winds pull Twilight, the staff, and himself through the window and out into the hurricane.

Just when the ponies think Twilight is dead and mourn for her, she emerges from the eye of the storm with the staff, still alive, and uses it to end the chaos the Storm King began. As she and her friends embrace each other, it is revealed that the Storm King survived the storm too. Not wanting to admit his loss and defeat, he quietly climbs back up over the balcony and hurls an obsidian orb at them in the last attempt to retrieve the staff and defeat Twilight and her friends once and for all. Tempest, however, spots him and sees what he was about to do. Having had a change of heart after being saved by Twilight, she leaps in front of the princess and her friends and onto the Storm King, taking the hit and transforming them both into obsidian statues. While Twilight uses the staff to save Tempest, the Storm King's petrified body plummets down to the courtyard below and shatters into pieces upon impact, and ending his oppressive tyranny over Equestria, all the lands he took over the years, and his plan to rule the world before it could truly begin.

It is unknown whether he will have any fate following the film's. However, during the credits, it is shown that a storm creature attempts to piece him back together during a dance competition, only for him to fall into rubble again. During which, his eyes were glowing with rage, indicating that he is possibly still alive (if not, he still has possibility of the spell being reversed from his non-living form in stone). If he was, he has yet to return.

When I was done, everyone was shocked!

Kaito Touma: OH MAN!

Me: Yeah. I found out from the Spirit of Harmony that he is BEYOND ALL FORM of redemption. And he was not offered anything in exchange for helping Opaline get power. He was working independently.

Nico: Good. Then the Black Abyss for him.

MetalSeadramon was next

MetalSeadramon (to Noah): The Storm King is back! And he's controlling Giga Berserk

Noah: Yeah that is crazy! Also we were warned from an omen that he was returning. Tempest Shadow is gonna get some MASSIVE payback on him for all of the terrible crimes he did!

Surfimon: That is for sure dudes! Oh sup? I'm Noah's Surfimon dudes.

MetalSeadramon: Awesome to meet you and love that Surfer Attitude.

Surfimon: It sure is great dudes.

Billy Cranston: I agree. Also J.D. said that there was no redeeming qualities about the Storm King and we're going to kill him.

Jericho: (Writing) That is for sure. After all the pain he caused, he has no conscience and all that.

Princess Celestia: I agree there. What the Storm King did to Equestria and the world is unforgivable. J.D. said that according to the Spirit of Harmony, the Storm King worked independently and Opaline Arcana didn't offer him anything in exchange for helping her in her quest for power.

Dawn Eclipse: That is good because the Storm King is just as evil as her and we're going to destroy him.

Princess Celestia (G5): What he did to so many people and ponies and creatures is unforgivable.

King Solar: That is for sure!

Solar Eclipsa: Yeah no kidding.

Amber Morning: And Tempest has his staff so the tables have turned against him.

Spotlight: No kidding.

MetalSeadramon: I agree here too! Lets do it!

Noah: LEGENDARY RIDER MODE! DRIVE JUSTICE FORCE!

He turned into one of the Drive Riders!

Noah: And here is my Gashat.

Chunky Chicken was next.

Chunky Chicken: Boy this is gonna be awesome.

Nico: It always is.

May: Yeah no kidding.

Chunky Chicken: I agree. Lets do it!

Nico teleported and opened his safe and it had weapons called the Destroyers of Giga Basark and The Storm King, they're a massive collection of greatswords, blasters, spellbooks, and magic rings that'll really put some serious damage on those monsters.

Nico teleported back with them.

Tommy Oliver: Lets do it guys! IT'S MORPHIN TIME!

THUNDERCLAP!

Tommy: DRAGONZORD!

Nico: Chunky Chicken you have failed this city!

Troy: Rangers that's a Super Mega Win.

We regrouped.

Kaito Touma: That was fun!

Me: It sure was!

Magmon: Now to go after the Storm King

Me: Yep.

Wolf: Where is he right now?

Eli: He's over there!

He pointed to a castle in Suicide Forest.

Me: That was conventient.

Nico: Lets go guys. Get ready Storm King, (EYES GLOW RED) FORECAST CALLS FOR SUNNY SKIES LEADING TO YOUR DEATH!

We were off.

We arrived.

Me: Whoa!

THUNDERCLAP! THUNDERCLAP!

Me: Lagoras and Grangon! I remember you two!

Lagoras: You want the Storm King?

Grangon: You go through us!

?: You two won't be a problem!

Out came the Kaijudo team!

Ray: We'll hold them off! You guys get them!

Ocellus: Me, Ink Rose, and Lola Ferrington will help you guys!

They went and did so. We went in

Me: Scary.

Osirus and Roller Ghoster came.

Leap Frog: (to Osirus and Roller Ghoster) Thanks for coming, guys.

Roller Ghoster: No problem.

Osirus: This will be fun.

We hit and saw GIGA BERSERK! And piloting him was STORM KING!

Me: Whoa he's huge.

They went up to him.

Storm King: You 3 are just in time. Do you like my new pet? How about I test him out on you?!

Osirus: I don't think so.

Then the spirits of the storm came and swirled around him and converged and then..

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOM

A massive fiery explosion blasted out and a phoenix Cry was heard and we came out.

Me: Surprise!

Storm King: YOU!

Twilight: We meet again, Storm King!

Storm King: You have interfered in my plans for the last time Princess Twilight!

Qin: This time you will die permanently!

Tempest Shadow: And you will pay for everything you did!

Storm King: Krybots!

An army of Krybots and Pordermen appeared

Me: Krybots and Pordermen! Now you're talking!

I fired waves of lightning and blasted them. Then they jumped the Max team

The Ultraman Max team lay defeated at the hands of Krybots and Pordermen.

Storm King (laughs evilly): You fools will be warmup. And then, all of Team Loud Phoenix Storm will be next!

Poliwag (slaps Krybot with his tail): Oh no! What do we do?!

Zipp Storm, Lightning Dust, and Lena Mack got an idea.

Zipp Storm: (to everyone watching) Everyone out there! Lend the

Ultraman Max team your strength!

Lightning Dust: They get stronger with your support!

Lena Mack: When we go "1,2", shout "Ultraman Max!" Okay? 1,2...

All: Ultraman Max!

Zipp Storm: One more time! 1,2...

All: Ultraman Max!

Lightning Dust: Louder! 1,2...

All: Ultraman Max!

Jamesdean5842: ULTRAMAN MAX!

At this, Kaito Touma found the strength to get up.

Kaito Touma: Time for us to finish what J.D. and the others started!

Kaito Touma then threw a Krybot at a Porderman, knocking both to the ground.

Kaito Touma: Thanks for the help, everyone.

Mizuki Koishikawa: I didn't know we were that popular.

Kenjiro Koba: Neither did I.

Kenzo Tomioka: I'm not complaining.

Yukari Yoshinaga: It's time to finish the work that started back in 2022.

Dr. Date: You said it!

Me: This time you don't have the Church of Necrom to save you.

Sento: Now, shall we begin the experiment?

Zipp Storm: We shall. With me, Lightning Dust, and Lena transforming with you guys!

Jack Landors: Damn right, Zipp!

SPD Rangers: SPD Emergency!

Lupinrangers: Kaitou Change!

Patrangers: Keisatsu Change!

Sento pulled out a black and red device with silver gears and a crank handle, as well as a red and blue pair of bottles Banjo pulled out an identical device, but only one bottle, as what looks like a tiny dragon with a hole in it's back flies into his hand, folding it's head and tail up as it does. With that, both Sento and Banjo placed on their belts before shaking the bottles they carry. Sento twists the caps on his bottles, while Banjo does the same, before slamming his cap down into the back of his dragon as Sento inserts his bottles cap down into his belt, followed by Build slamming his dragon into the belt.

Cross-Z Dragon: Wake up!

Build Driver (Sento): Rabbit! Tank! Best Match!

Build Driver (Banjo): Cross-Z Dragon!

With these actions, both Sento and Banjo start cranking the handle on the side of their Build Drivers, causing them to generate some sort of constructs resembling model kit wire frames on a giant rack

Build Drivers: Are you Ready?!

Sento and Banjo: Henshin!

Build Driver (Sento) Hagane no Moonsault! RabbitTank! Yay!

Build Driver (Banjo): Wake up Burning! Get Cross-Z Dragon! Yeah!

With the famous pronouncement made, the wire frame constructs slam into Sento and Banjo, Sento's creating his red and blue striped armor across a black bodysuit, with a visor resembling a blue tank and red rabbit head, using armor pieces resembling a rabbit ear and tank barrel to create something akin to a scarf, while Banjo's is much simpler, dark blue armor with a flame design wrist plate on his left arm, but as the armor halves come together, a third section folds in, creating shoulder pads with that flame design and a dragon head visor. And each generates a weapon as well, Sento receives what looks like a steampunk drill sword, and Banjo a normal looking sword with a pull tab at the pommel.

Gentoku Grabs a blue belt and purple bottle and Places the belt on his waist.

Sclash Driver (Gentoku): Sclash Driver!

With his Sclash Driver secured, Gentoku twists the cap on his bottle, activating it

Crocodile Crack FullBottle: Danger!

As the FullBottle starts to play what sounds like a version of the theme from "Jaws", only with three beats before repeat rather than two, Gentoku places it into the Sclash Driver

Sclash Driver (Gentoku): Crocodile!

Gentoku: Henshin.

With that, Gentoku presses down on the wrench handle, forcing the press against the FullBottle, which forces the fluid into the activator vial, causing some sort of beaker setup to form around Gentoku, with giant crocodile jaws on the side breaking the beaker once it fills up with a strange purple fluid that forms most of Gentoku's violet and black armor, save the white cracks in it, including a replica of the jaws on the sides of his head, which create the green eyes by cracking the helmet

Sclash Driver (Gentoku): Wareru! Kuwareru! Kudakechiru! Crocodile in Rogue! (Utters some sort of guttural cry, followed by a scream from the FullBottle itself)

Kazumi placed the Sclash Driver on his waist.

Kazumi: Well then. Time to get into the game.

With his goal known, Kazumi twists the cap on the Robot SclashJelly before placing it cap down into the Sclash Driver

Sclash Driver (Kazumi): Robot Jelly!

Kazumi: Henshin.

With his battle cry made, Kazumi pushes down on the Sclash Driver's wrench handle, crushing the Robot SclashJelly and sending the contents into the activator vial. This action causes Kazumi to be surrounded by a giant beaker setup filled with black liquid that immediately fuses to Kazumi, forming a black and gold armored suit with a red eyed white head, out of which spouts some golden oily substance, which forms black chest and head armor as well as golden shoulder pads on Kazumi's armor)

Sclash Driver (Kazumi): Tsubureru! Nagareru! Afurederu! Robot In Grease! (Guttural screaming)

Utsumi: Henshin!

They transformed!

Kaito: (Snaps Fingers) LupinRed!

Tempest Shadow: STORM KING!

Storm King: If it isn't the traitor! You're going to pay for turning against me! You can die here along with all of Team Loud Phoenix Storm! Giga Basark, kill them!

Giga Basark: (Monotone Voice) Yes, master.

Giga Basark fired an energy blast at us, but I deflected it and it hit him back.

Storm King: PERISH!

The Storm King fired a blast of energy from his staff and it hit Melanie Nyx's crystal necklace that had Sebastian imprisoned inside and shattered it to pieces. But, then, we saw wisps of darkness come out of the shattered crystals and they rose into the air and began forming into a black tornado, and when the tornado faded, all that stood in its place was Sebastian and he was pissed beyond measure at us!

Nico: Agh! Sebastian's been freed!

But, then, Sebastian turned his demonic wrath against The Storm King as he pounced on him and he began ripping him apart like a wild animal and he even snatched The Staff of Sacanas and smashed it into the ground freeing Giga Basark.

Giga Basark: (Groans) W-wha..? (Remembers who did this) (To The Storm King) YOU!

Giga Basark fired energy blasts at The Storm King and Sebastian and they both got hit.

Zipp Storm: Alright, that's enough of that.

Lightning Dust: Right, now it's high time we dealt with you, Giga Basark.

Lena Mack: And then, we deal with you, Storm King.

Suddenly, the eyes of Zipp Storm, Lightning Dust, and Lena Mack turned neon green, neon amber, and neon blue, and they were surrounded by colored energy auras with stars, water, ocean waves, lightning, magic, Alicorns, phoenixes, and angels, they unholstered their massive greatswords, and as they approached Giga Basark, they left colored energy, stars, water, ocean waves, lightning, magic, Alicorns, phoenixes, and angels with every step.

Zipp Storm: You really are nothing more than an unforgivable and unrepentant monster, Giga Basark, you caused Kaito and the rest of his team nothing but trouble, and all for your plan to conquer the Earth.

Lightning Dust: Not to mention you've also hurt so many innocent people in the process, and now, we will make you pay the ultimate price for every last one of your crimes with your own blood.

Lena Mack: That's right. And as for you, Storm King, you've got some nerve coming back from The Black Gates, but now we know the real reason as to why: Anti-Monitor brought you back, and you also got some nerve making Giga Basark into your puppet. But, that no longer matters, after we get done with Giga Basark, we're also going to make sure that you die here and now, and this time, you are never ever coming back.

We were amazed by the transformations of Zipp Storm, Lightning Dust, and Lena Mack, but when Giga Basark and The Storm King saw it, they went mad with rage. But, before The Storm King could try to attack them, we blasted him and he went mad, and before Sebastian could attack as well, we also blasted him too.

Lincoln: I didn't expect The Storm King to break the crystal necklace that imprisoned you and gave to Melanie, but then again, I knew you'd show your cruel face here again. We already knew your toxic heart led to you to trying to commit treachery and murder, Sebastian, and now, here we stand against not only The Storm King and Giga Basark, but also, against you.

Nico: I truly thought you were our friend and a good man, but it looks like I was wrong, your descent into madness all those years ago showed your true ugly nature: you embraced the darkness that you were poisoned with and you let it turn your heart completely black and even despite the many times we'd freed you, you let it back in. That ends here and now. Sebastian Mendez, Nightmare of Mankind and Harbinger of Eternal Hatred and Madness, even though you're not getting kicked out of the team, we're cutting off all ties with you, I don't want anything to do with a toxic venom-spitting two-faced backstabbing snake like you!

THEN, SEBASTIAN ABSOLUTELY LOST IT AND HAD A FULL ALL-OUT MELTDOWN AS HE LET HIS DARK HEART'S HATRED OUT!

Sebastian Mendez: ALRIGHT, THAT'S IT, I'VE HAD IT! ALL YOU

FUCKING COWARDS CONGREGATE AGAINST ME, YOUR NEW MASTER! SEE IF I CARE! SHUT THE FUCK UP ALREADY! GO ON THEN, BE MY GODDAMN ENEMIES! HOWEVER, I'LL ALSO DO WHATEVER I WANT TO YOU ASSHOLES! SAY WHATEVER, DO WHATEVER, FREAKS, FOR YOU'LL NEVER GET TO DO THAT AGAIN ONCE YOU'RE ALL MY SLAVES!

WE WERE ABSOLUTELY DISGUSTED WITH HIM! WHAT A FUCKING SNAKE!

Me, Nico, and Lincoln: What a damn snake...

Giga Basark: STORM KING, YOU ABSOLUTE FOOL! HOW DARE YOU TURN ME INTO YOUR PUPPET!

Storm King: SHUT UP, IF ANYONE'S GOING TO DESTROY TEAM LOUD PHOENIX STORM, IT'S GOING TO BE ME!

Sebastian Mendez: WHY DON'T YOU BOTH SHUT THE FUCK UP! IF ANYONE'S GOING TO DESTROY THOSE PATHETIC WRETCHES, IT'S GOING TO ME!

THEN, SEBASTIAN ABSOLUTELY DRIVEN INSANE AFTER HIS TRUE NATURE WAS EXPOSE WENT AT THE STORM KING AND GIGA BASARK AND THEY GOT INTO A TRULY BLOODY AND NASTY FIGHT!

Then, Nyx appeared.

Nyx: So, not even cleansing you of the darkness could help heal you: for your heart and soul have been eternally damaged and you gave into madness eternal, this is the last straw for you. Lincoln, if you would be so kind.

Lincoln: Yes, Lady Nyx.

Lincoln unholstered his massive greatsword and he fired a massive blast of Divine Darkness with one swing and it hit Sebastian and he also got hit with The Gessius Flores Vengeance Curse.

Sebastian Mendez: NO! WHAT HAVE YOU DONE?!

Nyx: What I should've done long ago had I realized you were nothing more than damaged goods, and you had no hope for salvation, and on top of that, you became a treacherous two-faced snake.

Lincoln and his entire family went after Sebastian, and they proceed to blast him with extremely powerful blasts of rainbow, white, golden yellow, and blue energy, elemental forces, mythological animals, and mythical beasts, and they exploded with incredible power as they hit him, and they slashed at him with their massive greatswords leaving bleeding scars on him.

Then, Lincoln and his family pounced on him, and THEY UNLEASHED A HELLISH MAELSTROM OF PAIN ON SEBASTIAN MENDEZ!

LYNN SR. BLASTED HIM WITH GRAPE BOMBS AND MANY OTHER FRUIT BOMBS AND HE EVEN FIRED WINE AT HIM THAT MADE HIM EXTREMELY DRUNK AND INSENSIBLE!

LANCE SMASHED HIM ALL OVER THE PLACE WITH HIS MASSIVE SUPERHUMAN STRENGTH AND HIS FAMILY ALSO DID THE SAME TO HIM AS WELL!

RITA ELECTROCUTED HIM WITH MASSIVE BLASTS OF LIGHTNING AND HE TOOK SOME PLIERS AND HE RIPPED EVERY LAST POINTED FANG OUT OF HIS MOUTH AND SHE TURNED HER HAND INTO A BIG MALLET AND SMASHED HIM!

LINCOLN BLASTED HIM WITH ELEMENTAL BLASTS AND LIGHTNING, GAVE HIM A NASTY WET WILLIE, THREW HIM IN A PILE OF GARBAGE, BASHED HIS HEAD IN WITH HIS LEFT FIST, AND SLASHED AT HIM WITH HIS GOLD-ARMORED DRAGON CLAWS AND GREATSWORD!

LORI TURNED SEBASTIAN INTO A HUMAN PRETZEL BREAKING EVERY LAST BONE IN HIM BODY, AND THEN, SHE TURNED HIM INTO AN INSIDE OUT HUMAN SAUSAGE! GRUESOME!

LENI FIRED GRAVITY BLASTS AT SEBASTIAN AND HE WAS

CRUSHED BY THE GRAVITY AND HE ALSO HIT HIM WITH A ROLLING PIN!

LUNA BLASTED HIM WITH WATER AND ICE AND SHE PLAYED SO MEGA LOUD ON HER GUITAR, SHE SHATTERED THAT SNAKE'S EARDRUMS AND RENDERED HIM DEAF IN BOTH EARS, AND SHE ALSO SMASHED HER CYMBALS RIGHT IN HIS FACE!

LUAN BLASTED HIM WITH LIGHT AND RAINBOWS, AND THEN, SHE THREW HIM INTO A MINEFIELD MADE OF HER EXTREMELY DEADLY APRIL FOOLS' PRANKS AND HE REALLY REALLY GOT MANGLED!

LYNN BLASTED HIM WITH LAVA AND EARTH, AND LIKE LINCOLN, SHE SMASHED HIS ALL OVER THE PLACE WITH HER SUPERHUMAN STRENGTH AND SHE EVEN GAVE SEBASTIAN A NASTY DUTCH OVEN! GROSS TO THE MAX!

LANEY BLASTED HIM WITH RAINBOW FIRE AND SHE EVEN LASHED AT HIM WITH POISON IVY VINES AND HE WAS SCRATCHING HERSELF RAW ALL OVER THE PLACE!

LUCY BLASTED HIM WITH DARK FIRE AND DARKNESS AND SHE FIRED A BLAST OF DARK LIGHTNING THAT MADE SEBASTIAN'S WORST NIGHTMARE COME TO LIFE: ALL HIS PLANS FAILED AND HE WAS NOW MADE AN OUTCAST OF THE WORST ORDER!

LANA BLASTED HIM WITH ICE AND SNOW FREEZING HER IN A BLOCK OF ICE WHICH SHATTERED FROM A PUNCH SHE GAVE, AND SHE EVEN DUMPED MUD INTO HIS PANTS! GRODY!

LOLA BLASTED HIM WITH FIRE AND GAVE THAT SNAKE A NASTY CASE OF THIRD-DEGREE BURNS AND SHE EVEN GAVE SEBASTIAN A NASTY WEDGIE!

LISA BLASTED HIM WITH LIGHTNING AND SHE EVEN FIRED GEARS AT HIM WHICH REALLY LEFT SOME BLEEDING MARKS, THEN SHE THREW CHEMICALS AT HIM WHICH EXPLODED

AND LEFT SOME REALLY NASTY BURNS!

LILY BLASTED HIM WITH SCALDING HOT GLOWING WATER AND THAT MADE THE BURNS HURT EVEN MORE!

LEE, LYRA, AND LIBERTY POUNCED ON AND SMASHED THAT SNAKE ALL OVER THE PLACE AND THEY BLASTED HIM WITH FIRE, LIGHTNING, AND MAGIC!

ERIC, LANDON, AND HAN BLASTED HIM WITH CRYSTALS AND FIRE AND HE REALLY GOT MANGLED!

ALBERT, SAMUEL, AND MYRTLE SMASHED HIM ALL OVER THE PLACE! THAT'LL TEACH HIM TO RESPECT HIS ELDERS!

MY JAW AND NICO'S JAW AND EVERYONE ELSE'S JAWS DROPPED TO THE FLOOR!

CLANG!

ELI PUT OUR JAWS BACK!

Me: HOLY FUCKING SHIT! THAT'S JUST BRUTAL!

Nico: You said it! Jeez, the whole Loud Family really bashed his brains in!

Qin: I think it's gonna get a lot worse!

Lincoln: (Smirks) Let's send him on a little trip to The Sushimaker!

Loud Family: YEAH! SUSHIMAKER! SUSHIMAKER! SUSHIMAKER!

Everyone: THE SUSHIMAKER! (SCREAMS IN TERROR)

Lincoln grabbed Sebastian by the collar of his shirt with his left hand and he made The Sushimaker appear, and then, he tossed him in, and what followed was him screaming in so much pain and terror and we saw the horrors of what he was forced into in The Sushimaker and it's so graphic, we can't even begin to describe it! But, when it was done, Sebastian was mangled up and beaten up, and he had tons of broken bones, missing teeth, black eyes, broken eardrums, and she looked really horrific!

Me: OH! OH! OH, NOW, THAT'S PLAIN NASTY!

Nico: Jeez! Brutal!

Sebastian Mendez: Ouch!

Qin: (Smirks and crosses her arms) You know what they say, Sebastian Mendez.

Nico's friends: Karma's a bitch!

We laughed!

SUDDENLY, THE ONSLAUGHT LINCOLN AND HIS FAMILY GAVE HIM CAUSED A SHIT TONS OF GOLD, JEWELS, GEMS, AND COINS TO EXPLODE AND ERUPT OUT OF SEBASTIAN AS HE SCREAMED IN PAIN!

Storm King: I may be an enemy of the team, but even I know you deserve it, you psychotic snake.

Giga Basark: You're even worse than all of Team Loud Phoenix Storm's enemies!

Sebastian Mendez: SHUT THE FUCK UP!

SEBASTIAN FUCKING SNAPPED AS A DARK ENERGY AURA FLARED UP EXTREMELY AND HE TURNED ON THE STORM KING AND GIGA BASARK AND HE PROCEEDED TO ATTACK THEM BRUTALLY, BUT BEFORE HE COULD STAB THE STORM KING AND GIGA BASARK IN THE HEART WITH A KNIFE AND HE WAS CACKLING MANIACALLY AND INSANELY, LINCOLN FIRED A DRAGON OF PURPLE ENERGY AND IT HIT SEBASTIAN AND SENT HIM FLYING BACK INTO THE DUNGEONS AND HE WAS THROWN BACK IN HIS CELL AND LINCOLN ALSO TRAPPED THE STORM KING INSIDE A POWERFUL ENERGY BARRIER!

Nico: Holy shit, I don't believe it, he's fucking snapped!

Me: He tried to deny us the chance to kill Giga Basark and The Storm King! What a psychopath.

Zipp Storm: Seriously?! You're still at it again?! Well, I shouldn't be that surprised though.

Lightning Dust: That's true, he's still as violent and insane as ever.

Lena Mack: But, don't worry, we're going to kill you and make sure that your name is entirely forgotten and you'll be nothing more than a forgotten memory.

Suddenly, Sebastian reappeared once again facing The Storm King.

Nico: What the, Sebastian's back again?!

Storm King: You came back to help or kill me?

But, then, Sebastian reached into his own chest and ripped out his own heart: it was black and had mouths with sharp teeth and all of the toxicity and darkness that he was poisoned with by Dark Chase Young was flowing into it! Then, we saw blood tears falling from Sebastian's eyes and his blood red eyes changed back to midnight blue and he finally purified himself.

WE GASPED!

Sebastian Mendez: I came back here, this time, to kill you. (To Nico) This is going to make things right with you and the others, Nico. (Smiles) Now, it's time to say goodbye, Storm King.

Then, Sebastian shoved the black heart with all of the toxicity and darkness that Dark Chase Young poisoned him with into The Storm King's chest, and he began suffering such incredible pain and agony.

Sebastian Mendez: It hurts, doesn't it?

Then, Sebastian's heart grew back, this time, it was completely red and healthy and his chest healed and his shirt fixed itself.

Storm King: Why, you little...!

Tempest Shadow: That's enough. I've had it up to hear with you, Storm King, and now, this is where it all ends for you here and now.
